

# The Restored Gospel According To CS Lewis

Recognizing the mannerism ways to acquire this ebook **The Restored Gospel According To CS Lewis** is additionally useful. You have remained in right site to start getting this info. acquire the The Restored Gospel According To CS Lewis partner that we come up with the money for here and check out the link.

You could purchase lead The Restored Gospel According To CS Lewis or get it as soon as feasible. You could speedily download this The Restored Gospel According To CS Lewis after getting deal. So, next you require the ebook swiftly, you can straight get it. Its for that reason unquestionably easy and appropriately fats, isnt it? You have to favor to in this song

[When Life and Beliefs Collide](#) - Carolyn Custis James 2002-11

A book that calls us to be a composite of two women--Mary and Martha--who take time to know Jesus better and whose theology informs and emboldens their ministries to others.

[Dialogue](#) - 1988

A journal of Mormon thought.

**To Seek the Law of the Lord** - Daniel Peterson 2017-08

An academic festschrift honoring the life and works of John W. Welch.

**God in the Dock** - C. S. Lewis 2014-09-15

"Lewis struck me as the most thoroughly converted man I ever met," observes Walter Hooper in the preface to this collection of essays by C.S. Lewis. "His whole vision of life was such that the natural and the supernatural seemed inseparably combined. "It is precisely this pervasive Christianity which is demonstrated in the forty-eight essays comprising *God in the Dock*. Here Lewis addresses himself both to theological questions and to those which Hooper terms "semi-theological," or ethical. But whether he is discussing "Evil and God," "Miracles," "The Decline of Religion," or "The Humanitarian Theory of Punishment," his insight and observations are thoroughly and profoundly Christian. Drawn from a variety of sources, the essays were designed to meet a variety of needs, and among other accomplishments they serve to illustrate the many different angles from which we are able to view the Christian religion. They range from relatively popular pieces written for newspapers to more learned defenses of the faith which first appeared in *The Socratic Digest*. Characterized by Lewis's honesty and realism, his insight and conviction, and above all his thoroughgoing commitments to Christianity, these essays make *God in the Dock* very much a book for our time.--Amazon.com.

[You Are There](#) - Robert Campbell 2016-04-08

*You Are There: Restoring Churches, People, and Places* is a pastoral conversation about creation care. It is a pastoral voice shepherding Christian people in Christian churches towards discipleship that is all the way down to the dirt. In it you will find a pastor with time to talk with you and walk with you so that the fruit of the redemption earned by Jesus' life, death, and resurrection will make a real and substantial difference in your very own backyard. This book is not actually about you; it's about us as local churches. Each local church should care about its place because the church is where God uses the gospel to restore people, and God's restored people restore both people and places. This is what we mean by creation care. You, church, are a gathering of people defined by your faith in Jesus and the dirt you walk on. You are a people sent to that place. This is why it is good news that you are there.

**C. S. Lewis** - Douglas R. Gilbert 2005

Gilbert and Kilby offer a portrait of C.S. Lewis and the milieu in which he lived, using words and pictures to try to represent vividly some aspects of his life.

*Latter-Day Christianity* - Robert L. Millet 1998-01-01

With the rapid and visible growth of the Church of Jesus Christ of Latter-day Saints, it was inevitable that doctrinal differences would arise between the Latter-day Saints and people of other faiths. Members of the LDS Church profess to be Christians, yet others doubt or do not understand this claim. The contributors to *Latter-day Christianity* hope that the 10 essays contained in this full-color, illustrated book will help Latter-day Saints who want to explain their beliefs and will be useful to people outside the LDS Church who want

a simple and clear statement of those beliefs. The essays address such topics as whether Latter-day Saints are Christian and what they believe about God, the Bible, personal revelation, human deification, salvation, and proselytization.

**The Complete C. S. Lewis Signature Classics** - C. S. Lewis 2007-02-06

Seven Spiritual Masterworks by C. S. Lewis This classic collection includes C. S. Lewis's most important spiritual works: *Mere Christianity* *The Screwtape Letters* *The Great Divorce* *The Problem of Pain* *Miracles* *A Grief Observed* *The Abolition of Man*

*C. S. LEWIS PRE-EVANGELISM FOR A POST- CHRISTIAN WORLD* - Brian M. Williams 2021-01-23

We find ourselves living today in very much a "post-Christian" world. Not only does the culture largely reject Christianity's claims, we find that long-held basic truths that people have embraced throughout history have been jettisoned—the belief in objective morality (right and wrong transcend each person's opinions and feelings), spiritual reality (the world contains more than what we see via our 5 senses – that God is real), that truth is objective and knowable (if something is true, my disagreeing with it or finding it unpleasant emotionally doesn't make it false). This presents a great difficulty for Christians trying to communicate the Christian message to people today. We can take nothing for granted if the message is to make any sense to the hearer. We must start with the most basic concepts. The question then arises—How do we make a start when the bedrock ideas are not only disbelieved but viewed with contempt by so many today? C. S. Lewis thought that he had found "a door" we could enter to "steal past the watchful dragons" of the modern person's reason by way of imaginative fiction. He sought to re-introduce Christian ideas clothed in mythological garb so that in time, after their affections had been stirred, the explicit message about Christ might be given a fair hearing. He engaged both the heart and the head. In this way, he "pre-evangelized" his audience. This book examines the grounds—both philosophically and theologically—upon which he did that. It explores Lewis's view of reality and the human imagination, surveying his *Chronicles of Narnia* and *The Space Trilogy* in particular, to demonstrate precisely how he carried out this strategy. We can learn from Lewis here, as we show both the beauty and the truthfulness of Christianity to people in a way that meets them where they are.

**Toward Other Worlds** - Michael R. Collings 2010-05-01

This collection of 25 essays of literary criticism includes pieces on British poet John Milton, British fantasy writer C. S. Lewis, American horror writer Stephen King, American SF and fantasy writer Orson Scott Card, British horror writer Clive Barker, and several others. Complete with bibliography and index.

**Interpreter: A Journal of Mormon Scripture, Volume 17 (2016)** - Daniel C. Peterson 2016-01-01

This is volume 17 of *Interpreter: A Journal of Mormon Scripture* published by The Interpreter Foundation. It contains articles on a variety of topics including: "Making Visible the Beauty and Goodness of the Gospel," "You More than Owe Me This Benefit: Onomastic Rhetoric in Philemon," "Zarahemla Revisted: Neville's Newest Novel," "The Temple: A Multi-Faceted Center and Its Problems," "'How Lovely Is Your Dwelling Place' - A Review of Danel W. Bachman, 'A Temple Studies Bibliography'," "The Return of Rhetorical Analysis to Bible Studies," "Image is Everything: Pay No Attention to the Man Behind the Curtain," "Was Joseph Smith Smarter Than the Average Fourth Year Hebrew Student? Finding a Restoration-Significant Hebraism in Book of Mormon Isaiah," "A Vital Resource for Understanding LDS Perspectives on War," "'He Is a Good Man': The Fulfillment of Helaman 5:6-7 in Helaman 8:7 and 11:18-19,"

"Vanquishing the Mormon Menace," "A Modern View of Ancient Temple Worship," "Nephi's Good Inclusion," "Understanding Genesis and the Temple," "The Old Testament and Presuppositions."

**The Mormon Culture of Salvation** - Douglas J. Davies 2018-12-07

The Mormon Culture of Salvation presents a comprehensive study of Mormon cultural and religious life, offering important new theories of Mormonism - one of the fastest growing movements and thought by many to be the next world religion. Bringing social, scientific and theological perspectives to bear on the Church of Jesus Christ of Latter-day Saints, Douglas Davies draws from theology, history of religions, anthropology, sociology and psychology to present a unique example of a truly interdisciplinary analysis in religious studies. Examining the many aspects of Mormon belief, ritual, family life and history, this book presents a new interpretation of the origin of Mormonism, arguing that Mormonism is rooted in the bereavement experience of Joseph Smith, which influenced the development of temple ritual for the dead and the genealogical work of many Mormon families. Davies shows how the Mormon commitment to work for salvation relates to current Mormon belief in conversion, and to traditional Christian ideas of grace. The Mormon Culture of Salvation is an important work for Mormons and non-Mormons alike, offering fresh insights into how Mormons see the world and work for their future glory in heavenly realms. Written by a non-Mormon with over 30 years' research experience into Mormonism, this book is essential reading for those seeking insights into new interdisciplinary forms of analysis in religion, as well as all those studying or interested in Mormonism and world religions. Douglas J. Davies is Professor in the Study of Religion in the Department of Theology, Durham University, UK. He is the author of many books including *Death, Ritual and Belief* (Cassell, 1997), *Mormon Identities in Transition* (Cassell, 1994), *Mormon Spirituality* (1987), and *Meaning and Salvation in Religious Studies* (Brill, 1984).

**The Collected Letters of C.S. Lewis, Volume 3** - C. S. Lewis 2004

A final installment of a three-volume series is comprised of personal correspondences as penned during the final part of his life, a time during which he passed his days at Cambridge and wrote the Narnia chronicles.

**The Gospel According to Starbucks** - Leonard Sweet 2007-01-16

Leonard Sweet shows you how the passion that Starbucks® has for creating an irresistible experience can connect you with God's stirring introduction to the experience of faith in *The Gospel According to Starbucks*. You don't stand in line at Starbucks® just to buy a cup of coffee. You stop for the experience surrounding the cup of coffee. Too many of us line up for God out of duty or guilt. We completely miss the warmth and richness of the experience of living with God. If we'd learn to see what God is doing on earth, we could participate fully in the irresistible life that he offers. You can learn to pay attention like never before, to identify where God is already in business right in your neighborhood. The doors are open and the coffee is brewing. God is serving the refreshing antidote to the unsatisfying, arms-length spiritual life—and he won't even make you stand in line.

*"This Is My Doctrine": The Development of Mormon Theology* - Charles R. Harrell 2011-08-05

The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s. This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose. Early Mormons, like their early Christian and even earlier Israelite predecessors, brought with them their own varied culturally conditioned theological presuppositions (a process of convergence) and only later acquired a more distinctive theological outlook (a process of differentiation). In this first-of-its-kind comprehensive treatment of the development of Mormon theology, Charles Harrell traces the history of Latter-day Saint doctrines from the times of the Old Testament to the present. He describes how Mormonism has carried on the tradition of the biblical authors, early Christians, and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures. In the process, he probes three questions: How did Mormon doctrines develop? What are the scriptural underpinnings of these doctrines? And what do critical scholars make of these same scriptures? In this enlightening study, Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology. "This Is My Doctrine" will provide those already versed in Mormonism's theological tradition with a new and richer perspective of Mormon theology. Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger

Jewish and Christian theological traditions.

**All Things New** - John Eldredge 2017-09-26

New York Times bestselling author John Eldredge offers readers a breathtaking look into God's promise for a new heaven and a new earth. This revolutionary book about our future is based on the simple idea that, according to the Bible, heaven is not our eternal home--the New Earth is. As Jesus says in the gospel of Matthew, the next chapter of our story begins with "the renewal of all things," by which he means the earth we love in all its beauty, our own selves, and the things that make for a rich life: music, art, food, laughter and all that we hold dear. Everything shall be renewed "when the world is made new." More than anything else, how you envision your future shapes your current experience. If you knew that God was going to restore your life and everything you love any day; if you believed a great and glorious goodness was coming to you--not in a vague heaven but right here on this earth--you would have a hope to see you through anything, an anchor for your soul, "an unbreakable spiritual lifeline, reaching past all appearances right to the very presence of God" (Hebrews 6:19). Most Christians (most people for that matter) fail to look forward to their future because their view of heaven is vague, religious, and frankly boring. Hope begins when we understand that for the believer nothing is lost. Heaven is not a life in the clouds; it is not endless harp-strumming or worship-singing. Rather, the life we long for, the paradise Adam and Eve knew, is precisely the life that is coming to us. And that life is coming soon.

*The Gospel According to Tolkien* - Ralph C. Wood 2003

**Living at the Crossroads** - Michael W. Goheen 2008-11-01

How can Christians live faithfully at the crossroads of the story of Scripture and postmodern culture? In *Living at the Crossroads*, authors Michael Goheen and Craig Bartholomew explore this question as they provide a general introduction to Christian worldview. Ideal for both students and lay readers, *Living at the Crossroads* lays out a brief summary of the biblical story and the most fundamental beliefs of Scripture. The book tells the story of Western culture from the classical period to postmodernity. The authors then provide an analysis of how Christians live in the tension that exists at the intersection of the biblical and cultural stories, exploring the important implications in key areas of life, such as education, scholarship, economics, politics, and church.

*C. S. Lewis & Francis Schaeffer* - Scott R. Burson 2009-09-20

In some ways, they could not be more different: the pipe-smoking, Anglican Oxford don and the blue-collar scion of conservative Presbyterianism. But C. S. Lewis and Francis Schaeffer, each in his unique way, fashioned Christian apologetics that influenced millions in their lifetimes. And the work of each continues to be read and studied today. In this book Scott Burson and Jerry Walls compare and contrast for the first time the thought of Lewis and Schaeffer. With great respect for the legacy of each man, but with critical insight as well, they suggest strengths and weaknesses of their apologetics. All the while they consider what Lewis and Schaeffer still have to offer in light of postmodernism and other cultural currents that, since their deaths, have changed the apologetic landscape. This incisive book stands as both an excellent introduction to the work of these two important figures and a fresh proposal for apologetics at the dawn of a new century.

**Christadelphian Teachings: Bible Basics** - Duncan Heaster 2017-10-07

*Bible Basics* by Duncan Heaster is a standard Christadelphian text used widely in preparation for baptism, covering all the basic teachings of the Gospel of the Kingdom of God. There are 11 studies: God, The Spirit of God [no current possession of the miraculous gifts of the Holy Spirit, tongues, miracles], Death [the soul, spirit, conditional immortality, death as unconsciousness, no rapture to Heaven], The Promises to Noah, Abraham and David, The Kingdom, The Devil and Satan, The origin of Jesus- no pre-existence or Trinity, The nature of Jesus, The work of Jesus [no Sabbath keeping], Baptism, Practical Christianity.

**The Next Christians** - Gabe Lyons 2012-03-13

"I recommend *The Next Christians*, which will give you great insight into the hopes and aspirations of the next generation..." —Chuck Colson, founder of Prison Fellowship "Provocative, yet massively optimistic!" —Louie Giglio, pastor and founder of the Passion Movement Gabe Lyons is optimistic that Christianity's best days are yet to come. His best-selling book, *UnChristian*, revealed the pervasiveness of culture's

growing disregard for Christians. Now, in *The Next Christians*, Lyons shows how a new wave of believers are turning the tide by bringing the truth of the Gospel to bear on our changing, secular society. "Restorers," as Lyons calls them, approach culture with a different mentality than generations past. Informed by truth, yet seasoned with grace and love, these believers engage the world by drawing it to the sensibility and authenticity of the Christian life. You can be one of these "next" Christians and change the negative perception of Christianity by living a life that is faithful to the Gospel, yet credible and coherent to your friends and neighbors.

#### **The Restored Gospel According to C.S. Lewis** - Nathan Jensen

"If you are not familiar with the writings of C. S. Lewis, this book will startle you. If you are familiar with his works, no doubt you have already been startled. Either way, this book will cause you to consider things that you have not before considered. Few English writers are as well known and respected as C. S. Lewis. Through him, the world has received some of its greatest fiction in *The Chronicles of Narnia* and some of its greatest nonfiction in *Mere Christianity* and *The Abolition of Man*. C. S. Lewis taught at Oxford and Cambridge, spoke to societies throughout Europe, and delivered radio addresses to thousands. But how is it that a member of the Church of England (and formerly an atheist), a scholar, an author, and a philosopher, came to understand the true gospel of Jesus Christ in such a remarkable manner? C. S. Lewis had no substantial contact with The Church of Jesus Christ of Latter-day Saints, and yet he has filled his writings with precepts and doctrines that are not only true, but are unique to the restored Church. This is not simply a book about C. S. Lewis, nor is it just about his writings in relation to the gospel of Christ. No, this book is a testimony that those of any religion who truly seek high and low for truth will find it—or it will find them."

#### The Myth of Happiness - Rich Wagner 2009-08-30

What is joy? What isn't joy? And most important, how can we experience it? After all, isn't that what we long for—something that goes beyond a smiley face and takes hold of the fullness Jesus promised his followers? C. S. Lewis said he was "surprised by joy," but the reality is that most Christians today are just plain confused by it. While paying lip service to joy, we replace it in favor of a cheap substitute—happiness. In *The Myth of Happiness*, Rich Wagner dispels our misconceptions and reveals the true nature of biblical joy. He wrestles honestly with the tough questions many of us wonder but haven't known how to ask. Is joy anything more than a plastic smile? Can we experience joy while battling fear and uncertainty? Are Christians honestly expected to "count it all joy," rejoicing in the midst of turmoil and tragedy? Can real joy possibly live up to the hype? Joy transforms. It's God's most tangible gift available to believers this side of heaven. Wagner debunks the myth of happiness and helps us receive the unquenchable joy Christ promises.

#### **Mormonism in Dialogue with Contemporary Christian Theologies** - David Lamont Paulsen 2007

This volume brings together, for the first time, a broad range of scholars from Mormon and other Christian traditions. Replacing polemics and apologetics with dialogue, these exchanges show how the full spectrum of contemporary theologies can be informed by uniquely Mormon ideas, and correlatively, how Mormon thought can be illuminated through the study of key ideas of the foremost theologians of the twentieth and twenty-first centuries.

#### **Sehnsucht: The C. S. Lewis Journal** - Grayson Carter 2012-06-01

*Sehnsucht: The C. S. Lewis Journal*, established by the Arizona C. S. Lewis Society in 2007, is the only peer-reviewed journal devoted to the study of C. S. Lewis and his writings published anywhere in the world. It exists to promote literary, theological, historical, biographical, philosophical, bibliographical and cultural interest (broadly defined) in Lewis and his writings. The journal includes articles, review essays, book reviews, film reviews and play reviews, bibliographical material, poetry, interviews, editorials, and announcements of Lewis-related conferences, events and publications. Its readership is aimed at academic scholars from a wide variety of disciplines, as well as learned non-scholars and Lewis enthusiasts. At this time, *Sehnsucht* is published once a year.

#### **C.S. Lewis in a Time of War** - Justin Phillips 2006-01-24

C. S. Lewis is universally recognized as one of the intellectual giants of the twentieth century. A noted scholar, Lewis was able to reach a vast popular audience during his lifetime and continues to attract thousands of new readers every year. But how did Lewis first become a popular public figure? During the

most desperate years of World War II, Lewis was asked by the British Broadcasting Corporation's recently created Home Service to give radio addresses on Christianity to a nation shaken by war. The choice was controversial. At first dismissed by critics as a layman who was unqualified to tackle such weighty issues, Lewis proved to be enormously persuasive. These radio talks were eventually published as *Mere Christianity*, which now ranks as one of the great classics of religious literature. This rich chapter in Lewis's life, which deals with his love-hate relationship with the "new" medium of broadcasting, has received little attention from biographers and commentators. Yet it was Lewis's work on the radio that made him a household name. By combining narrative skill and adroitly quoting from correspondence, Phillips captures Lewis's reservations, vexations, achievements, and, finally, his enormous success. *C. S. Lewis in a Time of War* is a fascinating look at how these talks were created and the enthusiastic response they generated at a time when bombing in London caused many radio stations to be evacuated. This book reveals a rich, previously untapped vein of Lewis's life and work that will intrigue his millions of fans.

#### Broadcast Talks - C. S. Lewis 2021-08-31

"Broadcast Talks" by C. S. Lewis. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

#### **The Four Loves** - C. S. Lewis 2021-08-31

"The Four Loves" by C. S. Lewis. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. #### **The Restored Gospel According to C.S. Lewis** - 2015-01-14

#### **Narnia Chronicles: A study of Prince Caspian** -

#### Wrestling the Angel - Terryl L. Givens 2014-10-03

In this first volume of his magisterial study of the foundations of Mormon thought and practice, Terryl L. Givens offers a sweeping account of Mormon belief from its founding to the present day. Situating the relatively new movement in the context of the Christian tradition, he reveals that Mormonism continues to change and grow. Givens shows that despite Mormonism's origins in a biblical culture strongly influenced by nineteenth-century Restorationist thought, which advocated a return to the Christianity of the early Church, the new movement diverges radically from the Christianity of the creeds. Mormonism proposes its own cosmology and metaphysics, in which human identity is rooted in a premortal world as eternal as God. Mormons view mortal life as an enlightening ascent rather than a catastrophic fall, and reject traditional Christian concepts of human depravity and destiny. Popular fascination with Mormonism's social innovations, such as polygamy and communalism, and its supernatural and esoteric elements—angels, gold plates, seer stones, a New World Garden of Eden, and sacred undergarments—have long overshadowed the fact that it is the most enduring and even thriving product of the nineteenth century's religious upheavals and innovations. *Wrestling the Angel* traces the essential contours of Mormon thought from the time of Joseph Smith and Brigham Young to the contemporary LDS church, illuminating both the seminal influence of the founding generation of Mormon thinkers and the significant developments in the church over almost 200 years. The most comprehensive account of the development of Mormon thought ever written, *Wrestling the Angel* will be essential reading for anyone seeking to understand the Mormon faith.

#### **Partakers of the Divine Nature** - Michael J. Christensen 2008-02

Scholars from around the world offer a comprehensive, ecumenical survey of the history and development of deification.

#### God Is in the Business of Restoration - Jack Lenza 2012-06

In his new, cutting edge book, *God is in the Business of Restoration*, You are His Business, Pastor Jack

Lenza has a doozy of a story to tell. As a young man he had little use for God, that is, until the day he was dismantling a car with his father, in the salvage yard where they worked and a car slipped off its hooks and crushed him beneath it--twice! With severely disabling injuries he was hospitalized, unable to do anything for himself, which made him a captive audience to the Spirit of God. Since then he has dedicated his life to ministering to those with life-controlling problems, and the homeless and needy, and he has great news for you, too. Jesus loves you and can make you brand new no matter where you've been or what you've done, if you'll only turn to Him. So if you're looking for a book filled with hope, encouragement, and truth, and you're ready for good news, look no further. This is the one you seek, so run, don't walk for a copy of God is in the Business of Restoration--You are His Business!

**Bible Basics** - Duncan Heaster 2011-01-05

Bible Basics is a detailed study of basic Biblical doctrines and teachings. It's a self study guide, with questions at the end of each of the 11 sections. It's designed to go through the basic message of the Bible from start to finish. Bible Basics is a positive presentation of the Gospel, but there are digressions to discuss difficult Bible passages, and to demonstrate that many confusing doctrines such as the Trinity, immortal soul and infant sprinkling are not Biblical nor strictly Christian, but instead merely the creation of mainstream church theologians. The book presents Biblical Christianity. Duncan Heaster is a Christadelphian and the book is also a summary of the doctrines of the Christadelphian faith. The Christadelphian church uses the book as a standard reference. **Inspiring Service** - Andrew Teal 2020-11-15

A celebration of the conversation and friendship between members of various Christian traditions (Roman Catholic, Methodist, Church of Jesus Christ of Latter-day Saints, and Anglican) and a substantial

contribution to a theological understanding of the Church of Jesus Christ of Latter-day Saints in dialogue with other Christian churches.

**C.S. Lewis & Narnia For Dummies®** - Richard Wagner 2011-05-04

Explore C.S. Lewis's life, works, and the world of Narnia the fun and easy way. Curious about C.S. Lewis and The Chronicles of Narnia? This plain-English guide provides a friendly introduction to the master storyteller and Christian apologist, revealing the meanings behind The Chronicles of Narnia and The Screwtape Letters as well as his other works. You'll also discover why Lewis went from being a confirmed atheist to a committed Christian and how he addressed his beliefs in his writings. Discover \* How his life influenced his writings \* His friendship with Tolkien and the Inklings \* The parallels between Narnia and Christianity \* His use of allegory and symbolism \* Resources for further exploration

**Eternal Man** - Truman G. Madsen 2013-02-04

Philosopher and educator Truman G. Madsen offers profound insights about six fundamental "puzzles" in philosophy and religion including the origins of man, evil and suffering, the spirit and the body, and freedom and fulfillment.

**Restored Christianity** - Donna E. Lane, Ph.d. 2013-10

Restored Christianity, co-authored by a Christian counselor and an historian of early Christianity, integrates historical analysis with an in-depth examination of the current state of Christian belief toward restoring the earliest known, foundational beliefs of Christianity and applying those restored beliefs to contemporary life in order to bring healing to the aspects of today's church that can be detrimental to its members or may keep non-believers away. The authors don't shy away from controversy, challenging both the Church, and individual Christians and non-Christians, to evaluate currently held beliefs and embrace an intimate relationship with God. The authors confront current beliefs about such topics as the nature of God, the mysteries of God, the intention and use of the Bible, the meaning of faith, the sovereignty of God, our purpose, suffering, and the efficacy of prayer. The authors use Paul's letters for their evaluations, based on these documents standing as the earliest known Christian writings. According to the authors, "It became apparent to us that historical knowledge is vital for understanding Christianity, both at the time of its conception as well as today. At the same time, we have witnessed how some of the present-day beliefs espoused by the Church have wounded its members, and given those individuals outside of the Church a negative impression of Christ's character. We wrote this book with the hope of planting a seed that could grow and blossom into a renewed understanding and experiencing of a deep, intimate relationship with Jesus Christ." The 2nd Edition adds 200 pages of information, including a new chapter devoted to prayer. It is like getting two books in one. According to William Houser, Ph.D., author of Who Is This Jesus Christ?, "Restored Christianity may be likened to a purifying process, where the authors, like patient jewelers, heat and purify their material until all the dross has been removed and the simple precious metal remains. Of course, their project and scope is giant in size: finding the elemental core of the Holy Scriptures after separating out centuries of wrongful, if well-intentioned, interpretations which have reduced the pure and simple content of God's Word and Will. The authors work in tandem, one dealing with the linguistic and historic roots of the original Bible writings, and the other setting them in a context of Christian living for today. The effort works, and is gratifyingly successful in helping the earnest reader understand God's intentions, His plans and hopes, and greatest of all, His unconditional love for humankind represented forever by the incarnation and sacrifice of His own Son, Jesus Christ. This is not a Reformed work, or a Protestant work, or a Catholic work, this is a Christian work and is refreshingly focused on the Gospel basics that ignited the world when the Good News was first preached in its truest and most earnest forms to a desperate world." Dr. Colin Harris, Professor Emeritus of Religion, states, "The serious reader...will be led on a theological and historical journey that will both inform and sharpen the perspective for participating in what I'm sure will be one of the major conversations of the twenty-first century. It is an excellent and systematic treatment of central areas of theological concern - a unique blending of rigorous historical/critical scholarship, careful and penetrating analysis of...theological themes and concepts, and creative application to contemporary human experience through a wholesome partnership of theology, philosophy, and psychology. A careful and attentive reader will be rewarded with a new window, or "lens," through which to see and think about concepts that have been a part of religious life for a long time. A

reader who has not been around church much will find a challengingly and refreshingly sensible presentation of Christian faith with an appeal not unlike C. S. Lewis' *Mere Christianity*.”

**Mere Mormonism** - Ronald R. Zollinger 2009-05

*Mere Mormonism: A Defense of Mormon Theology* is a detailed explanation of the unique theology of The Church of Jesus Christ of Latter-day Saints and its singular doctrines of salvation.

*The Gospel in the Dock* - Bryan M. Christman 2021-08-10

C. S. Lewis famously penned the phrase “God in the Dock” and proposed that there was a “great divide” between ancient and modern humans, in that our ancestors would have rightly seen themselves “in the

dock” before God, while we moderns have placed God there before us. But what if what God's love most desires for us, the gospel or “good news” of the only way of life for humanity, has been “in the dock” before us from the time of Adam and Eve? And what if it is also the case that the gospel is often “in the dock” as though it is not good—even for the church? This book builds upon and expands the “life and death” stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God, with our own selves, with one another, and even with the natural world itself which we are meant to “steward” for its good. In these pages the reader will discover why the gospel that requires faith is good news, but why we so tragically default to our divisive and self-destructive ways.
