Gadda Goes to War - Federica G Pedriali
2013-10-10

Introduces and analyses a stage performance of texts by Italian Modernist writer Carlo Emilio Gadda
When do we start going to war and why? And what did it mean to go to war from World War I to World War II and beyond, in Italy, before and after Mussolini, before and after, that is, that warring spirit of the age which keeps nations in fighting mode? Both time specific and universal, these questions are explored in this book through a unique combination of scholarly and theatrical performance based on the war diaries and a belated anti-Mussolini pamphlet by Italy's greatest Modernist writer Carlo Emilio Gadda (1893-1973). These works were adapted for the stage by actor, playwright and director Fabrizio Gifuni in 2010, and are now presented for the first time in English, supplemented with facing Italian text, a dvd of the performance with

English subtitles, and an engaging, thought-provoking scholarly guide to Italy's own Joyce purposely produced for the Anglophone audience by the Edinburgh Gadda Projects Team. Key Features Introduces Italy's greatest Modernist writer to the Anglophone audience in five sections: Poetics, Circulation, Translation, Staging and Resources Provides a flexible teaching and learning aid for work across subject areas Presents the first significant new English Gadda translation since the 1960s Includes the original Italian texts (with facing English translation) and the dvd of the Italian performance (with English subtitles) Fabrizio Gifuni is one of Italy's leading actors. His career successfully combines cinema and theatre. In 2011 he was awarded the prestigious Federico Fellini Prize for his outstanding career in the arts. Federica G. Pedriali is Professor of Literary Metatheory and Modern Italian Studies and Head of Italian Studies at the University of Edinburgh. She is

The Selected Poetry and Prose of Vittorio Sereni - Vittorio Sereni 2008-09-15

One of the most important Italian poets of the last century, Vittorio Sereni (1913-83) wrote with a historical awareness unlike that of any of his contemporaries. A poet of both personal and political responsibility, his work sensitively explores life under fascism, military defeat and imprisonment, and the resurgence of extreme right-wing politics, as well as the roles played by love and friendship in the survival of humanity. The first substantial translation of Sereni's oeuvre published anywhere in the world, *The Selected Poetry and Prose of Vittorio Sereni* is a unique guide to this twentieth-century poet. A bilingual edition, reissued in paperback for the poet's centenary, it collects Sereni's poems, criticism, and short fiction with a full chronology, commentary, bibliography, and learned introduction by British poet and scholar Peter Robinson.

Excellent Cadavers - Alexander Stille

little-dirty-town-provincia-porca

1996-08-06

In 1992 Italy was convulsed by two brazen Mafia assassinations of high-ranking officials. The latest "excellent cadavers" were Giovanni Falcone and Paolo Borsellino, the Sicilian magistrates who had been the Cosa Nostra's most implacable enemies. Yet in the aftermath of the murders, hundreds of "men of honor" were arrested and the government that had protected them for nearly half a century was at last driven from office. This is the story that Stille tells with such insight and immediacy in *Excellent Cadavers*. Combining a profound understanding of his doomed heroes with an unprecedented look into the Mafia's stringent codes and murderous rivalries, he gives us a book that has the power of a great work of history and the suspense of a true thriller. "Riveting...a well-paced and highly informative account stocked with well-drawn characters."--*Philadelphia Inquirer* "Masterful...[Stille] delivers a stiletto-sharp portrait of the bloodthirsty Sicilian

Lathey 2015-07-24

Translating Children's Literature is an exploration of the many developmental and linguistic issues related to writing and translating for children, an audience that spans

a period of enormous intellectual progress and affective change from birth to adolescence. Lathey looks at a broad range of children's literature, from prose fiction to poetry and picture books. Each of the seven chapters addresses a different aspect of translation for children, covering:

- Narrative style and the challenges of translating the child's voice;
- The translation of cultural markers for young readers;
- Translation of the modern picture book;
- Dialogue, dialect and street language in modern children's literature;
- Read-aloud qualities, wordplay, onomatopoeia and the translation of children's poetry;
- Retranslation, retelling and reworking;
- The role of translation for children within the global publishing and translation industries.

This is the first practical guide to address all aspects of translating children's literature, featuring extracts from commentaries and interviews with published translators of children's literature, as well as examples and case studies across a range of
