A Baby Between Them (Mills & Boon Love Inspired Historical) (Irish Brides, Book 3) - Winnie Griggs 2012-06-01

Rich and powerful historical stories of romance, adventure and faith featuring spirited heroines and strong, honourable heroes. THE FOUNDLING'S FAMILY

Wild at Heart - Alice Outwater 2019-04-02

"Alice Outwater's infectiously readable Wild at Heart captures the essence of ecology: Everything is connected, and every connection leads to ourselves." —Alan Weisman, author, The World Without Us and Countdown "A wonderful book. Information rich to say the least, and the indigenous human connections and portrait of the deep connectivity of nature, are both strong elements." —Jim McClintock, author of A Naturalist Goes Fishing Nature on the brink? Maybe not. With so much bad news in the world, we forget how much environmental progress has been made. In a narrative that reaches from Native American tribal practices to public health and commercial hunting, Wild at Heart shows how western attitudes towards nature have changed dramatically in the last five hundred years. The Chinook gave thanks for King Salmon's gifts. The Puritans saw Nature as a frightening wilderness, full of "uncooked meat." With the industrial revolution, nature was despoiled and simultaneously celebrated as a source of the sublime. With little forethought and great greed, Americans killed the last passenger pigeon, wiped out the old growth forests, and dumped so much oil in the rivers that they burst into flame. But in the span of a few decades, our relationship with nature has evolved to a more sophisticated sense of interdependence that brings us full circle. Across the US, people are taking individual action, planting native species and fighting for projects like dam removal and wolf restoration. Cities are embracing nature, too. Humans can learn from the past, and our choices today will determine whether nature survives. Like the First Nations, all nations must come to deep agreement that nature needs protection. This compelling book reveals both how we got here and our own and nature's astonishing ability to mutually regenerate.

Wild At Heart: A Novel - K.A. Tucker 2020-02-18

From the internationally bestselling author of The Simple Wild comes the continuation of a woman's journey to the Alaskan wild and a life she never imagined for herself. Calla Fletcher returns to Toronto a different person, struggling to find direction and still very much in love with the rugged bush pilot she left behind. So, when Jonah arrives on her doorstep with a proposition she can't dismiss, she takes the leap and rushes back to Alaska to begin their exciting future together. But Calla soon learns that even the best of intentions don't always lead to the intended outcomes, and that compromise comes with a hefty price tag—and a log cabin in rural Alaska that feels as isolating as the Western tundra. With Jonah gone more than he's home, one neighbor who insists on transforming her into a true Alaskan, and another who seems more likely to shoot her than come to her aid, Calla grapples with forging her own path. In a world where with roaming wildlife and harsh environmental challenges, just stepping foot outside her front door becomes daunting some days. Leaving her to wonder if perhaps she is doomed to follow in her mother's fleeing footsteps after all.

Wild Heart - Beth Ehemann 2016-08-07

For Lawrence "Viper" Finkle, hockey isn't just a sport, it's a way of life. Since the first time he stepped onto the ice at just eight years old, he knew what he was meant to do, and he does it well. When his career takes an unexpected hit, and his relationship is pushed to the breaking point, he's left sidelined and wondering what his future holds. Just when he's sure things can't get any worse...they do. Can Viper pull himself together in time to save his career, his girl, and his sanity? Or will he be permanently benched?

Wild Heart - Laurelin Paige 2021-09-28

Secrets, surprises, and second chances. This trip down memory lane with Jolie has mended as much as it's torn up. I promised her I could handle anything. Whatever she was hiding, my wild heart would always belong

to her. But I could never have imagined this truth. And she can't blame me for how this will all end.

The Way of the Wild Heart - John Eldredge 2006-11-12

This is a book about how a boy?and a man?becomes a man. It's a guide to the process of masculine initiation, that ancient path every boy and man must take if they would become the man they long to be. The path whereby they come to know they are a man, and are able to live and love from a deep, centered strength. We live in a time where most men (and boys) are essentially fatherless. Whatever their circumstance, they have no man actually taking them through the many adventures, trials, battles and experiences they need to shape a masculine heart within them. They find themselves on their own to figure life out, and that is a lonely place to be. Their fears, anger, boredom, and their many addictions all come out of this fatherless place within them, a fundamental uncertainty in the core of their being. But there is a way. "We aren't meant to figure life out on our own," says John Eldredge. "God wants to father us." In The Way of the Wild Heart, Eldredge reveals how God comes to a man and takes him on the masculine journey, how nearly all the events of a man's life can come together to provide the initiation he never received. And how parents can offer that initiation to their sons. Whatever your age may be, your Father is ready to take up your journey. For you are his son.

Wild Heart: A Life - Suzanne Rodriguez 2003-09-23

Born in 1876, Natalie Barney—beautiful, charismatic, brilliant and wealthy—was expected to marry well and lead the conventional life of a privileged society woman. But Natalie had no interest in marriage and made no secret of the fact that she was attracted to women. Brought up by a talented and rebellious mother—the painter Alice Barney—Natalie cultivated an interest in poetry and the arts. When she moved to Paris in the early 1900s, she plunged into the city's literary scene, opening a famed Left Bank literary salon and engaging in a string of scandalous affairs with courtesan Liane de Pougy, poet Renee Vivien, and painter Romaine Brooks, among others. For the rest of her long and controversial life Natalie Barney was revered by writers for her generous, eccentric spirit and reviled by high society for her sexual appetite. In the end, she served as an inspiration and came to know many of the greatest names of 20th century arts and letters—including Proust, Colette, Edna St. Vincent Millay, Isadora Duncan, Gertrude Stein, Ezra Pound, and Truman Capote. A dazzling literary biography, Wild Heart: A Life is a story of a woman who has been an icon to many. Set against the backdrop of two different societies—Victorian America and Belle Epoque Europe—Wild Heart: A Life beautifully captures the richness of their lore.

The Wild Heart - Emma-Lindsay Squier 1922

My Wild Heart - Martha Keyes 2020-06-12

Can a ruse turn to romance? No one stands in doubt of Edith Donne's opinion on marriage—or of her ability to ward it off using nothing but her stinging wit. With the fortune her aunt has left her, Edith has no reason to marry and certainly no intention of it. When she inadvertently overhears that her lifelong archrival is in love with her, she is stunned, but she has no compunction in setting him straight. Elias Abram trusts no woman, but he can bandy words with the best of them—and Edith Donne is undoubtedly the best. Her razor-sharp tongue has been a constant companion and a welcome challenge since their prank-filled childhood days. But when Elias is given to believe that Edith is secretly in love with him, his world is flipped on its head, forcing him to reconsider everything he thought he knew. Soon realizing they have been duped by their conspiring friends, Edith and Elias resolve to turn the tables on them in the most shocking manner they can concoct—the ultimate revenge. But what's to be done when the lines between charade and reality begin to blur? My Wild Heart is a sweet Regency romance inspired by Shakespeare's classic Much Ado About Nothing.

Now and Forever (Wild at Heart Book #2) - Mary Connealy 2015-05-26

Saddle up for romance and adventure with the Wilde sisters! Shannon Wilde is the middle sister--and the one who loves animals. She's established her own homestead and is raising sheep for their wool. Things are going fine...until Shannon gets swept over a cliff by Matthew Tucker! Tucker seizes every opportunity to get away from civilization, but one particular walk in the woods ends with him sprinting away from an angry grizzly and plunging into a raging river, accidentally taking Shannon Wilde with him. Their adventure in the wilderness results in the solitary mountain man finding himself hitched to a young woman with a passel of relatives, a homestead, and a flock of sheep to care for. As Tucker and Shannon learn to live with each other, strange things begin to happen on Shannon's land. Someone clearly wants to drive her off, but whoever it is apparently didn't count on Tucker. Trying to scare Matthew Tucker just makes him mad--and trying to hurt the woman he's falling in love with sets off something even he never expected.

Wild Heart Spirit Heart - Susan Turner 2020-03-23

What happens when a committed skeptic discovers she has the power to provide hands-on healing?

To Tame a Wild Heart - Quinn Wilder 1988

To Tame A Wild Heart by Quinn Wilder released on Nov 24, 1987 is available now for purchase.

The Way of the Wild Heart Manual - John Eldredge 2006-11-12

A map for the masculine journey. Becoming the man God designed you to be, the man you long to be, and even dream of being, does not happen overnight. You know that. The path to manhood is a journey of discovery and experience, trial and adventure. In *The Way of the Wild Heart Manual*, John Eldredge and Craig McConnell come alongside those men who long to have a guide to lead them through this rite of passage, this masculine initiation. Filled with personal stories, illustrations from popular movies and books, and probing questions, this manual will set you on a heart-searching expedition to authentic masculinity through reflection, meditation, and experience. This vital companion to *The Way of the Wild Heart* is designed to help you know God as Father in a way you've never known him before. Guiding you through the six stages that all men must go through--the Beloved Son, the Cowboy Ranger, the Warrior, the Lover, the King, and the Sage--its discerning questions, key points, and exercises will help you discover the life that God intended for you as a man. Ultimately, this is a walk with God. Let your Father Show you the way.

Wild Heart on the Prairie - Vikki Kestell 2018-12-18

The Thoresen brothers, Jan and Karl, have left their native land of Norway and braved perils and hardships to bring their families to America. They encounter a land that defies mastery. Jan's struggles with the land and also with a restless and unmanageable heart. Will Jan find a way to overcome this wild land or will the prairie master him?

Every Wild Heart - Meg Donohue 2017-03-14

From USA Today bestselling author Meg Donohue comes a mystery, a love story, and a mother-daughter tale about two women on a precarious journey to uncover their true selves. Passionate and funny, radio personality Gail Gideon is a true original. Nine years ago when Gail's husband announced that he wanted a divorce, her ensuing on-air rant propelled her local radio show into the national spotlight. Now, "The Gail Gideon Show" is beloved by millions of single women who tune-in for her advice on the power of self-reinvention. But fame comes at a price. After all, what does a woman who has staked her career on being single do when she finds herself falling in love? And is the person who is harassing her in increasingly troubling ways a misguided fan or a true danger to Gail and her daughter, Nic? Fourteen-year-old Nic has always felt that she pales in comparison to her vibrant, outgoing mother. Plagued by a fear of social situations, she is most comfortable at the stable where she spends her afternoons. But when a riding accident lands Nic in the hospital, she awakens from her coma changed. Suddenly, she has no fear at all and her disconcerting behavior lands her in one risky situation after another. And no one, least of all her mother, can guess what she will do next...

Wild Heart - Mila Young 2021-04-15

Real Wolves Bite continues...I ran from my fated mate.I drove to the middle of nowhere, where I thought I'd be safe.And somehow, I ended up here.Amarok has secrets. And it's a town filled with shifters.The very thing I've been trying to get away from.My arrival has shattered the fragile peace this town's had for the last century.War is coming between the two packs, and only I seem to have the ability to stop it.The two alphas in the town are determined to have me.But a killer wants the very same thing.Me? I just want whatever's inside of me to be released.Like Wilder and Daxon, I carry my own secrets, ones that make it impossible

for my fated mate to let me go.They call me wild...But I just want to be free.Wild MoonWild HeartComing soon...

The Simple Wild - K.A. Tucker 2018-08-07

City girl Calla Fletcher attempts to reconnect with her estranged father, and unwittingly finds herself torn between her desire to return to the bustle of Toronto and a budding relationship with a rugged Alaskan pilot in this masterful new romance from acclaimed author K.A. Tucker. Calla Fletcher was two when her mother took her and fled the Alaskan wild, unable to handle the isolation of the extreme, rural lifestyle, leaving behind Calla's father, Wren Fletcher, in the process. Calla never looked back, and at twenty-six, a busy life in Toronto is all she knows. But when her father reaches out to inform her that his days are numbered, Calla knows that it's time to make the long trip back to the remote frontier town where she was born. She braves the roaming wildlife, the odd daylight hours, the exorbitant prices, and even the occasional--dear God--outhouse, all for the chance to connect with her father: a man who, despite his many faults, she can't help but care for. While she struggles to adjust to this new subarctic environment, Jonah--the quiet, brooding, and proud Alaskan pilot who keeps her father's charter plane company operational--can't imagine calling anywhere else home. And he's clearly waiting with one hand on the throttle to fly this city girl back to where she belongs, convinced that she's too pampered to handle the wild. Jonah is probably right, but Calla is determined to prove him wrong. As time passes, she unexpectedly finds herself forming a bond with the burly pilot. As his undercurrent of disapproval dwindles, it's replaced by friendship--or perhaps something deeper? But Calla is not in Alaska to stay and Jonah will never leave. It would be foolish of her to kindle a romance, to take the same path her parents tried--and failed at--years ago. It's a simple truth that turns out to be not so simple after all.

Wild Hearts - Sharon Sala 2020-10-12

Get swept up in this heart-pounding first installment of New York Times bestselling author Sharon Sala's *Secrets and Lies* trilogy as past secrets refuse to stay buried. Dallas Phillips refuses to believe her father committed suicide, even though things were tough on his farm and he was deeply in debt. When she hears he'd told a neighbor about an upcoming windfall, she grows suspicious, and her suspicion only deepens when she realizes someone is lurking in the nearby mountains after dark. For help, she turns to Trey Jakes, local police chief--and her former lover. As they begin to investigate, another mystery comes to light. Trey's mother is beginning to remember events from thirty years ago, something shadowy that happened in the mountains, and Dallas's father was there, too. Is what happened that night connected to his "suicide"? As they search for the truth, Trey and Dallas struggle to fight their attraction, but they may not be able to fend off another force--a killer who's more than willing to kill again to make sure old secrets stay buried. Previously published

Avalon - Shantelle McKinnon 2016-11-29

"I love this story, the characters, the comedy and the romance. Everything is so perfectly entwined together, I think that this story has overtaken my social life and gotten me addicted. You've literally turned pure magic into words, the story is that amazing. ally_oshea_xoxo Prepare to laugh! Avalon has spent her entire life on her family's cattle station in Northern Queensland. In her eyes, there is nothing sweeter than working the land and spending as much time on her beloved horse as possible. Due to her parents' divorce she is forced to move to her mother's house, located in a city beach suburb, as part of the divorce agreement to save the Station she loves. Avalon has a hard, never back down attitude which lands her straight at odds with the local surf hero who has never encountered the type of battles that this girl, with the face of an angel and guts straight from hell, brings to his world. Life certainly gets interesting when he doesn't pay heed to her seriously given warning... DO NOT GET BETWEEN HER AND HER HORSE! "This story has taken up my life and right now is really the only thing I get out of bed to read" Lindsay-bell WARNING: contains some swearing and some sexual references.

Wild at Heart Revised and Updated - John Eldredge 2011-04-17

Every man was once a boy. And every little has dreams, big dreams, dreams of being the hero, of beating the bad guys, of doing daring feats and rescuing the damsel in distress. Every little girl has dreams, too: of being rescued by her prince and swept up into a great adventure, knowing that she is the beauty. But what happens to those dreams when we grow up? Walk into most churches, have a look around, and ask yourself: What is a Christian man? Without listening to what is said, look at what you find there. Most Christian men are . . . bored. John Eldredge revises and updates his best-selling, renowned Christian classic, *Wild at*

Heart, and in it invites men to recover their masculine heart, defined in the image of a passionate God. And he invites women to discover the secret of a man's soul and to delight in the strength and wildness men were created to offer. John Eldredge is the director of *Ransomed Heart*
Wild Heart - Nicks Stevie 1989-11-01

Cement Heart - Beth Ehemann 2015-03-15

Lawrence Finkle, known simply to his die-hard Minnesota Wild fans as Viper, isn't used to hearing the word "no." He lives his whole life just a little on the reckless side. After all, life is just one big game, right? Wrong. When what was supposed to be an innocent bet goes horribly wrong, he's left to deal with the aftermath—and the guilt. In an effort to make things right the best way he can, he ends up falling for the one person on the planet he never should have. The old saying goes that two wrongs don't make a right . . . or do they?

The Wild Heart of India - T.R. Shankar Raman 2019-05-06

Wild—untamed, hostile, remote. Yet, wild can be gentle, welcoming, and inspiring, too. This is the wild that preoccupies biologist Shankar Raman as he writes about trees and bamboos, hornbills and elephants, leopards and myriad other species. Species found not just out there in far wildernesses—from the Thar desert to the Kalakad rainforests, from Narcondam Island to Namdapha—but amid us, in gardens and cities, in farms, along roadsides. And he writes about the forces that gouge land and disfigure landscapes, rip trees and shred forests, pollute rivers and contaminate the air, slaughter animals along roads and rail tracks—impelling a motivation to care, and to conserve nature. Through this collection of essays, Shankar Raman attempts to blur, if not dispel, the sharp separation between humans and nature, to lead you to discover that the wild heart of India beats in your chest, too.

Wild at Heart - John Eldredge 2001

Presents a challenge to Christian men to look at the secret longings of their hearts and recover their masculinity.

Near to the Wild Heart - Clarice Lispector 2012-06-13

This new translation of Clarice Lispector's sensational first book tells the story of a middle class woman's life from childhood through an unhappy marriage and its dissolution to transcendence. *Near to the Wild Heart*, published in Rio de Janeiro in 1943, introduced Brazil to what one writer called "Hurricane Clarice": a twenty-three-year-old girl who wrote her first book in a tiny rented room and then baptized it with a title taken from Joyce: "He was alone, unheeded, near to the wild heart of life." The book was an unprecedented sensation — the discovery of a genius. Narrative epiphanies and interior monologue frame the life of Joana, from her middle-class childhood through her unhappy marriage and its dissolution to transcendence, when she proclaims: "I shall arise as strong and comely as a young colt."

Wild Heart - Anne E. Neimark 1999

Discusses the life and work of the woman best known for relationship with a lion cub, described in her book "Born Free."

Stairs to the Roof - Tennessee Williams 2000

A play produced only twice in the 1940s and now published for the first time reveals that Tennessee Williams anticipated the themes of *Star Trek* by decades.

This Wild Heart - Patricia Pellicane 1990

Determined to prove her self-sufficiency, privileged Morgan Wainwright decides to move onto her inherited Nevada property, but the darkly handsome Joseph Youngblood, co-owner of the property, is only willing to share the land for a price

Wild Heart - Belinda Williams 2019-04-15

IS HOLLYWOOD'S MOST FORMIDABLE ACTRESS A MATCH FOR ONE OF THE WORLD'S TOUGHEST STUNTMEN? Faith Martin is not having a mid-life crisis. Never mind she's just turned forty and found a wrinkle. In need of a change from LA, Faith heads to Sonoma Valley in Northern California only to discover the one man she never wanted to see again is living there. Cole Cooper is more than just a handsome rancher and winemaker. He's a respected stuntman and Faith knows he's as dangerous in real life as when he's diving from cars or throwing punches on-screen. Then Faith receives the opportunity to star in, as well as direct, a lethal action film that could take her career to new heights. The only problem? The production team want Cole for the job of stunt coordinator, and they're not prepared to negotiate. When suspicious accidents start occurring on-set, is Faith prepared to take extreme risks for the most exciting role of her career? And will those risks include endangering her heart? Book 4 in the *Hollywood Hearts* series promises heart-stopping action, and is perfect for fans of Susan Elizabeth Phillips, Victoria Dahl, Susan Mallery, and Louise Bagshawe.

Gardening with a Wild Heart - Judith Larner Lowry 2007-03-19

Judith Lowry's voice and experiences make a rich matrix for essays that include discussions of wildflower gardening, the ecology of native grasses, wildland seed-collecting, principles of natural design, and plant/animal interactions. This lyrical and articulate mix of the practical and the poetic combines personal story, wildland ecology, restoration gardening practices, and native plant horticulture.

Wild Rebel - Laurelin Paige 2021-03-23

We were supposed to run away after graduation. When she didn't show at our meeting place, I got brave and went after her. It was a mistake. I left bloodied and bruised. I had no choice but to walk away. Years passed. I traveled, settled halfway around the world, made enough money that I didn't have to look back. But I never got over her. Then, out of the blue, she calls. And, what she asks for, the favor that she wants? I never thought I'd be willing to take a life. But the truth is, and always has been: I'd do anything for her.

Wild at Heart - John Eldredge 2011-03-22

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires—aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be—dangerous, passionate, alive, and free.

Wild at Heart - Terri Farley 2015

"Wild horses thrived for thousands of generations in the mountains, forests, and deserts of the American West. Their family herds existed in environmental harmony until man chose to "manage" them. Since then, every day more of America's wild horses disappear. But courageous people are trying very hard to reverse this, most notably, young people who feel a kinship with these often misunderstood creatures."--

Avalon Expandable Heart - Shantelle McKinnon 2020-11-29

"5 BILLION FREAKING STARSYesterday I started this book and I couldn't put it down, I was reading at 4:30 am. This hasn't happened to me in such a long time. I swear, I haven't laughed so hard reading a book in forever." - Catalina 2019 (book 1)
Avalon is still stuck in the city, where life is not as clear cut as on the family station and many have their own hidden agendas. On top of struggling with the jolting understanding that she is indeed a teenage girl, complete with teenage feelings and responses, Avalon continues to forge ahead in the building of some very interesting relationships... especially with Noah Reed, the boy who hasn't uttered a word for over a decade. But will that relationship even stand a chance when her brother Nathan makes an appearance? Avalon discovers not only more about herself and her dreams with each and every challenge she faces, more about the people around her, the people she thought she knew... but the sobering fact that there are some people that will do anything to make their dreams come true no matter who it destroys.

Wild at Heart Study Guide, Updated Edition - John Eldredge 2021-03-02

In this updated edition of the bestselling classic, author John Eldredge reminds men they need adventure in their lives . . . in their work, in their love, and their spiritual lives. He reveals how God designed men to be dangerous. Simply look at the dreams and desires written in the heart of every boy: to be a hero, to be a warrior, and to live a life of adventure and risk. Sadly, most men today have abandoned these dreams and desires—aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative six-session video study (DVD/digital video downloads sold separately), John Eldredge explains how God wants to heal these deep wounds from earlier years that take away a man's confidence and—in some cases—his masculinity. He shows that deep within the heart of every man is a longing for a battle to fight, an adventure to live, and a beauty to rescue—because that is how God created him. It is time for the church to reclaim these wounded warriors. It is time to give men permission to be what God designed them to be—dangerous, passionate, alive, and free! Sessions include: The Heart of a Man The Wound A Battle to Fight An Adventure to Live A Beauty to Rescue A Band of Brothers Designed for use with the *Wild at Heart Updated Video Study* available on DVD or streaming video, sold separately.

The Wild Heart - Helen Griffiths 1965

Captivating - John Eldredge 2011-04-17

What Wild at Heart did for men, Captivating is doing for women. Setting their hearts free. This groundbreaking book shows readers the glorious design of women before the fall, describes how the feminine heart can be restored, and casts a vision for the power, freedom, and beauty of a woman released to be all she was meant to be.

Wildheart - Julie Bertagna 2020-03-27

The exciting life story of John Muir--who sailed to America as a boy and ended up changing the world-- told for the first time as a graphic novel

This Way, Charlie - Caron Levis 2020-04-21

From the award-winning team behind *Ida*, Always comes a story about a

friendship that grows between a blind horse and a gruff goat All the animals at the Open Bud Ranch can see that Jack likes keeping his space to himself. But when Charlie arrives, he doesn't see Jack at all. He's still getting used to seeing out of only one of his eyes. The two get off to a bumpy start. At first, Jack is anxious and distrustful. But one day, he summons his courage and guides Charlie to his favorite sunlit field: this way, Charlie. And so begins a powerful friendship that will be tested by life's storms—but will ultimately change each life for the better.

Monsters: The 1985 Chicago Bears and the Wild Heart of Football - Rich Cohen 2013-10-29

"A riveting account of the 1985 Chicago Bears and the author's personal relationship with the football team"--
