The Sociology of Sports Coaching - Robyn L. Jones 2010-11-26

Sports coaching is a social activity. At its heart lies a complex interaction between coach and athlete played out within the context of sport, itself a socio-culturally defined set of practices. In this ground-breaking book, leading international coaching scholars and coaches argue that an understanding of sociology and social theory can help us better grasp the interactive nature of coaching and consequently assist in demystifying the mythical 'art' of the activity. The Sociology of Sports Coaching establishes an alternative conceptual framework from which to explore sports coaching. It firstly introduces the work of key social theorists, such as Foucault, Goffman and Bourdieu among others, before highlighting the principal themes that link the study of sociology and sports coaching, such as power, interaction, and knowledge and learning. The book also outlines and develops the connections between theory and practice by placing the work of each selected social theorist alongside contemporary views on that work from a current practicing coach. This is the first book to present a critical sociological perspective of sports coaching and, as such, it represents an important step forward in the professionalization of the discipline. It is essential reading for any serious student of sports coaching or the sociology of sport, and for any reflective practitioner looking to become a better coach.

Listen, Little Man! - Wilhelm Reich 2013-07-02
Listen, Little Man! is a great physician's quiet talk to each one of us, the average human being, the Little Man. Written in 1946 in answer to the

gossip and defamation that plagued his remarkable career, it tells how Reich watched, at first naively, then with amazement, and finally with horror, at what the Little Man does to himself; how he suffers and rebels; how he esteems his enemies and murders his friends; how, wherever he gains power as a "representative of the people," he misuses this power and makes it crueler than the power it has supplanted. Reich asks us to look honestly at ourselves and to assume responsibility for our lives and for the great untapped potential that lies in the depth of human nature.

The Look of Love - Sarah Jio 2014-11-25

Inspired by the classic song, this magical story from the New York Times bestselling author of Always and Blackberry Winter tells the tale of a woman with the unusual gift to see true love—but will she be able to find it for herself before it's too late? Born during a Christmas blizzard, Jane Williams receives a rare gift: the ability to see true love. In spite of her unique talent, Jane has emerged from an ailing childhood a lonely, hopeless romantic without love on her life. On her twenty-ninth birthday, a mysterious greeting card arrives. The card specifies that Jane must identify the six types of love before the full moon following her thirtieth birthday—or face grave consequences. But when Jane at last falls for a science writer who doesn't believe in love, she fears that she may never accomplish her task—and that her loveless fate may be sealed... "Jio has become one of the most-read women in America."—Woman's World

Chop Wood Carry Water: How to Fall In Love With the Process of Becoming Great -

Joshua Medcalf 2015-12-14

Guided by "Akira-sensei," John comes to realize the greatest adversity on his journey will be the challenge of defeating the man in the mirror.

This powerful story of one boy's journey to achieve his life long goal of becoming a samurai warrior, brings the Train to be CLUTCH curriculum to life in a powerful and memorable way. Some things you will learn... —No matter how it feels, you are always building your own house. —How and why you must surrender to the outcome in order to be at your best. —Why you never want to have your identity wrapped up in what you do. —Why your strength lies in faithfulness to the little things. —How to develop a heart posture of gratitude. —How to use the biggest challenges as a training ground for greatness. —Why the process is more important than the goal. —Why comparison is the thief of all joy. —How to develop a growth mindset. —Why talent is more of a curse than a blessing. "So many valuable stories and lessons!" —Nick Ahmed, Arizona Diamondbacks

Shall I Tell You a Secret? - Ziya Sakir Yilmaz
Millions of people are trying to benefit from the personal development books in order to find solutions to their own problems. While only a few of such books are really sufficient and are able to improve and change people, most of them are written carelessly, far from our own culture, and have been listed in the "best seller" books thanks to big marketing techniques and in fact such books are not good and efficient enough to satisfy the readers. "Shall I Tell You A Secret?" written by Ziya Şakir Yılmaz is composed of all the knowledge and experiences that are plain, simple and of our own culture and which have worked, proved right, enabled the author's life evolve in the direction he had wanted while contributing to the transformation of his teammates and can contribute to everyone's life in some way. "Information has a meaning provided that it passes on to the muscles." If you are ready for change and development and if you are ready to take the responsibility of this transformation, you may state right now that you will reach a point where even you won't be able to recognize yourself by transferring the knowledge here into your life. We're telling you; and let that be our secret... Professor TURGAY BİÇER Sport Psychologist, Mentor, Coach, Writer *** "Shall I Tell You A Secret?" written by dear Ziya Şakir Yılmaz is a book to which I contributed as the text consultant and it is only a part of his aim of

touching a million people's lives. I have no doubt that as you read the book, you will evaluate your thoughts, knowledge and principles once more, and bear a brand-new "self" from inside your present being. This book is the book of seeing yourself rather than looking far; getting to know yourself rather than trying to know others; reading yourself rather than reading each text; namely, it is the book of integration, not completion... The Universe Is My Sugar Mama - Ike Aykut Ogut 2019-04-23

The Universe Is My Sugar Mama (Evrenden Torpilim Var) has become not just an all-time bestseller (in Turkey, but has also helped pioneer the popularity of the self-help movement and bring to the foreground the concept of life coaching in Turkey. It also has helped create a dynamic change in the tone of books written by Turkish authors from that point on, from academic to more layman-oriented language. Besides the publication being known as a "self-help book," a number of universities have implemented it into their curricula as an example of authenticity in authorship.

The Secret of Ella and Micha - Jessica Sorensen 2013-02-12

A rule-breaker with a fiery attitude, Ella always wore her heart on her sleeve. Then she left everything behind to go to college, where she transformed into someone who follows the rules, keeps everything together, and hides all her problems. Now it's summer break and she has nowhere else to go but home. But once there, Ella fears that everything she's worked so hard to bury might resurface-especially with Micha living right next door. Smart, sexy, and confident, Micha can get under Ella's skin like no one else. He knows everything about her, including her darkest secrets. If he tries to tempt the old Ella to return, he will be impossible to resist. But what Ella doesn't realize is that when she left, she took a piece of Micha's heart with her. Now he's determined to win back the girl he lost, no matter what it takes.

Psychology of Coaching - Coleman Roberts Griffith 1926

Communion with God - Neale Donald Walsch
2002-10-01

Neale Donald Walsch has changed the way the world thinks about God. His books have been translated into twenty-five languages, and his Conversations With God series, book 1, book 2, and book 3, have all been New York Times bestsellers—book 1 for over two years. In the Conversations books, Walsch shared with his readers the beginning of a sacred relationship, as he began an exchange with God on everything from love and faith, to life and death, and good and evil. And then, as Walsch recounted in Friendship with God, something else extraordinary began to happen. His relationship with God began to strengthen and deepen, just as our own relationships do, into a friendship. Now in Communion with God, his most richly intimate book yet, Walsch discovers how to elevate that friendship to a state of communion. In this blueprint for seekers, he reveals The Ten Illusions of Man—the misconceptions we hold about ourselves and our world and our God. He describes with striking clarity how we might heal the great divide that has arisen from these illusions. And as he explores the true meaning of bringing God into our everyday lives, of having the courage of our convictions. Walsch shows us that we can only break free from our illusions when we act always from a place of deep fellowship with all that is holy—a place of communion with God.

Özgüven Duygusu - Eren Sarı 2016-08-03

Birçok kişinin günlük başına gelen birçok duruma göre kendileri hakkındaki hisleri ve düşünceleri değişkenlik gösterebilir. Sınavdan aldığınız sonucun başarı derecesi, arkadaşlarınızın size karşı tavırları, romantik ilişkilerinizdeki iniş ve çıkışlar gibi her durum sizin üzerinizde geçici bir etki bırakır. Özgüven ise bu tarz durumlarla bağlantılı olan iniş ve çıkışlardan biraz daha bağımsız ve daha temel bir olgudur. İyi bir özgüvene sahip kişilerin günlük deneyimler karşısında yaşadığı inişler ve çıkışlar, kendileri hakkındaki düşüncelerini belirli bir ölçüde etkiler. Ancak bunun tersi olarak özgüveni düşük olan kişiler için günlük dalgalanmalar, kişinin kendisini nasıl gördüğünü önemli derecede etkilemektedir.

The Journey of Being Human - Osho 2012-04-24
One of the twentieth century's greatest spiritual

teachers invites you onto the path that takes you through all of life's experiences and to embrace your own humanity. Man is a bridge, says Osho, between the animal and the divine—and our awareness of this dual aspect of our nature is what makes us human. It is also what makes us restless, full of conflict, so often at the crossroads of selfishness and generosity, of love and hate, frailty and strength, hope and despair. *The Journey of Being Human: Is It Possible to Find Real Happiness in Ordinary Life?* looks into how we might embrace and accept these apparent contradictions, rather than trying to choose between them, as the key to transforming each twist and turn of life's journey into a new discovery of who we are meant to be. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Istanbul - Caglar Keyder 1999-09-01

This groundbreaking volume investigates the processes of globalization in Istanbul, one of the oldest and grandest of world cities. Explaining the course of the conflicts and the compromises involved in maintaining a precarious urbanity, this theoretically informed volume focuses on the fields of struggle ranging from politics to heritage, humor to music, public space to housing.

Ancient Secret of the Fountain of Youth, Book 2 - Peter Kelder 2009-09-23

Finally, the exciting and long-awaited sequel to one of the biggest health and healing bestsellers of all time has arrived. When Peter Kelder's *Ancient Secret of the Fountain of Youth* was released by Harbor Press in 1985, it immediately touched off an incredible sales phenomenon rivaled only by *The Celestine Prophecy* and *Conversations with God*. In this book, readers were introduced to the Tibetan Rites of Rejuvenation, a series of exercises developed

over centuries in the monasteries of Tibet and credited by thousands for everything from increased energy to better memory, weight loss, and just looking and feeling younger. Almost as quickly as the books filtered across the globe, letters began to pour in to Harbor Press requesting more information on these mysterious rites. Now, more than ten years and two million books later, comes a comprehensive companion volume that addresses the unanswered questions of so many readers. Picking up where Kelder's book left off, *Ancient Secret of the Fountain of Youth, Book 2* provides the complete Fountain of Youth health program, with detailed information on a variety of topics discussed only fleetingly in the original bestseller: the history and origins of the Five Rites, valuable insights about how the Rites work, diet suggestions, and easy-to-follow exercises. Illustrated with fifty black-and-white photographs, this guide will help turn back the hands of time, invigorating and energizing readers' lives as never before.

Destiny, Freedom, and the Soul - Osho
2010-04-13

One of the greatest spiritual teachers of the twentieth century shares his philosophy on self-discovery, free will, and the search for a place and purpose in life. "I myself am a question. I know not who I am. What to do? Where to go?"—Osho *Destiny, Freedom, and the Soul: What Is the Meaning of Life?* explores deeply human questions, such as: Is there really such a thing as "soul," and if so, what is it? Where does the concept of karma fit in? Does my life have a special meaning or purpose? Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the *Sunday Times* of London as one of the "1000 Makers of the 20th Century" and by *Sunday Mid-Day* (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

The Man Who Risked It All - Laurent Gounelle
2014-03-03

Looking down from the Eiffel Tower, Alan Greenmor stands on the edge, determined to end it all. As he prepares to jump, his thoughts are interrupted by a cough. To his right is a mysterious stranger in a dark suit, smoking a cigar. This is Yves Dubreuil. The person who will change Alan's life. Dubreuil convinces Alan to reconsider his plans, with one caveat: instead of ending his life, he will give his life over to Dubreuil. In return, Dubreuil promises to teach Alan the secrets to happiness and success. And so, Alan embarks on a wild ride of self-discovery. From a humiliating fiasco at a Parisian bakery, to finding the strength to assert himself in his company's boardroom, Alan learns to overcome his deepest fears and self-doubts, face life's unexpected twists and turns, take crazy risks, and fully accept himself in the process. From best-selling author Laurent Gounelle, *The Man Who Risked It All* explores the fragility of life and the possibilities that are presented to us in the unlikeliest circumstances.

The Hitler Book - Henrik Eberle 2009-03-25
Stalin had never been able to shake off the nightmare of Adolf Hitler. Just as in 1941 he refused to understand that Hitler had broken their non-aggression pact, he was in 1945 unwilling to believe that the dictator had committed suicide in the debris of the Berlin bunker. In his paranoia, Stalin ordered his secret police, the NKVD, precursor to the KGB, to explore in detail every last vestige of the private life of the only man he considered a worthy opponent, and to clarify beyond doubt the circumstances of his death. For months two captives of the Soviet Army--Otto Guensche,

Hitler's adjutant, and Heinz Linge, his personal valet--were interrogated daily, their stories crosschecked, until the NKVD were convinced that they had the fullest possible account of the life of the Führer. In 1949 they presented their work, in a single copy, to Stalin. It is as remarkable for the depth of its insight into Adolf Hitler--from his specific directions to Linge as to how his body was to be burned, to his sense of humor--as for what it does not say, reflecting the prejudices of the intended reader: Joseph Stalin. Nowhere, for instance, does the dossier criticize Hitler's treatment of the Jews. Today, the 413-page original of Stalin's personal biography of Hitler is a Kremlin treasure and it is said to be held in President Putin's safe. The only other copy, made by order of Stalin's successor, Nikita Khrushchev, in 1959, was deposited in Moscow Party archives under the code number 462A. It was there that Henrik Eberle and Matthias Uhl, two German historians, found it. Available to the public in full for the first time, *The Hitler Book* presents a captivating, astonishing, and deeply revealing portrait of Hitler, Stalin, and the mutual antagonism of these two dictators, who between them wrought devastation on the European continent.

Fk It** - John C. Parkin 2014

In this inspiring and humorous book, John C. Parkin suggests that saying *F**k It* is the perfect

Western expression of the Eastern spiritual ideas of letting go, giving up, and finding real freedom by realizing that things don't matter so much (if at all). It's a spiritual way that doesn't require chanting, meditating, or wearing sandals. And it's the very power of this profanity that makes it perfect for shaking us Westerners out of the stress and anxiety that dominate our daily lives. With the help of this book, people around the world are now saying F**k It to their worries and concerns, to the "shoulds" and the "oughts" that dominate their lives, and finally doing what they want to, no matter what others might think. "Self-help for the time-poor and psycho-babble intolerant." MARIE CLAIRE

Touched - Corrine Jackson 2011-10-24

Time may not heal all wounds--but she can. You'd think being able to heal people with a touch would be a blessing. But to 17-year-old Remy O'Malley, it's more like a curse. Every injury Remy heals becomes her own. She lives in fear of the day she's forced to mend a wound

from which she can't recover--and she's desperate to keep her amazing ability a secret. Enter Asher Blackwell, a scarred eighteen-year-old with dangerous powers of his own. Asher seems to know more about Remy's abilities than she does--and maybe more than he's letting on. If she opens up to him, she might find out what it truly means to be a Healer. But she'll also expose herself to capture by an old and very determined enemy. And if they catch her, they won't just injure her. They'll kill her. Corrine Jackson is a San Francisco transplant, having lived on both coasts from Southern California to New York City. For the last seven years, she has sharpened her marketing talents at Alcone Marketing, where she has won several industry awards. She has bachelor's and master's degrees in English, and is in her third year of Spalding University's MFA program. A recipient of a West Chester Poetry Conference scholarship, she is also the former Editor-in-Chief of two literary magazines, including Statement (CSU, Los Angeles) and Dash (CSU, Fullerton).

Money Isn't the Problem , You Are - Gary M. Douglas 2013-01-20

THIS BOOK OFFERS YOU "OUT OF THE BOX" CONCEPTS WITH MONEY Money Isn't The Problem, You Are is written for people who live in a constant state of difficulty around money, whether it's spending too much, not having enough, or having too much. In Money Isn't The Problem, You Are, Gary Douglas and Dain Heer share processes, tools, and points of view that you can use to change the way money flows into your life. Gary and Dain have worked with lots of people regarding money issues. Through innovative tools, Douglas and Heer have helped those who had \$10 in their pocket and people who had ten million. The interesting thing is they all have the same issue it has nothing to do with money. It has to do with what they are unwilling to receive. What you are unwilling to receive creates the limitation of what you can have. Change THAT and money isn't an issue any more! LEARNING TO RECEIVE IS THE GREATEST THING YOU CAN DO. Money Isn't The Problem, You Are is based on the very popular Access Money Seminar, which has been taught in cities throughout the U.S., Costa Rica, Australia and New Zealand. "It's not about money. It never is. It's about what you're willing

to receive. The Universe is endlessly abundant. Learn to make different choices with the empowering tools in this book. You CAN create a different reality." -Gary Douglas, found of Access Consciousness(R)

You Don't Need a Title to Be a Leader - Mark Sanborn 2006-09-19

In his inspiring new book, *You Don't Need a Title to Be a Leader*, Mark Sanborn, the author of the national bestseller *The Fred Factor*, shows how each of us can be a leader in our daily lives and make a positive difference, whatever our title or position. Through the stories of a number of unsung heroes, Sanborn reveals the keys each one of us can use to improve our organizations and enhance our careers. Genuine leadership -

leadership with a "little l", as he puts it, is not conferred by a title, or limited to the executive suite. Rather, it is shown through our everyday actions and the way we influence the lives of those around us. Among the qualities that genuine leaders share: • Acting with purpose rather than getting bogged down by mindless activity • Caring about and listening to others • Looking for ways to encourage the contributions and development of others rather than focusing solely on personal achievements • Creating a legacy of accomplishment and contribution in everything they do As readers across the country discovered in *The Fred Factor*, Mark Sanborn has an unparalleled ability to explain fundamental business and leadership truths through simple stories and anecdotes. *You Don't Need a Title to Be a Leader* offers an inspiring message to anyone who wants to take control of their life and make a positive difference.
