Business Ethics: Ethical Decision Making and Cases - O. C. Ferrell 2021-06-16

Learn to make successful ethical decisions in the midst of the new business realities of 2020 and 2021 with Ferrell/Fraedrich/Ferrell's market-leading BUSINESS ETHICS: ETHICAL DECISION MAKING AND CASES, 13E. Packed with current examples and exercises, this edition demonstrates how to integrate ethics into key strategic business decisions as reorganized chapters clearly present the ethical decision-making process in today's complex ethical, legal, social and political environments. New scenarios highlight 2020 economic and pandemic realities and preview ethical challenges you are most likely to encounter as a new manager. Updates address the processes and best practices behind successful business ethics programs as well as the latest legislation and new coverage of global sustainability and corporate social responsibility. New and original cases provide insights into ethics in familiar organizations, such as Tesla and TOMS, while exercises reinforce concepts with hands-on applications. Texas Rules of Evidence Manual - Tenth Edition - David A. Schlueter 2015-07-01

Texas Rules of Evidence Manual provides an updated comprehensive reference to Texas evidence for both civil and criminal cases. The book provides a rule-by-rule analysis of each Rule of Evidence. This sturdy hard-cover text is designed for heavy use in the courtroom. This text helps those who are bound to use the Texas Rules of Evidence, whether it is the bench or the bar or those studying evidence. While the text contains some academic discussions, the book is designed to explain what a particular Rule requires or prohibits, to indicate what the appellate courts have said about the Rules, and to offer some practical pointers on using the Rules. The book itself has been designed to make it as useful as possible to the harried judge, counsel, and student who must quickly find the "law." Following each Rule is an editorial commentary on the Rule explaining how the Rule works, what the Texas courts have said about the Rule, and how it compares with the Federal Rule, because Texas courts often review federal precedent where they find it helpful in applying a Texas Rule. When appropriate, practical pointers are also provided on how to use the Rule. Where the Rules apply in the same fashion for both civil and criminal cases, those points are discussed together. On the other hand, where they diverge, the authors have used separate headings for "Civil" and "Criminal" when that seems appropriate. One of the objectives of the Editorial Analysis in this text is to deal with the interrelationships of the various Rules. The authors have noted those areas where the Rules differ from pre-Rules case law or statutory provisions. Some of the Rules changed the prior Texas evidence law and, although many of the Texas Rules agree with the Federal Rules,

a number differ significantly.
