The Shackelford Quarterly - 1993

The American Genealogist - 1984

The Source - Loretto Dennis Szucs 2006

Genealogists and other historical researchers have valued the first two editions of this work, often referred to as the genealogist's bible. The new edition continues that tradition. Intended as a handbook and a guide to selecting, locating, and using appropriate primary and secondary resources, The Source also functions as an instructional tool for novice genealogists and a refresher course for experienced researchers. More than 30 experts in this field--genealogists, historians, librarians, and archivists--prepared the 20 signed chapters, which are well written, easy to read, and include many helpful hints for getting the most out of whatever information is acquired. Each chapter ends with an extensive bibliography and is further enriched by tables, black-and-white illustrations, and examples of documents. Eight appendixes include the expected contact information for groups and institutions that persons studying genealogy and history need to find.

Research in Georgia - 1981

This is one of the most comprehensive guides to research sources in Georgia and especially the Georgia Department of Archives and History. Mr. Davis has painstakingly surveyed the records and their locations and compiled a book that is a watershed for Georgia historians and genealogists. It is written as a guide, leading him or her step-by-step to the records - many of which are unknown to even the most experienced researcher due to long years of neglect. The inclusion of an outline to the county material on microfilm can help many a traveler to realize that a trip to the archives is more useful than one to the county courthouse. I can think of no better book with which people can use as a beginning tool for research in Georgia - Ken Thomas, Genealogy, The Atlanta Constitution.

New Arrivals in American Local History and Genealogy, Quarterly List - Sutro Library 1985

A History of the Elam Family - Earl Henry Elam 2001

Nathaniel and Mary (Mitchell) Harrison Everett of Tyrrell (now Washington) County, North Carolina and Some of Their Descendants and Related Families - 2001

Nathaniel Everett was born in about 1678. He married a widow, Mary Mitchell Harrison in about 1701 in Albermarle, North Carolina and they had four children. Descendants and relatives lived mainly in North Carolina.

[The Beginner's Guide to Using Tax Lists](#) - Cornelius Carroll 1997

The Beginner's Guide to Using Tax Lists is Cornelius Carroll's primer for making the best genealogical usage of tax lists. At the outset the author differentiates between tax lists, quit rents, tithables, militia lists,

censuses, and similar records and the laws that applied to them. Then, by focusing on the tax lists of Virginia, North Carolina, Kentucky and Tennessee, he demonstrates how tax lists can be used for determining parentage, birth and death dates, indentured servitude, slavery, manumission, and racial status. They can be used, in conjunction with other records to help determine the parentage of a female, the date of a marriage, migration routes, and the accuracy of family traditions. Mr. Carroll has also included a list of dates of county formation for the four states referred to above and a number of sample tax lists in order to expose researchers to the legal and other factors affecting the ages and classes of people who were taxable at any given time.

Our Tomberlin Heritage - Martha Tomberlin Wall 1995

Brothers, John and William Tomlins/Tomberlin came to America from England, ca 1669. John (ca.1640-July 7, 1715), was a planter with headrights in the Colony. John, who was 19 years old, came as a paid voyage person. His brother, William (born ca.1661), who was 8, came with him as a stowaway. John claimed his headright land in Perquimans County, North Carolina. He married Mary. They were parents of Elizabeth, born 1689 and John, born April 11, 1692. William's line is traced in this book. He paid tax in Perquimans County, North Carolina in 1740 before he died and his son, William, (born 1692-1770) paid taxes in Perquimans county in 1740. His son, William was married, but his will left all his possessions to son, John William Tomberlin. John William had 4 sons, John William, Moses, William, and Thomas. Descendants lived in North and South Carolina, Virginia, Georgia, Alabama, and Florida. Variant spellings of Tomberlin are: Thomlinson, Tomerlin, Thomlin, Tumberlin, and Tumlinson.

The Franklin Fireplace - 1979

[Adventures of a Frontier Naturalist](#) - Gideon Lincecum 1994

Lincecum's experiences of following the frontier in the early 1800s, all the way from Georgia to Texas, were not so unusual in themselves, but the intellect and wit that inform his memoirs make them unique. His scientific articles and collections of specimens, his correspondence with leading scientists of the time, and his six years among the colony of ex-Confederates in Tuxpan, Mexico, offer still other insights into the age. Lincecum portrays many aspects of frontier social life, including marriage and divorce, slavery as practiced by the small slaveholder, education, religion as critiqued by a freethinker, the social life of the Choctaws and Chickasaws, medical controversies, and the building of towns. He vividly describes the unspoiled flora and fauna of Texas in 1835 and entertains with tales of hunting deer, bear, turkey, and waterfowl.

The Free State of Jones, Movie Edition - Victoria E. Bynum 2016-01-25

Between late 1863 and mid-1864, an armed band of Confederate deserters battled Confederate cavalry in the Piney Woods region of Jones County, Mississippi. Calling themselves the Knight Company after their captain, Newton Knight, they set up headquarters in the swamps of the Leaf River, where they declared their loyalty to the U.S. government. The story of the Jones County rebellion is well known among Mississippians, and debate over whether the county actually seceded from the state during the war has smoldered for more than a century. Adding further controversy to the legend is the story of Newt Knight's interracial romance with his wartime accomplice, Rachel, a slave. From their relationship there developed a

mixed-race community that endured long after the Civil War had ended, and the ambiguous racial identity of their descendants confounded the rules of segregated Mississippi well into the twentieth century. Victoria Bynum traces the origins and legacy of the Jones County uprising from the American Revolution to the modern civil rights movement. In bridging the gap between the legendary and the real Free State of Jones, she shows how the legend--what was told, what was embellished, and what was left out--reveals a great deal about the South's transition from slavery to segregation; the racial, gender, and class politics of the period; and the contingent nature of history and memory. In a new afterword, Bynum updates readers on recent scholarship, current issues of race and Southern heritage, and the coming movie that make this Civil War story essential reading. The Free State of Jones film, starring Matthew McConaughey, Gugu Mbatha-Raw, and Keri Russell, will be released in May 2016.

The Library - Johni Cerny 1988

A guide designed to make the Family History Library of the LDS Church more accessible to its users.

Guide to Reprints - Albert James Diaz 2001

Finding Answers in U.S. Census Records - Loretto Dennis Szucs 2001-12

Finding Answers in U.S. Census Records is a comprehensive guide to understanding and using U.S. Census records, in particular those of the federal census. Aimed at the general family history audience, this book is especially useful for the beginning to intermediate researcher. Along with a description of the history and structure of the federal census there is a guide to each decennial census. Three appendixes offer a description of major census data providers, major state and national archives with census collections, and specially designed census extraction forms. Includes a complete index.

Georgia Genealogical Research - George Keene Schweitzer 1987

The Genealogist's Companion & Sourcebook - Emily Croom 1994-04-15

A hands-on guide to uncovering your past.

Genealogy Bulletin - 1997

The Handybook for Genealogists - George B. Everton 2006

Everton's Handybook for Genealogists is one of the most valuable genealogy bibliography collections currently available. It is an indispensable resource for any genealogist attempting to trace their heritage using the county record system of the United States. The Handybook contains: well-researched histories of each state, state capital and the territories, descriptions and addresses for each state's major record collections and protocol for requesting vital records, information on researching records for nineteen foreign countries, complete contact information for libraries, repositories, and historical/genealogical societies, detailed county maps and over 120 migration trail maps. The Handybook also incorporates an in-depth tracking system for every county in each state, including counties that no longer exist, to help genealogists determine which county records to research. This timesaving feature makes this volume the most comprehensive resource for county information in the United States available today.

Genealogical & Local History Books in Print - 1985

Previous editions titled: Genealogical books in print

The Reconstructed 1790 Census of Georgia - Marie De Lamar 1985

"Counties covered include all of those formed before 1790, i.e. Burke, Camden, Chatham, Effingham, Franklin, Glynn, Greene, Liberty, Richmond, Washington, and Wilkes. Also covered are Columbia and Elbert counties, which were formed just after the census was taken. Information in the text is purposely sparse, the compilers' object being simply to identify individuals in at least one record of a county at a particular time. When the original edition of this work was published in 1976, it had no index. Our reprint contains a complete name index with thousands of multiple references" -- publisher website (June 2008).

Midwest Historical and Genealogical Register - 1997

Lines and Lifestyles - 1988

James Moore, a blacksmith, immigrated to America before 1684. He was living in Philadelphia County,

Pennsylvania, by 1692. He and his wife had a son and a daughter. He died before 25 Dec. 1704.

Descendants lived in Pennsylvania, Georgia, and elsewhere.

Seattle Genealogical Society Bulletin - 1988

Ancestry magazine - 2009-05

Ancestry magazine focuses on genealogy for today's family historian, with tips for using Ancestry.com, advice from family history experts, and success stories from genealogists across the globe. Regular features include "Found!" by Megan Smolenyak, reader-submitted heritage recipes, Howard Wolinsky's tech-driven "NextGen," feature articles, a timeline, how-to tips for Family Tree Maker, and insider insight to new tools and records at Ancestry.com. Ancestry magazine is published 6 times yearly by Ancestry Inc., parent company of Ancestry.com.

Bibliographic Guide to North American History - 1985

Shaking Your Family Tree - Ralph J. Crandall 1986

Provides information on research, organization, and publishing a family history.

Union Catalog of the History and Genealogy Resources Available at the South Georgia Regional Library System's Special Collections, the Valdosta State University Special Collections, and the Lowndes County Historical Society Library: South Georgia Regional Library System - 2001

The Cumulative Book Index - 1986

A world list of books in the English language.

The Free State of Jones - Victoria E. Bynum 2003-01-14

Between late 1863 and mid-1864, an armed band of Confederate deserters battled Confederate cavalry in the Piney Woods region of Jones County, Mississippi. Calling themselves the Knight Company after their captain, Newton Knight, they set up headquarters in the swamps of the Leaf River, where, legend has it, they declared the Free State of Jones. The story of the Jones County rebellion is well known among Mississippians, and debate over whether the county actually seceded from the state during the war has smoldered for more than a century. Adding further controversy to the legend is the story of Newt Knight's interracial romance with his wartime accomplice, Rachel, a slave. From their relationship there developed a mixed-race community that endured long after the Civil War had ended, and the ambiguous racial identity of their descendants confounded the rules of segregated Mississippi well into the twentieth century.

Victoria Bynum traces the origins and legacy of the Jones County uprising from the American Revolution to the modern civil rights movement. In bridging the gap between the legendary and the real Free State of Jones, she shows how the legend--what was told, what was embellished, and what was left out--reveals a great deal about the South's transition from slavery to segregation; the racial, gender, and class politics of the period; and the contingent nature of history and memory.

Nexus - 1996

The newsmagazine of the New England Historic Genealogical Society.

Our Family, Our Town - National Archives (U.S.) 1987

This book "is a collaborative effort that includes contributions from many archivists and researchers at the National Archives. The origins of the volume go back to the late 1970's, when the Education Branch of the Office of Public Programs began an effort to encourage wider use of the substantial family and local history materials in the National Archives."--Pref.

The Southern Genealogist's Exchange Quarterly - Aurora C. Shaw 1992

Dunkin-Reid and Garner-McGraw-Mobley Families of South Carolina, Georgia, and Alabama -

Dean Smith Cress 1992

Ancestral and related families of the author Ailcy Dora Dean Smith. She was born in 1930 in Cullman County Alabama. The daughter of Adolphus Smith (b. 1911) and Flora Gladys Moon Smith (b. 1913). She

married Luther Allen Cress in 1948. Ancestors lived in Alabama, Georgia, Virginia, South Carolina and elsewhere.

Our Family, Our Town - 1987

The South Carolina Magazine of Ancestral Research - 1987

Rodgers-Hearne and Related Families - Bettie Tillitt Cobb 1997

Some of the descendants of William Hearne, born about 1627 in London, and died in 1691 in Maryland are also listed. This is the author's maternal lineage.

The Family Tree Resource Book for Genealogists - Sharon DeBartolo Carmack 2004-12

Provides genealogists with research summaries, maps, and timelines for every U.S. state; detailed county-level data that can be utilized to acquire most genealogical records; and extensive listings of contact information, web sites, libraries, and genealogical and historical societies. Original.
