

# Hitman A Technical Guide

When somebody should go to the books stores, search instigation by shop, shelf by shelf, it is really problematic. This is why we offer the book compilations in this website. It will extremely ease you to look guide **Hitman A Technical Guide** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections. If you endeavor to download and install the Hitman A Technical Guide , it is unquestionably simple then, in the past currently we extend the link to buy and make bargains to download and install Hitman A Technical Guide therefore simple!

*Hit Man* - Lawrence Block

2009-03-17

Keller is your basic urban Lonely Guy. He makes a decent wage, lives in a nice apartment. Works the crossword puzzle. Watches a little TV. Until the phone rings and he packs a suitcase, gets on a plane, flies halfway across the country...and kills somebody. It's a living. But is it a life? Keller's not sure. He goes to a shrink, but it doesn't work out the way he planned.

He gets a dog, he gets a girlfriend. He gets along.

**Hit Men** - Fredric Dannen

2011-09-14

Copiously researched and documented, Hit Men is the highly controversial portrait of the pop music industry in all its wild, ruthless glory: the insatiable greed and ambition; the enormous egos; the fierce struggles for profits and power; the vendettas, rivalries, shakedowns, and payoffs.

Chronicling the evolution of

*Downloaded from

America's largest music labels from the Tin Pan Alley days to the present day, Fredric Dannen examines in depth the often venal, sometimes illegal dealings among the assorted hustlers and kingpins who rule over this multi-billion-dollar business. Updated with a new last chapter by the author.

**The Hitman's Guide to Making Friends and Finding Love** - Alice Winters

2019-08-09

What happens when a snarky hitman and a by-the-book PI cross paths? Leland Being a hitman has its perks, but I never thought getting an accidental mooning by an attractive PI while he's caught on a fence would be one of them. While it's not exactly love at first sight, he's captured my interest and won't let go. Suddenly, I find myself caught in a game of cat and mouse, determined to attract the attention of Jackson, the PI who should be my enemy. He pretends like he's not flattered by my flowers and the mentions of my totally-not-fictitious blow-up doll Randy

(or was it Dandy?), but I know better. Why else would he be teaming up with me to bring down Hardek, one of the city's most ruthless criminals?

Jackson Even though the cops are telling me that the hitman is a notorious contract killer, I can't help but admit that I'm drawn to him. He's funny, charismatic, and attractive.

There's no way this ridiculous man can be the person the cops are after. But when Leland ends up at my doorstep injured, I'm faced with a tough choice. It's my duty to hand him over to law enforcement, but my heart has other plans. I want to keep him. To protect him. To be with him. Though one question remains: why in the world does the man have so many d\*mn guns? Contains: shenanigans on a swing that you would NOT find at a playground, a car chase that sadly doesn't have flips or explosions, a horsey ride sans horse, cuddles, an exuberant mutt, a suspicious chief of police, and lots and lots of laughs.

Bradbury 1968

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

**Joey the Hitman** - David Fisher 2002-03-18

Following up on the success of the Adrenaline title *Mob: Stories of Death and Betrayal from Organized Crime*, Adrenaline Classics brings back the New York Times bestseller (originally published as *Killer*) that helped pave the way for the latest generation of nouveau-mob stories, from *Donnie Brasco* to *The Sopranos*. "Joey"—a journeyman Jewish hitman, numbers king, and loan shark—collaborated with David Fisher (co-editor of the hit Adrenaline title *Wild Blue*) to lay out the rackets in gripping detail. His story includes detailed accounts of his chillingly "professional" murders of thirty-eight victims. The strong sales of *Mob* are further evidence that the best mafia stories—and this is one

of the best—capture the public's interest. Joey the Hitman's original best-seller status reflects the quality of the writing, the frank intelligence of the subject/writer, and Joey's convincingly matter-of-fact, regular-guy tone. When he writes, debunking *The Godfather*, "... Actually very few mob members even have Bronx-Italian accents ... a lot of mob people are not very tough, the people we meet and deal with are very ordinary, most of us stay home at night and watch TV, and we only shoot each other when absolutely necessary," you know you're listening to the original Soprano. This edition includes a new afterword from David Fisher, who for the first time reveals Joey's identity and the incredible story of how Joey finally died.

[The Thousand Crimes of Ming Tsu](#) - Tom Lin 2021-06-01

Winner of the Carnegie Medal for Excellence Finalist for the Young Lions Fiction Award A Chinese American assassin sets out to rescue his kidnapped

*Downloaded from  
[viewfromthefridge.com](http://viewfromthefridge.com) on  
by guest*

wife and exact revenge on her abductors in this New York Times Book Review Editors' Choice: a twist on the classic western from "an astonishing new voice" (Jonathan Lethem). Orphaned young, Ming Tsu, the son of Chinese immigrants, is raised by the notorious leader of a California crime syndicate, who trains him to be his deadly enforcer. But when Ming falls in love with Ada, the daughter of a powerful railroad magnate, and the two elope, he seizes the opportunity to escape to a different life. Soon after, in a violent raid, the tycoon's henchmen kidnap Ada and conscript Ming into service for the Central Pacific Railroad. Battered, heartbroken, and yet defiant, Ming partners with a blind clairvoyant known only as the prophet. Together the two set out to rescue his wife and to exact revenge on the men who destroyed Ming, aided by a troupe of magic-show performers, some with supernatural powers, whom they meet on the journey. Ming blazes his way across the West, settling old scores with a

single-minded devotion that culminates in an explosive and unexpected finale. Written with the violent ardor of Cormac McCarthy and the otherworldly inventiveness of Ted Chiang, *The Thousand Crimes of Ming Tsu* is at once a thriller, a romance, and a story of one man's quest for redemption in the face of a distinctly American brutality. "In Tom Lin's novel, the atmosphere of Cormac McCarthy's *West*, or that of the Coen Brothers' *True Grit*, gives way to the phantasmagorical shades of Ray Bradbury, Charles Finney's *The Circus of Dr. Lao*, and Katherine Dunn's *Geek Love*. Yet *The Thousand Crimes of Ming Tsu* has a velocity and perspective all its own, and is a fierce new version of the *Westward Dream*." —Jonathan Lethem, author of *Motherless Brooklyn*

*Deliberate Intent* - Rodney A. Smolla 1999

Examines the wrongful death suit against Paladin Press, publisher of "The Hit Man," for the murders of three people

Rex Feral kills for hire. Some consider him a criminal. Others think him a hero. In truth, he is a lethal weapon aimed at those he hunts. He is a last recourse in these times when laws are so twisted that justice goes unserved. He is a man who feels no twinge of guilt at doing his job. He is a professional killer. Learn how a pro gets assignments, creates a false identity, maizes a disposable silencer, leaves the scene without a trace, watches his mark unobserved and more. Feral reveals how to get in, do the job and get out without getting caught.

Hitman Anders and the Meaning of It All - Jonas Jonasson 2016-04-26

From the author of the international bestseller *The 100-Year-Old-Man Who Climbed Out the Window and Disappeared*, a brilliant satirical novel set in modern Sweden—a story of idealism and fanaticism, gangsters and entrepreneurs, sensationalism and spirituality, that explores the values that matter in contemporary life. In a former

brothel turned low-rent hotel, the lives of three unusual strangers—a former female priest, recently fired from her church; the ruined grandson of an ex-millionaire working as a receptionist; and Killer-Anders, a murderer newly released from prison—accidently collide with darkly hilarious results. Seeing a lucrative opportunity in Killer-Anders, the unlikely trio form an unusual new business. The Priest and The Receptionist will handle strategy and public relations, and coordinate Killer-Anders’ “missions.” Using the media’s obsessive need for sensational, headline-making stories to advertise their talent’s superb “skill,” they quickly build a clientele of rich Swedish gangsters. Suddenly, they’re making an altogether different kind of killing of their own. But when Killer-Anders begins asking deeper questions about purpose and meaning, his curiosity leads him to an unexpected discovery: he finds Jesus. Desperate to save the money machine they’ve built, The Priest and The

Receptionist devise an audacious plan utilizing Killer-Anders' newfound and decidedly fervent faith. Mischievous yet big-hearted, filled with Jonas Jonasson's trenchant humor and delightful twists, Hitman Anders and the Meaning of It All is a delightful comic adventure that reminds us it's never too late to start over—and to discover what truly matters.

**The Hitman's Guide to Housecleaning** - Hallgrimur Helgason 2012

When assassin Tomislav Bokšić, or Toxic, kills the wrong person in a botched assassination, he flees to Iceland and is forced to come to terms with his bloody past and reevaluate his future in a country with no tradition of contract killing.

The Hitman's Guide to Staying Alive Despite Past Mistakes -

Alice Winters 2019-09-25

Jackson Now that Leland's decided to give up his life as a hitman and take a walk on the mild side, we've been enjoying a simple life of taking down bad guys the legal way. I didn't

know he would be just as reckless as a PI, but it's not my fault if I happen to enjoy helping him hunt down the occasional criminal. If only I could keep the house from being overrun by Leland's gun shrine--or stop him from making our cases "more exciting" by terrorizing people into confessing. Overall, life seems perfect, right? Wrong. We've been called in to investigate a suspicious murder committed by someone claiming to be the Sandman. When we find a note on the victim's body, we realize that this could ruin our lives forever. Leland:I wasn't involved in the murder. It might look like my writing and my note, but I wouldn't do that to Jackson--especially after I promised him that I wouldn't take a hit ever again. At least, not without telling him. I'm finally starting to learn that we're stronger together, and I'm not going to jeopardize that.Luckily for both of us, this copycat doesn't know who he's dealing with. Game's on, fake Sandman. You think you can

*Downloaded from  
[viewfromthefridge.com](http://viewfromthefridge.com) on  
by guest*

mess with me? Well, maybe you can, but that's beside the point, because I will protect Jackson no matter what, even if I almost drown him in the process. (Really, that wasn't my fault. He should learn how to swim better.) This 110k word book contains: Disco ball piñata, camping with Sasquatch, an acrobatic housekeeper named "Mr. Cleanyface," a questionable massage table, weapons everywhere, Jackson's nemesis--the fence, a turkey showdown, aerial silk antics, a reappearance of Blow-up Randy, over-the-top body armor, too many hitmen, and so many emotions that Leland's chest might explode. This is the second book in a series--while you could read and enjoy it on its own, you really should read *The Hitman's Guide to Making Friends and Finding Love* for maximum enjoyment.

**The Hitman's Daughter** -  
Carolyne Topdjian 2022-01-11  
When a massive blizzard hits on New Year's Eve, hotel employee Mave Michel finds herself trapped with the guests

who've come to celebrate a grand hotel's last hurrah The situation might even be romantic, if the rundown chateau wasn't reputed to be haunted--if the resident artist hadn't been found dead in her suite--and if Mave's father wasn't a hitman who still sends her postcards from prison. When she is framed for the murder, Mave must stay one step ahead of authorities pursuing her through the hotel's byzantine corridors and subterranean tunnels. She can no longer deny the lessons in survival her father taught her--or her strange sixth sense for finding lost objects. Her investigation soon dovetails with a thirty-year-old cold case when she unearths a pile of human bones. The more Mave learns about the uncanny truth, the more she vows to stop running from her past.

greatest assassins in existence, to warn him of his impending doom. What follows is the first short story of The Shady File. This is an action packed story, full of death, violence and gore, which takes place in an exotic, futuristic world. This is not a tale for squeamish humans, and anybody who is not yet a legal adult should read this work at the discretion of their guardians. You have been warned. Proceed with caution. And, welcome, to the Shady File.

**Sniper Vs Spotter** - L a Witt  
2021-10-29

Mortal-enemies-turned-furniture-breaking-lovers August Morrison and Ricardo Torralba have found a groove that suits them both. They've teamed up as hired guns, they live together, and by some miracle, they haven't killed each other. It's the closest to normal they'll ever have, and they love it. But their guns-and-roses future is thrown into chaos when Ricardo's past comes crashing into their present. What begins as a favor for an old friend-well, "friend,"

but don't tell August-quickly spirals into something far bigger than they anticipated. Now they're in way over their heads with powerful people on both sides of the law, and it's going to take more than snark and explosions to see them through. Nevertheless, there will be plenty of snark and explosions, because this is August and Ricardo, and no one would expect any less. In between the smoke and sarcasm, though, they are determined to bring an evil operation crashing down... no matter who they have to work with to get the job done. And no matter who they have to kill. Sniper vs Spotter is the sequel to the apparently-it-doesn't-want-to-be-a-standalone Hitman vs Hitman, which absolutely was supposed to be a standalone, but August and Ricardo (predictably) refused to be contained. Our audiobook narrator also shares some of the blame, Michael. So here we are.

thinks it's great that he can play hockey in Calgary, where his older brother, Nathan, is a star center for the Hitmen. When Nolan finds out that a lot of things about Nate's new life in Calgary don't make sense—or might not even be legal—Nolan has to make some difficult choices that will affect him and his brother for the rest of their lives.

The Fatalist - Campbell McConachie 2021-10-05  
AS SEEN ON AUSTRALIAN STORYShortlisted for The Ned Kelly Awards Best True Crime 2018Shortlisted for The Danger Prize (writing about Sydney and crime) 2018'I first met Lindsey Rose playing pool at The Burwood Hotel in 1988. I was two years out of high school. He'd already committed three murders. None of us knew.'We knew he was a brothel owner, we knew not to get on his wrong side, but we knew nothing of his lives past: fitter and turner, ambulance officer, private investigator, car thief, hijacker, arsonist, mercenary, drug dealer. Murderer. 'I drank at The

Burwood on and off for six years. The last time I saw Lindsey as a free man was in early 1994 when he came to a poker game at my home. By then he'd committed two more murders - on Valentine's Day 1994 - and that made five.'What factors are at play in the creation of a cold-blooded killer? How can a relaxed, sociable, loving man with a strong work ethic keep the truth of his inner life, his dark side, hidden from friends, family and even the woman he marries?Informed by the science of criminal psychology, court documents and transcripts, correspondence and many interviews with Rose in the notorious Goulburn Supermax prison, Campbell McConachie's account is a unique and fascinating journey into the life and mind of a multiple murderer.

**Rude Awakening** - Sheree Ann Martines with John Robert Whedbee 2020-11-13

The reporters said it was a sexy story—church, money, greed, adultery, blood, a defenseless child with profound disabilities,

and a good man who never saw it coming, all the elements that garnered column inches and high ratings. The main players on the stage included a talented journalist who played the organ at church, a cunning narcissist who hid behind a pretty face and a sweet demeanor, and a respected businessman and father. The plan, her plan, unfolded in the early morning hours of June 8, 1994, when a flyspeck of a man dressed in black, covetous and possessed by passion, clutched a large knife in his gloved hands and stood above his sleeping prey. He could not know, as the blade arced toward its target, how many lives would be forever changed by their crimes.

### **How to Drive a Tank... -**

Frank Coles 2009

Call yourself a man? You do? Do you even know what a real man is? Are you a six foot one Adonis who wears all the latest fashions, moisturises regularly, visits spas for pleasure and never does anything wrong? Or do you drink twenty pints every Friday night, guzzle a kebab on the way home and then fart yourself to sleep? It's time to stop being the man everyone expects you to be and be the one you want to be. And while you're at it, why not discover the practical skills a real man should have: from hot-wiring a car to hiding a dead body, how to disappear without trace in less than 24 hours, to unarmed combat. Add in tips on love, sex, money and fatherhood and you have a book tells you everything you need to know about being a man. Fast-paced and funny this is the ultimate bible for the modern man.

*The Doctor, the Hitman, and the Motorcycle Gang* - Annie

McCormick 2020-03-17

"A prominent New Jersey doctor and members of a notorious outlaw motorcycle gang The Pagans transform the doctor's office into a drug ring pumping thousands of highly addictive opioid pain pills onto the streets in exchange for cash. Everything was going smoothly until one person discovered their plan: the doctor's wife. When she threatened to divorce him, the doctor's unholy alliance with his partners in crime turned deadly and the doctor hired a hitman to kill her. The Doctor, The Hitman and The Motorcycle Gang is the true story of the murder of April Kauffman, a beloved and vivacious local radio personality and veterans' advocate who was found shot to death in her suburban New Jersey home in May of 2012. In the months leading up to her death, she had uncovered a tangled web of deceit surrounding her husband. She feared he was trying to kill her and that he may harm her family. Nearly six years later,

Downloaded from  
[viewfromthefridge.com](http://viewfromthefridge.com) on

authorities charged her husband, Dr. James Kauffman, with her murder. Just this week, a jury convicted a former leader of the Pagans Motorcycle Club with helping to carry out the murder. McCormick includes never before seen or heard details from the investigation through her years of covering the case and she documents the relentless search for justice by April's family, friends, and her daughter"--

The Former Assassin's Guide to Snagging a Reluctant Boyfriend - Alice Winters

2021-08-25

Cassel When I gave up life as a hitman, I thought everything was going to be better. I was going to become a PI, help people, and live normally... and then I met Jeremy, the most perfect man to have ever saved my life (I mean, he might be the only one who has saved my life, but he's still the best at it). From that point on, it was all over for me--I knew we were meant to be. The issue is that he doesn't... quite seem to realize that. But when he's

targeted by criminals (literally, someone just shot at his head), he needs to rely on someone, so why not me? He might not know about my past as a hitman or that I don't need to be protected, but I'm prepared to do everything I can to save the day. Jeremy When my past comes back with a vengeance, I've never felt so alone and out of my element. That is, until Cassel offers me information that I desperately need, forcing me to drag him straight into danger. The issue is that he's too sweet and innocent for this world and I'm not sure that I'm strong enough to protect him, but I can't bring myself to push him away. As truths come to light, I realize that maybe Cassel isn't quite who I thought he was, and maybe we're not so different after all. While you can read The Former Assassin's Guide on its own, you'll get maximum enjoyment by reading The Hitman's Guide series first. This book contains speedy car chases and not-so-speedy ATV rides, a wager Cassel is determined to win even if it kills him, and way-

### **Confessions of an Economic**

**Hit Man** - John Perkins  
2004-11-09

Perkins, a former chief economist at a Boston strategic-consulting firm, confesses he was an "economic hit man" for 10 years, helping U.S. intelligence agencies and multinationals cajole and blackmail foreign leaders into serving U.S. foreign policy and awarding lucrative contracts to American business.

Covid-19: The Great Reset -  
Thierry Malleret 2020-07-09

"The Corona crisis and the Need for a Great Reset" is a guide for anyone who wants to understand how COVID-19 disrupted our social and economic systems, and what changes will be needed to create a more inclusive, resilient and sustainable world going forward. Thierry Malleret, founder of the Monthly Barometer, and Klaus Schwab, founder and executive Chairman of the World Economic Forum, explore what the root causes of these crisis were, and why they lead to a need for a Great Reset. Theirs is a worrying, yet hopeful

analysis. COVID-19 has created a great disruptive reset of our global social, economic, and political systems. But the power of human beings lies in being foresighted and having the ingenuity, at least to a certain extent, to take their destiny into their hands and to plan for a better future. This is the purpose of this book: to shake up and to show the deficiencies which were manifest in our global system, even before COVID broke out.

[A Question of Guilt](#) - Frances Fyfield 2013-12-10

Cunning and evil, poisoned by a lifetime of love withheld, Eileen Cartwright has an unrivaled passion for revenge. When the rich, middle-aged widow falls in love with her lawyer, she goes to fatal lengths to make him hers. Prosecutor Helen West is assigned to the case, but when Eileen's extraordinary evil reaches out even from behind prison bars, the investigation reaches a climax of frightening and frenzied violence.

*I Am a Hitman* - Anonymous Hitman 2021-11-09

The unbelievable account of life as a hitman from a man who has been doing it for decades Hitmen commit heinous crimes virtually every day of the week and, in most instances, we don't even realize. He's been a killer for hire for more than twenty years now, but life as a fulltime professional assassin has never been easy. There have been close calls, failed attempts and a lot of looking over his shoulder. And now, he has decided to come clean and seek atonement for his life as a murderer and one of the most covertly dangerous men alive. An account of a life lived between our world and a shadowy underworld of criminals, a life lived under the radar of the law, a life lived in death. This is the true story of a hitman.

author of *Empire of Pain*—a stunning, intricate narrative about a notorious killing in Northern Ireland and its devastating repercussions "Masked intruders dragged Jean McConville, a 38-year-old widow and mother of 10, from her Belfast home in 1972. In this meticulously reported book—as finely paced as a novel—Keefe uses McConville's murder as a prism to tell the history of the Troubles in Northern Ireland. Interviewing people on both sides of the conflict, he transforms the tragic damage and waste of the era into a searing, utterly gripping saga." —New York Times Book Review

Jean McConville's abduction was one of the most notorious episodes of the vicious conflict known as The Troubles. Everyone in the neighborhood knew the I.R.A. was responsible. But in a climate of fear and paranoia, no one would speak of it. In 2003, five years after an accord brought an uneasy peace to Northern Ireland, a set of human bones was discovered on a beach.

McConville's children knew it was their mother when they were told a blue safety pin was attached to the dress—with so many kids, she had always kept it handy for diapers or ripped clothes. Patrick Radden Keefe's mesmerizing book on the bitter conflict in Northern Ireland and its aftermath uses the McConville case as a starting point for the tale of a society wracked by a violent guerrilla war, a war whose consequences have never been reckoned with. The brutal violence seared not only people like the McConville children, but also I.R.A. members embittered by a peace that fell far short of the goal of a united Ireland, and left them wondering whether the killings they committed were not justified acts of war, but simple murders. From radical and impetuous I.R.A. terrorists such as Dolours Price, who, when she was barely out of her teens, was already planting bombs in London and targeting informers for execution, to the ferocious I.R.A. mastermind known as The Dark, to the spy

**The Hit Man's Dilemma** - Keith Hart 2005

It's not personal; it's just business, says the professional killer to his victim. But business is always personal, and even though modern

business corporations have been granted the legal status of persons, they are still part of the impersonal engines of society that operate far beyond human reach. Keith Hart explores in his thought-provoking pamphlet *The Hitman's Dilemma* how we have never been more conscious of ourselves as unique personalities, but we live in a society increasingly ruled by faceless corporate forces. He ultimately asks: What place is there for the humanity of individual persons in the dehumanized social and economic frameworks we live within? This is the hitman's dilemma, and it is ours as well.  
*Ripped* - V. J. Chambers 2016-01-28

Cade "Ripper" Davies I don't do attachments. I don't do affection. I do my job, and it's all I need. I'm a contract killer, and I'm a bad man. But this girl, Shell, she's getting to me. She started out as a convenient hostage, a means to an end. But for some reason, I'm keeping her safe, even though it means turning against a man

I once considered my best friend. There's something about her, and not just that she's sexy as hell. I can't get her out of my head, and I can't let her go. Shell Birch The first thing I notice about Cade is that he's ridiculously attractive. The next thing I notice is that he's pointing a gun at me. He's dangerous, more dangerous than anyone I've ever met. But there's so much more to him than that, and from the moment I glimpse that other side of him, I'm stuck. The side that wants to take care of me, the side that ends up protecting me even when it hurts him. The side of him that takes me and makes me his...but I can't be his for very long. Not with the kind of life he leads, not with the kinds of demons he has. Oh. And I think I might be pregnant.

*The New Confessions of an Economic Hit Man* - John Perkins 2016-02-09

Featuring 15 explosive new chapters, this new edition of the New York Times bestseller brings the story of Economic Hit Men up-to-date and,

chillingly, home to the U.S.—but it also gives us hope and the tools to fight back. Former economic hit man John Perkins shares new details about the ways he and others cheated countries around the globe out of trillions of dollars. Then he reveals how the deadly EHM cancer he helped create has spread far more widely and deeply than ever in the US and everywhere else—to become the dominant system of business, government, and society today. Finally, he gives an insider view of what we each can do to change it. Economic hit men are the shock troops of what Perkins calls the corporatocracy, a vast network of corporations, banks, colluding governments, and the rich and powerful people tied to them. If the EHMs can't maintain the corrupt status quo through nonviolent coercion, the jackal assassins swoop in. The heart of this book is a completely new section, over 100 pages long, that exposes the fact that all the EHM and jackal tools—false economics, false promises, threats, bribes,

extortion, debt, deception, coups, assassinations, unbridled military power—are used around the world today exponentially more than during the era Perkins exposed over a decade ago. As dark as the story gets, this reformed EHM also provides hope. Perkins offers specific actions each of us can take to transform what he calls a failing Death Economy into a Life Economy that provides sustainable abundance for all.

### **Stand by Your Hitman -**

Leslie Langtry 2008

Gadget-lover Missi Bombays newest mission is on the set of reality TV show Survival, but she may not outlast her super-sexy competitor.

### Killers of a Certain Age -

Deanna Raybourn 2022-09-06

Older women often feel invisible, but sometimes that's their secret weapon. They've spent their lives as the deadliest assassins in a clandestine international organization, but now that they're sixty years old, four women friends can't just retire

- it's kill or be killed in this action-packed thriller by New York Times bestselling and Edgar Award-nominated author Deanna Raybourn. Billie, Mary Alice, Helen, and Natalie have worked for the Museum, an elite network of assassins, for forty years. Now their talents are considered old-school and no one appreciates what they have to offer in an age that relies more on technology than people skills. When the foursome is sent on an all-expenses paid vacation to mark their retirement, they are targeted by one of their own. Only the Board, the top-level members of the Museum, can order the termination of field agents, and the women realize they've been marked for death. Now to get out alive they have to turn against their own organization, relying on experience and each other to get the job done, knowing that working together is the secret to their survival. They're about to teach the Board what it really means to be a woman—and a killer—of a certain age.
