Deuteronomy (Brazos Theological Commentary on the Bible) - Telford Work 2009-02-01

Pastors and leaders of the classical church--such as Augustine, Calvin, Luther, and Wesley--interpreted the Bible theologically, believing Scripture as a whole witnessed to the gospel of Jesus Christ. Modern interpreters of the Bible questioned this premise. But in recent decades, a critical mass of theologians and biblical scholars has begun to reassert the priority of a theological reading of Scripture. The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret Scripture for the twenty-first century, just as the church fathers, the Reformers, and other orthodox Christians did for their times and places. In the eighth volume in the series, Telford Work presents a theological exegesis of Deuteronomy.

With Heart in Mind - Alan Morinis 2014-08-26

Here is a spiritual practice for developing a strong and open heart—drawn from Judaism’s Mussar tradition. Mussar draws from the vast storehouse of Jewish wisdom, law, revelation, and text and brings it right home in a way that is completely practical. Judaism teaches that Torah (the collective wisdom of the tradition) provides the blueprint for

human experience—and so the more of it we acquire, the more we gain a clearer, truer perspective on life and learn how to navigate its pathways. The phrase "acquiring Torah" is code for the process of internalizing this wisdom to bring about a genuine transformation of the inner self. In short, accessible chapters, this book describes forty-eight methods through which we can acquire Torah—and turns them into a straightforward practice. These methods include cultivating humility, joy, awe, goodheartedness, closeness with friends, not taking credit for oneself, judging others favorably, and so on. The fruit of working through each quality or method is a refined soul and a strong and open heart.

The Beginning of Wisdom - Elijah ben Moses de Vidas 2002

Reshit Chochmah, one of the classics of East European and Sephardic Jewry, has appeared in numerous editions. A combination of spiritual and moral advice in a deeply kabbalistic framework, it provides an irresistible model of personal redemption that is integral to the process of cosmic redemption. By improving oneself, one redeems the world. The popularity of Rabbi Eliyahu de Vidas's work has continued into modern times, and it was one of the first Hebrew books reprinted after the Holocaust. The current translation from the original Hebrew of one of its

most significant parts, The Gate of Love, now appears together with an extended introduction. This introduction defines vital kabbalistic terms and concepts, and sets the entire work within its kabbalistic context. With these aids, this classic of Jewish spiritual guidance will be accessible to the modern reader who might otherwise find Rabbi de Vidas's exposition very difficult to follow.

The Heart the Most Precious Treasure - Simcha 2010-06-03

In the Jewish tradition it is believed that when people come to this earth, they must do three things: have children, plant a tree, and write a book. Simcha has had some wonderful spiritual children that G-D Almighty has given her through the years to teach His Word, She says that she is not too sure about the tree yet, but now here is the book. Simcha truly believes that YHVH has given her this book for her own well-being and for the well-being of all mankind. She treasures this book as her gift from Father Almighty. She is truly grateful that G-D took the time to speak to her intelligence and mind. Please enjoy this book, treasure it, and HAVE A GOOD HEART!

The Torah's Seventy Faces - Simcha Raz 2005-07-28

The Torah's Seventy Faces: Commentaries on the Weekly Sidrah
Compiled by Simcha Raz Edited with an Introduction by Dov Peretz Elkins
The weekly Torah portions have served throughout history as a treasure for teaching and preaching, for law and lore, for discussion and dialog. In each portion, one finds viewpoints and background which elevate the soul, give a sense of awe and wonder, spark encouragement in times of crisis, and motivate creativity and human action. It is no wonder that, over the course of generations, wells of wisdom have sprung from the depths of these weekly lessons, from which we can sustain our spirit and slake our thirst, each person according to need and temperament. Pearls of wisdom, ethical lessons, parables, wise proverbs,

and tales of parents and children: it is all there. * Our task in this collection of commentaries was to assemble a selection of these treasures, and to present to the reader choice nuggets from these hewn stones. Among the selections are sources from ancient rabbis, Talmudic scholars, and masters of the Midrash, as well as teachers from all periods of our history biblical commentators, Hasidic saints, pious educators and purveyors of ethical tales. The commentaries touch on a plethora of subjects, including relations among people, with our Maker, and with ourselves. In all this, we come to know that our holy Torah has never known boundaries. In every generation, the "people of the book" invested their thoughts, attitudes, and beliefs, recognizing that within these chapters of the Torah are embedded not only pathways that reach to the distant past, but also forms of expression for the harried present and for dreams of the future. (From the Preface)

The Complete Messianic Aleph Tav Scriptures Modern-Hebrew Large Print Red Letter Edition Study Bible (Updated 2nd Edition) -
2017-02-16

The Complete Messianic Aleph Tav Scriptures (C-MATS) is a study bible which focuses on the study of the Aleph/Tav Character Symbol used throughout the old testament (Tanakh) by both Moses and the Prophets and is the most exhaustive and unique rendition of its kind in the world. Over 5 years in the making, this English rendition reveals every place the Hebrew Aleph Tav symbol was used as a "free standing" character symbol believed to express the "strength of the covenant" in its original meaning. The Aleph/Tav was also believed to be the "mark" of the "divine hand" for thousands of years by such famous rabbis as Nahum of Gimzo, Akiva, and R. S. Hirsch as well as the Apostle John who claimed in the book of Revelation that the symbol also incorporated Y'shua haMashiach

(Jesus the Messiah) because of His divinity. Also revealed in C-MATS is the use of the Aleph/Tav as it is incorporated into the creation of hundreds of Hebrew words used thousands of times, thus taking our understanding of the scriptures to a whole new level. C-MATS comes in your choice of either Paleo or Modern Hebrew, Large Print 8.5x11 editions and include the New Testament.

Judaism of the Second Temple Period - David Flusser 2009-08-24

David Flusser was a very prolific scholar of the Dead Sea Scrolls, and his contributions to Scrolls research, apocalypticism, and apocalyptic literature are inestimable. With this English translation of many of his essays, Flusser's insights are now available to a wider audience than ever before. / This second volume in Judaism of the Second Temple Period considers why the Book of Daniel was the only apocalyptic work incorporated in the biblical canon. It further addresses the fact that it is the only apocalyptic book composed before the destruction of the Second Temple, yet it nonetheless describes events subsequent to the revelation at Sinai.

How I Love Your Torah, O LORD! - Daniel I. Block 2011-09-01

Like the book of Romans in the New Testament, the book of Deuteronomy provides the most systematic and sustained presentation of theology in the Old Testament. And like the Gospel of John, it represents mature theological reflection on God's great acts of salvation, in this case associated with the exodus of Israel from Egypt. Unfortunately, for many Christians, Deuteronomy is a dead book, either because its contents are unknown or because its message is misunderstood. The essays in this collection arise from a larger project driven by a passion to recover for Christians the life-giving message of the Old Testament in general and the gospel according to Moses in particular. The "meditations" cover a wide range of topics, from explorations into the meaning of specific texts to considerations of the ethical and homiletical relevance of the book for Christians today.

B'chol L'avcha: With All Your Heart - Rabbi Harvey J. Fields 2021-02-05

This extensively revised third edition, now compatible with Mishkan T'filah, offers many voices and unique, contemporary perspectives on our siddur, the order of the service, and the meaning of individual prayers. It reflects on the ways in which our prayer practices continue to evolve. This is an essential educational resource and is indispensable for bar/bat mitzvah and confirmation preparation, as well as for Introduction to Judaism courses and general adult education. "This timely and creative update of a timeless commentary will inspire a new generation of teachers and learners to explore their own expression of Jewish prayer. The rabbinic source materials, contemporary readings, poetry, and probing questions all come together in a seamless whole that serves to open the heart to ever deeper meaning and possibility in our sacred liturgy." - Rabbi Dr. Lisa Grant, Director of the Rabbinical Program, Hebrew Union College-Jewish Institute of Religion, New York "As a young Jewish educator fresh out of graduate school, I turned to the original edition of this book to teach my b'nei mitzvah students. I have come back to it over the decades for the thoughtful commentary and context it has given me as a teacher and teacher of teachers. As the foreword notes, Rabbi Harvey Fields, a consummate gardener, understood the need to prune a vine to encourage new growth. This new

edition showcases that new growth yet continues to provide both the ease and depth that have always made it a "go to" on my bookshelf. The updated explanations, references, and questions reflect Mishkan T'filah's fresh approach to prayer. In short, B'chol L'avvcha is a stunning tribute to Rabbi Fields as well as to those who have come after him to encourage our Movement's evolving relationship to worship. Every page I turned inspired a new idea for a lesson, activity, or wondering I could share with my b'nei mitzvah tutors, religious school students, families, and adult learners. And personally, it sparked a renewal of my own belief in the power of prayer to come from my heart and to fill all of my heart." - Dr. Katherine Schwartz, President, Association of Reform Jewish Educators

Shalom for the Heart - Rabbi Evan Moffic 2017-03-07

Jewish dedication and commitment to studying Scripture is nothing short of inspiring. Jews have long been known as careful examiners of the Bible, dedicated to understanding and growing from God's word. In traditional synagogues, the Torah is read three times per week, and each week, one of the Torah portions is examined. These encounters not only allow Jews to study God's instruction for faith but also provide valuable inspiration for living that faith in the everyday. In *Shalom for the Heart*, popular author and speaker Rabbi Evan Moffic reveals the wisdom of the Torah for today's Christians. Beautifully written weekly Torah-inspired devotions are offered to encourage readers throughout the year. Through his readings, Moffic invites Christians to engage in a study pattern of the Jewish founders of the faith, to grow deeper in relationship with Jesus, and find meaning, comfort, and direction for our lives. Endorsement:

"Most Christians—myself certainly included—have so much to learn from the Jewish tradition and the study of the Torah, and from Judaism's respect for the law and value on ritual and connection within their community. ... This book is a gift for every Christian, anchoring us to a beautiful shared history that can deepen and enrich our understanding and our faith." ~ Shauna Niequist, best-selling author and speaker

Testimony of the Two Witnesses - Michael Stansfield 2015-05-16

If those who claim the faith of Abraham had the faith of Abraham they would believe what the Word told Abraham and the prophets. Those who claim we are no longer under the law have yet made up their own law and pass judgment on all, but themselves, for they follow after those who proclaim and cling to the covenant of law. As they judge and pass

sentence they move themselves out of the covenant of grace and into the chambers of a higher court, the Judge of whose verdict they ought of fear. These pastors love to be teachers, but they ought to be listeners, for their hearts are hard from any ideas other than their own and those of their friends. They are loved because they tell the world the things the world wants to hear, for they fear the world more than the one who created the world. The witness is hated because his testimony of the world is true. This is his testimony: The drought of God's Word is over. Come. Hear the words of the witness who brings the testimony of the Word.

Who is True Israel? - Donald Werner 2017-08-22

God created all people. Within the total of humanity God has a group of people that He considers His own, His chosen people. These chosen few were given a name that defines who they are, and what makes them separate from all other people. That name of course is 'Israel'. "Israel" means 'one who struggles with God'. It's one who wrestles with God's Divine authority, i.e., His commands, laws and promises. And after the internal struggle is over, they surrender their own wills to submit to YHVH's Divine will. The problem is, we are all born with a selfish nature, that is, we are by nature self-centered, self-absorbed and we elevate self to top priority in our lives and we desire to be self-ruled and put self first--we don't want anyone telling us what to do. We by nature don't want to submit to anyone else's authority. However, YHVH God calls on us to humble ourselves and submit to His Divine authority. And our internal struggle must happen in order to do that, we must crucify 'self', i.e., self-love, selfishness, self-centeredness, etc. And that is what Jesus called us to do, in order to be one of God's chosen people; Matthew 16:24, "Then Jesus said to his disciples, "Whoever wants to be my disciple must deny themselves and take up their cross and follow me." And Luke adds the word 'Daily'. And when we are able to do that we are true children of Abraham and partake in a covenant relationship with YHVH God, by fulfilling the stipulations of the Covenant, becoming Israel and receiving the promise of eternal life. In this book I will examine the Scriptures to see what it alone says about who is the true Israel. I will draw on many of

scriptures from the New and Old Testaments which tell us how we can be true Israel. By the time you are done with this book, the answer you are seeking will be obvious.

The Covenants Second Book in the Biblical Evolution Revolution Series - Michael Stansfield 2019-09-05

PART 1, delves deep into the Abrahamic Covenant and uses it, rather than the Messianic Covenant, to interpret the Old Testament. This singular change reveals an intriguing perspective with the hope of generating peace and love between Christianity, Judaism, and Islam. The viewpoint is a direct challenge the mainstream beliefs of Christianity, Islam, and Judaism. With the discussion of Islam, the author's perspective of the Quran is used as an intricate part of the prophecy, rather than as an opposing viewpoint. The discussion is candid and in-depth. Specifically, related to the Jewish Palestinian Conflict as well as the War on Terror. PART 2, looks at the Bible through the eyes of the Levitical Covenant. Striking differences are revealed between God's covenant to Moses and His covenant with Aaron. At the same time, unexpected unions are discovered between the Levitical Covenant and the covenants of Cain, Canaan's, Esau's, and others. Biblical references are abundant for each conclusion.

These Things You Should Have Done - Paul Torason 2017-11-16

Did Jesus sin? Or was Jesus the only one to ever follow God's Law perfectly and not sin? If you believe Jesus was a perfect keeper of God's Law, then this book will intrigue you and challenge your beliefs about the Bible. That's because most New Testament doctrine teaches how Jesus violated the Sabbath, declared all foods clean, waived away the Law against adultery and violated many other Old Testament commands. How can that be? Is Jesus a sinner or is man-made doctrine and interpretation wrong? We believe it is the latter. Read this book and discover how Jesus did indeed keep the Law perfectly. Come, let us reason together and search the scriptures daily to see if these things are so.

Restoring Lost Truths - Donald Werner 2012-04-11

Since the 'Christian Church' has abandoned its' Hebrew Roots, many false teachings are in our mainstream churches today and they are destroying the faith given to us by Jesus and carried on by His apostles. Over the centuries precious Biblical truths have been replaced by non-biblical church tradition, doctrine and creeds. Jesus warned us over and

over again about deception, but deception were so well disguised in Biblical garb that seemingly no one saw it coming, until it was entrenched in Church Doctrine. And no one expected deception coming from the Church itself. And now, just as it said in the Book of the Revelation, all the world is deceived and following after the beast. You will be amazed, shocked and astonished as I was, to see what the scriptures call the great apostasy happening before your very eyes...The main stream churches are following the teachings of the lawlessness Beast, they are worshiping a god unknown before the 4th Century, just as we read in the Book of the Revelation.

The Spirit of the Matter - D. L. Watson 2022-02-10

The Spirit of the Matter is born from a love of truth and a love of God's word. When these two loves come together, we find the Scriptures are not only reliable and consistent, but a brilliantly designed set of instructions for life, reaching a depth of profundity that most Christian teachings fail to address. This book carefully examines the Christian notion that the Mosaic Law (Torah) no longer is applicable to believers

and guides readers through an understanding of how and why the words of God spoken to the Old Testament writers are intensely relevant to people today. Readers will take a thought-provoking journey through topics such as: •Are we supposed to believe a literal seven-day account of creation in the book of Genesis? •Is it possible that the New Testament instructs those who believe in Jesus Christ to also obey certain commands in the Torah? •Is it conceivable that the Sabbath day as established in the creation story could also hold truths for the events of Revelation and the end times? This book will encourage you with a confidence that God's word holds much more for believers than most have been taught to expect.

The Letter To Ephesus - Gabriel Matthews 2020-10-23

Questions about Sha'ul's letter to the Ephesians? Curious why it is

interpreted by doctrine in the manner it is? Why is the doctrine inconsistent with the words written? Dig deeper, go farther, understand more than you have before with this study of the letter to Ephesos. The letter to Ephesos was written by the apostle Sha'ul through his scribe. There are several hiccups in the conversion process that can be found and understood when read as a complete text, along with comparing it to his other letters. Like the Book of Romans study, this study works line-by-line through the letter to Ephesos and provides deeper and contextual understanding of the letter written by Sha'ul. The reader is encouraged to work through their own version of Ephesians while working this study that uses the excellent version, The Scriptures 2009, as the Scriptural text. This is perfect for your New Year group Bible study - or for your own. Allow the Spirit of Elohim to speak to you as you work through this study. Be challenged, enraged, but be filled with His Spirit.
