... As I Follow Christ - Dwain Esmond 2013

Whether you are leading a ministry, an organization, or a family, God has given you a special mission. To fulfill that God-given purpose, secular leadership principles won't be enough: you need to know the biblical principles of leadership. In *As I Follow Christ*, some of the most notable leaders in the Seventh-day Adventist Church share what they've learned about effective leadership. Drawing from the Bible, the writings of Ellen G. White, proven practices, and personal experience, each writer reveals a unique perspective on what it looks like to be a leader who follows God.

The Acts of the Apostles - Ellen G. White 2014-05-26

The fifth book of the New Testament has been known from ancient times as *The Acts of the Apostles*; but this title cannot be found in the book itself. One of the earliest manuscripts, the Codex Sinaiticus, gives as the title the simple word *Acts*, with no

mention of the apostles. There is a reason for this. Acts was intended to be more than a brief history of the service rendered by the twelve disciples, much more than the principal events in the lifework of its four leading characters, Peter, James, John, and Paul. The Acts of the Apostles was one of the last books written by Ellen G. White. It was published a few years before her death. It is one of the most illuminating volumes that came from her prolific pen. The average reader will find it light for Christian witnessing. The message of the book is up to date, and its relevancy is reflected in the effort of the author to show that the twentieth century will witness a bestowal of spiritual power exceeding that of Pentecost. The work of the gospel is not to close with a lesser display of the Holy Spirit's power than marked its beginning.

Robert's Rules of Order - Henry M. Robert 2018-07-10
Robert's Rules of Order by Henry M. Robert There appears to be much needed a work on parliamentary law, based, in its general principles, upon the rules and practice of Congress, and adapted, in its details, to the use of ordinary societies. Such a work should give, not only the methods of organizing and conducting the meetings, the duties of the officers and the names of the ordinary motions, but in addition, should state in a systematic manner, in reference to each motion, its object and effect; whether it

can be amended or debated; if debatable, the extent to which it opens the main question to debate; the circumstances under which it can be made, and what other motions can be made while it is pending. This Manual has been prepared with a view to supplying the above information in a condensed and systematic manner, each rule being either complete in itself, or giving references to every section that in any way qualifies it, so that a stranger to the work can refer to any special subject with safety. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast

majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Revolution in the Church -
Russell Burrill 1993

"As Adventism burns with intense heat in the third world," author Russell Burrill writes in the first chapter of this book, "it barely flames in its homelands. ... Hiring pastors to do the work of the ministry while the laity pay, attend, and observe is not God's plan for the Adventist church." What the author proposes here is indeed revolutionary--nothing less than a radical change in how we Adventists "do church." He contends that both pastors and laity have strayed far from

their biblically assigned roles. Regardless of how things may have been done in the church for decades now, ministry--soul-winning, evangelistic ministry--is not the primary task of Adventist pastors. As the author clearly establishes from the Bible, the chief job description of pastors is to train lay men and women for ministry. Likewise, the laity must cease delegating away its evangelistic privileges and responsibilities to a paid "priesthood" and rediscover the power of "the priesthood of all believers." For those comfortable with the status of quo of laity as spectators and pastors as the performers of ministry, this book may be less than fully welcomed. But for those eagerly awaiting the second pentecost, the ideas proposed here--if implemented--will prove to be the spark that ignites it. - Foreword

Testimonies for the Church - Ellen Gould Harmon White 2011-12-02

This is the eighth volume of "Testimonies for the Church," an influential nine-book set of books from the pen of Ellen G. White. Nearly 5000 pages in all, the entire set contains letters, articles, sermons, records of visions, and instruction regarding the everyday affairs of life. Specifically targeted at members of the Seventh-day Adventist Church, the Testimonies found their genesis in 1855 when a question arose about how best

to circulate Ellen White's visions. After some discussion, it was voted that the visions would be distributed in tract form to the entire body of believers. This method of distribution proved so successful that, by 1864, Mrs. White had produced ten consecutively numbered pamphlets. These pamphlets contained general counsel to the church at large. They also contained specific counsel to individuals, since Ellen White realized that the instruction to one person would help others in similar circumstances. Although the earliest pamphlets went out of print, in 1883 the church standardized the messages—which by then had grown into many more communications—into a nine-volume set of Spirit of Prophecy counsels. This set, which contains spiritual commentary of a general nature along with many letters of intimate instruction to members of the church during Ellen White's time, has become a staple of Adventist literature. Steps to Personal Revival -
Helmut HAUBEIL 2020-03-17
On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

Discipling Nurturing and Reclaiming - Nurture and Retention 2021-03-18

Addressing low church member retention is long overdue. One of the initiatives of the General Conference of Seventh-day Adventists(R) to address this matter is to hold Nurture and Retention Global Summits. The first one met in November 18-20, 2013 and the second one in April 5-7, 2019. The primary purpose of this publication is to preserve and disseminate the content of the seminars and workshops offered during the 2019 Nurture and Retention Summit. It covers three important related areas: Discipling, Nurturing, and Reclaiming. The secondary, and probably most important, long-term goal is to keep the conversation running and to continue to share and develop best practices to be more effective and efficient in God's mission. We believe this book will give you enough insight about the

need to develop more efficient ways to attract and equip new members, as well as sending them to fulfill God's work to "make disciples of all nations" (Matt. 28:19, NIV).

Look What God Is Doing! - Dick Eastman 2009-11-01

Dick Eastman has traveled the world forty times over as president of Every Home for Christ, a ministry that uses home-to-home literature

distribution to spread the gospel. Currently EHC has planted more than 2.6 billion gospel messages in 198 nations. Now Dick shares some of the powerful testimonies resulting from that work over the last 62 years. These remarkable stories--from the jungles of Brazil to the foothills of the Himalayas--will amaze and spur the faith of believers everywhere, helping them see that, as Dick says, "Finishing the task of the Great Commission, in our neighborhoods and throughout the earth, is really quite simple--and on its way to fulfillment.
