Based on the classic fairy tale. While the three bears are out for a walk, naughty little Goldilocks comes calling and tries out their porridge, chairs and beds to see which are just right. But then the three bears

come home... Read it yourself with Ladybird is one of Ladybird's best-selling series. For over thirty-five years it has helped young children who are learning to read develop and improve their reading skills. Each Read it yourself book is very carefully written to include many key, high-frequency words that are vital for learning to read, as well as a limited number of story words that are introduced and practised throughout. Simple sentences and frequently repeated words help to build the confidence of beginner readers and the four different levels of books support children all the way from very first reading practice through to independent, fluent reading. Each book has been carefully checked by educational consultants and can be read independently at home or used in a guided reading session at school. Further content includes comprehension puzzles, helpful notes for parents, carers and teachers, and book band information for use in schools. Goldilocks and the Three Bears is a Level 1 Read it yourself title, suitable for very early readers who have had some initial reading instruction and are ready to take their first steps in reading real stories. Each story is told very simply, using a small number of frequently repeated words.

Her Three Bears Part One - Indie Black 2021-09-28

Life was perfect, quiet, and uneventful. Entirely mundane. But as the story goes, that was just the calm before the storm that tore my life to

ribbons. One dark, fateful night. One accident that shattered my world. One unforgettable move. And now my life is anything but mundane. My name is Astraea Davis, but you can just call me Rae. This is the tale of a girl whose world was ripped apart and pieced back together in the unforgiving cold. Two months ago my parents were murdered. Their death, as much a mystery to me as the path I'm thrown on because of it. A path that has me contending with the tendrils of an unseen enemy, the quips of an asshole teacher, and the pain from a neglectful aunt. But even the darkest paths have a ray or two of light. For the sun always shines brightest after a brutal and unforgiving storm. A new best friend. A new job that I love. A lickable new boss and his equally sexy as sin, brother. These are my rays in the storm raging around me. As the secrets I didn't know I was hiding are unveiled and the threats loom closer, will the new bonds I've developed hold or will everything around me implode ... again? ***** Her Three Bears is a two part Goldilocks and the Three Bears retelling, a part of the Fairly Twisted Chronicles. This book is a slow burn, reverse harem paranormal romance featuring one female with three mates. Trigger Warnings: This book contains moderate bullying, stalking related themes, swearing, PTSD, and sexual assault. Content suitable for +18 audience
