Women in High Gear - Anne Deeter Gallaher 2013-03

Is high gear attainable for today's women and the next generation? Yes! **Women in High Gear** is a first-of-its-kind look at how women in business, on-rampers, and aspiring executives can discern and discover a path to high gear. Whether that looks like financial independence, starting a business, ascending to the C-suite, securing a board seat, or making superconnections, high gear is clearly within reach. Entrepreneurs and small business owners Anne Deeter Gallaher and Amy D. Howell join forces in **Women in High Gear** to tell their stories of two divergent paths to reach the same goal. In 13 easy-to-read and easy-to-relate-to chapters, Amy and Anne lay out their own journeys to high gear and show how others can connect the dots for growth and success. They combine big business principles with small business DNA in hopes that their experiences will shorten the business learning curve of

women. Living the realities of staying at home and staying on the fast track, Anne and Amy help women of all ages understand the necessities for emotional resilience, harnessing the softs skills, exhibiting leadership, mastering self-discipline, understanding the bottom line, connecting on social media, and building a personal brand. Wherever you stand in your business journey, Anne and Amy challenge you to charge ahead with confidence and fresh perspectives. The world needs what you have to offer-high gear awaits! Acclaim for **Women in High Gear**: "Anne Deeter Gallaher and Amy D. Howell are keenly attuned to the need for mentoring, guidance, and inspiration to help prepare current and future generations of women for leadership in business and society. In **Women in High Gear**, Anne and Amy have artfully woven their own high gear journeys to both mark a path for growth and to steer readers clear of roadblocks. They blend advice, personal experience, insight, and accountability in hopes of shortening the

learning curves of other women." Kim S. Phipps, Ph.D. President, Messiah College "In a business world steeped in too much self-help blather, Amy and Anne stand up for accountability, distinctiveness, mental toughness, responsibility, hard work, compassion, and appropriate compromise-the values that forge great leaders. This book is inspiring, true, and even better-entertaining!" Mark. W. Schaefer College Educator, Entrepreneur, International Speaker, and Author of Return on Influence and The Tao of Twitter "Women in High Gear is proof of the power of storytelling-at which Anne Deeter Gallaher and Amy D. Howell excel. They turn their hard-won personal and professional experiences into illuminating and engaging examples for others to follow. Early and mid-career professionals will find High Gear immediately useful, but even seasoned executives (like me) will see in Amy and Anne's experiences new approaches to today's challenges." Kathleen A. Pavelko President/CEO,

WITF, Harrisburg, PA "This book is for anyone wanting to soar to higher goals in business." Philip H. Trenary CEO, Phil Trenary Associates; Former CEO, Pinnacle Airlines Corporation "After reading Women in High Gear, I immediately wrote out my high gear goals for the next five years. This book is for any woman with a big dream for her life!" Rachael Dymski Author "Wonder duo Anne and Amy provide valuable insight into how independent, driven women can dominate the professional business landscape." Susan R. Ewing Director of Social & Digital Media, Hershey Harrisburg Regional Visitors Bureau "Women in High Gear is the modern guide to overcoming obstacles and achieving success without breaking a sweat-and doing it all in 4-inch heels. Anne and Amy have hit a homerun!" Kaitlin Sawyer Public Relations/Marketing Professional, Hawaii *Son of Sedonia* - Ben Chaney 2012-12 Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million

people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community: smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing

themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. Son of Sedonia is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

Decoding the Kindle - Jim Cheshire
2008-10-09

This is the eBook version of the printed book. The revolutionary Amazon Kindle is getting rave reviews, but most Kindle users feel that a far better manual is needed in order to get the most out of this extraordinary device. Introducing Decoding the Kindle: A Comprehensive Guide to Getting the Most Out of Your Kindle. Meticulously researched and painstakingly written to be the one Kindle resource you can't live without, Decoding the Kindle was written by

Jim Cheshire, a passionate Kindle owner. It is a thorough guide covering all aspects of the Kindle. Unlike many of the other Kindle resources available, Decoding the Kindle is not a brief article on the Kindle. It's a comprehensive e-book designed to teach you everything you need to know about the Amazon Kindle.

Decoding the Kindle was written for all Kindle users, even those who have absolutely no technical expertise and are inexperienced in using a computer. Here are just a few of the many things you'll learn in this book: · Tips and tricks to help make your basic Kindle reading experience more enjoyable. · Details on where you can locate free books as well as tips on how you can search for hard-to-find free books. · How you can use free software to convert books and edit author name, title, and other information. · How you can use your own pictures for the Kindle screensaver, including details on what format of image you should use, how to convert your images, and links to free software you can

use for image manipulation for the Mac and the PC. · The best ways to take advantage of the Kindle's built-in Web browser, including how to use email, blog readers, eBay, social networking, and even manage your Netflix movie queue. · How to listen to music while you read. · How to listen to podcasts on your Kindle (and how to make the Kindle automatically remember your current place in your favorite podcast.) · A comprehensive FAQ on the Kindle using carefully researched questions asked by Kindle users. · Innovative ideas on using the Kindle for an information-storage device. · Much, much more! Much of the information available on the Amazon Kindle is actually misinformation. If you want a comprehensive guide with step-by-step, detailed instructions on how to get the most from your Kindle without all the fluff, there's only one clear choice: Decoding the Kindle: A Comprehensive Guide to Getting the Most Out of Your Kindle . Spend more time reading what you want and less time trying to figure out the

Kindle.

The Joker - Rekiya Isaacs 2016-12-26

In our circus we are like family members, and you don't leave family behind. At least that's what I thought, but deep within the cellars I had discovered a long forgotten family member. One with so much hate for the circus his killing intent was like none other. It was life or death to us, but it was a game to him. (The cover is meant to represent the two conflicting emotions/sides within the story and isn't supposed to be taken seriously. It reminds you to keep an open mind as you read this book.) **Fanfiction**

Counterfeit Kingdom - Holly Pivec 2022-11-15

Is there a new reformation happening in the
church? It depends on who you ask. The New
Apostolic Reformation (NAR) is a popular and

fast-growing new movement of Christians who
emphasize signs and wonders, and teach that
God is giving new revelation through new
apostles and prophets. But is this biblical
Christianity? In *Counterfeit Kingdom*, apologists
and NAR experts Holly Pivec and Douglas
Geivett show how the NAR's key tenets distort
the gospel, twist the Scriptures, are influenced
by New Age practices, and lead faithful
Christians to shipwreck their faith. They also
offer practical suggestions for readers who are
already influenced by the NAR, curious about it,
or concerned about loved ones who have been
swept up in the movement. What used to be on
the fringes of the church is now mainstream, and
many are being influenced by it unaware. This
book is a wake-up call.

Nefertiti, the Spidernaut - Darcy Pattison
2017-12-13

Read Along or Enhanced eBook: Most spiders spin a web and passively wait for prey to come to them. Jumping spiders, by contrast, actively hunt by jumping to catch their food. What if a jumping spider was sent to the International Space Station? When it jumped, it would simply float. No one knew if the spider could hunt in a weightless environment. This nonfiction picture book for elementary kids chronicles the amazing voyage of Nefertiti, the Spidernaut to the

International Space Station and back. She's a *Phiddipus johnsonii*, or Johnson jumping spider, native to western United States. Her colorful anatomy—red, black and teal—made for stunning photography and video. In 2012, Nefertitti clocked a record-breaking 100 days in space, during which time she circled Earth about 1584 times, traveling about 41,580,000 miles.

A Complicated Legacy - Robert H. Stucky
2014-05-23

If movies and books like Belle, Twelve Years a

Slave, The Butler, The Help, A Time to Kill, and Amistad have moved you, you'll love A Complicated Legacy, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves

history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

The Unique Technique - Maria Higgins

2016-02-02

I am an optometrist. I owned a very traditional medical, white coat practice in Pittsburgh, Pennsylvania near the University of Pittsburgh for 10 years. I became bored and uninspired in this vanilla business environment and sterile space. Feeling restless, I sold my practice and began the search for a new place to start a fresh concept in optometry. I found Frederick, Maryland, which is a historic, walkable little city that tops the triangle with DC and Baltimore. I relocated to a new town, in a new state with a brand new practice - Unique Optique. I was an outsider and a transplant, trying to win Frederick's trust and convince the residents of this town to come to my practice to spend money on high-end glasses. To accomplish this feat, I decided that I needed to show our authenticity, exude genuine sincerity, and smile through adversity. I embraced my flaws; I was vulnerable

and real. I used social media, in-house events and the decor of the office to display the business's personality. People instantly related to the practice. They saw that I was not perfect, but I was earnest and that I truly cared. I was proud of my venture. Unique Optique's reviews were stellar and real. The practice grew steadily and by the end of the first year, I was recognized as the Start Up Entrepreneur of Frederick County. Soon, I had requests from business owners and entrepreneurs to come and visit the practice and discuss our unique image strategies. People wanted this quality for their own businesses. I realized that I had helpful and valuable information and put my techniques down on paper. While developing my brand and marketing my business, I have made mistakes, learned from them, and attempted to fix them. I have worked through adversity and difficulties. In the end, I cultivated a brand to which people could relate. This is my experience. I hope it helps you find your Unique Technique."

Creating Picture Books on a Budget - Scott Douglas 2015-03-29

Several years ago, I was a young librarian with a love of stories; one day I wrote a picture book. It was original, funny, and fun. I had spent several years reading kids stories and knew what they wanted in a good picture book. I went to workshops and conferences, and learned the publishing business. And then I tried to sell it and was in for a rude awakening: picture books are a ridiculously hard sell. I sent it to every picture book publisher I could find, and each one sent the impersonal rejection that writers dread. And so I filed it away, and didn't think that much of it. Then publishing changed. Suddenly, authors could become publishers, and I began to feel hopeful about the book again. There were still two problems with the book that I faced:

1. Finding a good, professional artist on a budget
2. Designing the book in a way that was non-technical and did not require me to learn new software

This book will cover how to find

illustrators, design both a print and digital version of your book, and as an added bonus, how to find translators as well-so you can sell your book in as many languages as possible. I'll also show you a few strategies for marketing your book. If illustrations and book design are the only things that are holding you back from publishing a kid's book, then let me show you how easy it is to be a published kid's author!

Little Bunny's Own Storybook - Margaret Welwood 2017-01

"This picture book for children between the ages of three and eight tells the story of a little rabbit who takes matters into his own hands when he finds the library closed for inventory. The story explores the importance of literacy, libraries and solving one's own problems."--

[Freaking Idiots Guides 4 Book Bundle](#) - Nick
Vulich 2013-12-29

If You Are Serious About Making Money Online -
You Need to Read This Book! Hands Down, eBay
and Fiverr are the two best websites where
every day people can make money selling
products or services online. If you have ever
wanted to carve out your own niche, this four
book bundle is going to give you all of the
information that you need to get started. If you
want to sell products on eBay you're going to
learn the secrets Power Sellers use to make
\$100 everyday selling on eBay What I'm going to
give you is a proven plan that you can follow
over and over again to make money now - and in
the future, whenever you find yourself strapped
for a little cash. What's the secret to selling your
item for the most money possible? It's easy -
Most sellers have no idea what they have, or
how to sell it ... This book will cover all of the
steps you need to know to successfully sell on

eBay Where to find items to sell on eBay How to discover your own private niche where buyers will keep coming back to buy more items from you How to write a great auction title packed with keywords that will draw people to your items How to write a description that will leave them drooling for more Whether you are new to eBay, or have been selling on eBay for some time now, this book can help you make more money - starting today! If you have a service to sell, Fiverr will let you pump up profits - Quickly If you've never heard of Fiverr before, it's this crazy hot new website where buyers and sellers get together to exchange money for services. And, get this - the price on everything offered there is five dollars, no more, no less - Maybe! It's just insane what some of these people are willing to do for five bucks! There's this one guy who dresses up like Jesus and offers to make a Christmas video or a video of anything else you want. Another guy pops a set of Mickey Mouse ears on his balding head and offers to sing

Happy Birthday in a depressed tone. And, before I forget, there's a lady who offers to write any message, website, URL, or anything else you want across her boobs or sexy bum and send you pictures. And the fact is they are selling hundreds, sometimes even thousands of these services. I know what you're thinking! How can anybody make money, even if you do thousands of these things, if you only charge five bucks? The answer is gig extras, and good old fashioned tips. Many sellers hang a new-fangled cyber tip jar out there to collect a little extra love for a job well done. But the real money is in the gig extras. Just what are gig extras, you ask. Gig extras are this hot new idea Fiverr has developed that is allowing many sellers to consistently turn five bucks into fifty or one hundred dollars. There is no limit to the type of gig that you can offer. If you can imagine it, you can do it. eBooks are HOT! If you ever wanted to write a book - Now is the time! Freaking Idiots Guide to Writing a Bestseller will take you

through the entire process of marketing your eBook, so you have a better shot at success the first time you're up to bat. And if you're short on ideas or information for your eBook, Freaking Idiots Guide to Public Domain Profits will show you a source for unlimited ideas that you can use - Absolutely Free! Don't wait another minute. Order your copy of this book today! Start being more successful tomorrow.
