Management Accounting - Carol J. McNair-Connolly 2020-04-30

Managerial Accounting - Kurt Heisinger 2018

A Textbook of Accounting for Management, 4th Edition - Maheshwari S.N./ Maheshwari S.K. & Maheswari Sharad K.

The book provides a comprehensive coverage of the course-content requirements of the students appearing in the paper 'Management Accounting' at the MBA and MCom examinations of different Indian Universities and those of professional institutions. The book has been divided into five convenient sections. Each section covers a different aspect of 'Management Accounting' with the subject divided into chapters covering different topics in a systematic and concise manner. The unique features of this book lie in its simple and systematic presentation of theory, which would enable the students to solve practical problems with ease. The other main strengths of this book are: plentiful illustrative examples and end-of-the-chapter exercises with answers.

Management Accounting - Debarshi Bhattacharyya 2011

Management Accounting is a comprehensive textbook with a focus on the essentials, designed to help students understand the basic concepts and practice underlying management accounting

in a systematic manner. A balanced approach between theoretical and numerical aspects of the subject has been adopted to ensure ease and clarity in learning. The lucid writing, contents and organization of the chapters make the book eminently suitable for the undergraduate students of various Indian Universities.

Managerial Accounting - Charles E. Davis 2011-08-09

"Realizing that most students in an introductory managerial accounting course are not going to major in accounting, this book seeks to position managerial accounting in a broader context of business decision making."--Pref.

Cornerstones of Managerial Accounting - Maryanne M. Mowen 2010-06

Discover the managerial accounting text written to complement the way you study and learn! CORNERSTONES OF MANAGERIAL ACCOUNTING, 3E, uses a unique framework to show you the key concepts, or "Cornerstones," of accounting. As you come to understand these fundamental calculations, you will develop critical problem-solving skills to make real business decisions.

Ask a Manager - Alison Green 2018-05-01

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been

called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Managerial Accounting - Ray Garrison
2014-01-02

As the long-time #1 best-seller, Garrison has helped guide close to 3 million students through managerial accounting since it was first published. It identifies the three functions managers must perform within their organisations - plan operations, control

activities, and make decisions - and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it. Garrison's Managerial Accounting is known for its relevance, accuracy, and clarity. It is also unique in that the authors write the most important supplements that accompany the book: solutions manual, test bank, instructor's manual, and study guide making them both of high quality and extremely consistent with the textbook.

Managerial Accounting for Undergraduates
- Theodore Christensen 2019-02

Introduction to Managerial Accounting - Peter C. Brewer 2021

"Brewer's Introduction to Managerial Accounting has earned a reputation as the most accessible and readable book on the market. Its manageable chapters and clear presentation point students toward understanding just as the needle of a compass provides direction to travelers.H"--

Managerial Accounting: An Introduction to Concepts, Methods and Uses - Michael W. Maher 2012-07-24

Prepare your MBA students to become successful managers, not just leading accountants, with the proven success of **MANAGERIAL ACCOUNTING: AN INTRODUCTION TO CONCEPTS, METHODS AND USES, 11E**. This edition effectively balances coverage of concepts, methods, and the uses of managerial accounting with a strong emphasis on management decision-making. Students focus on concepts and managerial uses of financial information, rather than simply perfecting the accounting techniques. This edition combines core managerial accounting concepts with the latest cutting-edge material that is relevant to all managers and decision makers. A continued emphasis on international issues prepares students for today's globalized business environment. This edition also highlights the strategic effects of decisions, ethics, and new management accounting trends to prepare students for the challenges of today's workplace. Numerous realistic examples and application problems help emphasize the skills most critical today including process improvement and integrating financial reporting

issues within management decision-making. Students also learn to apply managerial accounting tools to the emerging service sector, government, and nonprofit organizations with new coverage of risk management and internal controls. Select MANAGERIAL ACCOUNTING, 11E to truly prepare your MBA students to be the successful managers they are meant to be. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Managerial Accounting - Robert Libby
2016-01-06

Whitecotton, Managerial Accounting 3e and Connect present an integrated and proven solution designed to help attain course goals of student readiness and motivation, comprehension of content, and application of key concepts. Whitecotton, Managerial Accounting 3e addresses the reality of students taking the managerial accounting course: the majority of them will not become accounting majors and accountants; instead they will use accounting information in their professional lives to make business decisions. Therefore, the greatest challenges instructors have are to engage these students in the managerial accounting course, keep the students motivated throughout the course, and teach them accounting in a way that connects conceptual understanding to the real world, so students will be able to analyze and apply their managerial accounting knowledge successfully in careers as managers in the world of business. Whitecotton 3e will engage and motivate students by presenting accounting in the context of real, recognizable companies like Apple, Starbucks, and California Pizza Kitchen, then integrate those companies throughout the chapters. This will allow students to see accounting information being used to make real business decisions in companies that are part of their lives, helping them connect their learning to the real world. McGraw-Hill Connect Accounting provides a complete digital solution with a robust online learning and homework management system, an integrated media-rich eBook, assignable end-of-chapter material, algorithmic functionality, and reporting capabilities. Contained within Connect Accounting is McGraw-Hill's SmartBook, the first and only adaptive eBook on the market,

which is designed to help students learn faster, study more efficiently, and retain more knowledge for greater success. In addition, Guided Examples provide students with narrated and animated, step-by-step walkthroughs of algorithmic versions of assigned exercises. In addition, Interactive Presentations deliver learning objectives in an interactive environment, giving students access to course-critical content anytime, anywhere. Auto-Graded Excel Simulations, assignable within Connect Accounting, allow students to practice their Excel skills—such as basic formulas and formatting—within the context of accounting. These questions feature animated, narrated Help and Show Me tutorials (when enabled), as well as automatic feedback and grading for both students and professors.

Loose Leaf For Managerial Accounting for Managers - Peter C. Brewer, Professor
2019-01-08

Authors Eric Noreen, Peter Brewer, and Ray Garrison have crafted a streamlined Managerial Accounting book that is perfect for non-accounting majors who intend to move into managerial positions by focusing on the fundamentals to develop the conceptual framework managers need to succeed. This is done by adhering to the three core standards: FOCUS Noreen/Brewer/Garrison pinpoint the key managerial concepts students will need in their future careers. With no journal entries or financial accounting topics to worry about, students can focus on the fundamental principles of managerial accounting. The manager approach in Noreen allows students to develop the conceptual framework needed to succeed, with a focus on decision making and analytical skills. RELEVANCE Building student interest with its insightful Business Focus vignettes opening each chapter, current In Business examples throughout the text, and tried-and-true end-of-chapter material, students will always see the real-world applicability of Noreen/Brewer/Garrison. BALANCE There is more than one type of business, and so Noreen/Brewer/Garrison covers a variety of business models, including nonprofit, retail, service, wholesale, and manufacturing organizations. Service company examples are highlighted with icons in the margins of the text.

Principles of Accounting Volume 2 - Managerial Accounting - Mitchell Franklin 2019-02-14

A less-expensive grayscale paperback version is available. Search for ISBN 9781680922936. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

Principles of Managerial Accounting - Christine Jonick 2018-12-31

The University of North Georgia Press and Affordable Learning Georgia bring you Principles of Managerial Accounting. Well-written and straightforward, Principles of Managerial Accounting is a needed contribution to open source pedagogy in the business education world. Written in order to directly meet the needs of her students, this textbook developed from Dr. Jonick's years of teaching and commitment to effective pedagogy.

ACCOUNTING FOR MANAGERS - JELSY JOSEPH KUPPAPALLY 2008-08-08

Decision-making is a pivotal function of any manager. A knowledge of Accounting, insofar as it affects decision-making, is very important for a manager. And very often, students find Accounting as one of the 'tough' subjects to handle. This book strives to make Accounting intelligible and easily comprehensible to students. The text gives a comprehensive coverage of the three branches of Accounting - Financial Accounting, Management Accounting, and Cost Accounting. It focuses on the various methods and techniques followed in the Management Reporting System. The text deals,

in detail, with various accounting transaction procedures, methods of costing, ratio analysis, budgeting, forecasting, accounting errors, funds flow and cash flow statements, trial balance and balance sheet, and so on. It equips the students with the knowledge in the preparation, analysis, evaluation, and interpretation of financial statements, which will enrich their managerial competence and decision-making skills. **KEY FEATURES** □ Emphasises the various accounting and decision-making techniques. □ Provides a number of problems and their solutions, besides giving notes, working notes, and exercises, to help the students understand the concepts better. This book is intended as a text for the postgraduate students of Management (MBA/MIB), financial courses (MFC), and undergraduate and postgraduate students of Commerce and those pursuing MCA. In addition, the book will be very useful to practising managers who wish to develop effective and result-oriented decision-making skills.

Loose-leaf for Managerial Accounting - Ray Garrison 2011-01-07

As the long-time #1 best-seller, Garrison has helped guide close to 3 million students through managerial accounting since it was first published. It identifies the three functions managers must perform within their organizations—plan operations, control activities, and make decisions—and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it. Garrison's Managerial Accounting is known for its relevance, accuracy, and clarity. It is also unique in that the authors write the most important supplements that accompany the book: solutions manual, test bank, instructor's manual, and study guide - making them both of high quality and extremely consistent with the textbook.

Managerial Accounting (16th Edition) - Ray H. Garrison 2020

Managerial Accounting - Ronald W. Hilton 1999-01-01

Managerial Accounting - Jerry J. Weygandt 2009-10-19

Many corporate managers struggle to see the relevance of accounting in their everyday

responsibilities. Weygandt shows them how managerial accounting information fits in the larger context of business so they are better able to understand the important concepts. The new Do It! feature reinforces the basics by providing quick-hitting examples of brief exercises. The chapters also incorporate the All About You (AAY) feature as well as the Accounting Across the Organization (AAO) boxes that highlight the impact of accounting concepts. With these features, readers will have numerous opportunities to think about what they have just read and then apply that knowledge to sample problems.

Managerial Accounting for Managers - Ray H Garrison 2016-01-06

Managerial Accounting for Managers, 4th edition by Noreen/Brewer/Garrison is based on the market-leading managerial accounting solution, Managerial Accounting, by Garrison, Noreen and Brewer. The Noreen solution presents integrated and proven solutions designed to help attain course goals of student readiness, comprehension of content, and application of key concepts in the managerial accounting course, while addressing the needs of instructors who do not wish to teach the financial accounting-oriented content that is included in the Garrison solution (no debits/credits). Of the three programs in the Garrison franchise (the Brewer solution, the Garrison solution, and the Noreen solution), the Noreen solution is the most pure management accounting content. The other two programs contain greater coverage of financial accounting topics. Managerial Accounting for Managers 4e is geared towards professors who love Garrison's market-leading managerial accounting content but prefer to approach their course by eliminating the debits and credits coverage. The Noreen solution includes the managerial accounting topics such as Relevant Costs for Decision Making, Capital Budgeting Decisions, and Segment Reporting and Decentralization, however, the job-order costing chapter has been extensively rewritten to remove all journal entries. Furthermore, the chapters dealing with process costing, the statement of cash flows, and financial statement analysis have been dropped to enable professors to focus their attention on the bedrocks of

managerial accounting—planning, control, and decision making. McGraw-Hill's Connect Accounting offers a complete digital solution combines all the great features of Connect Accounting including McGraw-Hill's SmartBook, powered by LearnSmart, which is designed to help students learn faster and more efficiently, and retain more knowledge for greater success. In addition, Interactive Presentations deliver learning objectives in an interactive environment, giving students access to course-critical content anytime, anywhere. Guided Examples provide students with narrated and animated, step-by-step walkthroughs of algorithmic versions of assigned exercises. Auto-Graded Excel Simulations, assignable within Connect Accounting, allow students to practice their Excel skills—such as basic formulas and formatting—within the context of accounting. These questions feature animated, narrated Help and Show Me tutorials (when enabled), as well as automatic feedback and grading for both students and professors. Managerial Accounting - Ronald W. Hilton 2003-09

Emphasises on teaching students to use accounting information to best manage an organization. Each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. This text also covers contemporary topics such as, activity-based costing, target costing, the value chain, and more.

Managerial Accounting for Managers - Eric W. Noreen 2019

Managerial Accounting - Jerry J. Weygandt 2020-11-16

Discover a concise yet comprehensive overview of the foundations of management accounting in Canada from three leading voices in their field. The newly revised Sixth Canadian Edition of Managerial Accounting: Tools for Business Decision-Making delivers a thoroughly revised exploration of the foundations and fundamentals of management accounting in a uniquely Canadian context. Along with this series' hallmark features, including DO IT! Exercises, chapter review and practice sections, educational infographics, real-world Business Insight sections, Decision Tools, and a suite of

Digital Tools, this new edition includes a fresh treatment of data analytics in the real world. The book analyzes the impact of data analytics on decision-making and shows readers how to put data analytics into practice in real-world situations. Each chapter also contains brand-new changes, like new highlighted applications of standard costing and new case studies. Online solution walkthrough videos, interactive tutorials, adaptive practice exercises, and comprehensive Excel-based homework material round out the book's fulsome and educational package. Readers will also benefit from the inclusion of: A thorough introduction to cost concepts for decision makers, including job-order cost accounting, process cost accounting, and activity-based costing An exploration of decision-making concepts, including incremental analysis and alternative inventory costing methods Discussions of planning and control concepts, including budgetary planning, budgetary control and responsibility accounting, and standard costs and the Balanced Scorecard A suite of digital tools, including real-world company videos Perfect for undergraduate students about to begin an accounting program, **Managerial Accounting: Tools for Business Decision-Making** will also earn a place in the libraries of undergraduate business and MBA students seeking a one-stop reference to the basic principles of management accounting.

Management Dynamics - John A. Caspari
2004-11-23

Here's an in-depth, step-by-step analysis defining the critical ingredients essential to achieving ongoing improvement and a robust bottom line! Focusing on practical, dynamic solutions for weaknesses in the interdependent parts of an organization, **Management Dynamics** provides a comprehensive introduction to the Theory of Constraints (TOC) in profit-oriented organizations, complete with the crucial but oft-missing pieces of the constraint theory—a fully integrated and supporting accounting system and the dynamic motivator to drive ongoing improvement in the bottom line. Order your copy today!

Financial & Managerial Accounting for MBAs - Thomas R. Dyckman 2020

Wild, **FAF** provides an integrated solution that uses the same pedagogy and framework as Wild, **Managerial Accounting**. **Connect Accounting** provides a complete digital

solution with a robust online learning and homework management system, an integrated media-rich eBook, assignable end-of-chapter material, algorithmic functionality, and reporting capabilities. Contained within Connect Accounting is an adaptive learning system, LearnSmart, which is designed to help students learn faster, study more efficiently, and retain more knowledge for greater success. In addition, Interactive Presentations deliver learning objectives in an interactive environment, giving students access to course-critical content anytime, anywhere. Guided Examples provide students with narrated and animated, step-by-step walkthroughs of algorithmic versions of assigned exercises.

Management Accounting for Informed Business Decisions - Ricardo M. Harina
2011-01-16

This book covers the managerial use of accounting information to managers within organizations and to provide them with the basis to make informed business decisions. It covers a wide variety of managerial uses of accounting information in line with the ever changing and dynamic nature of the business environment. Emphasis is made on the practical applications of managerial concepts, tools and methodology. It covers a broad selection of management accounting areas that will enhance the knowledge and skills of managers in planning, controlling and decision making. It will also help students in accountancy develop their proficiency and comprehension of using relevant accounting information in determining how business decisions are made in real situations. This book provides a comprehensive study on Financial Statement Analysis, Cost-Volume-Profit Analysis, Variable Costing, Activity Based Costing, Differential Cost Analysis, Pricing Decision, Transfer Pricing, Budgeting for Profit and Control, Standard Costs and Variance Analysis, Quantitative Methods, Working Capital Management, and Capital Budgeting. Each chapter provides example problems with solutions that will make the learning process simple and easier to comprehend. This will guide you on a step by step basis in solving management accounting problems that will aid you in making informed business decisions. Each subject area gives test problems at the end of

each chapter that will check your skill and understanding in your learning process. The answers and solutions to these test problems are provided in the Answers and Solution section of this book.

Financial and Managerial Accounting - Jan R. Williams 2020

"As our eyes are drawn upward to the skyline of great cities, it's important to remember that these impressive constructions are able to reach such heights only because their foundations are strong. In much the same way, being successful in the business world begins with fundamental courses like financial and managerial accounting. It is only when students have a firm grasp of concepts like the accounting cycle and managerial decision making that they have a base on which to stand, a strong foundation on which to grow. In this edition, as before, the Williams team has revised the text with a keen eye toward the principle of helping students establish the foundation they will need for future success in business. However, through new coverage of International Financial Reporting Standards and a revised globalization chapter, the Williams book also introduces students to larger themes and evolving concerns. This dual emphasis allows students to keep their eyes trained upward even as they become solidly grounded in accounting fundamentals"--

Financial and Managerial Accounting Using Excel for Success - James Reeve 2011-04-29
FINANCIAL AND MANAGERIAL ACCOUNTING USING EXCEL FOR SUCCESS leads students to accounting mastery while increasing Excel proficiency. Built with the modern business world in mind, this adaptation of the introductory textbook, FINANCIAL AND MANAGERIAL ACCOUNTING, 11E offers an innovative 4-step system for students to: (1) Read the accounting concept and illustration. (2) Follow the same concept using the Excel Success Example. (3) Practice using the Try It Tutorial online. (4) Apply knowledge by completing the Excel Success problem in the homework. This text reinforces key accounting concepts through 6 basic Excel formulas. Students build an Excel portfolio to demonstrate basic competencies in accounting and Excel. Each new copy of the book comes packaged with an access code that allows students to use the

online Excel Try It Tutorials. These tutorials guide students through the hands-on process of entering formulas and understanding how to Excel for accounting. Excel Success Special Activities at the end of the chapter require students to manipulate spreadsheets and save the files to demonstrate Excel competency. Within the auto-graded online homework products (CengageNOW and Aplia), students are asked to document their Excel processes. For a complete demo of the Excel Success system, visit www.cengage.com/community/warren. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Principles of Accounting Volume 1 - Financial Accounting - Mitchell Franklin
2019-04-11

The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

[A Textbook of Cost and Management Accounting, 10th Edition](#) - M.N. Arora 2012
A Textbook of Cost and Management Accounting provides the students with thorough grounding in cost concepts, cost behaviour and methods, and techniques of cost and management accounting with an understanding of the uses

and limitations of cost and financial data for managerial operations. The text of the subject matter has been presented in a student-friendly, simple and intelligible manner. Every discussion involving conceptual complexity is immediately illustrated by a numerical example. In addition, the book contains a liberal sprinkling of charts and diagrams so as to make the subject easily understandable and highlight its finer points. The subject matter has been organized on 'first things first' basis for its logical presentation that sustains interest. The approach of the book is examination oriented. Thus, a good number of problems and solutions have been included in its chapters. Theoretical and numerical questions have been mostly selected from various examinations. Objective type questions have been given to serve as self test by students. This is an ideal book for self study. New to this edition • All chapters thoroughly revised • Latest information on Cost Accounting Standards (CAS) issued by the Institute of Cost Accountants of India (ICAI) • Chapter on 'Miscellaneous Topics' made more contemporary by including some new sub-topics, and thus re-named 'Advanced Cost Management Techniques' • Revision and augmentation of practical problems
Managerial Accounting - Al L. Hartgraves 2009

Financial Accounting - Robert F. Meigs
1998-12-01

Managerial Accounting - Srikant M. Datar
2013-01-16
Go beyond managerial accounting theory to the techniques used in management today. Managerial Accounting: Making Decisions and Motivating Performance enables managers and business owners to attain the core skills they need to become integral members of their company's decision-making teams. This new program from established authors Srikant M. Datar and Madhav Rajan emphasizes decision-making and the effects of decisions. While many texts teach the theories and frameworks of management education, Managerial Accounting goes further by covering the capabilities and techniques necessary for effective management practice, as well as fostering attitudes that typify integrity, honesty, and fairness. 0132816245 /

Introduction to Managerial Accounting -
Peter C. Brewer 2007-11-01

Introduction to Managerial Accounting, 4/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed; B/G/N has been rethought and retooled to meet the needs of the market. B/G/N 4/e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course: cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material.

MANAGEMENT ACCOUNTING - SURENDER SINGH 2016-09-03

This book on Management Accounting has been written to serve as a useful text for undergraduate courses in commerce and management— B.Com. (Hons.), B.Com., B.B.A., B.B.S., B.B.M., B.B.E.—offered by Indian Universities and Institutes. Besides, the students pursuing M.Com., M.B.A., M.I.B., C.A., C.M.A. and C.S. will also find the book equally beneficial for their course curriculum. SALIENT FEATURES

- Written in a simple, lucid and easy to comprehend style, to facilitate learning even for the first time readers.
- Topics have been presented and organised systematically.
- Concepts are supported with numerous graphs, tables and diagrams, wherever required.
- Incorporates more than 260 solved examples/illustrations/questions from previous examination papers of various universities and professional institutes.
- Considerable number of objective type, multiple choice questions (MCQs), and theoretical and practical questions have been provided in each chapter for the students to learn and practice. The book has already found place in the recommended list of the UGC curriculum under its Choice Based Credit System.

Loose-leaf Version to accompany Managerial Accounting for Managers - Peter Brewer
2016-01-08
