Room 15 - Charles Harris 2020-07-27

A twisty psychological thriller with "the ingenious structure and leaps in time and memory of a Christopher Nolan movie" from an award-winning director (Camden New Journal). Ross Blackleigh is on trial for four crimes which he insists he didn't commit. A detective inspector and a thoughtful self-reflective man, he goes against his counsel's advice and takes the stand in court. This is his story. Ross found himself wandering the streets one night, bleeding from the head and unable to remember the past year and a half. But before he could make sense of it, he was summoned to a crime scene where a nurse had been brutally murdered. His amnesia unnerved him and, fearing the worst, Ross allowed himself to be taken to hospital, only to be viciously attacked by a stranger with a knife. Suspecting that the attack was connected with the nurse's murder and that his own police colleagues were behind it, Ross set out on two parallel investigations: one into the killing and the other into his own mind. But when he digs into his own psyche, he is scared by what he finds . . . Is Ross being set up or is something far more disturbing behind the killings? "Profoundly creepy in the best way, and the desperation of the haunted protagonist makes it a compellingly nightmarish journey." —Life in Sci-Fi "These changes of gear, the mix of brutal realism and a sense of darker, inexplicable forces are what give Room 15—I won't reveal the significance of the title—its power, as the novel hurtles back to the courtroom and the jury's verdict." —Camden New Journal

Everyone in Carmac knows each other, and most of its residents look alike—until Bakary and Sylvia Langlois arrive with their three children. Wealthy and flashy, the family of five are outsiders in the small town, their impressive chalet and three expensive cars a stark contrast to the modesty of those of their neighbors. Despite their differences, the Langlois and the Guillots form an uneasy, ambiguous friendship. But when both families begin experiencing financial troubles, the underlying class and racial tensions of their relationship come to a breaking point, and the unthinkable happens. With piercing psychological insight and gripping storytelling, People Like Them asks: How could a seemingly "normal" person commit an atrocious crime? How could that person's loved ones ever come to terms with it afterward? And how well can you really know your own spouse?

Nanny Needed - Georgina Cross 2021-10-05

A young woman takes a job as a nanny for an impossibly wealthy family, thinking she's found her entrée into a better life—only to discover instead she's walked into a world of deception and dark secrets. "Wild, unpredictable, and utterly absorbing, *Nanny Needed* is a gasp-out-loud thriller that will make your head spin."—Samantha M. Bailey, #1 bestselling author of *Woman on the Edge* *Nanny needed*. Discretion is of the utmost importance. Special conditions apply. When Sarah Larsen finds the notice, posted on creamy card stock in her building's lobby, one glance at the exclusive address tells her she's found her ticket out of a dead-end job—and life. At the interview, the job seems like a dream come true: a glamorous penthouse apartment on the Upper West Side of NYC; a salary that adds several zeroes to her current income; the beautiful, worldly mother of her charge, who feels more like a friend than a potential boss. She's overjoyed when she's offered the position and signs the NDA without a second thought. But in retrospect, the notice in her lobby was less an engraved invitation than a waving red flag. For there is something very strange about the Bird family. Why does the beautiful Mrs. Bird never leave the apartment alone? And what happened to the nanny before Sarah? It soon becomes clear that the Birds' odd behaviors are more than the eccentricities of the wealthy. But by then it's too late for Sarah to seek help. After all, discretion is of the utmost importance.
