The Magic Fish - Trung Le Nguyen 2020-10-13
NAMED ONE OF THE BEST BOOKS OF THE
YEAR by New York Public Library • Kirkus
Reviews • Booklist • Publishers Weekly In this
gorgeous debut graphic novel, fairy tales are the
only way one boy can communicate with his
Vietnamese immigrant parents. But how will he
find the words to tell them that he's gay? A
powerful read about family, identity and the
enduring magic of stories. "One of the most
astounding graphic novels of the year"
-Entertainment Weekly Tien and his mother may
come from different cultures—she's an
immigrant from Vietnam still struggling with
English; he's been raised in America—but
through the fairy tales he checks out from the
local library, those differences are erased. But as
much as Tien's mother's English continues to
improve as he reads her tales of love, loss, and
travel across distant shores, there's one
conversation that still eludes him—how to come
out to her and his father. Is there even a way to

explain what he's going through in Vietnamese?
And without a way to reveal his hidden self, how
will his parents ever accept him? This beautifully
illustrated graphic novel speaks to the
complexity of family and how stories can bring
us together even when we don't know the words.
"A lyrical masterpiece." -BuzzFeed
Dark Magic - Christine Feehan 2010-06-08
Young Savannah Dubrinsky was a mistress of
illusion, a world-famous magician capable of
mesmerizing millions. But there was one-
Gregori, the Dark One—who held her in terrifying
thrall. Whose cold silver eyes and heated
sensuality sent shivers of danger, of desire,
down her slender spine. With a dark magic all
his own, Gregori—the implacable hunter, the
legendary healer, the most powerful of
Carpathian males—whispered in Savannah's mind
that he was her destiny. That she had been born
to save his immortal soul. And now, here in New
Orleans, the hour had finally come to claim her.
To make her completely his. In a ritual as old as

time . . . and as inescapable as eternity.
Leadership Presence - Kathy Lubar 2004-10-14
BRING THE TECHNIQUES OF THE STAGE TO THE BOARDROOM. For more than a decade, Belle Linda Halpern and Kathy Lubar have applied the lessons and expertise they have learned as performing artists to the work of their company, The Ariel Group. Halpern and Lubar have helped tens of thousands of executives at major companies around the country and the globe, including General Electric, Mobil Oil, Capital One, and Deloitte. In Leadership Presence, they make their time-tested strategies available to everyone, from high-profile CEOs to young professionals seeking promotion. Their practical, proven approach will enable you to develop the skills necessary to inspire confidence, command respect, build credibility, and motivate others. Halpern and Lubar teach you:

- How to handle tough situations with heightened confidence and flexibility
- How to build your relationships to enhance collaboration

and business development

- How to express yourself dramatically and motivate others
- How to integrate your personal values into communication to inspire others and become a more effective leader

Learning the skills of the true performance experts, readers will understand why Leadership Presence is the key to dynamic and authentic leadership.

Coaching with Meaning and Spirituality - Peter Hyson 2013

Coaching with Meaning and Spirituality aims to help coaches with those occasions where a clients' search for meaning needs to be addressed and explored. Working with spirituality in a coaching context can be difficult and unfamiliar for coaches, but in this book Peter Hyson provides a vocabulary to facilitate this exploration, and ultimately to help coaches to address their clients' doubts and worries, especially in an economic climate where old certainties may be lost. Part I of this text argues the case for why coaches should be willing and

able to explore areas of meaning and spirituality with coachees. It provides definitions and terminology. Part II uses case studies and activities to help coaches apply these definitions to specific contexts that we might face as coaches. The final part provides some deeper skill-development and extended resources. This book looks at motivation; legacy; drive to succeed; increasing profit; maintaining work-life balance; stress, breakdown and crises; and qualities of effective leadership. It will be especially useful for professional coaches, both the experienced and the relatively new, who coach in a variety of contexts. It aims to stimulate a new area of discussion across the wider coaching profession.

Delivering Happiness - Tony Hsieh 2010-06-07
#1 NEW YORK TIMES AND WALL STREET
JOURNAL BESTSELLER Pay brand-new
employees \$2,000 to quit Make customer service
the responsibility of the entire company-not just
a department Focus on company culture as the

#1 priority Apply research from the science of happiness to running a business Help employees grow-both personally and professionally Seek to change the world Oh, and make money too . . . Sound crazy? It's all standard operating procedure at Zappos, the online retailer that's doing over \$1 billion in gross merchandise sales annually. After debuting as the highest-ranking newcomer in Fortune magazine's annual "Best Companies to Work For" list in 2009, Zappos was acquired by Amazon in a deal valued at over \$1.2 billion on the day of closing. In **DELIVERING HAPPINESS**, Zappos CEO Tony Hsieh shares the different lessons he has learned in business and life, from starting a worm farm to running a pizza business, through LinkExchange, Zappos, and more. Fast-paced and down-to-earth, **DELIVERING HAPPINESS** shows how a very different kind of corporate culture is a powerful model for achieving success-and how by concentrating on the happiness of those around you, you can

dramatically increase your own. To learn more about the book, go to

www.deliveringhappinessbook.com.

[The Heart of Business](#) - Hubert Joly 2021-05-04

A Wall Street Journal Bestseller Named a Financial Times top title How to unleash "human magic" and achieve improbable results. Hubert Joly, former CEO of Best Buy and orchestrator of the retailer's spectacular turnaround, unveils his personal playbook for achieving extraordinary outcomes by putting people and purpose at the heart of business. Back in 2012, "Everyone thought we were going to die," says Joly. Eight years later, Best Buy was transformed as Joly and his team rebuilt the company into one of the nation's favorite employers, vastly increased customer satisfaction, and dramatically grew Best Buy's stock price. Joly and his team also succeeded in making Best Buy a leader in sustainability and innovation. In *The Heart of Business*, Joly shares the philosophy behind the resurgence of Best Buy: pursue a noble purpose,

put people at the center of the business, create an environment where every employee can blossom, and treat profit as an outcome, not the goal. This approach is easy to understand, but putting it into practice is not so easy. It requires radically rethinking how we view work, how we define companies, how we motivate, and how we lead. In this book Joly shares memorable stories, lessons, and practical advice, all drawn from his own personal transformation from a hard-charging McKinsey consultant to a leader who believes in human magic. *The Heart of Business* is a timely guide for leaders ready to abandon old paradigms and lead with purpose and humanity. It shows how we can reinvent capitalism so that it contributes to a sustainable future.

Listening, Learning, Caring and Counselling

- Dr Cate Howell, OAM, CSM, PhD (Med.)

2016-07-01

At the centre of any caring role is listening attentively to the concerns, narratives and needs

of others. But to develop the skills of listening, learning, caring and counselling (LLCC) you need support and training. Written by an experienced and awarded therapist, Listening, Learning, Caring and Counselling is an authoritative, comprehensive guide full of ideas and techniques designed to fill that role. The main emphasis of this highly accessible reference work is on how health and related professionals can assist clients as they work through the issues they commonly present with — such as depression, relationship issues, addiction and grief. Numerous therapies and their related techniques are described and synthesized into the LLCC approach, while case studies, skills and tips for everyday practice make it a practical and user-friendly resource. Listening, Learning, Caring and Counselling is essential reading for counsellors, support workers, case workers, medical practitioners, health professionals — from physiotherapists, pharmacists, doctors, dentists and their

assistants to nutritionists and naturopaths — serious life coaches and emergency workers, as well as those in the fields of human resources.

The Wizard and the Warrior - Lee G. Bolman
2011-03-08

The Wizard and the Warrior gives leaders the insight and courage they need to take risks on behalf of values they cherish and the people they guide. Great leaders must act both as wizard, calling on imagination, creativity, meaning, and magic, and as warrior, mobilizing strength, courage, and willingness to fight as necessary to fulfill their mission. Best-selling authors Lee Bolman and Terrence Deal present the defining moments and experiences of exemplary leaders such as Carly Fiorina, Thomas Keller (head chef of French Laundry), David Neeleman (CEO of Jet Blue), Mary Kay Ash, Warren Buffet, Anne Mulcahy, and Abraham Lincoln^{3/4}all of whom have wrested with their own inner warrior and wizard. These engaging, realistic case studies are followed by commentaries that will raise

questions and suggest possibilities without rushing to resolution or simple answers.

Out of Salem - Hal Schriever 2019-03-26

Longlisted for the 2019 National Book Award for Young People's Literature A Publishers Weekly Best Young Adult Book of 2019 The best Teen Zombie Werewolf Witchy Faerie fantasy murder mystery you've ever read—by debut author, Hal Schriever. Genderqueer fourteen-year-old Z Chilworth has to adjust quickly to their new status as a zombie after waking from death from a car crash that killed their parents and sisters. Always a talented witch, Z now can barely perform magic and is rapidly decaying. Faced with rejection from their remaining family members and old friends, Z moves in with their mother's friend, Mrs. Dunnigan, and befriends Aysel, a loud would-be-goth classmate who is, like Z, a loner. As Z struggles to find a way to repair the broken magical seal holding their body together, Aysel fears that her classmates will discover her status as an unregistered

werewolf. When a local psychiatrist is murdered by what seems to be werewolves, the town of Salem, Oregon, becomes even more hostile to "monsters," and Z and Aysel are driven together in an attempt to survive a place where most people wish that neither of them existed. Rarely has a first-time author created characters of such immediacy and power as Z, Aysel, Tommy (suspected fey) and Elaine (also a werewolf), or a world that parallels our own so clearly and disturbingly.

The Magic of Metaphor - Nick Owen 2001-01-08

The Magic of Metaphor presents a collection of stories designed to engage, inspire, and transform the listener and the reader. Some of the stories motivate, some are spiritual, and some provide strategies for excellence. All promote positive feelings, encouraging confidence, direction, and vision.

Whoever Tells the Best Story Wins - Annette Simmons 2007-05-09

Stories have tremendous power. They can

persuade, promote empathy, and provoke action. Better than any other communication tool, stories explain who you are, what you want...and why it matters. In presentations, department meetings, over lunch-any place you make a case for new customers, more business, or your next big idea-you'll have greater impact if you have a compelling story to relate. Whoever Tells the Best Story Wins will teach you to narrate personal experiences as well as borrowed stories in a way that demonstrates authenticity, builds emotional connections, inspires perseverance, and stimulates the imagination. Fully updated and more practical than ever, the second edition reveals how to use storytelling to: Capture attention * Motivate listeners * Gain trust * Strengthen your argument * Sway decisions * Demonstrate authenticity and encourage transparency * Spark innovation * Manage uncertainty * And more Complete with examples, a proven storytelling process and techniques, innovative applications, and a new appendix on

teaching storytelling, Whoever Tells the Best Story Wins hands you the tools you need to get your message across-and connect successfully with any audience.

American Icon - Bryce G. Hoffman 2013-02-05
The inside story of the epic turnaround of Ford Motor Company under the leadership of CEO Alan Mulally. At the end of 2008, Ford Motor Company was just months away from running out of cash. With the auto industry careening toward ruin, Congress offered all three Detroit automakers a bailout. General Motors and Chrysler grabbed the taxpayer lifeline, but Ford decided to save itself. Under the leadership of charismatic CEO Alan Mulally, Ford had already put together a bold plan to unify its divided global operations, transform its lackluster product lineup, and overcome a dysfunctional culture of infighting, backstabbing, and excuses. It was an extraordinary risk, but it was the only way the Ford family—America's last great industrial dynasty—could hold on to their

company. Mulally and his team pulled off one of the greatest comebacks in business history. As the rest of Detroit collapsed, Ford went from the brink of bankruptcy to being the most profitable automaker in the world. *American Icon* is the compelling, behind-the-scenes account of that epic turnaround. In one of the great management narratives of our time, Hoffman puts the reader inside the boardroom as Mulally uses his celebrated Business Plan Review meetings to drive change and force Ford to deal with the painful realities of the American auto industry. Hoffman was granted unprecedented access to Ford's top executives and top-secret company documents. He spent countless hours with Alan Mulally, Bill Ford, the Ford family, former executives, labor leaders, and company directors. In the bestselling tradition of *Too Big to Fail* and *The Big Short*, *American Icon* is narrative nonfiction at its vivid and colorful best.

[Unicorn Magic](#) - Tess Whitehurst 2019-11-08
Answer the Unicorn's Call to Wondrously

Positive Living This majestic book provides the keys to unlock your personal and spiritual power. Award-winning author Tess Whitehurst presents meditations, rituals, spells, and exercises that help you enter the realm of unicorns and live as they do—uniting fierceness and courage with gentleness and grace. *Unicorn Magic* uses spiritual insights and techniques to combat the current madness of our culture with the beauty and wonder that is our true legacy and birthright. You'll explore a wide range of topics, including unicorn altars, energy work, dream work, activism, and alchemy. Through this magical guide, you can awaken your intuition and make positive changes in your life and the world.

High-Output Management - Andrew S. Grove
1996-01

The 10 Stories Great Leaders Tell - Paul Smith
2019-08-01

NOW AN OWL (Outstanding Work of Literature)

Leadership Award Winner! Every great leader is a great storyteller. As a manager, CEO, or team leader, how can you innovatively engage your employees so that they understand where your organization came from, where it's going, and how you're going to get there? How can you connect with your customers in a way that makes them believe in your company as passionately as you do? Paul Smith is one of the world's leading experts in business storytelling. He teaches people how to be more effective leaders by communicating their company's important mission, inspiring creativity, and earning the trust of valued stakeholders. The 10 Stories Great Leaders Tell explores the journey behind success, and breaks down not just the importance of your company's story but how to craft compelling ones of your own.

Storytelling - Klaus Fog 2006-03-20

Must-read for managers on a powerful branding tool of the future. Up-to-date cases from the business world, plenty of illustrations and easy-

to-use tools. Recommended by managers of top international firms. Covers both the internal and external benefits of storytelling for a business company. Danish version sold more than 2000 copies.

Good to Great - Jim Collins 2011-07-19

The Challenge Built to Last, the defining management study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be engineered into the DNA of an enterprise from the very beginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? The Standards Using tough benchmarks, Collins

and his research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. The Comparisons The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness --

why some companies make the leap and others don't. The Findings The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness. The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of competence. A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results. Technology Accelerators: Good-to-great companies think differently about the role of technology. The Flywheel and the Doom Loop: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. "Some of the key concepts discerned in the study," comments Jim Collins, "fly in the face of our modern business culture and will, quite frankly,

upset some people.” Perhaps, but who can afford to ignore these findings?

Poison Study - Maria V. Snyder 2012-08-15
From New York Times Bestselling Author Maria V. Snyder Choose: a quick death... or slow poison... Locked deep in the palace dungeon for killing her abuser, Yelena knows she'll never be free again. The laws in Ixia are strict, and murderers must be executed, no matter the reason. But just as she's resigned herself to her fate, she's offered an extraordinary reprieve. As the food taster, Yelena will eat the best meals, have rooms in the palace—and risk assassination by anyone trying to kill the Commander of Ixia. To make matters worse, the chief of security deliberately feeds her Butterfly's Dust, and only by appearing for her daily antidote will she delay an agonizing death from the poison. As Yelena tries to escape her new dilemma, disasters keep mounting. Rebels plot to seize Ixia and Yelena develops magical powers she can't control. Her life is threatened again, and in order to survive,

she must unravel the secrets behind the past she's been running from. The Chronicles of Ixia Series by Maria V Snyder Book One: Poison Study Book Two: Magic Study Book Three: Fire Study Book Four: Storm Glass Book Five: Sea Glass Book Six: Spy Glass Book Seven: Shadow Study Book Eight: Night Study Book Nine: Dawn Study

Emotionally Responsive Practice - Lesley Koplow 2021

"In her new book, Lesley Koplow explores the Emotionally Responsive Practice (ERP) approach designed to support children and teachers' emotional well-being in the public-school setting. ERP encourages school staff to look at children through the lens of child development, as well as through the lens of their life experiences, in order to help them resolve foundational social and emotional milestones. Unlike many SEL programs, ERP asks adults to consider the ways that educational philosophy and school climate impact emotional, social, and cognitive outcomes

for young children. This timely resource offers teachers, school leaders, and school-based clinicians a vision and blueprint for engaging in relationship-based, trauma-informed practice in early childhood and elementary school grades"--
Grand Improvisation - Derek Leebaert
2018-10-16

A new understanding of the post World War II era, showing what occurred when the British Empire wouldn't step aside for the rising American superpower—with global insights for today. An enduring myth of the twentieth century is that the United States rapidly became a superpower in the years after World War II, when the British Empire—the greatest in history—was too wounded to maintain a global presence. In fact, Derek Leebaert argues in *Grand Improvisation*, the idea that a traditionally insular United States suddenly transformed itself into the leader of the free world is illusory, as is the notion that the British colossus was compelled to retreat. The United States and the

U.K. had a dozen abrasive years until Washington issued a “declaration of independence” from British influence. Only then did America explicitly assume leadership of the world order just taking shape. Leebaert's character-driven narrative shows such figures as Churchill, Truman, Eisenhower, and Kennan in an entirely new light, while unveiling players of at least equal weight on pivotal events. Little unfolded as historians believe: the Truman Doctrine and the Marshall Plan; the Korean War; America's descent into Vietnam. Instead, we see nonstop U.S. improvisation until America finally lost all caution and embraced obligations worldwide, a burden we bear today. Understanding all of this properly is vital to understanding the rise and fall of superpowers, why we're now skeptical of commitments overseas, how the Middle East plunged into disorder, why Europe is fracturing, what China intends—and the ongoing perils to the U.S. world role.

101 Healing Stories for Kids and Teens -

George W. Burns 2012-06-29

A comprehensive guide to understanding and using storytelling in therapy with kids and teens "George Burns is a highly experienced clinician with the remarkable ability to create, discover, and tell engaging stories that can teach us all the most important lessons in life. With 101 Healing Stories for Kids and Teens, he strives especially to help kids and teens learn these life lessons early on, providing them opportunities for getting help and even learning to think preventively." -Michael D. Yapko, PhD | Author of Breaking the Patterns of Depression and Hand-Me-Down Blues "George Burns takes the reader on a wonderful journey, balancing metaphor, good therapeutic technique, and empirical foundations during the trip. Given that Burns utilizes all three aspects of the Confucian story referred to in the book-teaching, showing, and involving-readers should increase their understanding of how stories can

be used therapeutically." -Richard G. Whiteside, MSW | Author of The Art of Using and Losing Control and Working with Difficult Clients: A Practical Guide to Better Therapy "A treasure trove for parents and for professionals in the child-development fields." -Jeffrey K. Zeig, PhD | Director, The Milton H.

Erickson Foundation Stories can play an important and potent role in therapy with children and adolescents-helping them develop the skills to cope with and survive a myriad of life situations. In many cases, stories provide the most effective means of communicating what kids and teens might not want to discuss directly. 101 Healing Stories for Kids and Teens provides straightforward advice on using storytelling and metaphors in a variety of therapeutic settings. Ideal for all who work with young people, this unique resource can be combined with other inventive and evidence-based techniques such as play, art, music, and drama therapies as well as solution focused,

hypnotic, and cognitive-behavioral approaches. Offering guidance for new clinicians and seasoned professionals, George Burns's latest work delivers a unique combination of information on incorporating storytelling in therapy, dozens of ready-made stories, and tips for creating original therapeutic stories. Innovative chapters include: * Guidance for effective storytelling * Using metaphors effectively * Where to get ideas for healing stories * Planning and presenting healing stories * Teaching parents to use healing stories In addition, 101 Healing Stories for Kids and Teens includes dozens of story ideas designed to address a variety of issues, such as: * Enriching learning * Teaching self-care * Changing patterns of behavior * Managing relationships, emotions, and life challenges * Creating helpful thoughts * Developing life skills and problem-solving techniques

Therapeutic Metaphors for Children and the Child Within - Joyce C. Mills 2014-07-11
Winner of the 1988 Clark Vincent Award for an

"outstanding contribution to the profession through a literary work" and translated into four languages, the original edition of *Therapeutic Metaphors for Children and the Child Within* was considered a groundbreaking addition to the field of child and adolescent psychotherapy. The 1986 edition was the first—and to this day the only—book that solely intertwines the extraordinary foundational teachings and philosophies of Milton H. Erickson and creative healing approaches for children and adolescents. With resiliency at its core, this revision now brings forward important topics related to neurobiology and cultural value of metaphor and play, along with fresh case examples and creative activities to a new generation of mental health, education, and coaching professionals.

Storytelling for Sustainability in Higher Education - Petra Molthan-Hill 2020-04-09

To be a storyteller is an incredible position from which to influence hearts and minds, and each one of us has the capacity to utilise storytelling

for a sustainable future. This book offers unique and powerful insights into how stories and storytelling can be utilised within higher education to support sustainability literacy. Stories can shape our perspective of the world around us and how we interact with it, and this is where storytelling becomes a useful tool for facilitating understanding of sustainability concepts which tend to be complex and multifaceted. The craft of storytelling is as old as time and has influenced human experience throughout the ages. The conscious use of storytelling in higher education is likewise not new, although less prevalent in certain academic disciplines; what this book offers is the opportunity to delve into the concept of storytelling as an educational tool regardless of and beyond the boundaries of subject area. Written by academics and storytellers, the book is based on the authors' own experiences of using stories within teaching, from a story of "the Ecology of Law" to the exploration of

sustainability in accounting and finance via contemporary cinema. Practical advice in each chapter ensures that ideas may be put into practice with ease. In addition to examples from the classroom, the book also explores wider uses of storytelling for communication and sense-making and ways of assessing student storytelling work. It also offers fascinating research insights, for example in addressing the question of whether positive utopian stories relating to climate change will have a stronger impact on changing the behaviour of readers than will dystopian stories. Everyone working as an educator should find some inspiration here for their own practice; on using storytelling and stories to co-design positive futures together with our students.

More Magic of Metaphor - Nick Owen
2004-12-10

More Magic of Metaphor explores the notion of leadership in its widest sense. Whether you lead in business, education, coaching, sports, health,

parenting, or any other context this book offers insights into the many aspects of this complex, fascinating, and demanding role that we are all, from time to time, called upon to fulfil.

Leading Minds - Howard E Gardner 2011-12-06

Drawing on his groundbreaking work on intelligence and creativity, Harvard psychologist Howard Gardner, developer of the theory of Multiple Intelligences, offers fascinating revelations about the mind of the leader and his or her followers. He identifies six constant features of leadership as well as paradoxes that must be resolved for leadership to be effective using portraits of leaders from J. Robert Oppenheimer to Alfred P. Sloan, from Pope John XXIII to Mahatma Gandhi.

Haroun and the Sea of Stories - Salman Rushdie 2014-04-23

It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated

letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. R is for Rushdie. Set in an exotic Eastern landscape peopled by magicians and fantastic talking animals, Salman Rushdie's classic children's novel *Haroun and the Sea of Stories* inhabits the same imaginative space as *Gulliver's Travels*, *Alice in Wonderland*,

and The Wizard of Oz. Haroun, a 12-year-old boy sets out on an adventure to restore the poisoned source of the sea of stories. On the way, he encounters many foes, all intent on draining the sea of all its storytelling powers.

[The Midnight Library](#) - Matt Haig 2020-09-29

The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of How To Stop Time and The Comfort Book. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While

we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision.

Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the *Midnight Library* to decide what is truly fulfilling in life, and what makes it worth living in the first place.

The Astonishing Power of Storytelling -

Robert J. Garmston 2018-08-16

Master the secret to engaging any audience, from classrooms to colleagues. Everyone loves a good story. More than entertainment, stories told well captivate listeners and motivate action. This guidebook shows how to leverage the power of storytelling to engage and persuade any audience. Featuring current cognitive

neuroscience research and updated references, the book includes: Detailed breakdowns of the essential elements all great stories share, and templates for creating yours Tips for supercharging your stories by drawing from personal experience as well as familiar movies, TV shows, and popular media. A guide to effective story delivery, including optimized vocal inflection and body language.

Lead with a Story - Paul Smith 2012

Storytelling has come of age in the business world. Today, many of the most successful companies use storytelling as a leadership tool. At Nike, all senior executives are designated "corporate storytellers." 3M banned bullet points years ago and replaced them with a process of writing "strategic narratives." Procter Gamble hired Hollywood directors to teach its executives storytelling techniques. Some forward-thinking business schools have even added storytelling courses to their management curriculum. The reason for this is simple: Stories have the ability

to engage an audience the way logic and bullet points alone never could. Whether you are trying to communicate a vision, sell an idea, or inspire commitment, storytelling is a powerful business tool that can mean the difference between mediocre results and phenomenal success. Lead with a Story contains both ready-to-use stories and how-to guidance for readers looking to craft their own. Designed for a wide variety of business challenges, the book shows how narrative can help: * Define culture and values * Engender creativity and innovation * Foster collaboration and build relationships * Provide coaching and feedback * Lead change * And more Whether in a speech or a memo, communicated to one person or a thousand, storytelling is an essential skill for success. Complete with examples from companies like Kellogg's, Merrill-Lynch, Procter Gamble, National Car Rental, Wal-Mart, Pizza Hut, and more, this practical resource gives readers the guidance they need to deliver stories to stunning

effect.

No Bullsh*t Leadership - Chris Hirst

2019-05-02

WINNER OF BUSINESS BOOK OF THE YEAR

AWARD 2020: LEADERSHIP FOR THE FUTURE

A Financial Times Business Book of the Month 'A brilliant set of leadership tools that will help you succeed whatever your goal' - Sir Clive

Woodward 'A punchy, plainly written guide, offering a readable and enlightened view of what leaders do and how they should do it' - Financial Times 'A new rubric on leadership' - Evening

Standard Inspiration behind the No Bullsh*t

Leadership Intelligence Squared podcast

Leadership is not some special club, open only to elites. It's not a gold star given only to those

with expensive degrees. Leadership is for

everyone. Based on the author's hard-won

experience as a Global CEO, this smart, fun book delivers a step-by-step working manual on how

to lead - for anyone. Full of simple and direct

approaches, it demystifies an over-analysed

subject to get to the heart of modern leadership: the life-changing, career-transforming power to get stuff done. These principles and actionable

steps apply to every field, from small businesses to community initiatives, from schools to sports

teams to global enterprises. No matter your

goal, this book will show you how to: - make effective decisions - build a world-class team -

take care of yourself and others - achieve results

Quantum Linguistic Patterning - G.M.

Megson 2011-08-11

It's Not Over Until You Win - Les Brown

1998-01-08

A step-by-step plan offers examples and

exercises on how to determine and live by a set of values, experiment with failure as a formula

for success, and take life beyond set limits

East, West - Salman Rushdie 2014-01-08

From the Booker Prize-winning author of The

Satanic Verses comes nine stories that reveal

the oceanic distances and the unexpected

intimacies between East and West. Daring, extravagant, comical and humane, this book renews Rushdie's stature as a storyteller who can enthral and instruct us with the same sentence.

CONCISE DICTIONARY OF METAPHORS AND SIMILIES - V&S EDITORIAL BOARD 2015-01-06

Most speakers and writers use the terms metaphor and simile as if they mean exactly the same thing. But they are not! A simile is a metaphor, but not all metaphors are similes. A metaphor compares two things, and does so more directly without using as or like. For example, the shop was a little gold-mine. A simile compares (usually introduced by like or as) two things that are generally not alike--such as a line of migrant workers and a wave, or onion skins and a swarm of butterflies. Writers and authors use similes to explain things, to express emotion, or to make their writing more lively and entertaining. Metaphors also offer figurative comparisons, but these are implied

rather than introduced by like or as. Salient Features:
o Thousands of widely used popular Metaphors & Similes in English
o Inclusion of foreign Metaphors & Similes currently in use in English language
o Arranged alphabetically from A - Zo
o Worth recommending without second thought
An authoritative Dictionary of Metaphors & Similes for students, writers, and general readers!

The Really Good Fun Cartoon Book of NLP - Philip Miller 2008-07-16

The Really Good Fun Cartoon Book of NLP uses simple (non jargon) language and amusing illustrations to get across the principles of NLP and how people can think about using them in their everyday lives. Knowing when and how to dip into the NLP life skills toolbox is really useful as is the idea that it's all just a learning experience.

Metaphorical Stories in Discourse - L. David Ritchie 2017-09-14

This book defines and explains, in

straightforward language, metaphorical stories using examples from sources such as conversations, speeches, and editorial cartoons. [Teaching Backwards](#) - Andy Griffith 2014-10-30 In an era when schools and teachers often seem to operate at one hundred miles an hour, Teaching Backwards offers a more reflective and measured approach to teaching and learning. Where many teachers focus on delivering content in a linear fashion, those who teach backwards start with the end in mind. This means that they know in advance what levels of knowledge, attitude, skills and habits they expect their learners to achieve, they define and demystify ambitious goals, and they establish their students' starting points before they start to plan and teach. Teaching Backwards ensures that learners consistently make great progress over time, and offers a practical, hands-on manual for teachers to further develop their attitudes, skills and habits of excellence both for themselves and for their learners. This book is

the follow-up to the best-selling Outstanding Teaching: Engaging Learners. It is based on the analysis of thousands of hours of primary and secondary lessons, part of Osiris Education's Outstanding Teaching Intervention programme over the last seven years.

The Magic of Mentoring - Carol Thompson
2019-01-21

The Magic of Mentoring offers an introduction to the theory and practice of successful mentoring together with a unique focus on how mentors can reflect on the skills they bring to the role, and those they still need to develop. Through the use of scenarios, reflections and stories, the reader is encouraged to apply the content to a real context, demonstrating the importance of reflection for both parties and the benefits derived from this, especially those related to understanding ourselves and others. Written by Carol Thompson, who has worked with a range of trainee teachers and mentors, this book draws from the author's own experience to explore the

importance of self-development, and the ways in which this can be enhanced through practice. Reviewing key themes in relation to mentoring, including models and current practice, it considers the creation of a nurturing environment through effective communication as well as acknowledging the need to generate the right challenge for mentees. All aspects of mentoring are outlined, emphasising how personal development can improve the experience of your mentees, build your own confidence, enhance your transferable skills, and advance your own professional practice and relationships. Engaging activities are provided for mentors to undertake to support their own professional development. *The Magic of Mentoring* is an ideal guide for all those studying coaching or mentoring on a formal programme or for anyone who mentors others in formal or informal settings. The structure of 15 concise chapters lends itself to referencing back and targeted reading for specific guidance.

The Learning Imperative - Mark Burns
2018-10-08

In *The Learning Imperative* Mark Burns and Andy Griffith examine the key ingredients that ensure effective learning, and offer leaders step-by-step guidance on how they can achieve it in their own teams and organisations. Learning is central to the long-term success of any team and is far too important to dismiss or to relegate to a 'nice to do' list. In *The Learning Imperative*, bestselling authors Burns and Griffith explore the common barriers to effective learning and present a range of practical tools and strategies to help teams bring about and reap the benefits of a more positive culture around training and development. Together they map out the key stages of the learning journey and provide a comprehensive guide for team leaders and managers who want to improve learning in their teams. They also share essential advice on the design and delivery of effective training programmes, and punctuate their instruction

with a range of illuminating case studies drawn from real-life contexts across the public, private and third sectors. The Learning Imperative has been named the winner of the HR and Management category of The Business Book Awards 2019 .

The Salmon of Knowledge - Nick Owen

2009-06-18

A collection of stories, analogies and metaphors that invite us to pause and consider what is really important in our lives, our work, and ourselves. Challenging us to re-connect different parts of our lives and recognise how easy it is to get distracted by contemporary culture and the pace of modern life.
