In this new edition, the authors methodically explore that common ground, reflecting on the basics of the Profession of Arms, and the officer's special place and distinctive obligations within that profession and especially to the Constitution.

The Complete Lyrics of Oscar Hammerstein II - Oscar Hammerstein II 2008-11-25

From every "beautiful mornin'" to "some enchanted evening," the songs of Oscar Hammerstein II are part of our daily lives, his words part of our national fabric. Born into a theatrical dynasty headed by his grandfather and namesake, Oscar Hammerstein II breathed new life into the moribund art form of operetta by writing lyrics and libretti for such classics as *Rose-Marie* (music by Rudolf Friml), *The Desert Song* (Sigmund Romberg), *The New Moon* (Romberg) and *Song of the Flame* (George Gershwin). Hammerstein and Jerome Kern wrote eight musicals together, including *Sweet Adeline*, *Music in the Air*, and their masterpiece, *Show Boat*. The vibrant *Carmen Jones* was Hammerstein's all-black adaptation of the tragic opera by Georges Bizet. In 1943, Hammerstein, pioneer in the field of operetta, joined forces with Richard Rodgers, who had for the previous twenty-five years taken great strides in the field of musical comedy with his longtime writing partner, Lorenz Hart. The first Rodgers and Hammerstein work, *Oklahoma!*, merged the two styles into a completely new genre—the musical play—and simultaneously launched the most successful partnership in American musical theater. Over the next seventeen years, Rodgers and Hammerstein wrote eight more Broadway musicals: *Carousel*, *Allegro*, *South Pacific*, *The King and I*, *Me and Juliet*, *Pipe Dream*, *Flower Drum Song*, and *The Sound of Music*. They also wrote a movie musical (*State Fair*) and one for television (*Cinderella*). Collectively their works have earned dozens of awards, including Pulitzers, Tonys, Oscars, Grammys, and Emmys. Throughout his career, Hammerstein created works of lyrical beauty and universal feeling, and he continually strove—sometimes against fashion—to seek out the good and beautiful in the world. "I know the world is filled with troubles and many injustices," he once said. "But reality is as beautiful as it is ugly . . . I just couldn't write anything without hope in it." All of his lyrics are here—850, more than a quarter published for the first time—in this sixth book in the indispensable *Complete Lyrics* series that has also brought us the lyrics of Cole Porter, Lorenz Hart, Ira Gershwin, Irving Berlin, and Frank Loesser. From the young scribe's earliest attempts to the old master's final lyric—"Edelweiss"—we can see, read, and, yes, sing the words of a theatrical and lyrical genius.

The Mother's Manual - Audrye S. Arbe 2019-08-05

Who am I and where do I come to write this book? I feel it necessary to address all aspects of motherhood, so I decided to include both the sweetness and delight plus the shadow side of motherhood in this book. Some challenging life situations occur that are vital for us to consider, so I am including some disquieting statistics. Because many women (and men) have refrained from checking within themselves or making an examination on emotional, mental, physical and spiritual planes about having children, hardships have been created, both personally and planetary.

A Comprehensive Manual of Abhidhamma - Anuruddha 2000

Abhidhamma has the fearsome reputation of being somewhat juiceless to a beginner. I was delighted to find that in the introductory chapter Bhikkhu Bodhi gives his explanation of the four-fold ultimate realities in a very clear, calm, exact and expressive way. He brings to the subject a distinctively passionate voice and profound care and respect for the unfathomable wisdom of the Buddha. This is a brilliant gem of a guidebook and will lead the reader to new dimensions of the wisdom of the Buddha. Book jacket.

This volume, based on the authoritative revised German edition of 1950, makes Schweidler's work available in English for the first time, in a meticulously edited and annotated scholarly edition. An extensively illustrated appendix presents case studies of eleven Old Master prints that were treated using the techniques Schweidler discusses.
