Gems from Warren Buffett - Mark Gavagan 2012-05-15

This book is not an investment tutorial or biography of Warren Buffett - it's a collection of 240 or so of his wittiest and most insightful thoughts ("gems"), culled from 34 years of his letters to Berkshire Hathaway shareholders. These gems lighten spirits with their humor, enlighten minds with their wisdom, and provide an interesting view into one of America's most successful and honorable CEOs.

A Few Lessons for Investors and Managers - Peter Bevelin 2012

Warren Buffett's Ground Rules - Jeremy C. Miller 2016-04-26

Using the letters Warren Buffett wrote to his partners between 1956 and 1970, a veteran financial advisor presents the renowned guru's "ground rules" for investing—guidelines that remain startlingly relevant today. In the fourteen years between his time in New York with value-investing guru Benjamin Graham and his start as chairman of Berkshire Hathaway, Warren Buffett managed Buffett Partnership Limited, his first professional investing partnership. Over the course of that time—a period in which he experienced an unprecedented record of success—Buffett wrote semiannual letters to his small but growing group of partners, sharing his thoughts, approaches, and reflections. Compiled for the first time and with Buffett's permission, the letters spotlight his contrarian diversification strategy, his almost religious celebration of compounding interest, his preference for conservative rather than conventional decision making, and his goal and tactics for bettering market results by at least 10% annually. Demonstrating Buffett's intellectual rigor, they provide a framework to the craft of investing that had not existed before: Buffett built upon the quantitative contributions made by his famous teacher, Benjamin Graham, demonstrating how they could be applied and improved. Jeremy Miller reveals how these letters offer us a rare look into Buffett's mind and offer accessible lessons in control and discipline—effective in bull and bear markets alike, and in all types of investing climates—that are the bedrock of his success. Warren Buffett's Ground Rules paints a portrait of the sage as a young investor during a time when he developed the long-term value-oriented strategy that helped him build the foundation of his wealth—rules for success every investor needs today.

[Dear Shareholder](#) - Lawrence A. Cunningham 2020-04-14

The shareholder letters of corporate leaders are a rich source of business and investing wisdom. There is no more authoritative resource on subjects ranging from leadership and management to capital allocation and company culture. But with thousands of shareholder letters written every year, how can investors and students of the corporate world sift this vast swathe to unearth the best insights? Dear Shareholder is the solution! In this masterly new collection, Lawrence A. Cunningham, business expert and acclaimed editor of The Essays of Warren Buffett, presents the finest writers in the genre of the shareholder letter, and the most significant excerpts from their total output. Skillfully curated, edited and arranged, these letters showcase the ultimate in business and investment knowledge from an all-star team. Dear Shareholder holds letters by more than 20 different leaders from 16 companies. These leaders include Warren Buffett (Berkshire Hathaway), Tom Gayner (Markel), Kay Graham and Don Graham (The Washington Post and Graham Holdings), Roberto Goizueta (Coca-Cola), Ginni Rometty (IBM), and Prem Watsa (Fairfax). Topics covered in these letters include the long-term focus, corporate culture and commitment to values, capital allocation, buybacks, dividends, acquisitions, management, business strategy, and executive compensation. As we survey the corporate landscape in search of outstanding companies run by first-rate managers,

shareholder letters are a valuable resource. The letters also contain a wealth of knowledge on the core topics of effective business management. Let Dear Shareholder be your guide.

Berkshire Beyond Buffett - Lawrence A. Cunningham 2014-10-21

Berkshire Hathaway, the \$300 billion conglomerate that Warren Buffett built, is among the world's largest and most famous corporations. Yet, for all its power and celebrity, few people understand Berkshire, and many assume it cannot survive without Buffett. This book proves that assumption wrong. In a comprehensive portrait of the distinct corporate culture that unites and sustains Berkshire's fifty direct subsidiaries, Lawrence A. Cunningham unearths the traits that assure the conglomerate's perpetual prosperity. Riveting stories recount each subsidiary's origins, triumphs, and journey to Berkshire and reveal the strategies managers use to generate economic value from intangible values, such as thrift, integrity, entrepreneurship, autonomy, and a sense of permanence. Rich with lessons for those wishing to profit from the Berkshire model, this engaging book is a valuable read for entrepreneurs, business owners, managers, and investors, and it makes an important resource for scholars of corporate stewardship. General readers will enjoy learning how an iconoclastic businessman transformed a struggling shirt company into a corporate fortress destined to be his lasting legacy.

The Intelligent Asset Allocator: How to Build Your Portfolio to Maximize Returns and Minimize Risk - William J. Bernstein 2000-10-13

Time-Tested Techniques - Safe, Simple, and Proven Effective - for Building Your Own Investment Portfolio. "As its title suggest, Bill Bernstein's fine book honors the sensible principles of Benjamin Graham in the Intelligent Investor Bernstein's concepts are sound, his writing crystal clear, and his exposition orderly. Any reader who takes the time and effort to understand his approach to the crucial subject of asset allocation will surely be rewarded with enhanced long-term returns." - John C. Bogle, Founder and former Chief

Executive Officer, The Vanguard Group President, Bogle Financial Markets Research Center Author, common Sense on Mutual Funds. "Bernstein has become a guru to a peculiarly '90s group: well-educated, Internet-powered people intent on investing well - and with minimal 'help' from professional Wall Street." - Robert Barker, Columnist, BusinessWeek. "I go home and tell my wife sometimes, 'I wonder if [Bernstein] doesn't know more than me.' It's humbling." - John Rekenthaler, Research Chief, Morningstar Inc. William Bernstein is an unlikely financial hero. A practicing neurologist, he used his self-taught investment knowledge and research to build one of today's most respected investor's websites. Now, let his plain-spoken The Intelligent Asset Allocator show you how to use the time-honored techniques of asset allocation to build your own pathway to financial security - one that is easy-to-understand, easier-to-apply, and supported by 75 years of solid history and wealth-building results.

What Works on Wall Street - James P. O'Shaughnessy 2005-06-14

"A major contribution . . . on the behavior of common stocks in the United States." --Financial Analysts' Journal The consistently bestselling What Works on Wall Street explores the investment strategies that have provided the best returns over the past 50 years--and which are the top performers today. The third edition of this BusinessWeek and New York Times bestseller contains more than 50 percent new material and is designed to help you reshape your investment strategies for both the postbubble market and the dramatically changed political landscape. Packed with all-new charts, data, tables, and analyses, this updated classic allows you to directly compare popular stockpicking strategies and their results--creating a more comprehensive understanding of the intricate and often confusing investment process. Providing fresh insights into time-tested strategies, it examines: Value versus growth strategies P/E ratios versus price-to-sales Small-cap investing, seasonality, and more
[The Essays of Warren Buffett](#) - Warren Buffett 2001

The Warren Buffett CEO - Robert P. Miles 2003-04-18

"Everyone knows Warren is the greatest investor of our time. . . .This book for the first time captures his genius as a manager." —Jack Welch The first book to reveal the investment and management strategies of the Berkshire Hathaway all-star management team. Much has been written about Warren Buffett and his investment philosophy; little has been made public about the inside management of Berkshire Hathaway. With a market cap exceeding 100 billion , Berkshire Hathaway has a market value surpassing many icons of American business such as Dell, AT&T, Disney, Ford, Gillette, American Express, and GM. Drawing on his personal experiences as well as those of Berkshire's chief executives, officers, and directors interviewed for this book, Berkshire insider Robert P. Miles provides a unique look at the Berkshire Hathaway culture and its management principles.

50 Berkshire Hathaway Letters to Shareholders 1965-2014 - Warren Buffett 2015

100 to 1 in the Stock Market - Thomas William Phelps 2015-01-01

In "100 to 1 in the Stock Market," Thomas Phelps discloses the secrets and strategies to increasing your wealth one hundredfold through buy-and-hold investing. Unlike the short-term trading trends that are popular today, Phelps's highly logical, yet radical approach focuses on identifying compounding machines in public markets, buying their stocks, and holding these investments long term for at least ten years. In this indispensable guide, Phelps analyzes what made the big companies of his day so profitable for the diligent, long-term investor. You will learn how to identify and invest in profitable business models without visible growth ceilings that will quickly increase your earnings. Worth its weight in gold (and then some), "100 to 1 in the Stock Market" illuminates the way to the path of long-term wealth for you and your heirs. With this classic, yet highly relevant approach, you will pick companies wisely and watch your investments soar Thomas William Phelps (1903 1992) spent over 40 years in the investing world working as a private investor, columnist, analyst, and financial advisor. His illustrious investing career began just before the stock market crash in 1929 and lasted into the 1970s. In 1927, he began his career with "The Wall Street Journal" where he was a reporter, news editor, and chief. Beginning in 1936, he edited "Barron's National Financial Weekly." From 1949 to 1960, he served as an assistant to the chairman and manager of the economics department at Socony Mobil Oil. Following this venture, he was a partner in the investment firm

of Scudder, Stevens & Clark until his retirement in 1970. "One of the five greatest investment books you've never heard of" -- "The Daily Reckoning" "Of all the books on investing that I've read over the years, 100 to 1 in the stock market one was at once, the most pleasurable and most challenging to my own beliefs." -- Value Walk (ValueWalk.com) "For years we handed out copies of Mr. Phelps book as bonuses." -- Timothy Lutts, Cabot Investing Advice, one of the largest investment advisories and newsletters in the country since 1970"

University of Berkshire Hathaway - Daniel Pecaut 2017-03

Each year, for thirty years, two veteran investment advisors attended Berkshire Hathaway's Annual Shareholders Meeting. After each meeting, they chronicled Warren Buffett and Charlie Munger's best lessons from that year. This book compiles those thirty years of wisdom for the first time.

The Essays of Warren Buffett - Warren Buffett 2013-11-21

An updated edition of the bestselling collection of timeless wisdom from the world's greatest investor Readers of Warren Buffett's letters to Berkshire Hathaway shareholders have gained an enormously valuable informal education in the art of investing. Broad in scope and long on wisdom, Buffett's letters explain his principles on sound investing, selecting managers, valuing businesses, using financial information profitably, and other vital topics for investors. This newly updated Fourth Edition includes Buffett's latest wisdom on such topics as the financial crisis, the housing bubble, corporate governance, Berkshire Hathaway's acquisition of Burlington Northern Santa Fe, the role of oversight in heavily regulated industries, today's best investing opportunities, and the weaknesses of popular option valuation models. Features investing advice in plain English from one of the world's most legendary investors Includes Buffett's insights on the current financial crisis and recession Offers new and potent insight on good corporate governance and other issues vital to executives and managers For investors, corporate executives, managers, and Buffett fans, *The Essays of Warren Buffett, Fourth Edition* features the kind of wisdom on investing, finance, and leadership that can be found nowhere else.

Organize Tomorrow Today - Jason Selk 2015-12-22

In the spirit of business/self-help hits such as Darren Hardy's *The Compound Effect*, a simple formula for productivity and success, from a prominent sports psychologist and a star business coach who join forces to offer seven fundamental skills for improving your habits and achieving peak performance in work and life.

How To Think Like Benjamin Graham and Invest Like Warren Buffett - Lawrence Cunningham 2001-02-06

How to Think Like Benjamin Graham and Invest Like Warren Buffett wraps a lifetime of investing wisdom into one highly accessible package. An intelligent guide to analyzing and valuing investment targets, it tells investors what questions to ask, what answers to expect, and how to approach any stock as a skeptical, common-sense business analyst. Above all, this fast-paced book provides investors with the tools they need to thoroughly value any business in which they might invest. A common-sense approach to investing, this book discusses: Three things investors must get from a financial statement Valuation examples from today's top companies including GE, Amazon, Microsoft, and Disney Why prices deviate from actual values
One Up On Wall Street - Peter Lynch 2000-04-03

The manager of a top investment fund discusses how individuals can make a killing in the market through research and investment techniques that confound conventional market wisdom.

[The Tao of Warren Buffett](#) - Mary Buffett 2006-11-21

A collection of the inspiring words and wisdom from America's favorite businessman that reveal his secrets of success from the bestselling authors of *Buffettology* and *The New Buffettology*. Like the sayings of the

ancient Chinese philosopher Lao-tzu, Warren Buffett's worldly wisdom is deceptively simple and enormously powerful in application. In *The Tao of Warren Buffett*, Mary Buffett—author of three books on Warren Buffett's investment methods—joins noted Buffettologist and international lecturer David Clark to bring you Warren Buffett's smartest, funniest, and most memorable sayings with an eye toward revealing the life philosophy and the investment strategies that have made Warren Buffett, and the shareholders of Berkshire Hathaway, so enormously wealthy. Warren Buffett's investment achievements are unparalleled. He owes his success to hard work, integrity, and that most elusive commodity of all, common sense. The quotations in this book exemplify Warren's practical strategies and provide useful illustrations for every investor—large or small—and models everyone can follow. The quotes are culled from a variety of sources, including personal conversations, corporate reports, profiles, and interviews. The authors provide short explanations for each quote and use examples from Buffett's own business transactions whenever possible to illustrate his words at work. As Warren says: "You should invest in a business that even a fool can run, because someday a fool will." "No matter how great the talent or effort, some things just take time: You can't produce a baby in one month by getting nine women pregnant." "Our method is very simple. We just try to buy businesses with good-to-superb underlying economics run by honest and able people and buy them at sensible prices. That's all I'm trying to do." *The Tao of Warren Buffett* inspires, amuses, sharpens the mind, and offers priceless investment savvy that anyone can take to the bank. This irresistibly browsable and entertaining book is destined to become a classic.

When Genius Failed - Roger Lowenstein 2001-10-09

"A riveting account that reaches beyond the market landscape to say something universal about risk and triumph, about hubris and failure."—*The New York Times* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUSINESSWEEK In this business classic—now with a new Afterword in which the author draws parallels to the recent financial crisis—Roger Lowenstein captures the gripping roller-coaster ride of Long-Term Capital Management. Drawing on confidential internal memos and interviews with dozens of key players, Lowenstein explains not just how the fund made and lost its money but also how the personalities of Long-Term's partners, the arrogance of their mathematical certainties, and the culture of Wall Street itself contributed to both their rise and their fall. When it was founded in 1993, Long-Term was hailed as the most impressive hedge fund in history. But after four years in which the firm dazzled Wall Street as a \$100 billion moneymaking juggernaut, it suddenly suffered catastrophic losses that jeopardized not only the biggest banks on Wall Street but the stability of the financial system itself. The dramatic story of Long-Term's fall is now a chilling harbinger of the crisis that would strike all of Wall Street, from Lehman Brothers to AIG, a decade later. In his new Afterword, Lowenstein shows that LTCM's implosion should be seen not as a one-off drama but as a template for market meltdowns in an age of instability—and as a wake-up call that Wall Street and government alike tragically ignored. Praise for *When Genius Failed* "[Roger] Lowenstein has written a squalid and fascinating tale of world-class greed and, above all, hubris."—*BusinessWeek* "Compelling . . . The fund was long cloaked in secrecy, making the story of its rise . . . and its ultimate destruction that much more fascinating."—*The Washington Post* "Story-telling journalism at its best."—*The Economist*

Life Is What You Make It - Peter Buffett 2011-05-03

From composer, musician, and philanthropist Peter Buffett comes a warm, wise, and inspirational book that asks, Which will you choose: the path of least resistance or the path of potentially greatest satisfaction? You may think that with a last name like his, Buffett has enjoyed a life of endless privilege. But the son of billionaire investor Warren Buffett says that the only real inheritance handed down from his parents was a philosophy: Forge your own path in life. It is a creed that has allowed him to follow his own passions, establish his own identity, and reap his own successes. In *Life Is What You Make It*, Buffett expounds on the strong set of values given to him by his trusting and broadminded mother, his industrious and talented father, and the many life teachers he has met along the way. Today's society, Buffett posits, has begun to replace a work ethic, relishing what you do, with a wealth ethic, honoring the payoff instead of the process. We confuse privilege with material accumulation, character with external validation. Yet, by focusing more on substance and less on reward, we can open doors of opportunity and strive toward a greater sense of fulfillment. In clear and concise terms, Buffett reveals a great truth: Life is random, neither fair nor unfair.

From there it becomes easy to recognize the equal dignity and value of every human life—our circumstances may vary but our essences do not. We see that our journey in life rarely follows a straight line but is often met with false starts, crises, and blunders. How we push through and persevere in these challenging moments is where we begin to create the life of our dreams—from discovering our vocations to living out our bliss to giving back to others. Personal and revealing, instructive and intuitive, *Life Is What You Make It* is about transcending your circumstances, taking up the reins of your destiny, and living your life to the fullest.

The Essays of Warren Buffett - Warren Buffett 2013

The author's annual letters to the stockholders of Berkshire Hathaway are edited to present the main themes regarding business, investing, price, value, corporate governance, and other important topics.

Warren Buffett on Business - Warren Buffett 2009-12-09

The proven business principles of Warren Buffett Warren Buffett is one of the most admired and prolific investors and managers in corporate America. *Warren Buffett on Business* is a timeless guide to strategies that can help you run a successful business. This book is a one-of-a-kind collection of Buffett's letters to the shareholders of Berkshire Hathaway written over the past few decades, and in a clear, simple style distills the basic principles of sound business practices. Through Buffett's own remarkable words, this practical management handbook shares valuable insights on communicating with, and treating employees and shareholders fairly; responsible corporate governance; ethical behavior; patience and perseverance; admitting mistakes; and having a passion for work. Contains priceless pearls of business and management wisdom, woven into a delightful narrative Designed in an accessible manner and organized by business and management topics with strong lessons from Buffett Provides direct, hands-on information on major topics concerning managers, entrepreneurs, business students, and anyone interested in business Informative and inspiring, this unique book puts Warren Buffett's business beliefs in perspective.

Behind the Berkshire Hathaway Curtain - Ronald Chan 2010-04-16

Warren Buffett is a legend primarily for his investment philosophy. He isn't concerned about the intricacies of the market, but instead focuses on the quality of the companies Berkshire Hathaway stands behind. Yet we know little about the leaders of the companies that Buffett handpicks. In *Behind the Berkshire Hathaway Curtain: Lessons from Warren Buffett's Top Business Leaders*, author Ronald W. Chan — founder and CEO of Chartwell Capital — offers a behind-the-scenes look into the careers of Berkshire Hathaway executives who have both directly and indirectly contributed to the conglomerate's success. Drawing on exclusive interviews from Berkshire leaders, Chan vividly describes how an exceptional group of managers has built a culture of achievement. With a keen eye for detail, he shows how their lessons can be applied for career success and personal fulfillment. Brimming with practical advice, the book will appeal to both executives and employees wanting to improve their leadership skills and work performance. Covering the career and life decisions of David Sokol of MidAmerican Energy, Cathy Baron-Tamraz of Business Wire, Dennis Knautz of Acme Brick, Randy Watson of Justin Brands, Stan Lipsey of Buffalo News, and many more, the book offers a wide range of business insights, philosophies, and strategies directly from leaders at the top of their fields.

Berkshire Hathaway Letters to Shareholders 1965 - 2013 - Warren Buffett 2014-04-27

The Essays of Warren Buffett - Warren Buffett 2021

As in previous editions of *The Essays of Warren Buffett*, this one retains the architecture and philosophy of the original edition but adds selections from Warren Buffett's most recent annual shareholder letters. All the letters are woven together into a fabric that reads as a complete and coherent narrative of a sound business and investment philosophy. As an aid to all readers, and to enable readers of the previous editions to see what is new in this one, a disposition table at the end of the book shows the various places in this collection where selections from each year's letter appear. Footnotes throughout indicate the year of the annual report from which essays are taken. To avoid interrupting the narrative flow, omissions of text within excerpts are not indicated by ellipses or other punctuation. This new edition is called for not because anything has changed about the fundamentals of Buffett's sound business and investment philosophy but because articulation of that philosophy is always delivered in the context of contemporary events and

business conditions so periodic updating is warranted to maintain its currency

The Buffett Essays Symposium - Lawrence A. Cunningham 2016-05-08

Among the landmark occasions in the legendary history of Berkshire Hathaway and its iconic co-leaders, Warren Buffett and Charlie Munger, was a 1996 symposium held in New York at Cardozo Law School. The focus of the symposium was Warren's letters to Berkshire shareholders. The format was a series of panels with two dozen different experts dissecting all the ideas in the letters, about corporate governance, takeovers, investing, and accounting. Intellectual sparks illuminated the two-day affair, which drew unusual press interest for an academic convocation. While the principal tangible result of the conference was the publication of the international best-seller, *The Essays of Warren Buffett: Lessons for Corporate America*, the transcript of the symposium is now being made available with annotations and updated commentary that show just how timeless the topics are and how venerable the principles Buffett laid out remain. I had the honor of hosting the event, editing *The Essays*, and now publishing this archival treasure, with current assessments by such luminaries as Robert Hagstrom as well as several participants from the original symposium.

Buffett Beyond Value - Prem C. Jain 2010-03-29

A detailed look at how Warren Buffett really invests In this engaging new book, author Prem Jain extracts Warren Buffett's wisdom from his writings, Berkshire Hathaway financial statements, and his letters to shareholders and partners in his partnership firms-thousands of pages written over the last fifty years. Jain uncovers the key elements of Buffett's approach that every investor should be aware of. With Buffett Beyond Value, you'll learn that, contrary to popular belief, Warren Buffett is not a pure value investor, but a unique thinker who combines the principles of both value and growth investing strategies. You'll also discover why understanding CEOs is more important than studying financial metrics; and why you need an appropriate psychological temperament to be a successful investor. Reveals Buffett's multifaceted investment principles Discusses how Buffett thinks differently from others about portfolio diversification, market efficiency, and corporate governance Highlights how you can build a diverse and profitable investment portfolio With this book as your guide, you'll learn how to successfully invest like Warren Buffett.

[The Practice of Absorption Spectrophotometry](#) - E. I. Stearns 1969

"First class. A great job at collating our philosophy." - Warren Buffett "Very practical." - Charlie Munger "One of the top investment books of all time." - The Motley Fool "A must-read business book." - JP Morgan Private Banking "As much a business management book as a personal finance book." - Publisher's Weekly "One of the best books of the year. Two thumbs up!" - CNN (Financial News) "A serious investment course with entertainment thrown in." - Investor's Chronicle "The book on Buffett - a superb job!" - Forbes "Extraordinary - full of wisdom, humour and common sense." - Money "A classic on value investing and the definitive source on Buffett." - The Financial Times

Quality Investing - Torkell T. Eide 2016-01-05

Quality. We all make judgments about it every day. Yet articulating a clear definition of quality in an investing context is challenging. This book addresses the challenge, and distills years of practical investing experience into a definitive account of this under-explored investment philosophy. Finance theory has it that abnormal outcomes do not persist, that exceptional performance will soon enough become average performance. Quality investing involves seeking companies with the right attributes to overcome these forces of mean reversion and, crucially, owning these outstanding companies for the long term. This book pinpoints and explains the characteristics that increase the probability of a company prospering over time - as well as those that hinder such chances. Throughout, a series of fascinating real-life case studies illustrate the traits that signify quality, as well as some that flatter to deceive. The authors' firm, AKO Capital, has a strong track record of finding and investing in quality companies - helping it deliver a compound annual growth rate more than double that of the market since inception. *Quality Investing* sheds light on the investment philosophy, processes and tough lessons that have contributed to this consistent outperformance.

The Warren Buffett Shareholder - Lawrence A. Cunningham 2018-04-20

In this engaging collection of stories, 43 veterans of the Berkshire Hathaway Annual Shareholders Meeting

explain why throngs attend year after year. Beyond the famous Q&A with Warren Buffett and Charlie Munger, these experts reveal the Berkshire Meeting as a community gathering of fun, fellowship and learning. The contributors whisk readers through the exciting schedule of surrounding events--book signings, panel discussions and social gatherings--and share the pulse of this distinctive corporate culture. Spanning decades, the book offers glimpses of the past and ideas of what lies ahead. To learn about what makes Buffett's shareholders tick and all the happenings at the Berkshire Meeting, and to reminisce about past Meetings, make this delightful book your companion. Includes work by these bestselling authors: - Robert Hagstrom - Robert Miles - Jason Zweig - Joel Greenblatt - Vitaly Katsenelson - Jeff Matthews - Charlie Tian - Whitney Tilson - Prem Jain - Karen Linder

[The Essays of Warren Buffett](#) - Lawrence A. Cunningham 2013-03-15

In the third edition of this international best seller, Lawrence Cunningham brings you the latest wisdom from Warren Buffett's annual letters to Berkshire Hathaway shareholders. New material addresses: the financial crisis and its continuing implications for investors, managers and society; the housing bubble at the bottom of that crisis; the debt and derivatives excesses that fueled the crisis and how to deal with them; controlling risk and protecting reputation in corporate governance; Berkshire's acquisition and operation of Burlington Northern Santa Fe; the role of oversight in heavily regulated industries; investment possibilities today; and weaknesses of popular option valuation models. Some other material has been rearranged to deepen the themes and lessons that the collection has always produced: Buffett's "owner-related business principles" are in the prologue as a separate subject and valuation and accounting topics are spread over four instead of two sections and reordered to sharpen their payoff. Contracts in the Real World - Lawrence A. Cunningham 2016-02-24

Contracts, the foundation of economic activity, are both vital and misunderstood. Contracts in the Real World, 2nd edition corrects common misunderstandings through a series of engaging stories involving such notable individuals as Martin Luther King, Maya Angelou, Lady Gaga, and Donald Trump. Capturing the essentials of this subject, the book explores recurring issues in contracting and shows how age-old precedents and wisdom still apply today and how contract law's inherent dynamism cautions against exuberant reforms. The accessible yet rigorous approach will appeal to the general reader and specialists alike, and to both teachers and students of contracts.

Warren Buffett and the Interpretation of Financial Statements - Mary Buffett 2011-01-06

With an insider's view of the mind of the master, Mary Buffett and David Clark have written a simple guide for reading financial statements from Buffett's successful perspective. They clearly outline Warren Buffett's strategies in a way that will appeal to newcomers and seasoned Buffettologists alike. Inspired by the seminal work of Buffett's mentor, Benjamin Graham, this book presents Buffett's interpretation of financial statements with anecdotes and quotes from the master investor himself. Destined to become a classic in the world of investment books, Warren Buffett and the Interpretation of Financial Statements is the perfect companion volume to The New Buffettology and The Tao of Warren Buffett.

Warren Buffett Speaks - Janet Lowe 2007-09-24

When Warren Buffett Speaks. . . people listen. "If people want to improve their investing skills, it has to help to study how the Master does it. This short book outlines Buffett's philosophy and techniques." —Peter S. Lynch, Fidelity Investments "Common sense with a deft irony . . ." —John C. Bogle, founder of The Vanguard Group and author, The Little Book of Common Sense Investing "It was Warren Buffett's thoughts and philosophy that first captivated investors. Janet Lowe has done us all a great service by collecting and arranging Warren Buffett's wit and wisdom in an easy-to-read and enjoyable book." —Robert G. Hagstrom, Portfolio Manager, Legg Mason Growth Trust mutual fund, and author, The Warren Buffett Way, Second Edition "A must-read. Buffett's wit and wisdom is a roadmap for anyone looking to succeed in business, investing, and life." —Steve Halpern, Editor, www.thestockadvisors.com

Warren Buffett - Robert G. Hagstrom 2021-02-23

In Warren Buffett: Inside the Ultimate Money Mind, Hagstrom breaks new ground with a deep analysis of Buffett's essential wisdom, an intricate mosaic of wide-ranging ideas and insights that Buffett calls a Money Mind. What exactly is a Money Mind? At one level, it's a way of thinking about major financial issues such as capital allocation. At another level, it summarizes an overall mindset for successfully investing in today's fast-paced stock market, a mindset that depends on a commitment to learning, adapting, and facing down irrelevant noise. This is not a method book. It is a thinking book. Warren Buffett: Inside the Ultimate Money Mind explains the philosophies of self-reliance, stoicism, rationalism, and pragmatism and their contributions to making intelligent investment decisions. It also outlines the evolution of value investing, discusses how to develop a business-driven investing mindset, and describes the defining traits of successful active management. Lastly, it examines the surprising aspects of a Money Mind - sportsman, teacher, and artist. In short, Warren Buffett: Inside the Ultimate Money Mind helps readers understand the building blocks that go into making a Money Mind so they can begin to incorporate its principles in the service to a life of value. The Warren Buffett Way - Robert G. Hagstrom 2013-09-13

Warren Buffett is the most famous investor of all time and one of today's most admired business leaders. He became a billionaire and investment sage by looking at companies as businesses rather than prices on a stock screen. The first two editions of The Warren Buffett Way gave investors their first in-depth look at the innovative investment and business strategies behind Buffett's spectacular success. The new edition updates readers on the latest investments by Buffett. And, more importantly, it draws on the new field of behavioral finance to explain how investors can overcome the common obstacles that prevent them from investing like Buffett. New material includes: How to think like a long-term investor - just like Buffett Why "loss aversion", the tendency of most investors to overweight the pain of losing money, is one of the biggest obstacles that investors must overcome. Why behaving rationally in the face of the ups and downs of the market has been the key to Buffett's investing success Analysis of Buffett's recent acquisition of H.J. Heinz and his investment in IBM stock The greatest challenge to emulating Buffett is not in the selection of the right stocks, Hagstrom writes, but in having the fortitude to stick with sound investments in the face of economic and market uncertainty. The new edition explains the psychological foundations of Buffett's approach, thus giving readers the best roadmap yet for mastering both the principles and behaviors that have made Buffett the greatest investor of our generation.

The Warren Buffett Way - Robert G. Hagstrom 1997-04-07

Describes the investment strategies of the world's most famous stock investor, recounting how he made a fortune by purchasing pieces of outstanding companies since the early 1980s
