**Kennedy's Avenger** - Dan Abrams 2021-06-01

NOW A NATIONAL BESTSELLER New York Times bestselling authors Dan Abrams and David Fisher bring to life the incredible story of one of America's most publicized—and most surprising—criminal trials in history. No crime in history had more eyewitnesses. On November 24, 1963, two days after the killing of President Kennedy, a troubled nightclub owner named Jack Ruby quietly slipped into the Dallas police

station and assassinated the assassin, Lee Harvey Oswald. Millions of Americans witnessed the killing on live television, and yet the event would lead to questions for years to come. It also would help to spark the conspiracy theories that have continued to resonate today. Under the long shadow cast by the assassination of America's beloved president, few would remember the bizarre trial that followed three months later in Dallas, Texas. How exactly does one defend a man who was seen pulling the trigger in front of millions? And, more important, how did Jack Ruby, who fired point-blank into Oswald live on television, die an innocent man? Featuring a colorful cast of characters, including the nation's most flamboyant lawyer pitted against a tough-as-Texas prosecutor, award-winning authors Dan Abrams and David Fisher unveil the astonishing details behind the first major trial of the television century. While it was Jack Ruby who appeared before the jury, it was also the city of Dallas and the American legal system being judged by the world.

The Assassination of President James Garfield - Charles River Charles River Editors 2015-11-11

\*Includes pictures \*Includes accounts of the assassination and trial \*Includes online resources and a bibliography for further reading \*Includes a table of contents "This is not murder. It is a political necessity. It will make my friend Arthur president, and save the republic. ... I leave my justification to God and the American people." - Charles Guiteau In 1880, Civil War veteran James Garfield was running as a Republican for president, and one of his supporters was a man named Charles Guiteau, who wrote and circulated a speech called "Garfield vs. Hancock" that aimed to rally support for the Republican candidate. Though few knew it, Guiteau's family had already deemed him insane and attempted to keep him committed in an asylum, only to have him manage an escape from confinement. Garfield went on to narrowly edge Winfield Scott Hancock in the election, and Guiteau, harboring delusions of grandeur, believed he had helped tip the scales in Garfield's favor. As such, he believed that he was entitled to a post in Garfield's nascent administration, perhaps even an ambassadorship, and he continued to rack up debts while operating under the assumption that he would soon have the government salary to pay them back. However, despite lobbying around Republican headquarters in New York City and even approaching Cabinet members, no post was forthcoming for the troubled man. Eventually, in May 1881, Secretary of State James Blaine told him to never show up again. Enraged by the perceived slight, Guiteau bought a revolver and plotted to kill the president. He got his chance on July 2, 1881 at a railroad station, shooting Garfield in the back twice and bragging to the authorities, "I am a Stalwart of the Stalwarts...Arthur is president now!" In reality, Garfield would live for nearly 3 more months, and the poor standards of medical care in the 1880s would end up being responsible for the fact he did not survive wounds that he would've survived at the end of the 19th century. Indeed, Guiteau would cite medical malpractice at trial, stating, "I deny the killing, if your honor please. We admit the shooting." Those kinds of statements and his generally odd behavior helped ensure Guiteau's lawyers would claim he was insane, one of the first high profile attempts to use that as a defense against a crime. However, that never had much chance of succeeding, and claims of insanity were heartily rejected by prosecutors. George Corkhill, a D.C. district attorney and member of the prosecuting team, insisted, He's no more insane than I am. There's nothing of the mad about Guiteau: he's a cool, calculating blackguard, a polished ruffian, who has gradually prepared himself to pose in this way before the world. He was a deadbeat, pure and simple. Finally, he got tired of the monotony of deadbeating. He wanted excitement of some other kind and notoriety... and he got it." Throughout his trial, which was all but a foregone conclusion, Guiteau kept up the bizarre antics, including singing in the court, passing notes back and forth with members of the crowd watching the trial, and even openly planning his own 1884 presidential campaign. Of course, those plans were all for naught, because after he was convicted in January 1882, Guiteau was hanged on June 30 of that year. To the end, Guiteau acted oddly, including dancing his way up to the scaffold and reciting a poem he had written as his last words before he met his

fate at the gallows. Garfield was the 2nd president to be assassinated after Abraham Lincoln, and today he is often remembered as one of the presidents to die in office after being elected every 20 years starting with William Henry Harrison's 1840 election through John F. Kennedy's 1960 election. The Assassination of President James Garfield: The History and Legacy of the President's Death chronicles the shooting and its aftermath.

**Assassination Classroom** - Yusei Matsui 2016-06-07

Ever caught yourself screaming, "I could just kill that teacher"? What would it take to justify such antisocial behavior and weeks of detention? Especially if he's the best teacher you've ever had? Giving you an "F" on a quiz? Mispronouncing your name during roll call...again? How about blowing up the moon and threatening to do the same to Mother Earth--unless you take him out first?! Plus a reward of a cool 100 million from the Ministry of Defense! Okay, now that you're committed... How are you going to pull this off? What does your pathetic class of misfits have in their arsenal to combat Teach's alien technology, bizarre powers and...tentacles?! The students of 3-E turn a surplus of eggs to good use--in pursuit of their usual goal.

Karasuma teaches them the art of parkour while Koro Sensei teaches them the game of cops and robbers. Then, someone is stealing lingerie, and naturally Koro Sensei is the prime suspect! But is he being framed...and if so, by whom? Lastly, biologically modified Itona discovers that sometimes tentacles can be a burden rather than a gift. He puts everything he's got into his latest assassination attempt on Koro Sensei...but who will save Itona from himself?!

**In the Time of the Butterflies** - Julia Alvarez 2010-01-12

It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the

martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

**Wicked** - Gregory Maguire 2009-10-13

This is the book that started it all! The basis for the smash hit Tony Award-winning Broadway musical, Gregory Maguire's breathtaking New York Times bestseller *Wicked* views the land of Oz, its inhabitants, its Wizard, and the Emerald City, through a darker and greener (not rosier) lens. Brilliantly inventive, *Wicked* offers us a radical new evaluation of one of the most feared and hated characters in all of literature: the much maligned Wicked Witch of the West who, as Maguire tells us, wasn't nearly as Wicked as we imagined.

*Assassination Classroom* - Yusei Matsui 2014-12-02

Meet the would-be assassins of class 3-E: Sugino, who let his grades slip and got kicked off the baseball team. Karma, who's doing well in his classes but keeps getting suspended for fighting. And Okuda, who lacks both academic and social skills, yet excels at one subject: chemistry. Who has the best chance of winning that reward? Will the deed be accomplished through pity, brute force or poison...? And what chance does their teacher have of repairing his students' tattered self-esteem? -- VIZ Media

**1Q84** - Haruki Murakami 2011-10-25

The long-awaited magnum opus from Haruki Murakami, in which this revered and bestselling author gives us his hypnotically addictive, mind-bending ode to George Orwell's 1984. The year is 1984. Aomame is riding in a taxi on the expressway, in a hurry to carry out an assignment. Her work is not the kind that can be discussed in public. When they get tied up in traffic, the taxi driver suggests a bizarre 'proposal' to her. Having no other choice she agrees, but as a result of her actions she starts to feel as though she is gradually becoming detached from the real world. She has been on a top secret mission, and her next job leads her to encounter the superhuman founder of a religious cult. Meanwhile, Tengo is leading a nondescript life but wishes to become a writer. He inadvertently becomes involved in a strange disturbance that develops over a literary prize. While Aomame and Tengo impact on each other in various ways, at times by accident and at times intentionally, they come closer and closer to meeting. Eventually the two of them notice that they are indispensable to each other. Is it possible for them to ever meet in the real world?
