But Felicia's misadventures in Hollywood led her to produce her own web series, own her own production company, and become an Internet star. Felicia's short-ish life and her rags-to-riches rise to Internet fame launched her career as one of the most influential creators in new media. Now Felicia's strange world is filled with thoughts on creativity, video games, and a dash of mild feminist activism -- just like her memoir. Felicia's story demonstrates that everyone should embrace what makes them different and be brave enough to share it with the world, because anything is possible now -- even for a digital misfit.

My Team - Larry Dierker 2006-07-11

Mantle or Mays? A-Rod or Jeter? Biggio or Morgan? Clemens, Maddux, and Randy Johnson -- or Pedro, Palmer, and Carlton? These are questions baseball fans can spend endless hours debating. Former All-Star pitcher and National League Manager of the Year Larry Dierker has his own opinions, and he shares them in My Team, his fascinating discussion of the greatest players he has seen in his four decades in the major leagues. Dierker selects twenty-five players for My Team and another twenty-five for the opposition, the Underdogs, or "Dogs." There are two players at each position, five starting pitchers, and four relievers. (When your starters are the likes of Roger Clemens, Greg Maddux, Bob Gibson, Tom Seaver, Nolan Ryan, and Juan Marichal, you don't worry about bullpen depth.) All are players that Dierker has played with or against or watched in his years as player, coach, manager, and commentator. Each athlete must have played at least ten years in the major leagues to qualify, and players are judged on their ten best seasons. Leadership skills and personality -- critical components of team chemistry -- are highly valued. So how is it possible to select two teams composed of outstanding ballplayers from the past forty years and not have room for Sandy Koufax, Reggie Jackson, Carl Yastrzemski, or Cal Ripken Jr.? Dierker explains his choices, analyzing each position carefully, always putting the team ahead of the individual player. He provides statistics to back up his selections, and often relates personal anecdotes about the players. (From his first All-Star Game in 1969, Dierker offers a wonderful anecdote about Hank Aaron, by then an All-Star veteran.) My Team may start more debates than it settles, but Dierker's insights, and his passion for the game, will enlighten and fascinate true baseball fans.

Geek Love - Katherine Dunn 2011-05-25

National Book Award finalist Here is the unforgettable story of the Binewskis, a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities (with the help of amphetamine, arsenic, and radioisotopes). Their offspring include Arturo the Aquaboy, who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan . . . Iphy and Elly, the lissome Siamese twins . . . albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious—and dangerous—asset. As the Binewskis take their act across the backwaters of the U.S., inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, Geek Love throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same.
