The God Chair - Caroline Cienki 2016-08-30

Meet Katie Ball. She's ten years old and definitely going through a rough patch. School is stressful and the future of her family's farm is uncertain. But all that changes, when Katie meets Lady Catherine and her rather mysterious chair. That's when she discovers that she's braver than she thought she was, and that with a little friendship and a lot of divine inspiration, real life is just as exciting as any storybook adventure. Originally a Brit, Caroline Cienki has fond memories of vacations spent in the rural North of England with her grandparents, where she learned to love the countryside. She now lives in the US, and calls Texas her home along with her husband, two children and three fun-loving doggies. Among her current passions are home-making, travel and spiritual formation. The God Chair is her first children's book.

Andrew Jackson - William Garrott Brown 1900

Back to Venice - Michael Grant 2011-05-26

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what

happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

Global Democracy and Human Self-Transcendence - Glen T. Martin
2019-01-15

This volume examines the dynamics of self-transcendence for both individuals and humanity as a whole. In doing so, it illuminates the definitive relationship between self-transcendence and global democracy. Drawing upon a vast literature of philosophy, psychology, and religion, ancient and modern, East and West, this book reveals the power of human futurity in actualizing our higher potential. It represents a real breakthrough in understanding our emerging new era in the evolution of humanity. It describes our transition from personal consciousness to global consciousness. The book includes chapters on the fundamental ideas that animate our self-understanding and define our common humanity. Through careful scholarship, it examines the dynamics of human dignity, freedom, love, community, intrinsic rights, and global ethics. It explores each of these concepts as a dimension of our human temporality as we envision and move into an ever-transcending future, a future that includes a World Parliament and planetary democracy. In our time of apparent hopelessness and despair, this volume reveals the grounds for a powerful hope that we can establish one world civilization of peace, justice, freedom, and sustainability. It makes a truly unique contribution, not found elsewhere in today's literature, revealing the astonishing dignity and potential of being human. It is essential reading for all those concerned for the future of humanity and our precious planet Earth.

In Search of the Origin of Pyramids and the Lost Gods of Giza -

Charles Kos 2015-10-01

Unveiling a new paradigm in research. The definition of pyramid is changing. Is it dependent upon geometry, or rather culture and religion? Should a few very large mounds and cairns of Europe be reclassified as pyramids? Are they based on a similar religion to pyramids found elsewhere? The answer to this question, the author suggests, is a 'yes!' Learn what possibly links the pyramids of Europe to those of Asia and Egypt. Includes never-before read information on the Giza complex with paradigm-changing conclusions regarding the Old-Kingdom Egyptians.

Homo Luminous - Mike Frost 2011-01-21

David Werden wants nothing more than to lead a quiet, ordinary life. But his world is turned upside down when an unknown event changes the face of the planet. Realizing he cannot live alone in the ruins of the old world, and compelled by a strange internal force to reach the sea, he sets out on foot, carrying what he can, struggling against the harsh post-apocalyptic environment to search out others who may still be alive. Thrust into the leadership of a band of survivors, David struggles to scratch out the necessities of life while dealing with the staggering destruction and overwhelming sense of loss - and begins to understand the tragic and marvelous events that have occurred to the planet and to humanity itself. Finding love and betrayal, he must fight those who cling to the old world with all their strength and those who wish to stamp out the growing number of people coming to terms with their new levels of perception and insight into the Universal Mind.

A Man Approved of God - David J. Keyser 2007-10

David J. Keyser, Ph.D. ** Christian Theology ** This book is about the humanity of Jesus Christ. The Christian Church has neglected this

important Christian truth for too long. An understanding of the humanity of Jesus has been sacrificed to our understanding of his divinity. He is indeed Divine. But it is a costly mistake to forget about his humanity; it is here that we find our identity with Him. ISBN: 9780615164557 -- Dr. David J. Keyser has served as an international theology teacher and college adjunct faculty. His earned degrees include a B.S., an M.Div, an M.S., a Th.M., and a Ph.D. in Systematic Theology with a specialization in Pneumatology (the study of The Holy Spirit) from the University of Saint Andrews in Scotland, Presbyterianism's oldest University. His interests include the humanity of Christ, The Holy Spirit and Biblical fiction.

The Lost Dragon - Drako 2012-03-01

Andreas was born a Spartan warrior, long before human history even records Sparta existing. He served directly under Ares, until the day his lover was killed on the battlefield in front of him. On that day, he met his father, the mysterious Black Dragon God known as Jarel. From then on, he served his father faithfully, enforcing the laws of the primordial embodiment of black fire and father of the paranormal. Now, in these modern times, he hunts the rogue vampires and their leader. Little does he know, there's more to this than vampires simply turning against his father. While protecting the lovely Cassandra Odele, Andreas must battle forces he doesn't know as he attempts to stop the resurrection of the Titan king, Cronus. Added to his problems, he now has two teenage nephews to see into adulthood. Of course, there's always a twist when dealing with the gods, and Andreas will come face to face with his past, leaving him to decide which is more important, his soul or the world?

Will the dangerous wilds of Arcrea and her seven oppressive lords succeed in bringing an end to Druet's quest? Will they crush forever the kingdom's hopes for a just king?

Knightingale - Stephanie Laws 2012-09-14

Evil has plagued this world since the dawn of creation seeking to gain control. One family was given supernatural abilities with the sole purpose of protecting the things in this world that evil must never take possession of. Samantha Nelson knew she was cursed. She didn't know that her unnatural ability of forcing the truth out of people was just the beginning of her curse until her family is murdered in a horrific home explosion. Six months later she finds herself face to face with a Knight Protector and her life is turned into utter chaos. When David received his assignment on his twentieth birthday he was told that his destiny would be entwined with a woman soon to be born and that his aging would be halted. Since the moment Samantha was born, David protected her from her enemies. As every Knight before him, he does so in the shadows. But David must face the facts that something even deadlier than her enemies is occurring. No matter how much he denies it, he is falling in love with her. When her enemies begin to discover ways around his protection and murder her family he is forced to make a decision of what is more important to him; his family or his assignment. All it takes is one warning sign of danger to convince him that he simply cannot live without Samantha and he takes a leap that will change their lives forever. Their only chance of survival is to discover what Samantha's destiny is and the journey leads them straight to the heart of the Knight family where they discover evil has infiltrated and it is up to them to stop the evil before it destroys the family and gains control of the very thing that God created the family to protect.

Rural Rides - William Cobbett 2020-04-09

Rural Rides is the book for which the English journalist, agriculturist and

political reformer William Cobbett is best known. At the time of writing *Rural Rides*, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

Her Perfect Life - Vicki Hinze 2006

Full Spectrum Dominance - F. William Engdahl 2011-01-01

For the faction that controls the Pentagon, the military industry and the oil industry, the Cold War never ended. It went on 'below the radar' creating a global network of bases and conflicts to advance their long-term goal of Full Spectrum Dominance, the total control of the planet: land, sea, air, space, outer space and cyberspace. Their methods included control of propaganda, use of NGOs for regime change, Color Revolutions to advance NATO east, and a vast array of psychological and economic warfare techniques, a Revolution in Military Affairs as they termed it. The events of September 11, 2001 would allow an American President to declare a war on an enemy who was everywhere and nowhere, who justified a Patriot Act that destroyed that very freedom in the name of the new worldwide War on Terror. This book gives a disturbing look at that strategy of Full Spectrum Dominance.

E - Kate Wrath 2014-05-04

A poignant tale of love and friendship in a world beyond hope...Outpost Three: a huddle of crumbling buildings choked by a concrete wall. Cracked pavement, rusted metal, splintering boards. Huge robotic Sentries police the streets, but the Ten Laws are broken every time one turns its back. Eden is determined, smart, and a born survivor. Stripped of her memories and dumped on the streets of the Outpost, slavers and starvation are only the beginning of her problems. A devastating conflict

is coming that threatens to consume her world and tear her newfound family apart. Life is harsh. It makes no exceptions. Not even for the innocent. "Absolutely heart-stopping! Grizzly, dark, haunting and gripping in a way that kept me glued in to the very end. If you are looking for a strong and smart heroine in a kick butt dystopian world, this is the book for you." - Leti Del Mar, author of *Land of the Unaltered* "A dark dystopian world, intelligent robots, warlords, rats...oh and sexy boys. 'E' has everything you could ask for." - Nicola S. Dorrington, author of *Chasing Freedom* "The characters are fascinating, especially the enigmatic love interest Jonas, and his threatening rival, the dark and sizzling Matt." - Pol Blaze, author of *Pan-Dim*.

Escaping Cyprus - Gus Constantine 2015-04-16

This novel is based on true accounts. I have conducted many interviews here in the United States and have traveled to Cyprus for additional research. The atrocities described in the novel are factual. When Turkish soldiers invade his Cypriot village in 1974, twelve-year old Haji witnesses brutal atrocities, including the torturous murders of his father and sister while his pregnant mother was repeatedly being raped. With the help of his beautiful school teacher Rebecca, (dishonored many times by Turkish soldiers) they flee their village only to face constant life-threatening danger wherever they went; as the barbaric Turkish soldiers continue to pursue them. Their struggle to survive the Turkish soldiers and then to erase their horrible memories that haunt them lead to the dramatic ending.

Fracture - C. J. Daugherty 2013

Cimmeria has been more than a school for Allie, it's been a safe haven. But no longer. A nefarious group - one that is tied up with Allie's family in ways she could barely imagine - is trying to destroy everything Cimmeria stands for. Even worse, it's clear that somebody they eat with, sleep with, train with is betraying them. There's a spy in Night School. As the paranoia grows and the fights begin, it's not an attack from outside they need to worry about . . .

Seeds of Destruction - F. William Engdahl 2007

Piercing research goes beyond the usual arguments against genetic

manipulation to show that better crops were never the issue. What bioengineering is really about is a new kind of total serfdom, where the entire world will be in thrall to the likes of Monsanto if they ever want to eat again. Author F. William Engdahl wrote the classic *A Century of War*, which exposed the hand of Anglo-American petropolitics and hegemonic ambition behind the horrors of the World Wars.

Salem VI - Jack Heath 2012-09

SALEM, MASS. - Newspaper editor John Andrews thought he'd lost everything when his wife was killed, but when timeless bloodlines reemerge Andrews realizes that a tragic accident may actually have been murder, and even worse, might be part of a battle between good and evil that has gone on hundreds of years.

Handbook of Research on Examining Global Peacemaking in the Digital Age - Cook, Bruce L. 2017-11-30

Violent behavior has become deeply integrated into modern society and it is an unavoidable aspect of human nature. Examining peacemaking strategies through a critical and academic perspective can assist in resolving violence in societies around the world. The *Handbook of Research on Examining Global Peacemaking in the Digital Age* is a pivotal reference source for the latest research findings on the utilization of peacemaking in media, leadership, and religion. Featuring extensive coverage on relevant areas such as human rights, spirituality, and the Summer of Peace, this publication is an ideal resource for policymakers, universities and colleges, graduate-level students, and organizations seeking current research on the application of conflict resolution and international negotiation.

Target - William Engdahl 2015-03-01

China has become a world economic giant in just three decades. Its central bank holds more than \$3.5 trillion in foreign exchange reserves, mostly in dollars. Without the Chinese colossus, the USA might have long ago gone bankrupt, unable to finance its exploding national debt. Now that China has emerged as the world's second largest economy, powerful circles in Wall Street and Washington fear the Chinese may no longer follow the agenda, and decide for themselves what is best for China.

They see China as a threat to their global power. The result is growing tension in the Middle East, Africa, and in Asia. Especially alarming is covert US backing of Japan in a conflict with China over remote Pacific islands. China feels escalating hostility, and not only from the Pentagon. Open conflict between the two superpowers could deal a death-blow to the fragile world economy. This book explains in clear terms what is at stake if the US continues to make the Chinese Dragon an enemy.

Holding Back The Tears - Annie Mitchell 2013-09-16

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides

the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

THE LOST HEGEMON: WHOM THE GODS WOULD DESTROY is an excellent geopolitical analysis ..." -- Laszlo Maracz If you read The Lost Hegemon you will find out: How the Pentagon and CIA use radical Islam as an instrument to control world energy The true history of al Qaeda and its successor Islamic State How Washington backs a death cult called Muslim Brotherhood to control world oil The real background to 'Holy War' in China and Russia Why the US-ISIS strategy cannot succeed Europe and the West face a social crisis as a brutal war in Syria has spread around the world. The ISIS, also known as Islamic State erupted violently onto the world stage in 2014 proclaiming its aim to create a Global Caliphate. War and terror in Syria have created a massive refugee crisis across Europe. In autumn 2015 Russia was invited to help defeat ISIS in Syria. That Russian military action signaled a new era in global politics. Washington no longer dominated the military world. The world was ineluctably moving towards

a new world war, one claiming to have religion at its core. Islam was being instrumentalized as a weapon of war, but by whom? Few asked who was behind the IS terror or Al Qaeda. For that it would be necessary look back to the 1950's and the birth of a new American intelligence agency and their ties to the secret Muslim Brotherhood. What emerges is a picture so incredible few could imagine.

Song of the Wings Coloring Book -

But I'm Not Depressed - Lia Rees 2017-03-28

Brain injury plunged Lia into a world of distortion and chaos, where her own thoughts and senses could no longer be trusted. Searching for medical help, she found doubt and manipulation instead. *But I'm Not Depressed* is a bleak but ultimately hopeful tale, and a slap in the face to the culture of psychobabble.

Free Roll - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Little did you know life throws you curve balls. And you thought grownups had it easy so did these ladies. Follow their journies while getting lost in the grownup world.

Gods of Money - William Engdahl 2010-05

The dollar financial system of Wall Street was born not at a conference in Bretton Woods New Hampshire in 1944. It was born in the first days of August, 1945 with the dropping of the atomic bomb on Hiroshima and Nagasaki. After that point the world was in no doubt who was the power to reckon with. This book is no ordinary book about money and finance. Rather it traces the history of money as an instrument of power; it traces the evolution of that power in the hands of a tiny elite that regards themselves as, quite literally, gods-The Gods of Money. How these gods abused their power and how they systematically set out to control the entire world is the subject.

A Century of War - F. William Engdahl 2012

This Book is a Gripping Account of the Murky World of the Anglo-

American Oil Industry and its Hidden Role in World Politics. William Engdahl takes the reader through the history of how seven giant oil companies - five American and two British - developed a controlling grip on the world's economy unprecedented in history. This is no ordinary history of oil. It is a history of global politics, more precisely of global geopolitics - how control of strategic geographical pivot regions first British and later American interests to control in large part the world economy. The book sheds light for the first time on such events as the 1973 oil shock - a sudden 400% rise in the price of the world's most essential commodity in a matter of weeks. What William Engdahl reveals, with flawless documentation, will shock most people. The implications are even more devastating. He also documents how oil played an essential role in the ultimate collapse of the Soviet Union, in the rise and fall of the Taliban in Afghanistan, in the US occupation of Iraq and countless other events not normally understood in such a light. Contents: Ch. 1. The Three Pillars of the British Empire. Ch. 2. The Lines are Drawn: Germany and the Geopolitics of the Great War. Ch. 3. A Global Fight for Control of Petroleum Begins. Ch. 4. Oil Becomes the Weapon, the Near East the Battleground. Ch. 5. Combined & Conflicting Goals: U.S. Rivals Britain. Ch. 6. The Anglo-Americans Close Ranks. Ch. 7. Oil and a New World Order of Bretton Woods. Ch. 8. A Sterling Crisis and the Adenauer-de Gaulle Threat. Ch. 9. Running the World Economy in Reverse: Who Made the 1970's Oil Shocks? Ch. 10. Europe, Japan and a Response to the Oil Shock. Ch. 11. Imposing the New World Order. Ch. 12. From Evil Empire to the Axis of Evil. Ch. 13. A New Millennium for Oil Geopolitics.
