Plastic-Free - Beth Terry 2015-04-21
"Tells a story that could inspire everyday behavior change for all of us. Small steps, leading to one big milestone: a planet free of plastic pollution." —Daniella Dimitrova Russo, CEO and founder of Think Beyond PlasticTM Like many people, Beth Terry didn't think an individual could have much impact on the environment. But while laid up after surgery, she read an article about the staggering amount of plastic polluting the oceans, and decided then and there to kick her plastic habit. In Plastic-Free, she shows you how you can too, providing personal anecdotes, stats about the environmental and health problems related to plastic, and individual solutions and tips on how to limit your plastic footprint. Presenting both beginner and advanced steps, Terry includes handy checklists and tables for easy reference, ways to get involved in larger community actions, and profiles of individuals—Plastic-Free Heroes—who have gone beyond personal solutions to create change on a larger scale. Fully updated, Plastic-Free also includes sections on letting go of eco-guilt, strategies for coping with overwhelming problems, and ways

to relate to other people who aren't as far along on the plastic-free path. Both a practical guide and the story of a personal journey from helplessness to empowerment, Plastic-Free is a must-read for those concerned about the ongoing health and happiness of themselves, their children, and the planet. "This is the tool that we've all been waiting for to ease the transition to going plastic-free. Time to wake up. Peace." —Rosanna Arquette, actor, Plastic Pollution Coalition member "Practical and hopeful, with a kind of cheerleading charm." —The Washington Post

Walking With God - Tim Gray 2014-06-26
The Bible plays a vital role in the life of the Catholic Church. In fact, we are called to immerse ourselves daily in the Scriptures. But many of us get lost when we actually dive into the Bible, and our time spent can be more frustrating than fruitful. We are reading a collection of writings drafted by an ancient people, in an ancient culture. But Scripture is nothing less than the Living Word of God, and it is meant just as much for us as for those who lived thousands of years ago. In Walking with God, Dr. Tim Gray and Jeff Cavins unpack the central story woven throughout Scripture and present it in an easy-to-read, concise manner. Gray and Cavins take you on a journey through the "narrative" books of the Bible—the ones that tell the story—and present a panoramic view of God's glorious plan of salvation. Their expert commentary dives deep into the mysteries of Scripture, unlocking its riches and showing how these inspired words are meant for you today. Enter into the Scriptures with Walking with God. Witness the fascinating story of our faith unfold, and see how you, at this moment in your life, fit into God's plan for all of humanity. Nothing captivates the human heart like a good story,

and the best story of all is the one authored by God Himself in Scripture. With keen insight and a genius for making the complex simple, Gray and Cavins help us see the big picture of God's Word by guiding us through the depths and compelling details of the biblical narrative. This book is an invaluable guide to the mystery and meaning of Sacred Scripture." Charles J. Chaput, O.F.M. Cap. Archbishop of Denver "For ordinary Catholics, taking a journey through the Bible just got a whole lot easier. With this book, Walking with God, Tim Gray and Jeff Cavins make it so that you are starting out on the trip with a good map and compass, along with a couple of great friends as reliable guides. You don't want to miss out on such a great adventure." Scott Hahn, Ph.D. Founder and President, St. Paul Center for Biblical Theology "Faced with contentious questions, ancient cultures, and obscure scholarship, it is easy to forget that the Bible is meant to be heard, read, and prayed by all of us. Dr. Tim Gray and Jeff Cavins offer a highly readable overview of the biblical narrative that is very helpful for the average Catholic to explore the wonders of the Bible. They incorporate modern scholarship without being stuffy and ancient wisdom without being obtuse." Fr. Patrick Brady, S.S.L., S.T.D. Professor, St. Charles Borromeo Seminary, Philadelphia To learn more about The Great Adventure Catholic Bible Study Program visit www.BibleStudyforCatholics.com.

Repair Work Ethnographies - Ignaz Strebel 2018-12-14

This pioneering book homes in on repair as an everyday practice. Bringing together exemplary ethnographies of repair work around the world, it examines the politics of repair, its work settings and intricate networks, in and across a wide range of situations, lay and professional. The book evidences the topical relevance of situated inquiry into breakdown, repair, and maintenance for engaging with the contemporary world more broadly. Airplanes and artworks, bicycles and buildings, cars and computers, medical devices and mobile phones, as virtually any commodity, infrastructure or technical artifact, have in common their occasional breakdown, if not inbuilt obsolescence. Hence the point and purpose of closely examining how and when they are fixed.

User Innovation Barriers' Impact on User-Developed Products - Thorsten Pieper 2019-03-01
Thorsten Pieper explores the impact of innovation barriers along the user innovation process, in particular whether technological, social, legal and ownership barriers change the properties of user-developed products. This study roots from the "open innovation" research field and reveals insights from innovating users in "collaborative workspaces". The results prove a hierarchical allocation of innovation barriers regarding their influence on the end-product and moderating influences of user innovators' personal characteristics. The author discusses these insights and provides practical recommendations for more efficient promotion of user innovations and successful integration in corporate "co-creation" projects.

The Startup Owner's Manual - Steve Blank 2020-03-17
More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you: • Avoid the 9 deadly sins that destroy startups' chances for success • Use the Customer Development method to bring your business idea to life • Incorporate the Business Model Canvas as the organizing principle for startup hypotheses • Identify your customers and determine how to

"get, keep and grow" customers profitably • Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.
