Born of Ice - Sherrilyn Kenyon 2009-12-01
In the Ichidian Universe where The League is law, most live in fear. We fight back. Welcome to a world where corrupt assassination politics dominate everyone. It's kill or be killed. Welcome back to the future...and meet hell's new breed of heroes.Devyn Kell spent his life in service to the League until he learned of the

double dealing and backstabbing that was costing innocent people their lives. Refusing to play those politics, he became a Runner—someone who makes sure planets get the weapons, medicine and supplies they need to survive. May the gods have mercy on any who get in his way, because he definitely won't.Alix Garran is a woman on the run from a past she

can't escape. Signing on to work for Devyn as a System's Engineer, she finds a cause she can fight for—and a man she can respect. But as Alix's past catches up to her, and Devyn's old enemies turn lethal, they have to fight together...or fall alone, in *Born of Ice*, the third bestselling League novel from Sherrilyn Kenyon.

Eyes Wide Open - Ted Dekker 2014-01-21

Wounds - Alton Gansky 2013-05-01

A man's lifeless body is found in the fresh soil of San Diego's botanical garden. Cause of death is asphyxiation, an easy call for the medical examiner. More mysterious, however, are the tiny drops of blood on the victim's skin, resulting from hundreds of punctures. A rabbi leaving his house for work expects a regular day at the synagogue. That quickly changes when he discovers a dead man on his front lawn, clearly beaten to death. Motorcycle riders racing along the empty streets of an abandoned military base stumble across another man's corpse, its skin

revealing long, red-purple marks of a thrashing given with wood dowels. The numbers mount. Each week another victim and another mysterious clue in a game of mass murder the police don't want to lose. The solution rests with Dr. Ellis Poe, a religious professor who only wishes to be left alone with his books and classes. But evil must be faced, and the choice is no longer his own.

Holy Warrior - Angus Donald 2011-08-02

After the events of *Outlaw*, Robin of Locksley—and his sidekick and narrator, Alan Dale—finds himself in a very different England and a very changed world. In 1190 A.D. Richard the Lionheart, the new King of England, has launched his epic crusade to seize Jerusalem from the Saracens. Marching with the vast royal army is Britain's most famous, most feared, most ferocious warrior: the Outlaw of Nottingham, the Earl of Locksley—Robin Hood himself. With his band of loyal men at his side, Robin cuts a bloody swath on the brutal journey east. Daring

and dangerous, he can outwit and outlast any foe—but the battlefields of the Holy Land are the ultimate proving ground. And within Robin's camp lurks a traitor—a hidden enemy determined to assassinate England's most dangerous rogue. Richly imagined and furiously paced, featuring a cast of unforgettable characters, *Holy Warrior* is adventure, history and legend at its finest.

The Purpose of Power - Alicia Garza
2021-09-07

An essential guide to building transformative movements to address the challenges of our time, from one of the country's leading organizers and a co-creator of Black Lives Matter "Excellent and provocative . . . a gateway [to] urgent debates."—Keeanga-Yamahtta Taylor, *The New Yorker* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • Marie Claire • Kirkus Reviews In 2013, Alicia Garza wrote what she called "a love letter to Black people" on Facebook, in the aftermath of the

acquittal of the man who murdered seventeen-year-old Trayvon Martin. Garza wrote: Black people. I love you. I love us. Our lives matter. With the speed and networking capacities of social media, #BlackLivesMatter became the hashtag heard 'round the world. But Garza knew even then that hashtags don't start movements—people do. Long before #BlackLivesMatter became a rallying cry for this generation, Garza had spent the better part of two decades learning and unlearning some hard lessons about organizing. The lessons she offers are different from the "rules for radicals" that animated earlier generations of activists, and diverge from the charismatic, patriarchal model of the American civil rights movement. She reflects instead on how making room amongst the woke for those who are still awakening can inspire and activate more people to fight for the world we all deserve. This is the story of one woman's lessons through years of bringing people together to create change. Most of all, it

is a new paradigm for change for a new generation of changemakers, from the mind and heart behind one of the most important movements of our time.

Outlaw - Ted Dekker 2013-10-22

New York Times bestselling author Ted Dekker brings an exotic tale of adventure and creates his most memorable character ever. The story of how I, Julian Carter, and my precious two-year old son, Stephen, left Atlanta Georgia and found ourselves on a white sailboat, tossed about like a cork on a raging sea off of Australia's northern tip in 1963, is harrowing. But it pales in comparison to what happened deep in the jungle where I was taken as a slave by a savage tribe unknown to the world. Some places dwell in darkness so deep that even God seems to stay away. There, my mind was torn in two by the gods of the earth. There, one life ended so another could begin. Some will say I was a fool for making the choices I made. But they would have done the same. They, too, would have

embraced death if they knew what I knew, and saw through my eyes. My name is Julian and this is my story. But more, it is the story of my son who was born to change the world. From deep in the impenetrable jungles where New York Times bestselling author Ted Dekker was born and raised, comes **OUTLAW**, an epic adventure of two worlds that perhaps only he could write. Full of harrowing twists, sweeping violence, and wild love, *Outlaw* takes us beyond the skin of this world to another unseen.

For The Tough Times - Max Lucado
2008-12-28

When we feel that life is out of control, He is in control. When tragedy strikes, people desperately search for answers. Believers and unbelievers alike find themselves turning to God. Best-selling author and pastor Max Lucado points to the only real answer to tragedy and crisis: Prayer. In *For the Tough Times*, Lucado helps us understand how to pray despite our doubt and fear.

Killers of the Flower Moon - David Grann

2017-04-18

NATIONAL BOOK AWARD FINALIST •

NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma.

After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young

director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history. Look for David Grann's new book, *The Wager*, coming in April 2023!

The David Story: A Translation with Commentary of 1 and 2 Samuel - Robert Alter
2009-10-21

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999
Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of

Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

The Outlaw Ocean - Ian Urbina 2020-08-25

NATIONAL BESTSELLER • A riveting, adrenaline-fueled tour of a vast, lawless, and rampantly criminal world that few have ever seen: the high seas. There are few remaining frontiers on our planet. But perhaps the wildest, and least understood, are the world's oceans: too big to police, and under no clear international authority, these immense regions of treacherous water play host to rampant criminality and exploitation. Traffickers and smugglers, pirates and mercenaries, wreck thieves and repo men, vigilante conservationists and elusive poachers, seabound abortion providers, clandestine oil-

dumpers, shackled slaves and cast-adrift stowaways—drawing on five years of perilous and intrepid reporting, often hundreds of miles from shore, Ian Urbina introduces us to the inhabitants of this hidden world. Through their stories of astonishing courage and brutality, survival and tragedy, he uncovers a globe-spanning network of crime and exploitation that emanates from the fishing, oil, and shipping industries, and on which the world's economies rely. Both a gripping adventure story and a stunning exposé, this unique work of reportage brings fully into view for the first time the disturbing reality of a floating world that connects us all, a place where anyone can do anything because no one is watching.

The Outlaw Chronicles Trilogy - Ted Dekker
2017-10-17

ONE THING CONNECTS EYES WIDE OPEN, WATER WALKER, AND HACKER—THEY CALL HIM OUTLAW. It all begins with Christy Snow in Eyes Wide Open: seventeen, buried alive in a

coffin, and about to die. Is what she's experiencing real? Or is she suffering a delusional breakdown? In *Water Walker*, Alice Ringwald is a thirteen-year-old orphan suffering from amnesia. She is still adjusting to her new life when suddenly she is kidnapped by a strange man. Finally, in *Hacker*, skilled computer expert Nyah Parks is using her technical knowledge to get money for her mom's life-saving medical treatment. When Nyah cracks the wrong firewall, it's not just her mother's life that is in danger. Nyah is forced into one last hack that will either save her or kill her. Humming with intensity, *The Outlaw Chronicles Trilogy* is a raw adrenaline rush from the first page to the last from master of suspense Ted Dekker. .

Cattle Kingdom - Christopher Knowlton

2017-05-30

"The best all-around study of the American cowboy ever written. Every page crackles with keen analysis and vivid prose about the Old West. A must-read!" — Douglas Brinkley, author

of *The Wilderness Warrior: Theodore Roosevelt and the Crusade for America* The open-range cattle era lasted barely a quarter century, but it left America irrevocably changed. *Cattle Kingdom* reveals how the West rose and fell, and how its legacy defines us today. The tale takes us from dust-choked cattle drives to the unlikely splendors of boomtowns like Abilene, Kansas, and Cheyenne, Wyoming. We meet a diverse cast, from cowboy Teddy Blue to failed rancher and future president Teddy Roosevelt. This is a revolutionary new appraisal of the Old West and the America it made. "Knowlton writes well about all the fun stuff: trail drives, rambunctious cow towns, gunfights and range wars . . . [He] enlists all of these tropes in support of an intriguing thesis: that the romance of the Old West arose upon the swelling surface of a giant economic bubble . . . *Cattle Kingdom* is *The Great Plains* by way of *The Big Short*." — *Wall Street Journal* "Knowlton deftly balances close-ups and bird's-eye views. We learn countless

details . . . More important, we learn why the story played out as it did.” — New York Times Book Review “The best one-volume history of the legendary era of the cowboy and cattle empires in thirty years.” — True West

Immanuel's Veins - Ted Dekker 2011-05-30

This story is for everyone—but not everyone is for this story. It is a dangerous tale of times past. A love story full of deep seduction. A story of terrible longing and bold sacrifice. Then as now, evil begins its courtship cloaked in light. And the heart embraces what it should flee. Forgetting it once had a truer lover. With a kiss, evil will ravage body, soul, and mind. Yet there remains hope, because the heart knows no bounds. Love will prove greater than lust. Sacrifice will overcome seduction. And blood will flow. Because the battle for the heart is always violently opposed. For those desperate to drink deep from this fountain of life, enter. But remember, not everyone is for this story. "A heart-wrenching journey of redemption and hope

that left me sobbing, laughing, and clinging to every word."--Donna McChristian, 44, Environmental Chemist

A Game of Thrones - George R. R. Martin
2003-01-01

NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King’s Landing. There Eddard Stark of Winterfell rules in Robert’s name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon

Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.

Blood's Revolution - Angus Donald 2018-10-18
Mixing the fascinating and bloody events of the Stuart reign with thrilling historical fiction, the new series from bestselling author of the Outlaw Chronicles, Angus Donald, is perfect for fans of

Conn Iggulden, James Forrester, S. J. Parris and The Favourite. In an age of treachery everyone must pick a side . . . It's 1685 and after the victory of Sedgemoor by King James II's men and the Bloody Assizes that followed, the British Isles faces an uneasy time. Many powerful men have grown tired of Catholic James's brutal, autocratic rule and seek to invite William, the Protestant Prince of Orange, to seize the thrones of the Three Kingdoms. When Lieutenant Holcroft Blood, a brilliant but unusual gunnery officer in His Majesty's Ordnance, discovers that a sinister French agent, known only by his code name Narrey, has landed on English soil, he discovers a plan that could threaten the stability of the nation even further. While revolution brews in the gentlemen's clubs of London, Holcroft faces a deadly choice - fight for his king, or fight for his friends. Every decision has a consequence - would you be willing to pay the price? 'Splendid' The Times 'Exhilarating adventure' Sunday Express 'Thrilling, all-action .

. . gripping adventure and fun here aplenty'
Lancashire Evening Post

Eyes Wide Open - Ted Dekker 2014-07-02
Christy and Austin accidentally stumble into the mental ward of a hospital, are mistaken for delusional patients, and begin to lose their sanity as they receive various treatments, but things are not what they seem to be.

Vagos, Mongols, and Outlaws - Charles Falco
2013-02-05

The basis for the hit TV series *Gangland Undercover!* The gripping account from an ex-con who went undercover to help the ATF infiltrate three of America's most violent biker gangs. Despite lacking any experience with motorcycle gangs, Charles Falco infiltrated three of America's deadliest biker gangs: the Vagos, Mongols, and Outlaws. In separate investigations that spanned years and coasts, Falco risked his life, suffering a fractured neck and a severely torn shoulder, working deep under cover to bring violent sociopaths to

justice. His dedication was profound; Falco spent almost three years infiltrating the Vagos gang and rose to second in command of the Victorville, California chapter. He even served time in San Bernardino's Murder Unit and endured solitary confinement to protect his cover and the investigations. Falco recorded confessions of gangland-style killings and nearly became a target himself before he sought refuge in the Witness Protection Program. But discontent to remain on the sidelines and motivated by a strong sense of duty, Falco eventually left the Program and volunteer his talents again to infiltrate the Mongols and Outlaws, rising in rank to Vice President of the Petersburg, Virginia Outlaws chapter. His efforts culminated in sixty two arrests of members for various crimes, including assault and murder. Executing one of this country's most successful RICO prosecutions and effectively crippling the criminal enterprise, Falco's engrossing narrative of the dangers of the biker underworld harkens

back to Hunter S. Thompson's classic *Hell's Angels*, vividly recounting a life undercover. *Blessed Child* - Ted Dekker 2006-04-02
One orphaned boy. A desperate race to keep him alive. And powers that are beyond comprehension. "Whoever said a straightened hand was more dramatic than a healed heart anyway?" A young orphaned boy was abandoned and raised in an Ethiopian monastery. He has never seen outside its walls—at least, not the way most people see. Now he must flee or die. But the world beyond is hardly ready for a boy like Caleb. When relief expert Jason Marker agrees to rescue Caleb from the monastery, he unwittingly opens humanity's doors to an incredible journey filled with political intrigue and peril. Jason and Leiah—the French-Canadian nurse who escapes the monastery with him—quickly realize Caleb's supernatural power to heal. But so do the boy's enemies, who will stop at nothing to destroy him. Jason and Leiah fight for Caleb's survival while the world erupts

in debate over the source of the boy's power. In the end nothing can prepare them for what they discover. Book one in the Caleb duology: *Blessed Child A Man Called Blessed* Book length: approximately 100,000 words

The 71F Advantage - National Defense University Press 2010-09-01

Includes a foreword by Major General David A. Rubenstein. From the editor: "71F, or "71 Foxtrot," is the AOC (area of concentration) code assigned by the U.S. Army to the specialty of Research Psychology. Qualifying as an Army research psychologist requires, first of all, a Ph.D. from a research (not clinical) intensive graduate psychology program. Due to their advanced education, research psychologists receive a direct commission as Army officers in the Medical Service Corps at the rank of captain. In terms of numbers, the 71F AOC is a small one, with only 25 to 30 officers serving in any given year. However, the 71F impact is much bigger than this small cadre suggests. Army

research psychologists apply their extensive training and expertise in the science of psychology and social behavior toward understanding, preserving, and enhancing the health, well being, morale, and performance of Soldiers and military families. As is clear throughout the pages of this book, they do this in many ways and in many areas, but always with a scientific approach. This is the 71F advantage: applying the science of psychology to understand the human dimension, and developing programs, policies, and products to benefit the person in military operations. This book grew out of the April 2008 biennial conference of U.S. Army Research Psychologists, held in Bethesda, Maryland. This meeting was to be my last as Consultant to the Surgeon General for Research Psychology, and I thought it would be a good idea to publish proceedings, which had not been done before. As Consultant, I'd often wished for such a document to help explain to people what it is that Army Research

Psychologists "do for a living." In addition to our core group of 71Fs, at the Bethesda 2008 meeting we had several brand-new members, and a number of distinguished retirees, the "grey-beards" of the 71F clan. Together with longtime 71F colleagues Ross Pastel and Mark Vaitkus, I also saw an unusual opportunity to capture some of the history of the Army Research Psychology specialty while providing a representative sample of current 71F research and activities. It seemed to us especially important to do this at a time when the operational demands on the Army and the total force were reaching unprecedented levels, with no sign of easing, and with the Army in turn relying more heavily on research psychology to inform its programs for protecting the health, well being, and performance of Soldiers and their families."

Outlaw Biker: - Richard "Deadeye" Hayes
2014-11-20

In this no-holds-barred memoir, a legendary

biker recounts his life of sex, drugs, rock & roll and lots of broken laws. Here is the true-life story of Richard “Deadeye” Hayes in all its badass, balls-to-the-wall glory. This is a man who stole a machine gun before he was seven and lost his left eye when a good friend shot him in the face. As a member—and then president—of the infamous Los Valientes Motorcycle Club, he broke more laws and had more fun than any six of the coolest guys you know. One of the last true Outlaw Bikers, Deadeye knows what it means to be a man, take shit from no one, and have tattoos that actually say something. Riding, drug dealing, and sending men to the hospital with his bare hands, Deadeye made himself a legend among bikers—all the while making sure his daughters never got mixed up with guys like him. “This may just be the best book ever written by an author who's been shot twice, stabbed once, and bitten by a rattlesnake!” —Geoffrey Leavenworth, author of *Isle of Misfortune*

Dance of Thieves - Mary E. Pearson 2018-08-07
A stunning new young adult adventure set in the kingdoms of the Remnant, by the author of the New York Times-bestselling Remnant Chronicles and the Jenna Fox Chronicles. A formidable outlaw family that claims to be the first among nations. A son destined to lead, thrust suddenly into power. Three fierce young women of the Rahtan, the queen's premier guard. A legendary street thief leading a mission, determined to prove herself. A dark secret that is a threat to the entire continent. When outlaw leader meets reformed thief, a cat-and-mouse game of false moves ensues, bringing them intimately together in a battle that may cost them their lives—and their hearts. The Remnant Chronicles
The Beauty of Darkness
The Heart of Betrayal
The Kiss of Deception
Praise for *Dance of Thieves*:
"Pearson is a gifted storyteller and spinner of eminently satisfying romances and fantasy. Fans will thrill at these newest protagonists, especially the women warriors, who are equal

partners in the play for power." —Publishers Weekly "This novel has it all—romance, conflict, danger, and humor. A must-have for all fantasy YA shelves." — School Library Journal

Rise! - Bethany Hegedus 2019

"A biography of African American writer, performer, and activist Maya Angelou, who turned a childhood of trauma and emotional pain to become one of the most inspiring voices of our lifetime. Includes afterword, author's note, and sources"--

Outlaw - Angus Donald 2011-04-12

Alan Dale, a young thief running from the law, joins tough and sometimes brutal Robin Hood in his band of not-always-loyal men as they steal from the Church, protect the poor and battle the forces of the Norman rulers. A first novel. Simultaneous. 40,000 first printing.

The Outlaw Hearts - Rebecca Brandewyne 1988

In this winner of the coveted "Affaire de Coeur" Gold Certificate, a rugged outlaw must silence the lovely schoolmarm witness to a robbery the

only way he knows how--by marrying her.

Pre-Incident Indicators of Terrorist

Incidents - Brent L. Smith 2011-01

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Bluebeard and the Outlaw - Tara Grayce

2022-04-18

"Marriage: the ultimate heist. Robin of the Greenwood spends her days robbing from the rich to feed the poor. With her knowledge of the fae paths, she eludes all attempts to capture her. But she and her merry band of brothers never seem to get anywhere. The more she steals, the more the evil Duke Guy ""Bluebeard"" taxes the villagers. When Robin discovers that Duke Guy plans to marry yet again, she conceives a plan for a final, big score. As Guy's wife, she will have access to his wealth. The lord is notorious for killing his wives shortly after he marries them, but Robin has no plans to be dead wife number four. The only problem is that Duke Guy is devastatingly handsome, brooding, and nothing at all what she expected. If she isn't careful, she might just find that he steals her heart before she can rob his riches. Bluebeard and the Outlaw is one of twelve short novels in A VILLAIN'S EVER AFTER, a collection of stand-alone stories

featuring villainous twists on some of your favorite classic fairy tales. Read the series in any order for magical adventures ? and fall in love with villains as you've never seen them before. Who said villains can't have happily-ever-afters?"

Ulysses -

Warlord - Angus Donald 2013-11-12

"A rip-roaring tale . . . full of twists and turns...A fast-moving, thoroughly enjoyable yarn."

—Kirkus Reviews on King's Man Robert, Earl of Locksley, returns in Warlord, the latest in Angus Donald's compelling historical novels, reimagining one of the most indelible figures in folklore—Robin Hood. King Richard I, the Lionheart, is engaged in a bloody war to drive the French out of Normandy. Using the brutal tactics of medieval warfare—siege, savagery and scorched earth—the Lionheart gradually pushes back the forces of King Philip of France. By his side in this epic struggle are the erstwhile outlaw Robin Hood, and Sir Alan Dale, his loyal

friend. But while the battles rage, Alan is preoccupied with discovering the identity the man who ordered his father's death ten years earlier—a mystery that leads him towards to Paris, deep into the heart of the enemy's territory.

The Bandit Kings of the Cookson Hills - R. D. Morgan 2003

This book chronicles the true adventure of a loose-knit confederation of daring bandits originating from the infamous Cookson Hills of Eastern Oklahoma who terrorized the Arkansas-Oklahoma borderlands for more than a half decade following the close of the First World War. This Account, which takes place in the "Roing '20s." is meant to serve as a prelude to the author's first book, *The Bad Boys of the Cookson Hills*, which chronicles the activities of another band of outlaws who launched a prolific series of attacks on nearly two-dozen banks in Kansas, Oklahoma, Nebraska, and Arkansas during the 1930s depression era. This second

"Cookson Hills Gang was headquartered in the same geographic area as the earlier version noted in this narrative and some of the characters involved with the original outfit were active members of the latter group.

The Once and Future King - T. H. White
2022-08-16

DigiCat Publishing presents to you this special edition of "The Once and Future King" by T. H. White. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. Polaris Rising - Jessie Mihalik 2019-02-05

"Polaris Rising is space opera at its best, intense and addictive, a story of honor, courage, betrayal, and love. Jessie Mihalik is an author to watch."--Ilona Andrews, #1 New York Times

Downloaded from viewfromthefridge.com
on by guest

bestselling author A space princess on the run and a notorious outlaw soldier become unlikely allies in this imaginative, sexy space opera adventure—the first in an exciting science fiction trilogy. In the far distant future, the universe is officially ruled by the Royal Consortium, but the High Councillors, the heads of the three High Houses, wield the true power. As the fifth of six children, Ada von Hasenberg has no authority; her only value to her High House is as a pawn in a political marriage. When her father arranges for her to wed a noble from House Rockhurst, a man she neither wants nor loves, Ada seizes control of her own destiny. The spirited princess flees before the betrothal ceremony and disappears among the stars. Ada eluded her father's forces for two years, but now her luck has run out. To ensure she cannot escape again, the fiery princess is thrown into a prison cell with Marcus Loch. Known as the Devil of Fornax Zero, Loch is rumored to have killed his entire chain of command during the Fornax Rebellion,

and the Consortium wants his head. When the ship returning them to Earth is attacked by a battle cruiser from rival House Rockhurst, Ada realizes that if her jilted fiancé captures her, she'll become a political prisoner and a liability to her House. Her only hope is to strike a deal with the dangerous fugitive: a fortune if he helps her escape. But when you make a deal with an irresistibly attractive Devil, you may lose more than you bargained for . . .

Outlawed - Anna North 2021-01-05

A REESE'S BOOK CLUB PICK * INSTANT NEW YORK TIMES BESTSELLER * BELLETRIST BOOK CLUB PICK * INDIE NEXT SELECTION * LIBRARY READS SELECTION * AMAZON EDITORS' CHOICE * WASHINGTON POST BEST OF THE YEAR The "terrifying, wise, tender, and thrilling" (R.O. Kwon) adventure story of a fugitive girl, a mysterious gang of robbers, and their dangerous mission to transform the Wild West. In the year of our Lord 1894, I became an outlaw. The day of her wedding, 17 year old

Ada's life looks good; she loves her husband, and she loves working as an apprentice to her mother, a respected midwife. But after a year of marriage and no pregnancy, in a town where barren women are routinely hanged as witches, her survival depends on leaving behind everything she knows. She joins up with the notorious Hole in the Wall Gang, a band of outlaws led by a preacher-turned-robber known to all as the Kid. Charismatic, grandiose, and mercurial, the Kid is determined to create a safe haven for outcast women. But to make this dream a reality, the Gang hatches a treacherous plan that may get them all killed. And Ada must decide whether she's willing to risk her life for the possibility of a new kind of future for them all. Featuring an irresistibly no-nonsense, courageous, and determined heroine, *Outlawed* dusts off the myth of the old West and reignites the glimmering promise of the frontier with an entirely new set of feminist stakes. Anna North has crafted a pulse-racing, page-turning saga

about the search for hope in the wake of death, and for truth in a climate of small-mindedness and fear.

Water Walker - Ted Dekker 2014-09-10

Alice Snow, a thirteen-year-old orphan, is abducted from her adopted home by a strange man claiming that her real mother is alive, and a frantic FBI manhunt ensues.

The Scions of Shannara - Terry Brooks
2000-10-11

NEW YORK TIMES BESTSELLER Since the death of the Druid Allanon, the Four Lands have changed profoundly, with magic strictly forbidden in the Southland, now under totalitarian rule. Yet Par still has some power of the Wishsong. When he accidentally brings a mythic horror to life, a man calling himself Cogleine drives it away. Cogleine brings a message from Allanon: venture to the dread Hadeshorn, along with the other Scions of Shannara. For in the future, all life in the Four Lands will be destroyed. To prevent this terrible fate, Allanon

commands Par to recover the long-lost Sword of Shannara, a task that is next to impossible. Thus continues the enthralling Shannara epic, a spellbinding tale of adventure, magic, and myth.

. . . BONUS: This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*.

Cult of Glory - Doug J. Swanson 2020-06-09

“Swanson has done a crucial public service by exposing the barbarous side of the Rangers.”

—The New York Times Book Review A twenty-first century reckoning with the legendary Texas Rangers that does justice to their heroic moments while also documenting atrocities, brutality, oppression, and corruption The Texas Rangers came to life in 1823, when Texas was still part of Mexico. Nearly 200 years later, the Rangers are still going—one of the most famous of all law enforcement agencies. In *Cult of Glory*, Doug J. Swanson has written a sweeping account of the Rangers that chronicles their epic, daring escapades while showing how the white and propertied power structures of Texas used them

as enforcers, protectors and officially sanctioned killers. *Cult of Glory* begins with the Rangers' emergence as conquerors of the wild and violent Texas frontier. They fought the fierce Comanches, chased outlaws, and served in the U.S. Army during the Mexican War. As Texas developed, the Rangers were called upon to catch rustlers, tame oil boomtowns, and patrol the perilous Texas-Mexico border. In the 1930s they began their transformation into a professionally trained police force. Countless movies, television shows, and pulp novels have celebrated the Rangers as Wild West supermen. In many cases, they deserve their plaudits. But often the truth has been obliterated. Swanson demonstrates how the Rangers and their supporters have operated a propaganda machine that turned agency disasters and misdeeds into fables of triumph, transformed murderous rampages—including the killing of scores of Mexican civilians—into valorous feats, and elevated scoundrels to sainthood. *Cult of Glory*

sets the record straight. Beginning with the Texas Indian wars, Cult of Glory embraces the great, majestic arc of Lone Star history. It tells of border battles, range disputes, gunslingers, massacres, slavery, political intrigue, race riots, labor strife, and the dangerous lure of celebrity. And it reveals how legends of the American West--the real and the false--are truly made.

Hacker - Ted Dekker 2015-01-07

"My name is Nyah and I'm a hacker. I know things most people would never believe. Things that shouldn't exist, but do."

Unrequited Infatuations - Stevie Van Zandt
2021-09-28

Uncover never-before-told stories in this epic tale of self-discovery by a Rock n Roll disciple and member of the E Street Band. What story begins in a bedroom in suburban New Jersey in the early '60s, unfolds on some of the country's largest stages, and then ranges across the globe, demonstrating over and over again how Rock and Roll has the power to change the world for

the better? This story. The first true heartbeat of Unrequited Infatuations is the moment when Stevie Van Zandt trades in his devotion to the Baptist religion for an obsession with Rock and Roll. Groups like the Beatles and the Rolling Stones created new ideas of community, creative risk, and principled rebellion. They changed him forever. While still a teenager, he met Bruce Springsteen, a like-minded outcast/true believer who became one of his most important friends and bandmates. As Miami Steve, Van Zandt anchored the E Street Band as they conquered the Rock and Roll world. And then, in the early '80s, Van Zandt stepped away from E Street to embark on his own odyssey. He refashioned himself as Little Steven, a political songwriter and performer, fell in love with Maureen Santoro who greatly expanded his artistic palette, and visited the world's hot spots as an artist/journalist to not just better understand them, but to help change them. Most famously, he masterminded the recording of "Sun City," an

anti-apartheid anthem that sped the demise of South Africa's institutionalized racism and helped get Nelson Mandela out of prison. By the '90s, Van Zandt had lived at least two lives—one as a mainstream rocker, one as a hardcore activist. It was time for a third. David Chase invited Van Zandt to be a part of his new television show, the Sopranos—as Silvio Dante, he was the unconditionally loyal consiglieri who sat at the right hand of Tony Soprano (a relationship that oddly mirrored his real-life relationship with Bruce Springsteen). Underlying all of Van Zandt's various incarnations was a devotion to preserving the centrality of the arts, especially the endangered species of Rock. In the twenty-first century, Van Zandt founded a groundbreaking radio show (Little Steven's Underground Garage), created the first two 24/7 branded music channels on SiriusXM (Underground Garage and Outlaw Country), started a fiercely independent record label (Wicked Cool), and developed a curriculum

to teach students of all ages through the medium of music history. He also rejoined the E Street Band for what has now been a twenty-year victory lap. *Unrequited Infatuations* chronicles the twists and turns of Stevie Van Zandt's always surprising life. It is more than just the testimony of a globe-trotting nomad, more than the story of a groundbreaking activist, more than the odyssey of a spiritual seeker, and more than a master class in rock and roll (not to mention a dozen other crafts). It's the best book of its kind because it's the only book of its kind. **Instant International Bestseller, New York Times Bestseller, USA Today Bestseller, Wall Street Journal Bestseller, Los Angeles Times Bestseller, Publishers Weekly Bestseller**

He Knows Your Name - Linda Znachko
2016-09-27

When the evening news reported a dead baby abandoned in a local dumpster, Linda Znachko's comfortable life changed. She was suddenly convicted—God was asking her to provide a

dignified burial for this tiny lost child. Linda said yes. She had no idea where that first small yes would lead. Linda found herself in places she never dreamed she would be: at the graveside of the child of an abused mother; by the side of a mother fighting for her lost child; and at the funeral of a Texas stripper who died two days before her baptism but left a legacy of love behind. When Linda stepped out of her comfort zone and into these implausible places with people she was unlikely to otherwise encounter, she discovered the life she never knew she wanted—a life of saying yes to God whenever He asks. Today, Linda has a ministry that gives children a name in life, and dignity and honor in death. When she shares her stories of broken lives redeemed, other broken people respond, and so the ripple effects of that long-ago yes continue to spread, touching lives that yearn for healing, and underscoring the fact that every life matters to God.

WBCN and the American Revolution - Bill

Lichtenstein 2021-11-30

How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award-winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity

on by guest

and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of *The Daily Show*; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg, and Mitchell Kertzman. Lichtenstein's documentary *WBCN and the American Revolution* is available as a DVD sold separately.

Exile on Front Street - Exile on Front Street
George Christie 2016-09-20

I hadn't planned on writing a book when I quit

the Hells Angels. After forty years in the Hells Angels, George Christie was ready to retire. As president of the high-profile Ventura charter of the club, he had been the yin to Sonny Barger's yang. Barger was the reckless figurehead and de facto world leader of the Hells Angels. Christie was the negotiator, the spokesman, the thinker, the guy who smoothed things out. He was the one who carried the Olympic torch and counted movie stars, artists, rock musicians, and police chief captains among his friends. But leaving the Hells Angels isn't easy, and within two weeks of retirement, he was told he was "out bad"—blackballed by his fellow Angels, prohibited from wearing the club patch, and even told he should remove his Death Head tattoo. Now Christie sets out to tell his story. *Exile on Front Street* is the tale of how a former Marine gave up a comfortable job with the Department of Defense and swore allegiance to the Hells Angels. In this revealing, hard-hitting memoir, he recounts his life as an outlaw biker

with the world's most infamous motorcycle club.
