Our book servers saves in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the Lettere Dalla Prigionia is universally compatible with any devices to read

The Cultural Semantics of Address Practices - Gian Marco Farese
2018-09-15

This book presents a contrastive analysis of various forms of address used in English and Italian from a cultural semantics perspective. The analysis investigates the different cultural values underlying address practices in English and Italian and emphasizes the risks of miscommunication caused by differences in intercultural interactions.

The History of Contemporary Italy 1943-2019 - Umberto Gentiloni Silveri
2022-11-28

This book offers a history of contemporary Italy from the collapse of Mussolini to the present, placing this major Euro-Mediterranean country

in a wider geo-political perspective. It examines how Italian history and politics developed in relation to - and were shaped by - the international context, from the Cold War and NATO to the European integration process and the global challenges of 1989. Umberto Gentiloni Silveri highlights all major events, structural limits, contradictions and conflicts influencing Italian democracy and the political system until today. He explores the continuous tension between 'stabilization' and 'conflict', between the promise of an innovative and evolutionary representative democracy on the one hand and the constraints of a political system conditioned by structural limits and old contradictions on the other.

Italian Women and Autobiography - Fabiana Cecchini 2011-01-18

The essays included in this collection examine issues such as identity and ideology which are at play in the female autobiography practice, along with the problematicity that these trigger in terms of self-representation and traditional formal boundaries. The women writers analyzed here through mainly historical, literary, feminist and psychoanalytic lenses cover a long period in the history of Italy, spanning from the Fascist era to our time. In an attempt to organize and connect these texts which are chronologically far apart, we have divided our contributions into two main parts. The first, "Shapes of Ideology," includes authors interacting primarily with political ideology in a way that eventually entails the challenge of the official "technologies of gender" (De Lauretis, 1987) and

implicitly, a reflection on the gendered identity. In the second part, "Reconsidering ideology, negotiating autobiography," while the political ideology is not completely excluded, it becomes however something more internalized and relevant to the writers' quest for identity. Such process bears consequences with respect to the canon of autobiography, as authors experiment with new forms of autobiographical narratives and readers become more and more an integral component of this personal endeavor.

Remembering Aldo Moro - Ruth Glynn 2017-07-05

The 1978 kidnapping and murder of Christian Democrat politician, Aldo Moro, marked the watershed of Italy's experience of political violence in the period known as the 'years of lead' (1969-c.1983). This uniquely interdisciplinary volume explores the evolving legacy of Moro's death in the Italian cultural imaginary, from the late 1970s to the present. Bringing a wide range of critical perspectives to bear, interventions by experts in the fields of political science, social anthropology, philosophy, and cultural critique elicit new understandings of the events of 1978 and explain their significance and relevance to present-day Italian culture and society.

Ending Terrorism in Italy - Anna Cento Bull 2013-06-07

Ending Terrorism in Italy analyses processes of disengagement from terrorism, as well as the connected issues of reconciliation, truth and

justice. It examines in a critical and original way how terrorism came to an end in Italy (Part I), and the legacy it has left behind (Part II). The book interrogates a wide array of published memoirs and a considerable number of new face-to-face interviews with both former terrorists and first and second generation victims. In the last two decades, and especially in recent years, former extreme-right terrorists in Italy have started to talk about their past involvement in terrorist violence, including, for the first time, acts of violence which have for decades been considered taboo, that is to say, bomb attacks against innocent civilians. These narratives add to the perspectives offered by members of left-wing terrorist groups, such as the Red Brigades and Prima Linea. Surprisingly, these narratives have not been systematically examined, yet they form a unique and extremely rich source of first-hand testimony, providing invaluable insights into processes of youth radicalization and de-radicalization, the social re-integration of ex-terrorists, as well as personal and collective healing. Even less attention has been paid to the victims' narratives or stories. Indeed, the views and activities of the victims and their associations have been seriously neglected in the scholarly literature on terrorism, not just in Italy, but elsewhere in Europe. The book therefore examines the perspectives of the victims and relatives of victims of terrorism, who over the years have formed dedicated associations and campaigned relentlessly to obtain justice through the courts, with little or no support from the state and, especially in the case of the bombing massacres, with increasing awareness that the state played a role in thwarting the course of justice. Ending Terrorism in Italy will be of interest to historians, social scientists and policy makers as well as students of political violence and post-conflict resolution. .

Body of State - Marco Baliani 2012

Body of State offers a critical perspective on the Moro Affair and on Marco Baliani's work. With contributions from scholars, theater practitioners, teachers, and students, it constitutes a unique resource for disciplines that train on the intersection of art and politics. The relevance of the topic raise the interest of the audience as well.

Con il vostro irridente silenzio - Fabrizio Gifuni

2022-11-03T00:00:00+01:00

Aldo Moro durante la prigionia parla, ricorda, risponde, interroga, confessa, accusa, si congeda. Scrive lettere e compone un lungo Memoriale, che è discorso politico, storico, personale. In questo testo, originariamente destinato al teatro, Fabrizio Gifuni riannoda quelle pagine. Il lettore vi troverà una parte importante della storia del nostro Paese e, al tempo stesso, la storia di un grande tradimento shakespeariano di cui Moro fu vittima. Pagine private di insostenibile bellezza alternate, nelle stesse ore, a rivelazioni sconcertanti, su cui le Br per prime fecero calare il silenzio, e veri e propri anatemi. Righe intrise (anche materialmente) di lacrime e tenerezza alternate a previsioni funeste. A distanza di oltre quarant'anni il destino di queste carte non è cambiato. Poche persone le hanno davvero lette, molti hanno scelto di dimenticarle. Per questo il corpo di Moro è lo spettro che ancora occupa il palcoscenico della nostra storia di ombre.

Imagining Terrorism - Pierpaolo Antonello 2017-07-05

No other European country experienced the disruption of political and

everyday life suffered by Italy in the so-called 'years of lead' (1969-c.1983), when there were more than 12,000 incidents of terrorist violence. This experience affected all aspects of Italian cultural life, shaping political, judicial and everyday language as well as artistic representation of every kind. In this innovative and broad-ranging study, experts from the fields of philosophy, history, media, law, cinema, theatre and literary studies trace how the experience and legacies of terrorism have determined the form and content of Italian cultural production and shaped the country's way of thinking about such events? *Italy in the International System from Détente to the End of the Cold War* - Antonio Varsori 2017-11-10

This edited collection offers a new approach to the study of Italy's foreign policy from the 1960s to the end of the Cold War, highlighting its complex and sometimes ambiguous goals, due to the intricacies of its internal system and delicate position in the fault line of the East-West and North-South divides. According to received opinion, during the Cold War era Italy was more an object rather than a factor in active foreign policy, limiting itself to paying lip service to the Western alliance and the European integration process, without any pretension to exerting a substantial international influence. Eleven contributions by leading Italian historians reappraise Italy's international role, addressing three complex and intertwined issues, namely, the country's political-diplomatic dimension; the economic factors affecting Rome's international stance; and Italy's role in new approaches to the international system and the influence of political parties' cultures in the

nation's foreign policy.

Lettere alla moglie. Dai fronti greco-albanese, russo, tunisino e dalla prigionia 1940-1944 - Giovanni Messe 2018

L'affaire Moro - Leonardo Sciascia 2016-06-23T00:00:00+02:00
Scritto a caldo nel 1978, questo libro non ha che guadagnato con gli anni. Mentre, in una nobile gara di codardia, i politici italiani, nonché i giornalisti, si affannavano a dichiarare che le lettere di Moro dalla prigionia erano opera di un pazzo o comunque prive di valore perché risultanti da una costrizione, Sciascia si azzardò a leggerle, con l'acume e lo scrupolo che sempre aveva verso qualsiasi documento. Riuscì in tal modo, sulla base di quelle lettere, a ricostruire una intelaiatura di pensieri, di correlazioni, di fatti che sono, fino a oggi, ciò che più ci ha permesso di capire, o di avvicinarci a capire, un episodio orribile della nostra storia. Presentando il libro nella sua ultima edizione (1983), Sciascia scriveva opportunamente «questo libro potrebbe anche esser letto come "opera letteraria". Ma l'autore - come membro della Commissione parlamentare d'inchiesta sulla "affaire" - ha continuato a viverlo come "opera di verità" e perciò lo si ripubblica (non più col rischio delle polemiche, ma del silenzio) con l'aggiunta della relazione di minoranza (di assoluta minoranza) presentata in Commissione e al Parlamento. Una relazione che l'autore ha voluto al possibile stringere, nella speranza abbia la sorte di esser largamente letta: qual di solito non hanno le voluminosissime relazioni che vengono fuori dalle inchieste parlamentari».
