Sister Love and Other Crime Stories - With Audio Level 1 Oxford Bookworms Library - John Escott 2015-03-05

A level 1 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Written for Learners of English by John Escott. Some sisters are good friends, some are not. Sometimes there is more hate in a family than there is love. Karin is beautiful and has lots of men friends, but she can be very unkind to her sister Marcia. Perhaps when they were small, there was love between them, but that was a long time ago. They say that everybody has one crime in them. Perhaps they only take an umbrella that does not belong to them. Perhaps they steal from a shop, perhaps they get angry and hit someone, perhaps they kill . . .

Ovid, *Metamorphoses*, 3.511-733 - Ingo Gildenhard 2016-09-05

This extract from Ovid's 'Theban History' recounts the confrontation of Pentheus, king of Thebes, with his divine cousin, Bacchus, the god of wine. Notwithstanding the warnings of the seer Tiresias and the cautionary tale of a character Acoetes (perhaps Bacchus in disguise), who tells of how the god once transformed a group of blasphemous sailors into dolphins, Pentheus refuses to acknowledge the divinity of Bacchus or allow his worship at Thebes. Enraged, yet curious to witness the orgiastic rites of the nascent cult, Pentheus conceals himself in a grove on Mt. Cithaeron near the locus of the ceremonies. But in the course of the rites he is spotted by the female participants who rush upon him in a delusional frenzy, his mother and sisters in the vanguard, and tear him limb from limb. The episode abounds in themes of abiding interest, not least the clash between the authoritarian personality of Pentheus, who embodies 'law and order', masculine prowess, and the martial ethos of his city, and Bacchus, a somewhat effeminate god of orgiastic excess, who revels in the delusional and the deceptive, the transgression of boundaries, and the blurring of gender distinctions. This course book offers a wide-ranging introduction, the original Latin text, study aids with vocabulary, and an extensive commentary. Designed to stretch and stimulate readers, Gildenhard and Zissos's incisive commentary will be of particular interest to students of Latin at AS and undergraduate level. It extends beyond detailed linguistic analysis to encourage critical engagement with Ovid's poetry and discussion of the most recent scholarly thought.

Middlemarch - George Eliot 2015-05-02

Who that cares much to know the history of man, and how the mysterious mixture behaves under the varying experiments of Time, has not dwelt, at least briefly, on the life of Saint Theresa, has not smiled with some gentleness at the thought of the little girl walking forth one morning hand-in-hand with her still smaller brother, to go and seek martyrdom in the country of the Moors? Out they toddled from rugged Avila, wide-eyed and helpless-looking as two fawns, but with human hearts, already beating to a national idea; until domestic reality met them in the shape of uncles, and turned them back from their great resolve. That child-pilgrimage was a fit beginning. Theresa's passionate, ideal nature demanded an epic life: what were many-volumed romances of chivalry and the social conquests of a brilliant girl to her? Her flame quickly burned up that light fuel; and, fed from within, soared after some illimitable satisfaction, some object which would never justify weariness, which would reconcile self-despair with the rapturous consciousness of life beyond self. She found her epos in the reform of a religious order.

Lifestyles of Gods and Monsters - Emily Roberson 2019-10-22

Greek mythology meets the Kardashians in Emily Roberson's *Lifestyles of Gods and Monsters*, a fresh, fast-paced debut young adult novel about celebrity culture, family dynamics, and finding love amidst it all. Sixteen-year-old Ariadne's whole life is curated and shared with the world. Her royal family's entertainment empire is beloved by the tabloids, all over social media, and the hottest thing on television. The biggest moneymaker? The Labyrinth Contest, a TV extravaganza in which Ariadne leads fourteen teens into a maze to kill a monster. To win means endless glory; to lose means death. In ten seasons, no one has ever won. When the gorgeous, mysterious Theseus arrives at the competition and asks Ariadne to help him to victory, she doesn't expect to fall for him. He might be acting interested in her just to boost ratings. Their chemistry is undeniable, though, and she can help him survive. If he wins, the contest would end for good. But if she helps him, she doesn't just endanger her family's empire—the monster would have to die. And for Ariadne, his life might be the only one worth saving. Ariadne's every move is watched by the public and predestined by the gods, so how can she find a way to forge her own destiny and save the people she loves?

The French Revolution - Thomas Carlyle 1890

Fire in the Minds of Men - James H. Billington 1999

This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era. What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the most pronounced ideological export of the West to the rest of the world in the twentieth century. Billington is interested in revolutionaries--the innovative creators of a new tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg. Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political practice was essentially the work of three Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite his hard realism about the adverse practical consequences of revolutionary dogma, Billington appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries. When this book originally appeared *The New Republic* hailed it as "remarkable, learned and lively," while *The New Yorker* noted that Billington "pays great attention to the lives and emotions of individuals and this makes his book absorbing." It is an invaluable work of history and contribution to our understanding of political life.

The Lottery Winner - Mary Higgins Clark 2000-05-25

Alvirah Meehan, one of Mary Higgins Clark's most beloved characters, returns in these dazzling, intertwined tales of sleuthing and suspense. Alvirah, the former cleaning lady who struck it rich in the lottery, made her first appearance in *Weep No More, My Lady*. Now, with her devoted mate, Willy, the ever-resourceful Alvirah delves into crime-solving on a grand scale -- and with her own inimitable style. Among their many adventures, Alvirah and Willy find a dead actress in their Central Park South condominium upon their return from London in "The Body in the Closet." Needing a break from the big city, they escape to Cape Cod -- only to meet a would-be heiress framed for murder in "Death on the Cape." When Alvirah and Willy seek the tranquillity of the Cypress Point Spa, it's the perfect getaway -- until a jewel thief turns up in "The Lottery Winner." Back in Manhattan, the search for a neighbor's missing newborn makes for a suspense-filled Christmas in "Bye, Baby Bunting."

Breakout Nations: In Pursuit of the Next Economic Miracles - Ruchir Sharma 2012-04-09

International Bestseller One of Foreign Policy's "21 Books to Read in 2012" A Publishers Weekly Top 10 Business Book "The best book on global economic trends I've read in a while."—Fareed Zakaria, CNN GPS To identify the economic stars of the future we should abandon the habit of extrapolating from the recent past and lumping wildly diverse countries together. We need to remember that sustained economic success is a rare phenomenon. After years of rapid growth, the most celebrated emerging markets—Brazil, Russia, India, and China—are about to slow down. Which countries will rise to challenge them? In his best-selling book, writer and investor Ruchir Sharma identifies which countries are most likely to leap ahead and why, drawing insights from time spent on the ground and detailed demographic, political, and economic analysis. With a new chapter on America's future economic prospects, Breakout Nations offers a captivating picture of the shifting balance of global economic power among emerging nations and the West.

Bound by Honor - Colette Gale 2014-08-20

"Maid Marian, now Lady of Leaford, is sent to the court of Prince John, not to take part in the debauchery of his Court of Pleasure, but to spy on him for the queen.... At court, Marian is torn between her duty to the queen and her desire for two men: one, the mysterious highwayman the peasants call Robin Hood, and the other, the dark, cold Sheriff of Nottingham."-- From page [4] of cover.

Myths of the Norsemen - Hélène Adeline Guerber 1912

The Ears of Hermes - Maurizio Bettini 2020-06-17

Though in many respects similar to us moderns, the Greeks and Romans often conceived things differently than we do. The cultural inheritance we have received from them can therefore open our eyes to many "manners of life" we might otherwise overlook. The ancients told fascinating-but different-stories; they elaborated profound-but different-symbols. Above all, they confronted many of the problems we still face today-memory and forgetfulness; identity and its strategies; absolutist moralism and behavioral relativity-only in profoundly different ways, since their own cultural forms and resources were different. In *The Ears of Hermes: Communication, Images, and Identity in the Classical World*, renowned scholar and author Maurizio Bettini explores these different cultural experiences, choosing paths through this territory that are diverse and sometimes unexpected: a little-known variant of a myth or legend, such as that of Brutus pretending, like Hamlet, to be a Fool; a proverb, like *lupus in fabula* (the wolf in the tale), that expresses the sense of foreboding aroused by the sudden arrival of someone who was just the subject of conversation; or great works, like Plautus' *Amphitruo* and Vergil's *Aeneid*, where we encounter the mysteries of the *Doppelgänger* and of "doubles" fabricated to ease the pain of nostalgia. Or the etymology of a word-its own "story"-leads us down some unforeseen avenue of discovery. While scholarly in presentation, this book, in an elegant English translation by William Michael Short, will appeal not only to classicists but also students, as well as to anthropologists and historians of art and literature beyond classics.
