Study Abroad for Pre- and In-Service Teachers - Laura Baecher
2020-12-30

By exploring the experiences of pre- and in-service teachers, as well as the design and implementation of study abroad programs developed specifically for them, this volume highlights the potential of international learning in promoting teachers' global and critical understandings of their roles as educators in an increasingly diverse and interconnected world. Recognizing teacher study abroad as a unique strand within the wider foreign education literature, *Study Abroad for Pre- and In-Service Teachers* emphasizes how it can be conceptualized, theorized, and implemented as part of initial and continuing teacher training. Chapters consider study abroad programs and teaching practices in Europe, Asia, the Americas, and in Indigenous communities, and document the transformative learning experiences which impact the way teachers think about learning, teaching, and identity. Together, the chapters foreground the personal and professional advantages of teacher study abroad and provide key insights to inform design and programming for sustainable, impactful teacher study abroad which supports teachers in building intercultural competence and enhances their capacity to serve students of varying cultural and linguistic backgrounds. This volume will appeal to researchers, scholars, education abroad facilitators, and teacher educators with an interest in international mobility, multicultural

education, culturally responsive pedagogy and study abroad. In addition, pre- and in-service teachers will find the book of value.

This volume covers topics such as drugs and alcohol abuse, taking care of you through stress management, leadership training, tutoring, group work, enhancing sexual health, disordered eating, suicide prevention, coping with loss, highway traffic safety, bullying reduction, mentoring, crisis management, character education, problem gambling prevention, and tobacco prevention.

The Skilled Helper: A Problem-Management and Opportunity-

Development Approach to Helping - Gerard Egan 2013-01-01

Over the past 30 years, Egan's THE SKILLED HELPER has taught thousands of students like you a proven, step-by-step counseling process that leads to increased confidence and competence. Internationally recognized for its successful problem-management and opportunity development approach to effective helping, the text emphasizes the collaborative nature of the therapist-client relationship and uses a practical, three-stage model that drives client problem-managing and opportunity-developing action. As you read, you'll also gain a feeling for the complexity inherent in any helping relationship. In this tenth edition, Egan now makes use of his version of the "common factors" approach, which gives new meaning and vitality to the book's themes, as well as to the use of the problem-management model to organize and give coherence to those themes. Meeting the Challenges of Elder Care - Yayoi Saitō 2010

Based on comparative and collaborative studies of Japanese and Norwegian specialists, this book focuses upon the critical analysis of 'rationality of care' with an empirical examination of care services in the two countries. The book argues that elder care is not simply the act of labor, but that of love, and it looks at such aspects of care as home help, new public management, and social enterprise. Predicated on the historical experience and contemporary reality of elder care in both countries, the study confronts the commercial rationalization of care practices and explores their desirable forms.

Hearings - United States. Congress Senate 1950

Therapeutic Recreation - Marcia Jean Carter 2011-02-17

A long-standing tradition of excellence is extended in the Fourth Edition of this authoritative introduction to the field of therapeutic recreation. The authors effectively combine a broad orientation to the profession with the practical information necessary for students to become

successful practitioners. Part I contains a comprehensive discussion of the field's history and theoretical underpinnings, providing students with the perspective they need to evaluate the social, cultural, demographic, economic, and technical forces that have shaped and are continuing to impact health and human services in general, and therapeutic recreation in particular. Part II introduces students to the client populations served by therapeutic recreation specialists and describes specific approaches and activities employed by TR professionals to help clients achieve meaningful improvements in health status, functional capacities, and quality of life. The authors have retained the practical, student-oriented approach that makes this an ideal text for introductory courses. They address all content areas included in the NCTRC certification exam, are compatible with the American Psychiatric Association on psychological classifications, and incorporate the World Health Organization's international classification of functioning, disability, and health. The latest edition contains updated information on baby boomers, the obesity epidemic, and evidence-based practices; field-based photographs and illustrations; and study questions and exercises designed to engage students.

An Introduction to Human Services - Marianne R. Woodside 2019-01-31
AN INTRODUCTION TO HUMAN SERVICES, 9th Edition, offers a uniquely practical and comprehensive introduction to the human services profession. Drawing on the authors' extensive experience, the text defines human services, reviews the historical development of advocacy, examines service delivery models and processes, and emphasizes the skills needed to succeed as a practitioner. Students gain a solid

grounding in serving the whole person, using an interdisciplinary approach, interacting with helper and client, preparing generalists, and empowering clients. Detailed case studies highlight the practical applications of key concepts and prepare students to address issues they're likely to encounter. This edition reflects the changing world of human services, the clients that human service professionals serve, and the cultural dimensions of human services and clients.
