Fear to Fauladi - our SSB journey - Agrim Sharma 2022-04-19

The life events I am going to share with you have

full-on drama, happiness, some successful moments, some not-so-successful moments, and above all a sense of satisfaction. I strongly believe that in Sports and also in SSB there are two important people, one the players and the other audience. Only the player knows about the actual reason for his performance during the game, the rest of the audience would always anticipate the outcome of the game, as to what has happened and what should have happened, but it is always the player who knows the truth about his performance. The best part of the SSB process is that they do not tell you about your weakness or your mistakes you have to figure them out. Yes, you must feel a bit upset because of the rejection but remember that they didn't reject you because you had unsuitable physical attributes or bad grades or anything else but because you lacked in the quota of personality that is required the most for this beautiful organization The Great Brave Indian Army. This book is an attempt by a conference out candidate, who took pride in wearing that not so pressed white shirt, red tie, and black pants, inside the conference hall of SSB Allahabad, little did he know that he would be facing 15 highly decorated Army Officers of the Great Brave Indian Army and a lifetime moment that he will cherish forever.
