Night Embrace - Sherrilyn Kenyon 2010-04-01

Dear Reader, Life is great for me. I have my chicory coffee, my warm beignets, and my best friend on the cell phone. Once the sun goes down, I am the baddest thing prowling the night: I command the elements, and I know no fear. For centuries, I've protected the innocent and watched over the mankind, making sure they are safe in a world where nothing is ever certain. All I want in return is a hot babe in a red dress, who wants nothing more from me than one night. Instead, I get a runaway Mardi Gras float that tries to turn me into roadkill and a beautiful woman who saves my life but can't remember where she put my pants. Flamboyant and extravagant, Sunshine Runningwolf should be the perfect woman for me. She wants nothing past tonight, no ties, no long-term commitments. But every time I look at her, I start yearning for dreams that I buried centuries ago. With her unconventional ways and ability to baffle me, Sunshine is the one person I find myself needing. But for me to love her would mean her death. I am cursed never to know peace or happiness--not so long as my enemy waits in the night to destroy us both. --Talon of the Morigantes

The Atlantean goddess of Wrath and Misery, Bethany was born to right wrongs. But it was never a task she relished. Until now. She owes Acheron a debt that she vows to repay, no matter what it takes. Styxx and Acheron must put aside their past and learn to trust each other or more will suffer. One that wants to start by devouring your very soul?

Dance With the Devil - Sherrilyn Kenyon 2010-04-01

Zarek's Point of View: Dark-Hunter: A soulless guardian who stands between mankind and those who would see mankind destroyed. Yeah, right. The only part of that Code of Honor I got was eternity and solitude. Insanity: A condition many say I suffer from after being alone for so long. But I don't suffer from my insanity-I enjoy every minute of it. Trust: I can't trust anyone...not even myself. The only thing I trust in is my ability to do the wrong thing in any situation and to hurt anyone who gets in my way. Truth: I endured a lifetime as a Roman slave, and 900 years as an exiled Dark-Hunter. Now I'm tired of enduring. I want the truth about what happened the night I was exiled-I have nothing to lose and everything to gain. Astrid (Greek, meaning star): An exceptional woman who can see straight to the truth. Brave and strong, she is a point of light in the darkness. She touches me and I tremble. She smiles and my cold heart shatters. Zarek: They say even the most damned man can be forgiven. I never believed that until the night Astrid opened her door to me and made this feral beast want to be human again. Made me want to love and be loved. But how can an ex-slave whose soul is owned by a Greek goddess ever dream of touching, let alone holding, a fiery star?

Insurrection - Sherrilyn Kenyon 2020-01-02

From the #1 bestselling author of the Dark-Hunters comes an all new tale her fans have been waiting almost two decades to read. A post-apocalyptic tale unlike any you ever seen: The virus ran swiftly on the hot summer breeze. Unseen. Unheard. Unknown. It swept through the entire earth in a matter of months, having mercy on no one. Young—old—it didn't matter. Brought to us by the Drabs, it was the last thing we

expected. But the Drabs knew. They even fought a war over whether or not they should save us. In the end, it was decided that we were diseased insects who were unfit to breathe their air. Our air. So they left the human race to die a miserable death of agonizing pain in a matter of months. Left us with no doctors or medicine. Their plan was to rid the earth of us and to take our home as their own. What they never expected was the change that would come after the plague. We didn't all die off as they'd planned. Those under the age of twenty somehow managed to survive the disease. We managed to hide ourselves while our bodies changed. Still human, but now something else. Something more powerful and more intuitive. More pissed off. Now possessed of magical powers and abilities beyond belief, we're still here on this earth, and we're not leaving. This is our home. Our planet. Drabs take note and learn to be afraid. You've had a hundred years here on earth, but now your time here is done. You called us rodents. Insects. Diseased animals. The scraps of humanity—and that, my Drab friend, we certainly are. But what you should have realized is that you can't kill a Scrap. Humanity isn't dead. Not by a long shot. We still have our soldiers and we have our conviction. Most of all, we have hope. And we will win in the end. Whatever it takes. Whatever it costs. We won't allow you to take our planet from us. So count your days, Drabs. The war is on. This edition also contains the short story *The Witch of Endor*.

Infinity - Sherrilyn Kenyon 2010-05-25

At fourteen, Nick Gautier thinks he knows everything about the world around him. Streetwise, tough, and savvy, his quick sarcasm is the stuff of legends. . .until the night when his best friends try to kill him. Saved by a mysterious warrior who has more fighting skills than Chuck Norris, the teenaged Nick is sucked into the realm of the Dark-Hunters: immortal vampire slayers who risk everything to save humanity. Nick quickly learns that the human world is only a veil for a much larger and more dangerous one: a world where the captain of the football team is a werewolf and the girl he has a crush on goes out at night to stake the undead. But before he can even learn the rules of this new world, his fellow students are turning into flesh-eating zombies--and he's next on the menu. As if starting high school isn't hard enough. . .now Nick has to hide his new friends from his mom, his chain saw from the principal, and keep the zombies and the demon Simi from eating his brains, all without getting grounded or suspended. How in the world is he supposed to do that?
