The Quit Alternative - Ben Fanning 2014-10-26

Here are the top 5 reasons this professional development book is a MUST READ:1) You can create the job you love without quitting your job and giving up your steady paycheck, 401(k), and insurance. This book shows you how. You won't find this information in traditional career guides. It is 100% possible for you, even if you've been considering how to quit your job or how to snag a job you love.2) You'll be entertained (and secretly educated). You'll laugh, cry, and maybe even feel compelled to leave a copy on your boss' desk. Stick with me, and you'll discover helpful principles that will make you the talk of the water cooler. This isn't another ho-hum professional development book, and it's not a "how to find a job" guide full of blank forms. You'll learn a new and inspiring perspective through unforgettably entertaining stories, like what I learned the day my shrink fired me, how I negotiated for a toilet seat on the corporate jet, and how I got called out by my masseuse.3) You'll become empowered, whether you're the mail clerk or CEO or you fall somewhere in between. This book has been endorsed by 5 senior executive leaders of Fortune 1000 companies and 3 mail clerks.4) You'll discover a return on your investment to earn a car. Invest a few dollars and a little bit of time to read this book, and you'll pick up career development tips that can save you enough to earn a car (page 9).5) You'll have a "Personal Career Counselor in Your Pocket." It's useful and practical with vivid case studies for how to negotiate with the boss to help pay for your MBA or support a relocation to the city of your dreams. You'll also learn how to deal with an unreasonable boss and even say "No" without getting fired.

Rich Dad, Poor Dad - Robert T. Kiyosaki 2016-04-27

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

*The Subtle Art of Not Giving a F*ck* - Mark Manson 2016-09-13

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that

we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.

The Graduate Survival Guide - Anthony Oneal 2017-04-03

Love Your Life Not Theirs - Rachel Cruze 2016-09-14

In Love Your Life, Not Theirs, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want—a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In Love Your Life, Not Theirs, Rachel shows you how to buy and do the things that are important to you—the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to

live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "*Love Your Life, Not Theirs* is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for *Woman's Day* "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of *HerMoney* with Jean Chatzky Podcast

12 Rules for Life - Jordan B. Peterson 2018-01-23

#1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

The Psychology of Money - Morgan Housel 2020-09-08

Doing well with money isn't necessarily about what you know. It's about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In *The Psychology of Money*, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life's most important topics.

Dave Ramsey's Complete Guide to Money - Dave Ramsey 2012-01-01

If you're looking for practical information to answer all your "How?" "What?" and "Why?" questions about money, this book is for you. Dave Ramsey's *Complete Guide to Money* covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all—giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in *The Total Money Makeover*, and trust us—the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

The Seven Stages of Money Maturity - George Kinder 2012-02-01

"A vital, seminal breakthrough work... Kinder penetrates money's enigmas and mythologies with the artist's delicate touch, the critic's discriminating eye . . . and the insightful sensitivity of a good human being. This book is a gift." --Richard Wagner, former chairman, Institute of Certified Financial Planners Replace anxiety, self-sabotage, and self-doubt around money with the sense of ease and freedom you deserve in *The Seven Stages of Money Maturity*, a one-of-a-kind guide in the life-changing tradition of *The 9 Steps to Financial Freedom* and *Your Money or Your Life*. A renowned Buddhist teacher as well as a Harvard-trained, nationally prominent certified financial planner, George Kinder draws on both disciplines to guide us toward a full understanding of the spiritual and psychological issues that surround money. Although many of us may assume that issues of money and spirit are separate, incompatible questions, George Kinder shows us that we must explore them together to attain true peace, freedom, and security in our money lives. Tracing the same path to transformation on which he has led his clients and lectured audiences for years, Kinder leads us through the Seven Steps of a journey to the profound liberation of awakening to a world of abundance and possibility. Revealing practical, market-tested wealth-building skills as well as the wisdom that contributes to understanding and enriching the role money plays across our lives from the surface to the soul, Kinder teaches us how to: Understand feelings that impact taking financial action Develop understanding and knowledge about money Eliminate stress and anxiety around money Let go of old patterns and painful habits Approach money tasks with energy and optimism Design a money life that is fulfilling both financially and spiritually A powerful new way to look at your money and at your life, *The Seven Stages of Money Maturity* will help us experience each encounter with money as a step toward awakening and a powerful lesson in understanding the relationships we share with others and with ourselves.

Free Roll - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

The Seeds of New Earth (the Silent Earth, Book 2) - Mark R. Healy 2014-12-17

The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. *The Silent Earth Series Book 1 - After the Winter*: [amazon.com/dp/B00P02FBPM](https://www.amazon.com/dp/B00P02FBPM)

Son of Sedonia - Ben Chaney 2012-12

Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the

heads of your community: smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. Son of Sedonia is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

[Knightingale](#) - Stephanie Laws 2012-09-14

Evil has plagued this world since the dawn of creation seeking to gain control. One family was given supernatural abilities with the sole purpose of protecting the things in this world that evil must never take possession of. Samantha Nelson knew she was cursed. She didn't know that her unnatural ability of forcing the truth out of people was just the beginning of her curse until her family is murdered in a horrific home explosion. Six months later she finds herself face to face with a Knight Protector and her life is turned into utter chaos. When David received his assignment on his twentieth birthday he was told that his destiny would be entwined with a woman soon to be born and that his aging would be halted. Since the moment Samantha was born, David protected her from her enemies. As every Knight before him, he does so in the shadows. But David must face the facts that something even deadlier than her enemies is occurring. No matter how much he denies it, he is falling in love with her. When her enemies begin to discover ways around his protection and murder her family he is forced to make a decision of what is more important to him; his family or his assignment. All it takes is one warning sign of danger to convince him that he simply cannot live without Samantha and he takes a leap that will change their lives forever. Their only chance of survival is to discover what Samantha's destiny is and the journey leads them straight to the heart of the Knight family where they discover evil has infiltrated and it is up to them to stop the evil before it destroys the family and gains control of the very thing that God created the family to protect.

[From Paycheck to Purpose](#) - Ken Coleman 2021-11-09

[Max Opposite](#) - Meldon J. Wright 2012-02-01

Max Opposite What do you do when you can't control what you do, When your brain behaves in mysterious ways, When you're only 13, And discover your life is a lie? What do you do, When your search for the truth, Plunges you into a nightmare? "Max has it all: action, adventure, international settings, a touch of romance and a sci-fi tilt. Great read for all ages." - A. H. (Auckland, New Zealand) "Rachel, do you dream?" "Of course I do. Everyone does." "Do you always have the same dream?" "Ah, no, that'd be pretty weird." "I thought so." "So what's this about, Max?" "I have the same dream every single night. Always have, for as long as I can remember." "That's definitely not normal. Even recurring dreams don't stay

forever." "Fast moving with a clever plot. Max kept me completely involved. Thoroughly enjoyable...waiting for the next episode." - J. G. (Sydney, Australia) "Max makes Harry Potter look wimpy! Great characters and an absolutely fantastic story." - P. L. (South Carolina, U.S.A.) Max Opposite Every morning, thirteen year old Max wakes from the same dream, scans his bedroom and waits for his memories to return. Every morning, when they do, he takes a deep breath and prepares for another day of humiliating events: Nicknamed 'Opposite' at school, Max is known for bizarre and inexplicable behaviour. Tired of being the fool, Max begins to question his purpose in life. What is wrong with him? Why does his mother keep secrets from him? Where does she secretly go at night? With the help of Rachel, his only friend, Max sets out to find the answers, and is quickly drawn into a world of danger far beyond any of the problems faced at school. Soon he and Rachel find themselves at odds with one of the most ruthless and wealthy criminal masterminds the world has ever known. In an international battle for survival, Max is forced to face the truth about himself, and soon realises that it's not easy being thirteen and discovering that your whole life has been a lie. It's not easy being Max Opposite.

[Where the Light Gets In](#) - Kimberly Williams-Paisley 2016-04-05

"The relationship between a mother and daughter is one of the most complicated and meaningful there is. Kimberly Williams-Paisley writes about her own with grace, truth, and beauty as she shares her journey back to her mother in the wake of a devastating illness." —Brooke Shields Many know Kimberly Williams-Paisley as the bride in the popular Steve Martin remakes of the *Father of the Bride* movies, the calculating Peggy Kenter on Nashville, or the wife of country music artist, Brad Paisley. But behind the scenes, Kim was dealing with a tragic secret: her mother, Linda, was suffering from a rare form of dementia that slowly crippled her ability to talk, write and eventually recognize people in her own family. *Where the Light Gets In* tells the full story of Linda's illness—called primary progressive aphasia—from her early-onset diagnosis at the age of 62 through the present day. Kim draws a candid picture of the ways her family reacted for better and worse, and how she, her father and two siblings educated themselves, tried to let go of shame and secrecy, made mistakes, and found unexpected humor and grace in the midst of suffering. Ultimately the bonds of family were strengthened, and Kim learned ways to love and accept the woman her mother became. With a moving foreword by actor and advocate Michael J. Fox, *Where the Light Gets In* is a heartwarming tribute to the often fragile yet unbreakable relationships we have with our mothers.

The Contentment Journal - Rachel Cruze 2019-04-02

Journal your way to contentment in just 90 days. #1 New York Times best-selling author Rachel Cruze guides you on a 90-day journey toward contentment--one where you actually love your life and not someone else's. Let's be honest: We've all compared ourselves to others. You scroll through social media and see someone's latest vacation and think, "Must be nice..." Just like that, you feel like your life isn't good enough. Rachel knows the struggle is real because she's experienced the same thing. So, she created a 90-day journal to help you stop comparing your life to others and be happier than you've ever been. The Contentment Journal is divided into 30-day increments: The first 30 days focus on gratitude - where you'll recognize the blessings in your life. The next 30 days focus on humility - where you'll think of others more and of yourself a little less. The last 30 days focus on contentment - where you'll be happy for others and not want what they have. Study after study backs up that your relationships, health, decision-making skills, kindness, and even sleep can get better with gratitude. The Contentment Journal will help you grow and change in ways you can't yet imagine. Through personal stories and daily writing prompts, Rachel will guide you day by day, week by week to feeling more thankful. Motivational quotes and reflection pages will encourage you to keep going! If you give Rachel 5-10 minutes a day for 90 days, she'll help you adjust your whole outlook, so you avoid the comparisons and experience lasting contentment.

Torrid Affair - Callie Anderson 2016-10-23

I'm fucked. The life I have lived for the past ten years is built solely on lies and secrets. But I can't help myself. I'm in love with two different men. And one of them is my brother-in-law. He's my drug. My fire. My addiction. But he's married to my best friend. And I'm married to my husband. I'm not ashamed. I have no guilt. None. I'm not fucked. I'm a fucked up person. This is the story of how I ruined my life. And the life of the one I loved most.

Hey Gen Xers: While it may be hard to believe, the oldest of your generation will turn 50 in 2015! No more Love Boat, Fantasy Island, or Three's Company for you. You must learn the Facts Of Life about your money so you can have Happy Days in the future. While the demands of life and the lack of time can get in the way of managing your finances, you must continually take the right steps to secure your financial future.

Whether you are a Boomer who has fallen behind on your saving and investment goals, a Gen Xer who needs to kick it into high gear, or a Gen Yer who wants to make hay while the sun shines, this book can put you on the road to financial success. Real Life, Real Money will help you: - Manage debt. Jenkin provides practical tips for getting rid of debt, and staying out of debt. - Start investing. Jenkin discusses investing via employee-sponsored retirement plans as well as investing directly in the stock market. - Learn tax saving strategies. Jenkin helps emerging investors understand taxes - both what they are and how to plan for them. After all, they are one half of life's inevitabilities. - Understand marriage and divorce. Jenkin discusses everything from deciding whether and how to combine finances as a newly-married couple to managing a financial split during divorce. - Be your own boss. Jenkin helps readers think through what

being a small business owner really means from structuring the business to be as financially advantageous as possible to buying equipment and hiring employees. - Tackle insurance and estate planning. Jenkin helps you realistically think about life and long-term care insurance policies with a focus on your real needs versus what might feel like enough. - Prepare for retirement. Jenkin discusses ways to juggle retirement planning with life's other financial needs as well as how and when to withdraw money from one's retirement "faucets."

Everyday Millionaires - Chris Hogan 2019

Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction

The Richest Man in Babylon - George S. Clason 2022-03-15

First published in 1926, 'The Richest Man in Babylon' is an inspirational classic that is celebrated as the greatest of books on finances by George S. Clason, an American author. Clason was a successful businessman who founded the Clason Map Company of Denver, Colorado, and published the first road atlas of the United States and Canada. This book was initially a prominent series of pamphlets on thrift and financial success, using parables set in ancient Babylon, written by Clason, and circulated in large quantities by banks and insurance companies and later became familiar to millions. It is a timeless classic,

revealing the secrets to making money and keeping it. It reveals the secrets to wealth, providing priceless guidance, advice, unforgettable parables, financial problem-solving tools, and invaluable information which will get you on your way to prosperity. This book is an essential read for all who want to attain financial well-being. The parables are told by a fictional Babylonian character called Arkad, a poor scribe who evolved as the richest man in Babylon. Incorporated in Arkad's advice are the 'Seven Cures' (or how to generate money and wealth), and the 'Five Laws of Gold' (or how to protect and invest wealth). An essence of Arkad's advice is around 'paying yourself first', 'living within your means', 'investing in what you know', the importance of 'long-term saving', and 'homeownership'.
