Lord, Teach Us to Pray - Alexander Whyte 1998

The revered teacher and bestselling author of such classic Christian works as *Mere Christianity* and *The Screwtape Letters*, C. S.

How to Pray - C. S. Lewis 2018-06-05

Downloaded from viewfromthefridge.com
on by guest

Lewis here offers wisdom and lessons that illuminate our private dialogue with God—prayer—in this collection drawn from the breadth of his writings. C. S. Lewis's insights on Christianity and his reflections on Christian life continue to guide us more than fifty years after his death. *How to Pray* showcases Lewis's enduring wisdom on prayer and its place in our daily lives. Cultivated from his many essays, articles, and letters, as well as his classic works, *How to Pray* provides practical wisdom and instruction to help readers nurture their spiritual beliefs and embrace prayer in all its forms. While many people would like to speak to God, they often don't know how to begin. Lewis guides them through the practice, illuminating the significance of prayer and why it is central to faith. A welcome addition to the C. S. Lewis canon, *How to Pray* offers a deeper understanding of our personal tradition of prayer, our faith, and what it means to be a Christian.

Reflections on the Psalms - C. S. Lewis
2017-02-14

A repackaged edition of the revered author's moving theological work in which he considers the most poetic portions from Scripture and what they tell us about God, the Bible, and faith. In this wise and enlightening book, C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—examines the Psalms. As Lewis divines the meaning behind these timeless poetic verses, he makes clear their significance in our daily lives, and reminds us of their power to illuminate moments of grace.

A gift set containing C. S. Lewis's most popular works -- Mere Christianity and The Screwtape Letters.

More Than a Battle - Joe Rigney 2021-02-02
Pastor and author Joe Rigney gives men a three-pronged approach to the battle with sexual sin, confronting it as sin, addiction, and brokenness.

Letters to Malcolm: Chiefly on Prayer - C. S.

Lewis 2020-03-19

In this final book written before his death, C. S. Lewis continue to challenge readers to revisit the power of prayer in our everyday lives.

The Grand Miracle - C. S. Lewis 1986-01-12

“Captivating reading that builds the faith while it fills the mind with greatness.”—Sherwood

Wirt, former editor, DECISION Magazine One of this century's greatest writers of fact, fiction, and fantasy explores, in utterly beautiful terms, questions of faith in the modern world: • On the experience of miracles • On silence and religious belief • On the assumed conflict between work and prayer • On the error of trying to lead “a good life” without Christ • On the necessity of dogma to religion • On the dangers of national repentance • On the commercialization of Christmas . . . and more “The searching mind and the poetic spirit of C.S. Lewis are readily evident in this collection of essays edited by his one-time secretary, Walter Hopper. Here the reader finds the tough-mind polemicist relishing

the debate; here too the kindly teacher explaining a complex abstraction by means of clarifying analogies; here the public speaker addressing his varied audience with all the humility and grace of a man who knows how much more remains to be unknown.”—The New York Times Book Review

Letters to an American Lady - C. S. Lewis
2014-10-22

When Lewis was 51 years old and long established at Magdalen College, Oxford, he wrote the first of this collection of letters to an American widow. She was described as a "very charming, gracious, southern aristocratic lady who loved to talk and speak well". In them are his antipathy to journalism, advertising, snobbery, psychoanalysis, and the petty practices that sap freedoms. They identify events in his life after 1950 including his marriage to Joy Davidman and her death three years later.

How to Pray - C. S. Lewis 2018-07-23
C. S. Lewis here offers wisdom and lessons that

illuminate our private dialogue with God-prayer-in this collection drawn from the breadth of his writings. The revered teacher and bestselling author of such classic Christian works as Mere Christianity and The Screwtape Letters, C. S. Lewis here offers wisdom and lessons that illuminate our private dialogue with God-prayer-in this collection drawn from the breadth of his writings. C. S. Lewis's insights on Christianity and his reflections on Christian life continue to guide us more than fifty years after his death. How to Pray showcases Lewis's enduring wisdom on prayer and its place in our daily lives. Cultivated from his many essays, articles, and letters, as well as his classic works, How to Pray provides practical wisdom and instruction to help readers nurture their spiritual beliefs and embrace prayer in all its forms. While many people would like to speak to God, they often don't know how to begin. Lewis guides them through the practice, illuminating the significance of prayer and why it is central to

faith. A welcome addition to the C. S. Lewis canon, *How to Pray* offers a deeper understanding of our personal tradition of prayer, our faith, and what it means to be a Christian.

The Business of Heaven - C. S. Lewis
2017-02-14

A repackaged edition of Lewis's classic reading collection—reminiscent of the bestselling *A Year with C. S. Lewis*—featuring 365 selections from his writings that explore our connection to God. C. S. Lewis, author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics, considers humankind's spiritual journey in this collection of wise, meditative excerpts and writings. In these daily reflections, the great British writer, scholar, lay theologian, broadcaster, and Christian apologist, explores a range of connected themes, including "the serious business of heaven," "Nearness to God," "Heaven and Sexuality," and "Two Kinds of Good

and Bad."

Perelandra - C.S. Lewis 1996-10

Focuses on the age-old nature and consequences of temptation as experienced in a brand new world

Surprised by Joy - C. S. Lewis 2017-02-14

A repackaged edition of the revered author's spiritual memoir, in which he recounts the story of his divine journey and eventual conversion to Christianity. C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—takes readers on a spiritual journey through his early life and eventual embrace of the Christian faith. Lewis begins with his childhood in Belfast, surveys his boarding school years and his youthful atheism in England, reflects on his experience in World War I, and ends at Oxford, where he became "the most dejected and reluctant convert in all

England." As he recounts his lifelong search for joy, Lewis demonstrates its role in guiding him to find God.

Grief Observed - C. S. Lewis 2001-02-06

Written after his wife's tragic death as a way of surviving the "mad midnight moment," *A Grief Observed* is C.S. Lewis's honest reflection on the fundamental issues of life, death, and faith in the midst of loss. This work contains his concise, genuine reflections on that period: "Nothing will shake a man -- or at any rate a man like me -- out of his merely verbal thinking and his merely notional beliefs. He has to be knocked silly before he comes to his senses. Only torture will bring out the truth. Only under torture does he discover it himself." This is a beautiful and unflinchingly honest record of how even a stalwart believer can lose all sense of meaning in the universe, and how he can gradually regain his bearings.

Letters to Jacob - Fr. John-Julian Swanson, OJN 2016-01-01

"What is all this contemplative prayer people are talking about these days? I never heard anything about that back in my parish. Is this really part of the Christian tradition or some New Age import from Buddhism or some other -ism?" The question came from a young man in college seriously considering a priestly vocation. The answer was a series of letters of spiritual direction that dealt — often radically — with Christian prayer both in general and then more intensively in its contemplative dimension. Those letters have been edited, re-written, expanded, and polished into *Letters to Jacob: Mostly About Contemplative Prayer* (with a nod to C.S. Lewis) — a rare look at the contemplative life from the inside! "At last! A discussion of prayer - by an expert - that corrects errors, some of which are 500 or more years old. It does it gently, meaningfully, and above all, usefully. And all of this is done in the wondrous prose of Fr. John-Julian, OJN, steeped as he is in the great English Mystics." — Rev. E. Perren Hayes, retired priest,

Downloaded from viewfromthefridge.com
on by guest

Biblical scholar "John-Julian has spent a lifetime advising souls, and writes about prayer in a way that may be surprising — even unsettling — at first....This little book is perfect for those who don't understand why educated people of the 21st century continue to pray, and is a deep well of wisdom for those that do." — Royce D. Miller, Oblate of the Order of Julian of Norwich

The World's Last Night - C. S. Lewis

2017-02-14

A repackaged edition of the revered author's anthology of satirical yet serious essays on evil. In these spirited essays, C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—discusses evil in the world. Blending irony, humor, and paradox, he tackles religion's most difficult and intriguing questions regarding immorality, belief, and the meaning of prayer.

Best of all, the infamous *Screwtape* makes a special cameo appearance in this funny and poignant collection.

The Book of Common Prayer - Alan Jacobs
2019-05-28

"While many of us are familiar with such famous words as, "Dearly beloved, we are gathered together here." or "Ashes to ashes, dust to dust," we may not know that they originated with *The Book of Common Prayer*, which first appeared in 1549. Like the words of the King James Bible and Shakespeare, the language of this prayer book has saturated English culture and letters. Here Alan Jacobs tells its story. Jacobs shows how *The Book of Common Prayer*--from its beginnings as a means of social and political control in the England of Henry VIII to its worldwide presence today--became a venerable work whose cadences express the heart of religious life for many. The book's chief maker, Thomas Cranmer, Archbishop of Canterbury, created it as the authoritative manual of

Christian worship throughout England. But as Jacobs recounts, the book has had a variable and dramatic career in the complicated history of English church politics, and has been the focus of celebrations, protests, and even jail terms. As time passed, new forms of the book were made to suit the many English-speaking nations: first in Scotland, then in the new United States, and eventually wherever the British Empire extended its arm. Over time, Cranmer's book was adapted for different preferences and purposes. Jacobs vividly demonstrates how one book became many--and how it has shaped the devotional lives of men and women across the globe"--.

Spirits in Bondage - C.S. Lewis 2021-01-01
Spirits in Bondage was C. S. Lewis's first published work. Lewis was twenty years old and had just returned from military service in the First World War.

C. S. Lewis on the Final Frontier - Sanford Schwartz 2009-07-02
Sanford Schwartz offers a penetrating new

reading of Lewis's celebrated Space Trilogy. Taken together, Schwartz's readings call into question Lewis's self-styled image as a "dinosaur" out of step with the main currents of modern thought. Far from a simple struggle between an old-fashioned Christian humanism and a newfangled heresy, Lewis's Space Trilogy should be seen as the searching effort of a modern religious apologist to sustain and enrich the former through critical engagement with the latter.

Medieval Wisdom for Modern Christians - Chris R. Armstrong 2016-05-17

Many Christians today tend to view the story of medieval faith as a cautionary tale. Too often, they dismiss the Middle Ages as a period of corruption and decay in the church. They seem to assume that the church apostatized from true Christianity after it gained cultural influence in the time of Constantine, and the faith was only later recovered by the sixteenth-century Reformers or even the eighteenth-century

revivalists. As a result, the riches and wisdom of the medieval period have remained largely inaccessible to modern Protestants. Church historian Chris Armstrong helps readers see beyond modern caricatures of the medieval church to the animating Christian spirit of that age. He believes today's church could learn a number of lessons from medieval faith, such as how the gospel speaks to ordinary, embodied human life in this world. *Medieval Wisdom for Modern Christians* explores key ideas, figures, and movements from the Middle Ages in conversation with C. S. Lewis and other thinkers, helping contemporary Christians discover authentic faith and renewal in a forgotten age.

[Letters to Malcolm](#) - Clive Staples Lewis
2002-10-07

In the form of warm, relaxed letters to a close friend, Lewis meditates on many puzzling questions concerning the intimate dialogue between man and God. Lewis also considers

practical and metaphysical aspects of private prayer, petitionary prayer, the Lord's Prayer, and other forms of prayer. "A beautifully executed and deeply moving book" (Saturday Review).

[The Most Reluctant Convert](#) - David C. Downing
2021-05-07

In his teens, a young man wrote, "I believe in no religion. There is absolutely no proof for any of them." After serving in the trenches of WW1, the same young man said, "I never sank so low as to pray." To a religious friend, he wrote impatiently, "You can't start with God. I don't accept God!" This young man was C. S. Lewis, the "foul-mouthed atheist" who would become one of the most eloquent Christian writers of the twentieth century. David C. Downing offers a unique look at Lewis's personal journey to faith and the profound influence it had on his life as a writer and eventual follower of Christ. This is the first book to focus on the period from Lewis's childhood to his early thirties, a tumultuous

journey of spiritual and intellectual exploration. It was not despite this journey but precisely because of it that Lewis understood the search for life's meaning so well.

Spurgeon on Prayer - Charles Haddon Spurgeon
2009-01-01

Spurgeon, the Prince of Preachers, was also a man of prayer. His sermons on prayer contained within this Pure Gold Classic will lead you to the very throne of grace where you will obtain mercy and find grace to help in times of need.

Beyond the Bright Blur - Clive Staples Lewis
1963

Purgatory - Jerry L. Walls 2012

Companion to: *Heaven: The logic of eternal joy* (2002).

Gather God's People - Brian Croft 2015-01-06
“God is spirit, and his worshippers must worship in spirit and in truth” (John 4:24). The Bible tells us that we are to worship the Lord, that we were created for this purpose. But what is true

worship? What does the Bible teach about the right—and the wrong—ways to worship God? In this book, pastors Brian Croft and Jason Adkins unpack a biblical theology of worship, discuss the practical matters of planning a worship service, and offer suggestions and insights on the best way to lead a worship service that honors the Lord. The Practical Shepherding series of guides provides pastors and ministry leaders with practical help to do the work of pastoral ministry in a local church. In *Gather God's People*, you will learn how to apply biblical doctrine and spirituality to the practice of Christian worship.

Letters to Malcolm, Chiefly on Prayer - C. S. Lewis
2017-02-14

A repackaged edition of the revered author's fictitious collection of letters in which he ruminates on the nature of prayer—what it is, how it works, and how it should be practiced. C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and

bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—shares his understanding of the role of prayer in our lives and the ways we might better imagine our relationship with God. Composed as a collection of fictitious dispatches to his friend, Malcolm, *Letters to Malcolm, Chiefly on Prayer* considers this basic display of devotion in its form, content, and regularity, and the ways it both reflects our faith and shapes how we believe.

Spiritual Modalities - William FitzGerald
2016-01-07

A bold recasting of prayer as a rhetorical art, *Spiritual Modalities* investigates situations, strategies, and performative modes of discourse directed to divine audiences. Examining how prayer “works,” *Spiritual Modalities* reads prayer’s situations and strategies, its characteristic acts and attitudes, to advance an understanding of prayer as a basic expression of

our rhetorical capacities for communication and communion. This groundbreaking analysis demonstrates how prayer draws on fundamental capacities to engage other beings rhetorically to argue that we are never more human than when we address the nonhuman. *Spiritual Modalities* is notable in its aim to articulate a critical rhetoric of prayer in a secular idiom. It draws on contributions to rhetorical theory from Kenneth Burke along with a broad range of classical and contemporary perspectives on audience, address, speech acts, and modes of performance. The book also takes a multicultural and multimodal approach to prayer as rhetorical performance. The texts and practices of prayer represented range across religious traditions and historical eras and include both verbal and physical modes of divine address. The book will be of interest to scholars researching religious language, Burkean approaches to discourse, practices of memory, and media studies.

Five Women of the English Reformation -

Paul Zahl 2001-06

Books on the history of the Reformation are filled with the heroic struggles and sacrifices of men. But this compelling volume puts the spotlight on five strong and intellectually gifted women who, because of their absolute and unconditional commitment to the advancement of Protestant Christianity, paid the cost of their reforming convictions with martyrdom, imprisonment, and exile. Anne Boleyn (1507-1536) introduced the Reformation to England, and Katharine Parr (1514-1548) saved it. Both women were riveted by early versions of the "justification by faith" doctrine that originated with Martin Luther and came to them through France. As a result, Anne Boleyn was beheaded. Katharine Parr narrowly avoided the same fate. Sixteen-year-old Jane Grey (1537-1554) and Anne Askew (1521-1546) both dared to criticize the Mass and were pioneers of Protestant views concerning superstition and symbols. Jane Grey was executed because of her

Protestantism. Anne Askew was tortured and burned at the stake. Catherine Willoughby (1520-1580) anticipated later Puritan teachings on predestination and election and on the reformation of the church. She was forced to give up everything she had and to flee with her husband and nursing baby into exile. Paul Zahl vividly tells the stories of these five mothers of the English Reformation. All of these women were powerful theologians intensely interested in the religious concerns of their day. All but Anne Boleyn left behind a considerable body of written work - some of which is found in this book's appendices. It is the theological aspect of these women's remarkable achievements that Zahl seeks to underscore. Moreover, he also considers what the stories of these women have to say about the relation of gender to theology, human motivation, and God. An important epilogue by Mary Zahl contributes a contemporary woman's view of these fascinating historical figures. Extraordinary by any

standard, Anne Boleyn, Anne Askew, Katharine Parr, Jane Grey, and Catherine Willoughby remain rich subjects for reflection and emulation hundreds of years later. The personalities of these five women, who spoke their Christian convictions with presence of mind and sharp intelligence within situations of life-and-death duress, are almost totemic in our enduring search for role models.

The Collected Letters of C.S. Lewis - Clive Staples Lewis 2004

"The letters found in Volume II reveal inside accounts of how The Screwtape Letters came to be written, the early meetings of the Inklings (with J.R.R. Tolkien giving readings about "hobbits" and "Middle Earth"), how C. S. Lewis became popular through BBC radio talks, but mostly how this quiet professor in England touched the lives of many through an amazing discipline of personal correspondence." -- Publisher description.

Broadcast Talks - C. S. Lewis 2021-08-31

"Broadcast Talks" by C. S. Lewis. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Letters to Malcolm - Clive Staples Lewis 1964

C. S. Lewis' Letters to Children - Clive Staples Lewis 1996-06-03

Contains the text of letters that the famed author wrote to children, as he shared his feelings about school, writing, and animals, among other topics, and demonstrated his deep understanding of young people. Reprint.

The Complete C. S. Lewis Signature Classics

- C. S. Lewis 2007-02-06

Seven Spiritual Masterworks by C. S. Lewis This classic collection includes C. S. Lewis's most important spiritual works: Mere Christianity The Screwtape Letters The Great Divorce The Problem of Pain Miracles A Grief Observed The Abolition of Man

Flora of Middle-Earth - Walter S. Judd
2017-07-18

Few settings in literature are as widely known or celebrated as J.R.R. Tolkien's Middle-Earth. The natural landscape plays a major role in nearly all of Tolkien's major works, and readers have come to view the geography of this fictional universe as integral to understanding and enjoying Tolkien's works. And in laying out this continent, Tolkien paid special attention to its plant life; in total, over 160 plants are explicitly mentioned and described as a part of Middle-Earth. Nearly all of these plants are real species, and many of the fictional plants are based on scientifically grounded botanic principles. In *Flora of Middle*

Earth: Plants of Tolkien's Legendarium, botanist Walter Judd gives a detailed species account of every plant found in Tolkien's universe, complete with the etymology of the plant's name, a discussion of its significance within Tolkien's work, a description of the plant's distribution and ecology, and an original hand-drawn illustration by artist Graham Judd in the style of a woodcut print. Among the over three-thousand vascular plants Tolkien would have seen in the British Isles, the authors show why Tolkien may have selected certain plants for inclusion in his universe over others, in terms of their botanic properties and traditional uses. The clear, comprehensive alphabetical listing of each species, along with the visual identification key of the plant drawings, adds to the reader's understanding and appreciation of the Tolkien canon.

C. S. Lewis: A Very Short Introduction -
James Como 2019-01-17

Beloved by children and adults worldwide, the

writings of C.S. Lewis have a broad and enduring appeal. Although he is best known for the iconic Chronicles of Narnia series, C. S. Lewis was actually a man of many literary parts. Already well-known as a scholar in the thirties, he became a famous broadcaster during World War Two and wrote in many genres, including satire (The Screwtape Letters), science fiction (Perelandra), a novel (Till We Have Faces), and many other books on Christian belief, such as Mere Christianity and Miracles. His few sermons remain touchstones of their type. In addition to these, Lewis wrote hundreds of poems and articles on social and cultural issues, many books and articles in his field of literary criticism and history, and thousands of letters. At Oxford University he became a charismatic lecturer and conversationalist. Taken together his writings have engaged and influenced, often very deeply, millions of readers. Now Lewis societies, television documentaries, movies, radio plays, and theatrical treatments of his work and life

have become common, and he is frequently quoted by journalists, critics, and public thinkers. This Very Short Introduction delves into the vast corpus of C. S. Lewis' work, discussing its core themes and lasting appeal. As James Como shows, C. S. Lewis' life is just as interesting as his work. A complex man, he came to his knowledge, beliefs, and wisdom only after much tortuous soul-searching and many painful events. Moving chronologically through Lewis' life, Como provides throughout a picture of the whole man, his work, and his enduring legacy.

ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

[C. S. Lewis and the Christian Worldview](#) -

Michael L. Peterson 2020-01-24

C. S. Lewis is one of the most influential and beloved Christian writers of the past century, and interest in him continues to grow as books about his fantasy, fiction, and biography continue to appear. Although Lewis's personal journey was a deeply philosophical search for the most adequate worldview, the few extant books about his Christian philosophy focus on specific topics rather than his overall worldview. In this book, Michael Peterson develops a comprehensive framework for understanding Lewis's Christian worldview--from his arguments from reason, morality, and desire to his ideas about Incarnation, Trinity, and Atonement. All worldviews address fundamental questions about reality, knowledge, human nature, meaning, and so forth. Peterson therefore examines Lewis's Christian approach to these same questions in interaction with other worldviews. Accenting that the intellectual strength and existential relevance of Lewis's

works rest on his philosophical acumen as well as his Christian orthodoxy--which he famously called "mere Christianity"--Peterson skillfully shows how Lewis's Christian thought engages a variety of important problems raised by believers and nonbelievers alike: the problem of evil and suffering, the problem of religious diversity, the problem of meaning, and others. Just as Lewis was gifted in communicating philosophical ideas and arguments in an accessible style, Peterson has crafted a major contribution to Lewis scholarship presented in a way that will interest scholars and benefit the general reader.

The Efficacy of Prayer - Clive Staples Lewis
1958

[The Dark Tower](#) - C. S. Lewis 2017-02-14

A repackaged edition of the revered author's definitive collection of short fiction, which explores enduring spiritual and science fiction themes such as space, time, reality, fantasy,

God, and the fate of humankind. From C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—comes a collection of his dazzling short fiction. This collection of futuristic fiction includes a breathtaking science fiction story written early in his career in which Cambridge intellectuals

witness the breach of space-time through a chronoscope—a telescope that looks not just into another world, but into another time. As powerful, inventive, and profound as his theological and philosophical works, *The Dark Tower* reveals another side of Lewis’s creative mind and his longtime fascination with reality and spirituality. It is ideal reading for fans of J. R. R. Tolkien, Lewis’s longtime friend and colleague.
