Making Your Net Work - Billy Dexter 2017-02-22  
"Part of the networking leadership series"--Cover.

Windows to Our Children - Violet Oaklander  
1988

Back to Venice - Michael Grant 2011-05-26  
Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As

the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiuser and curiuser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him

the true meaning of art.

### **Narrative Machines: Modern Myth, Revolution, & Propaganda** - James Curcio

2017-07-24

Will the future be like a Reality TV show where we compete to have human rights? Will you be popular and relatable enough to successfully crowdfund your healthcare? Tune in 20 years hence and find out. Many will mark 2015 to 2017 as the transitional moment the nihilistic id came into plain view in American culture and politics. But it is hardly the product of any single movement or idea, and it is hardly unprecedented. Narrative Machines uses a cut-up, pastiche approach to analyze how sub-cultural and fringe ideas permeate the mainstream, especially through the Internet- from Aleksandr Dugin's faux-postmodern Traditionalism to the cult of personality Reality TV show that has taken over every media outlet, from the gnostic horror of Nick Land's Dark Enlightenment to the Calvinism of identity

politics, from the millenarian fervor of Transhumanism to the utopian nightmare of Fascism. A retrofuturist aesthetic unites them all, an "occulted theology", allegedly secular recreations of the religious impulse, accidental rewrites of the metaphysics of the past. Compiling ten years of writing and research with a series of palimpsest artworks, this assemblage was created for the outsider artists and insider theorists, and everyone else that lives at the fringes. For those opposed to a world formed by a single, monolithic myth, and yet still seek a collective dream in the fractured panopticon of the present. As Antonin Artaud said in *The Theater and Its Double*, "All writing is filth." Help us give birth to an abomination. Philosophical Project This book will help decode the political repercussions of art and media, using the work of theorists such as Delanda, Bataille, Baudrillard, Gray, Zizek, and Benjamin as a springboard. Art Project A series of illustrations accompany the text, using a mix of

collage, bricolage and palimpsest repainting, a style inspired by Adbusters, artists of artifice like Bowie and Warhol, satirists of fascist and pop culture like Laibach and NSK. This cut up, derivative method is explored theoretically within the text. We recognize that in a world where nothing is original, everything is source material for appropriation to new purposes. This aesthetic clearly involve a certain wink in the general direction of 90s Utopian-Dystopian Industrial and alt culture, updated as a dark LSD vision of 2015-17 Internet, a series of love (and hate) notes pieced together of other sources and painstakingly re-created and subsumed. These pieces will appear in a variety of art shows, and a forthcoming full-color collectors edition.

**Inn Between Worlds** - Thomas Farmer  
2017-10-21

Sitting outside of time and space is the Inn Between Worlds. Residents might say it's a place for travelers, or a place to rest, a place to find excitement. Or they might say it's dangerous and

to be avoided at all costs because Reality Does Not Work Right inside its infinite walls. Contained in these pages are three stories that all share one important point: Their events would not have been possible without The Inn. "Gideon Wallace and the Sapphire Woman" is the first story in a new series by Thomas A Farmer, and shows what happens when a mortal man finds himself drawn into a fight between gods. In "Chaos Candy," by Amie Gibbons, supernatural bounty hunter Zee tries to uncover a dark secret and learns much more than she ever wanted to know. Finally, Michael David Anderson's "Flux" continues the adventures of Teddy Dormer, taking him once again to strange new places and showing him new nightmares. Knightingale - Stephanie Laws 2012-09-14 Evil has plagued this world since the dawn of creation seeking to gain control. One family was given supernatural abilities with the sole purpose of protecting the things in this world that evil must never take possession

of. Samantha Nelson knew she was cursed. She didn't know that her unnatural ability of forcing the truth out of people was just the beginning of her curse until her family is murdered in a horrific home explosion. Six months later she finds herself face to face with a Knight Protector and her life is turned into utter chaos. When David received his assignment on his twentieth birthday he was told that his destiny would be entwined with a woman soon to be born and that his aging would be halted. Since the moment Samantha was born, David protected her from her enemies. As every Knight before him, he does so in the shadows. But David must face the facts that something even deadlier than her enemies is occurring. No matter how much he denies it, he is falling in love with her. When her enemies begin to discover ways around his protection and murder her family he is forced to make a decision of what is more important to him; his family or his assignment. All it takes is one warning sign of danger to convince him that

he simply cannot live without Samantha and he takes a leap that will change their lives forever. Their only chance of survival is to discover what Samantha's destiny is and the journey leads them straight to the heart of the Knight family where they discover evil has infiltrated and it is up to them to stop the evil before it destroys the family and gains control of the very thing that God created the family to protect.

**The Unique Technique** - Maria Higgins

2016-02-02

I am an optometrist. I owned a very traditional medical, white coat practice in Pittsburgh, Pennsylvania near the University of Pittsburgh for 10 years. I became bored and uninspired in this vanilla business environment and sterile space. Feeling restless, I sold my practice and began the search for a new place to start a fresh concept in optometry. I found Frederick, Maryland, which is a historic, walkable little city that tops the triangle with DC and Baltimore. I relocated to a new town, in a new state with a brand new practice - Unique Optique. I was an outsider and a transplant, trying to win Frederick's trust and convince the residents of this town to come to my practice to spend money on high-end glasses. To accomplish this feat, I decided that I needed to show our authenticity, exude genuine sincerity, and smile through adversity. I embraced my flaws; I was vulnerable

and real. I used social media, in-house events and the decor of the office to display the business's personality. People instantly related to the practice. They saw that I was not perfect, but I was earnest and that I truly cared. I was proud of my venture. Unique Optique's reviews were stellar and real. The practice grew steadily and by the end of the first year, I was recognized as the Start Up Entrepreneur of Frederick County. Soon, I had requests from business owners and entrepreneurs to come and visit the practice and discuss our unique image strategies. People wanted this quality for their own businesses. I realized that I had helpful and valuable information and put my techniques down on paper. While developing my brand and marketing my business, I have made mistakes, learned from them, and attempted to fix them. I have worked through adversity and difficulties. In the end, I cultivated a brand to which people could relate. This is my experience. I hope it helps you find your Unique Technique."

*Spit, Hit, Run* - Jim Ingram 2016-10-13

This book presents the survival philosophy and self-defense movements that Jim Ingram has compiled in his more than eight decades on this earth. The specific self-defense movements are based in West Java styles of pencak silat and pukulan, but Ingram has added a large amount of knowledge gained from his experiences in the military, under occupation, and on the streets. The Story of Art - Ernst Hans Gombrich 1995 "The Story of Art is one of the most famous and popular books on art ever published. For 45 years it has remained unrivalled as an introduction to the whole subject, from the earliest cave paintings to the experimental art of today. Readers of all ages and backgrounds throughout the world have found in Professor Gombrich a true master, who combines knowledge and wisdom with a unique gift for communicating directly his own deep love of the works of art he describes." "The Story of Art owes its lasting popularity to the directness and simplicity of the writing, and also the author's

skill in presenting a clear narrative. He describes his aim as 'to bring some intelligible order into the wealth of names, periods and styles which crowd the pages of more ambitious works', and using his insight into the psychology of the visual arts, he makes us see the history of art as 'a continuous weaving and changing of traditions in which each work refers to the past and points to the future, a living chain that still links our own time with the Pyramid age'. In its new format, the 16th edition of this classic work is set to continue its triumphant progress for future generations and to remain the first choice for all newcomers to art."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. In the process it portrays the famous Bauhaus directors and teachers, shows the Bauhaus pedagogical methods and accompanies the readers through the individual workshops, where they can rediscover a wealth of form and ideas which retains its uniqueness today.
