*The Scandinavian Home* - Niki Brantmark  
2017-03-07

Discover classic and contemporary Scandinavian style. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months— not just literally with log burners, but also through incorporating wood and natural materials. The Scandinavian Home showcases a wide range of these beautiful homes. The first chapter, City Dwellings, features sharp, modern apartments and smart townhouses. Country Homes shows the Scandinavian take on country style with laid-back, bohemian homes. Finally, the Summer and Winter Retreats include coastal cottages, an

allotment house, and log cabins.
