The Pregnancy Guide for Men - John Nero 2021-07-09

With these simple tricks and tactics, you'll get through her pregnancy successfully... and master every step of the way. Are you finding it hard to tell whether you're excited or just scared pantsless? Of course, you're excited, but still, what the heck are you supposed to do now? Relax, and take a deep breath -- all dads have been in your same shoes once before. Finding out that you're going to be a dad is one of the most rewarding moments in life, but yes, it certainly comes with a lot of questions and concerns. But the good news is that you're not alone! And the even better news is that all the information you're ever going to need already exists. The crazy moments you could never see coming... well, now you can prepare for them. The emotional roller coaster your significant other is about to take you on -- we're going to put you in the driver's seat. Those 10 million thoughts bouncing around in your head -- it's time to put some structure to it all and relax into a well-organized plan of attack. This doesn't have to be a stressful and confusing time in your

life. In fact, it shouldn't be. With these powerful insights and knowledge from fathers around the world, you'll soon find yourself feeling prepared and ready for your new best friend to enter this beautiful world. Set that confusion aside and step into a position of personal empowerment, knowing that no matter what comes your way, you're going to be ready for it. In *The Pregnancy Guide For Men*, you'll discover: How to navigate everything that is expected of you -- without feeling overwhelmed and like you're losing it. The biggest challenges you're going to face during pregnancy -- and simple (but effective) ways to overcome them. Month by month guidance -- from the pregnancy test to when she's in that hospital bed, ensure that you never miss a beat. Why you need to have a birth plan -- and how you can lead the way into setting one up successfully. A deeper look into how your significant other will feel throughout each stage of the process so you can help her through her emotional storms. The pros and cons of finding out your baby's sex beforehand -- and how either stance will bring your family a ton of joy. What you need to do before labor is induced that'll make everyone's life so much easier ... and much more! Whether her pregnancy caught you by surprise or you've been anticipating it, now is the time for you to step it up. With this awareness and step-by-step guidance, you're going to find yourself prepared and ready for whatever parenthood throws your way. Don't let your doubts and fears stand in the way -- you've got this! If you're ready to set your child up for the most successful life possible, then scroll up and click the "Add to Cart" button right now.

American Publishers' Circular and Literary Gazette - 1857

The Emperor Nero - Anthony A. Barrett 2016-07-12

Nero's reign (AD 54–68) witnessed some of the most memorable events in Roman history, such as the rebellion of Boudica and the first persecution of the Christians—not to mention Nero's murder of his mother, his tyranny and

extravagance, and his suicide, which plunged the empire into civil war. The Emperor Nero gathers into a single collection the major sources for Nero's life and rule, providing students of Nero and ancient Rome with the most authoritative and accessible reader there is. The Emperor Nero features clear, contemporary translations of key literary sources along with translations and explanations of representative inscriptions and coins issued under Nero. The informative introduction situates the emperor's reign within the history of the Roman Empire, and the book's concise headnotes to chapters place the source material in historical and biographical context. Passages are accompanied by detailed notes and are organized around events, such as the Great Fire of Rome, or by topic, such as Nero's relationships with his wives. Complex events like the war with Parthia—split up among several chapters in Tacitus's *Annals*—are brought together in continuous narratives, making this the most comprehensible and user-friendly sourcebook on Nero available. Some images inside the book are unavailable due to digital copyright restrictions.
