Comprehending as well as settlement even more than supplementary will give each success. next to, the broadcast as well as acuteness of this Social Stories Being Bossy can be taken as well as picked to act.

Too Small Tola - Atinuke 2021-03-09

Three delightful tales from a renowned Nigerian storyteller introduce a chapter-book heroine who is every bit as mighty as she is small. In a trio of droll stories, award-winning author and storyteller Atinuke debuts an endearing and enduring character with plenty to prove. Tola lives in an apartment in the busy city of Lagos, Nigeria, with her sister, Moji, who is very clever;

her brother, Dapo, who is very fast; and Grandmommy, who is very bossy. Tola may be small, but she's strong enough to carry a basket brimming with groceries home from the market, and she's clever enough to count out Grandmommy's change. When the faucets in the apartment break, it's Tola who brings water from the well. And when Mr. Abdul, the tailor, has an accident and needs help taking his

customers' measurements, only Tola can save the day. Atinuke's trademark wit and charm are on full display, accompanied by delightful illustrations by Onyinye Iwu. *Too Small Tola* evokes the urban bustle and rich blending of cultures in Lagos through the eyes of a little girl with an outsize will—and an even bigger heart.

*Social Thinking and Me!* - Linda Murphy

2015-03-01

Introducing Social Thinking Vocabulary concepts to school-age children

*The Ultimate Playdate Guide* - Janine Halloran

2019-08-25

Playdates can be amazing! They help kids make connections with others, can be the start of fantastic friendships that last, and are also the perfect place to work on building and practicing social skills. But sometimes it's hard for kids to have playdates. They don't go well, and it feels like they'll never make any friends or ever have a successful social interaction. This book explains how playdates help kids learn social skills, and

includes simple tips for setting up successful playdates and a playful home. Plus, I talk about how those imperfect moments are the perfect learning opportunity! There are over 50 play ideas, designed for two children, and conveniently indexed by social skill, mess level, indoor vs. outdoor, and age range. Playdate ideas include: \* Pretend play\* Arts & crafts\* Indoor & outdoor games\* Board games and card games made for 2BONUS: The book is in Dyslexie font, specifically designed to make reading easier for those with Dyslexia. Written by Janine Halloran, LMHC author of the best-selling *Coping Skills for Kids Workbook* *Comic Strip Conversations* - Carol Gray 1994 "Comic Strip Conversations are based on the belief that visualization and visual supports, found useful in structuring the learning of students with autism, may also improve their understanding and comprehension of conversation ... the use of a basic set of symbols [and colours] are used in [this book] to illustrate

social skills which are abstract and difficult for students with autism to understand."--Page 1  
*Bossy Bear* - David Horvath 2007-05-01  
Bossy Bear is very bossy. He wants everything his way and he wants it NOW! In his picture book debut, the founder of the hugely successful Uglydolls franchise has created an irresistible new children's book character. With bold graphic art and hilarious, simple text, this book will have young readers recognizing -- and laughing at -- their own bossy tendencies.  
*My Mouth is a Volcano* - Julia Cook 2005-01-01  
Teaching children how to manage their thoughts and words without interrupting. Louis always interrupts! All of his thoughts are very important to him, and when he has something to say, his words rumble and grumble in his tummy, they wiggle and jiggle on his tongue and then they push on his teeth, right before he ERUPTS (or interrupts). His mouth is a volcano! But when others begin to interrupt Louis, he learns how to respectfully wait for his turn to talk. My Mouth

Is A Volcano takes an empathetic approach to the habit of interrupting and teaches children a witty technique to help them manage their rambunctious thoughts and words. Told from Louis' perspective, this story provides parents, teachers, and counselors with an entertaining way to teach children the value of respecting others by listening and waiting for their turn to speak.

*Christmas Trolls* - Jan Brett 2016-04-26  
Christmas is Treva's favorite time of the year. But this year, decorations and presents are mysteriously disappearing. When Treva follows a small creature making off with the Christmas pudding, she discovers two irresistible trolls who want to have Christmas, but don't understand it. Jan Brett's trademark luminous paintings give readers a magical Christmas full of surprises.

**I Can't Do That!** - John Ling 2010-10-01  
This book introduces you to the concept of social stories which are a positive and practical way to help children with special educational needs

(SEN) who are struggling with social rules and conventions. The new edition of this book has over 90 examples of social stories, including over 30 new stories and also contains a new section on why social stories are important, how to use them in your setting, and how to write your own social stories. Suitable for use with children of any age, the book includes examples for those children with language delays, communication difficulties, difficult behavior, antisocial behavior, as well as those with autism. A great book for any setting, the stories are practical and achievable, the language is down to earth and believable, and the subjects include those that we are often embarrassed to deal with.

**One Winter's Day** - M. Christina Butler  
2012-08-01

When Little Hedgehog's nest is blown away he wraps up warmly and sets off for Badger's house. But on his way Hedgehog meets lots of animals shivering in the snow. One by one, he

gives them his cosy gloves, hat and scarf. But will Little Hedgehog make it through the storm to safety? Press the page and hear the noise in this wonderfully noisy story!

[Tikki Tikki Tembo \(Spanish language edition\)](#) -  
Arlene Mosel 2020-12-29

The Spanish language edition of one of the world's most beloved picture books, Tikki Tikki Tembo. Tikki tikki tembo-no sa rembo-chari bari ruchi-pip peri pembo! Three decades and more than one million copies later children still love hearing about the boy with the long name who fell down the well. Arlene Mosel and Blair Lent's classic re-creation of an ancient Chinese folktale has hooked legions of children, teachers, and parents, who return, generation after generation, to learn about the danger of having such an honorable name as Tikki tikki tembo-no sa rembo-chari bari ruchi-pip peri pembo. Tikki Tikki Tembo is the winner of the 1968 Boston Globe - Horn Book Award for Picture Books. This is the Spanish language edition.

## **Elevating Child Care: A Guide to Respectful Parenting** - Janet Lansbury 2014-05-01

Janet Lansbury's advice on respectful parenting is quoted and shared by millions of readers worldwide. Inspired by the pioneering parenting philosophy of her friend and mentor, Magda Gerber, Janet's influential voice encourages parents and child care professionals to perceive babies as unique, capable human beings with natural abilities to learn without being taught; to develop motor and cognitive skills; communicate; face age appropriate struggles; initiate and direct independent play for extended periods; and much more. Once we are able to view our children in this light, even the most common daily parenting experiences become stimulating opportunities to learn, discover, and to connect with our child. "Elevating Child Care" is a collection of 30 popular and widely read articles from Janet's website that focus on some of the most common infant/toddler issues: eating, sleeping, diaper changes,

communication, separation, focus and attention span, creativity, boundaries, and more. Eschewing the quick-fix 'tips and tricks' of popular parenting culture, Janet's insightful philosophy lays the foundation for a closer, more fulfilling parent/child relationship, and children who grow up to be authentic, confident, successful adults.

## **The Wild Christmas Reindeer** - Jan Brett 2010-10-28

Little Teeka thought she had to be firm with the reindeer to get them ready for Santa's important flight, but when her bossy yelling only got their antlerstangled up, she knew she had to try something different. "Beautifully conceived and finely wrought." -- Booklist (starred review) "Brett's precise, glowing illustrations, drawing on Swedish folk art, make this a beguiling Advent calendar of a book." -- Kirkus Reviews "AA? sweet Christmas fantasy that shows Brett at her best." -- Publishers Weekly "This tale with its humorous close-ups of

stubborn reindeer and a sharp child protagonist should prove popular at story hours." -- School Library Journal

Being Bossy - Joy Berry 2020-10-31

"Help Me Be Good About Being Bossy helps children replace "Misbehavior" (being bossy) with a good behavior in an inviting format that includes text and cartoons. Each book in the Help Me Be Good Series defines a misbehavior, explains the cause of the misbehavior and its negative effects, and offers children and parents practical advice for tuning the misbehavior into acceptable behavior."

Look at You, Katie Woo! - Fran Manushkin

In this collection of stories, stylish and sassy schoolgirl, Katie Woo, tackles the trials of growing up — everything from being too bossy to feeling nervous about spending the night at Grandma and Grandpa's. Also included are five fun activities. Readers will love jumping into the world of chapter books with these four easy-to-read stories by award-winning author Fran

Manushkin.

**Pretty Bitches** - Lizzie Skurnick 2020-03-03

These empowering essays from leading women writers examine the power of the gendered language that is used to diminish women -- and imagine a more liberated world. Words matter. They wound, they inflate, they define, they demean. They have nuance and power. "Effortless," "Sassy," "Ambitious," "Aggressive": What subtle digs and sneaky implications are conveyed when women are described with words like these? Words are made into weapons, warnings, praise, and blame, bearing an outsized influence on women's lives -- to say nothing of our moods. No one knows this better than Lizzie Skurnick, writer of the New York Times' column "That Should be A Word" and a veritable queen of cultural coinage. And in *Pretty Bitches*, Skurnick has rounded up a group of powerhouse women writers to take on the hidden meanings of these words, and how they can limit our worlds -- or liberate them. From Laura Lipmann

and Meg Wolizer to Jennifer Weiner and Rebecca Traister, each writer uses her word as a vehicle for memoir, cultural commentary, critique, or all three. Spanning the street, the bedroom, the voting booth, and the workplace, these simple words have huge stories behind them -- stories it's time to examine, re-imagine, and change.

Activities for Building Character and Social-Emotional Learning - Katia Petersen 2012

"Easy-to-use lessons integrate into daily curriculum"--Cover.

**We're Not Broken** - Eric Garcia 2021

"This book is a message from autistic people to their parents, friends, teachers, coworkers and doctors showing what life is like on the spectrum. It's also my love letter to autistic people. For too long, we have been forced to navigate a world where all the road signs are written in another language." With a reporter's eye and an insider's perspective, Eric Garcia shows what it's like to be autistic across

America. Garcia began writing about autism because he was frustrated by the media's coverage of it; the myths that the disorder is caused by vaccines, the narrow portrayals of autistic people as white men working in Silicon Valley. His own life as an autistic person didn't look anything like that. He is Latino, a graduate of the University of North Carolina, and works as a journalist covering politics in Washington D.C. Garcia realized he needed to put into writing what so many autistic people have been saying for years; autism is a part of their identity, they don't need to be fixed. In *We're Not Broken*, Garcia uses his own life as a springboard to discuss the social and policy gaps that exist in supporting those on the spectrum. From education to healthcare, he explores how autistic people wrestle with systems that were not built with them in mind. At the same time, he shares the experiences of all types of autistic people, from those with higher support needs, to autistic people of color, to those in the LGBTQ

community. In doing so, Garcia gives his community a platform to articulate their own needs, rather than having others speak for them, which has been the standard for far too long.

Balance the Bossy Brain - Taleen Keuftedjian

2021-06-22

ANXIETY IS A SYMPTOM of an imbalance within the body rather than a disease, which is why we must look at it from a WHOLE-BODY perspective. Otherwise, we will only learn how to DEAL with anxiety rather than overcome it for good! Let me guide you to the point of never having a random panic attack again. I humbly share my story so that I can get you to think about your own story. This will help you identify the source of what could be causing you to feel the way you are feeling today. In this book, I incorporate concepts relating to the BRAIN, BODY, and SPIRIT as I believe all of these are interconnected. An imbalance in one of these components can manifest itself into an array of issues. What to expect from this book: First, we

need to learn how to eliminate the stressors in our lives so that we can reduce the stress hormones (cortisol and adrenaline) that are running through our body. Most people don't realize that it's these excessive stress hormones that are continuously triggering the "fight or flight" response. This is what gives us that anxious feeling. Chronic stress has become more common in our day and age, which is why it's important to learn how to manage stress. Stop catastrophizing, learn how to overcome fear, and put an end to phobias and panic attacks for good! Avoidance only strengthens the bossy brain. Explore different anxiety treatment methods that can be very effective in gaining control of the bossy brain. These techniques can teach you how to relax your mind when your anxiety is heightened. There is a huge gut-brain connection called the gut-brain axis. This is why I encourage you to focus on detoxing and nourishing your body. We need to balance out the hormones and happy chemicals within our

body in order to tame our brain and this all begins with the gut. I emphasize the importance of releasing stagnant emotional trauma and embracing oneness by ditching the ego. Learn MINDFULNESS for anxiety skills that can help you start living in the moment. Living in the past or future creates depression and anxiety. Living in the present brings peace, and with peace comes happiness. Learn how to be happy and understand that you cannot rely on anyone else or any material objects to bring you happiness. Everything comes with an expiration date and if your happiness is based on something that's expired, YOU'RE SCREWED! True happiness comes from within and is everlasting, which is why we must discover who we really are at the core. So, find your authentic self by EMBRACING SPIRITUAL FREEDOM and allow the universe to deliver whatever your heart desires! Trust that there's a reason you picked up this book and embark on this journey with me.

Jack Gets Too Silly - Courtney Butorac  
2017-01-02

When Jack jokes around too much in class he hopes it will make his friends like him more. But instead he disrupts class, upsets his teacher, gets in trouble and then even gets his pal Alex in trouble and upset with him. At an A-Team friendship group meeting with their teacher Ms. Corina, Jack learns to see Alex's perspective and they explore when it's ok to be silly and when it's not. With explicit social learning, Jack and all of us can learn to overcome this common social challenge! Visit [sociallearning.org](http://sociallearning.org) for free resources and materials as well as for special pricing and free shipping of books.

**Meet the A-Team** - Courtney Butorac 2016-12  
Meet Alex and his friends Max, Lily, Bella and Jack who are all members of the A-Team. "A" stands for both Awesome and Autism. Join Alex as he helps us understand Autism and teaches us about his strengths and challenges in addition to those of the fellow A-Team members. Observe

how social situations in school can lead to various conflicts or confusion. Then, participate each week in A-Team meetings, led by their teacher Ms. Corina. Learn how Ms. Corina helps the members of the A-Team address various social skill challenges. Review strategies, steps and actions to proactively address common social skill challenges, such as: compromising, being too silly, being too bossy, being flexible, dealing with losing and more. See how Ms. Corina uses Top Secret Mission cards to outline key steps and strategies that can increase success with school, work and friendships. This book is an introduction to "The A-Team Presents..." social skills book series and curriculum. The series helps teachers and parents proactively develop social skills as well as deal with a range of common social challenges. Notably, this is the introduction book in the "The A-Team Presents..." series of social skill books. This Intro book introduces and discusses autism, while the rest of the books in

the series don't mention autism explicitly. After this Introduction book, each story unfolds from the perspective of one of the A-Team members. Every book focuses on a specific social skill, without mentioning autism. In this way, parents, teachers and administrators will find these books to be an invaluable resource for teaching social skills to ALL students, with or without autism.

*Revealing the Hidden Social Code* - Marie Howley 2005-06-29

The Social Stories(TM) approach is widely acknowledged as a key technique for teaching social and life skills to children with autistic spectrum disorders. This text, endorsed by the originator of Social Stories(TM), Carol Gray, offers clear and comprehensive guidance for professionals, parents and carers on how to write successful and targeted Social Stories(TM) that will help develop the autistic spectrum child's understanding of social interaction. The book outlines the kinds of social challenges that

people with ASD may experience and highlights the importance of learning social skills in meaningful contexts. An extended review of the guidelines for writing Social Stories(TM) will help writers to structure and develop their stories. The authors explain the key elements and highlight the potential difficulties that a writer may encounter, while providing encouragement and guidance through the various stages of what is often a challenging process. They include examples from their own professional experience, and suggest ways in which the Social Stories(TM) approach may enhance other strategies. Helpful advice on presentation and implementation is provided. Revealing the Hidden Social Code is essential reading for any professional, parent, carer or teacher wanting to employ Social Stories(TM) to develop social understanding in people with ASDs.

**It's My Way or the Highway: Turning Bossy into Flexible and Assertive** - Julia Cook

2019-09-28

Cora June is B-O-S-S-Y! Will anyone put the breaks on her outlandish demands? And will Cora June ever realize that she can be a leader, but still be flexible?

**Bossy Flossy** - Paulette Bogan 2016-07-19

A bossy girl meets her match.

**Andy Shane and the Very Bossy Dolores Starbuckle** - Jennifer Richard Jacobson

2016-02-09

With insight and humor, Jennifer Richard Jacobson explores a common childhood anxiety and finds a quiet way to boost self-esteem, aided by Abby Carter's expressive illustrations. Andy Shane did not want to be in school. He did not want to be at morning meeting. He did not want to sit up straight on the rug. Andy Shane would much rather be home catching bugs with Granny Webb than sitting in class with the likes of know-it-all Dolores Starbuckle. Any minute, Dolores is likely to shout out, 'Ms. Janice, someone's not sitting properly!' or "Ms. Janice, someone's

misusing the math materials!" (meaning him, of course). At rhyme time, the words bug and rug get stuck in Andy's throat while Dolores yells out of turn, "Hullabaloo and Kalamazoo!" "I hate school," he blurts out at the end of the day to Granny Webb, who is sympathetic but firm. But when Granny makes a surprise visit to school with a monarch caterpillar, everyone is mesmerized and Andy remembers how much he knows about insects himself. Even Dolores Starbuckle can't help but be impressed!

*A Friend Is Someone Who...* - Marilee Mayfield  
2020-04

Do you remember your first friend? Your friends always find a way to double your joys and halve your sorrows. This fun, rhyming book helps children understand the value of having friends and of being a friend to others.

*Join In and Play* - Cheri J. Meiners 2003-12-15

It's fun to make friends and play with others, but it's not always easy to do. You have to make an effort, and you have to know the rules—like ask

before joining in, take turns, play fair, and be a good sport. This book teaches the basics of cooperation, getting along, making friends, and being a friend. Includes ideas for games adults can use with kids to reinforce the skills being taught.

*The Brain That Changes Itself* - Norman Doidge  
2007-03-15

"Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more. An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its

healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential. [Restoring the Soul of Business](#) - Rishad Tobaccowala 2020-01-28

From old-fashioned bricks-and-mortars to cutting-edge startups, businesses are moving into uncharted territory as they determine how

to move from an analog past to a digital future effectively. How can you make sure not to leave human instinct behind? Businesses are leaving behind traditional meetings in favor of virtual ones, transitioning from surveys and studies to analytics and algorithms. The startling and often unacknowledged truth is that the promise of digital transformation can only be realized when we find a way to balance it with the promise of people. In the end, it's the people that matter, and companies must never forget the soul that drives them. In *Restoring the Soul of Business*, business leader Rishad Tobaccowala teaches you to: Understand how to unleash the significant benefit that can be realized by combining emotion and data, human and machine, analog and digital. Spot the warning signs of data-blinded companies: cold cultures with little human interaction, poor innovation stemming from discouraged employees who don't contribute ideas, and poor customer service due to automated, robotic processes.

Explore how organizations of various sizes and from different industries have successfully reoriented their thinking on how to fuse technology and humanity. Gain skills to become an expert in connections critical to growth and success, including the connection between being creative and using technology. Everyone working in an organization will find penetrating observations and guidance about how and why establishing the proper balance between human intuition and creativity and data-driven insights can lead to increased revenue, profitability, retention—and even joy—in their careers and business. *Restoring the Soul of Business* provides practical tools and techniques that every organization can and should implement, and challenges you to move forward with the kind of balance that capitalizes transformation and produces one great success after another. *Little Miss Bossy* - Roger Hargreaves 2012-11-29 They're back! Rediscover the zaniest and most lovable characters you've ever met in the Mr.

Men and Little Miss series—the best-selling, timeless, and universal books, which have sold millions of copies worldwide. Digitally available for the first time, these bright, charming books, with their easily recognizable characters, are easy enough for young readers and witty enough for adults. This fantastic read-to-me edition is read by Audie and Grammy award-winning narrator of Harry Potter, Jim Dale, who perfectly captures each character's unique voice and personality. Get ready to fall in love with Mr. Men and Little Miss books all over again or for the very first time!

*Sea Monster and the Bossy Fish* - Kate Messner  
2013-07-09

Being kind is a big job, but nothing's too big for a sea monster. Not even taking on the new fish in school, who's great...except when he's pushing people around. This funny, charming twist on dealing with a bully will reassure and delight the smallest children and the biggest sea monsters alike. Plus, this is the fixed format

version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

Writing and Developing Social Stories - Caroline Smith 2017-07-05

This practical resource provides an introduction to the theory and practice of writing social stories. In addition, there are examples of successful stories to use as guides, as well as information and photocopiable resources for delivering training on the use of social stories. Based on detailed work carried out in homes, schools and pre-schools, this book offers practical support to anyone meeting the needs of a child or young adult with an autistic spectrum disorder. Social stories are short stories intended for children with autism to help them understand their social world and behave appropriately within it. The stories provide clear, concise and accurate information about what is happening in a specific situation, outlining both

why it is happening and what a typical response might be. It is written by those directly supporting a child with autism and only successful stories are included in the book. The stories are infinitely flexible and adaptable to an individual child in an individual social situation. It covers children aged 3 to 16.

**Pig the Winner** - Aaron Blabey 2018-01-30  
The world's greediest pug won't play fair, and he'll do just about anything to win! Will Pig ever learn? He's an absolute cheat and quite the sore loser as well. But when Pig challenges his foot-long playmate, Trevor, to a kibble-eating contest, he accidentally stuffs more than just food in his mouth. Lucky for Pig, Trevor knows what to do and saves the day! Young readers will love Blabey's irresistibly quirky illustrations that are paired with a relatable lesson about learning to play nice. For dog and pet lovers everywhere.  
*The Bossy Dragon* - Steve Herman 2021-06-28  
Having a pet dragon is so much fun. You can teach him to sit, rollover, and play... You can

teach him to follow rules, control his anger, overcome his anxiety, show respect, and many more... But what if your dragon is being bossy? What if he always wants to be in charge and demands others to do what he wants? What if he is disappointed and angry when his friends don't play as he says? What if he's having trouble both at school and at home because he is always bossing others around and wants to do things "his way"? What if he throws a fit when things don't go his way and end up with no friend? What should you do? You teach him that being bossy isn't a way to make friends and keep friends. You teach him the importance of compromise. You show him the power of flexibility. You train him to know when to take a step back and listen to others' feelings, wants, and needs. And so much, much more... How can you do that? Get this book now and learn how! Written from a children's point of view, this fun, cute, relatable, and entertaining illustrated book is a must-have book for parents, teachers,

counselors, and educators to help kids with a "bossy" attitude and teach them the importance of Compromise, Friendship, and Problem Solving. GET THIS BOOK NOW!

**Cake & I Scream!** - Michael Genhart 2017  
Cake tells about his friend, Ice Cream, who tries to get his way by being bossy and loud, only to find out that is a good way to lose friends.

Social Skills - Sara Alva 2013-03-20  
Music is the only form of communication Connor Owens controls. No matter how badly he wishes to fit in, friendly banter and casual conversations have never been his thing. College is yet another social universe he has no clue how to navigate—until he meets Jared, a football player with chestnut eyes and a cocky grin that holds the power to shatter his self-imposed prison. Jared's attention opens Connor up to a new realm of emotional and physical intimacy. But as Connor's self-confidence grows, so does his fear that everything will fall apart. Because in this socially stratified world, how long can a

relationship between an introverted violinist and a closeted football player really last?

**Try a Little Kindness** - Henry Cole 2018-10-30  
Bestselling illustrator Henry Cole puts animals in sweet and humorous situations to demonstrate the importance of being kind! In this funny picture book, bestselling illustrator Henry Cole shows kids different ways to be kind with his hysterical cartoon animal characters. Each page features a different way to be a good person, like using proper manners, telling someone they are special, or sharing a treat! The text is accompanied by two or three related vignettes of different animals giving examples of ways to be good. And in one illustration out of each set, one animal (like a cat peering into a fishbowl!) may not be doing the best job of being kind! The animal characters and simple text will help readers learn the importance of kindness in a fun way with lots of kid appeal. Our animal friends will show you Exactly how it is done Make sure to look closely Kindness can be very FUN!

**Willow Finds a Way** - Lana Button 2013-03-01  
Willow is thrilled the whole class - including her! - is invited to classmate Kristabelle's fantastic birthday party, until the bossy birthday girl starts crossing guests off the list when they dare cross her. There are many books on bullying, but Willow's story offers a unique look at how to handle the situation as a bystander.

*Lean In* - Sheryl Sandberg 2013-03-11  
The #1 international best seller *In Lean In*, Sheryl Sandberg reignited the conversation around women in the workplace. Sandberg is chief operating officer of Facebook and coauthor of *Option B* with Adam Grant. In 2010, she gave an electrifying TED talk in which she described how women unintentionally hold themselves back in their careers. Her talk, which has been viewed more than six million times, encouraged women to "sit at the table," seek challenges, take risks, and pursue their goals with gusto. *Lean In* continues that conversation, combining personal anecdotes, hard data, and compelling

research to change the conversation from what women can't do to what they can. Sandberg provides practical advice on negotiation techniques, mentorship, and building a satisfying career. She describes specific steps women can take to combine professional achievement with personal fulfillment, and demonstrates how men can benefit by supporting women both in the workplace and at home. Written with humor and wisdom, *Lean In* is a revelatory, inspiring call to action and a

blueprint for individual growth that will empower women around the world to achieve their full potential.

**The New Social Story Book** - Carol Gray 2010  
Different social stories to help teach children with autism everyday social skills.

**Louder, Lili** - Gennifer Choldenko 2007  
The quietest kid in her class, Lili is so shy that her voice is never heard in class until the day a good friend needs her help.
