Mein Kampf - Adolf Hitler 2021-03-19

'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

The taste of revenge sits sweetly on my tongue as I watch her, Claire, my new obsession. I keep her safe in a cage made of glass. Safe from the cravings she stirs in me. I watch her, my hunger growing with every move she makes. Claire He keeps me safe in a cage made of glass. Yet, I never feel safe. The heat in his gaze burns my flesh. His hunger stirs a craving deep inside of me. But craving a man like him is dangerous. He's everything dark and wrong in my world. He's everything I shouldn't want. The only thing keeping his touch from my skin is this glass cage he holds the key to. Until his control snaps and one touch threatens to shatter us both.

Victor, Vanquished, Son (Of Crowns and Glory—Book 8) - Morgan Rice 2017-08-15

Rebel City: Hong Kong's Year Of Water And Fire - South China Morning Post Team 2020-05-21

SCMP's reporting team looks back at Hong Kong's most wrenching political crisis since its return to Chinese rule in 1997. Anti-extradition bill protests that morphed rapidly into a wider anti-government movement in 2019 left no aspect of the city untouched, from its social compact to its body politic to its open economy. The demonstrations which continued well into 2020 have tested every institution of the city, from the civil service to the police to the courts and even its rail transport operator, and from offices and businesses to universities and schools, and from churches to families and even friends. This book is for anyone seeking to understand not just what Hong Kong has gone through but also the global phenomenon of increasingly leaderless protest movements. Fueled by profound angst about the place of millennial youth in society, widening income inequality, and the speed of digital communications, Hong Kong was in retrospect ripe to be the laboratory for a new-age protest movement, nearly a decade after the Middle East's Arab spring. The essays in the book collectively compose a picture of a society in trauma, bent and broken, but showing signs of an uncanny ability to bounce back. What shape it will be in a few years from now, however, is much harder to predict. Related Link(s)

The 48 Laws Of Power - Robert Greene 2010-09-03

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

(From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

King Lear - William Shakespeare 2020-11-09T21:49:01Z

King Lear is a tragedy by Shakespeare, written about 1605 or 1606. Shakespeare based it on the legendary King Leir of the Britons, whose story is outlined in Geoffrey of Monmouth's pseudohistorical *History of the Kings of Britain* (written in about 1136). The play tells the tale of the aged King Lear who is passing on the control of his kingdom to his three daughters. He asks each of them to express their love for him, and the first two, Goneril and Regan do so effusively, saying they love him above all things. But his youngest daughter, Cordelia, is compelled to be truthful and says that she must reserve some love for her future husband. Lear, enraged, cuts her off without any inheritance. The secondary plot deals with the machinations of Edmund, the bastard son of the Earl of Gloucester, who manages to convince his father that his legitimate son Edgar is plotting against him. After Lear steps down from power, he finds that his elder daughters have no real respect or love for him, and treat him and his followers as a nuisance. They allow the raging Lear to wander out into a storm, hoping to be rid of him, and conspire with Edmund to overthrow the Earl of Gloucester. The play is a moving study of the perils of old age and the true meaning of filial love. It ends tragically with the deaths of both Cordelia and Lear—so tragically, in fact, that performances during the Restoration period sometimes substituted a happy ending. In modern times, though, *King Lear* is performed as written and generally regarded as one of Shakespeare's best plays. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition, which is taken

from the Globe edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The #1 Bestseller! From #1 Bestselling author Morgan Rice comes a sweeping new epic fantasy series: RISE OF THE DRAGONS (KINGS AND SORCERERS—Book 1). Kyra, 15, dreams of becoming a famed warrior, like her father, even though she is the only girl in a fort of boys. As she struggles to understand her special skills, her mysterious inner power, she realizes she is different than the others. But a secret is being kept from her about her birth and the prophecy surrounding her, leaving her to wonder who she really is. Just as Kyra is coming of age, the local lord comes to take her away. Her father wants to wed her off to save her. Kyra, though, refuses, and she quests on her own, into a dangerous wood, where she encounters a wounded dragon—and ignites a series of events that will change the kingdom forever. 15 year old Alec, meanwhile, sacrifices for his brother, taking his place in the draft, and is carted off to The Flames, a wall of flames a hundred feet high that wards off the army of Trolls to the east. On the far side of the kingdom, Merk, a mercenary striving to leave behind his dark past, quests through the wood to become a Watcher of the Towers and help guard the Sword of Fire, the paranormal source of the kingdom's power. But the Trolls want the Sword, too—and they prepare for a massive invasion that could destroy the kingdoms forever. With its strong atmosphere and complex characters, RISE OF THE DRAGONS is a sweeping, romantic saga of knights and warriors, of kings and lords, of honor and valor, of magic, action, adventure, destiny, sorcery, monsters and dragons. It is a story of love and broken hearts, of deception, of ambition and betrayal. It is fantasy at its finest, inviting us into a world that will live with us forever, one that will appeal to all ages and genders. Book #2 in KINGS AND SORCERERS is also now available! Rebel Spring - Morgan Rhodes 2013-12-03

War brought them together. Love will tear them apart. Auranos has been

conquered and the three kingdoms—Auranos, Limeros, and Paelsia—are now unwillingly united as one country called Mytica. But alluring, dangerous magic still beckons, and with it the chance to rule not just Mytica, but the world. . . .

- CLEO is now a prisoner in her own palace, forced to be an ambassador for Mytica as the evil King Gaius lies to her people
- MAGNUS stands to eventually inherit the new kingdom but is still obsessed with his feelings for his adopted sister, Lucia
- LUCIA is haunted by the deadly outcome of her breathtaking display of magic that allowed her father to capture the kingdoms
- JONAS watches at the palace gates, a troop of rebels behind him, waiting for him to tell them how he plans to overtake King Gaius

When Gaius announces that a road is to be built into the Forbidden Mountains, formally linking all of Mytica together, he sets off a chain of cataclysmic events that will forever change the face of this land. Praise for *Falling Kingdoms* "From an opening dripping with blood, magic, and betrayal through complex interweaving plots detailing treachery, deceit, and forbidden love, this novel . . . will immediately engage readers and keep them intrigued."—Booklist "[It] will gut you emotionally . . . make you ache, cry, and beg for the sequel as you turn the last page. I absolutely loved it."—Julie Kagawa, New York Times bestselling author of *The Iron Queen*

"This triple-layered tale of bloodshed, heartbreak, and tangled court intrigue kept me turning pages very late into the night."—Lesley Livingston, author of *Wondrous Strange* and *Starling*

A Quest of Heroes (Book #1 in the Sorcerer's Ring) - Morgan Rice
2012-12

"A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien. I couldn't put it down!" --Allegra Skye, Bestselling author of *SAVED*

From #1 Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. **A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S RING)** revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, **A QUEST OF HEROES** is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series, **A MARCH OF KINGS**, is now available, too. "Grabbed my attention from the beginning and did not let go....This story is an amazing adventure that is fast paced and action packed from the very beginning. There is not a dull moment to be found." --Paranormal Romance Guild {regarding Turned}

"Jam packed with action, romance, adventure, and suspense. Get your hands on this one and fall in love all over again." --vampirebooksite.com (regarding Turned)

"A great plot, and this especially was the kind of book you will have trouble putting down at night. The ending was a cliffhanger that was so spectacular that you will immediately want to buy the next book, just to see what happens." --The Dallas Examiner {regarding Loved}

The Lightning Thief - Rick Riordan 2010-02-02

Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Of Crowns and Glory: Slave, Warrior, Queen, Rogue, Prisoner, Princess and Knight, Heir, Prince (Books 1, 2 and 3) - Morgan Rice 2016-11-29

"Morgan Rice has come up with what promises to be another brilliant series, immersing us in a fantasy of valor, honor, courage, magic and faith in your destiny. Morgan has managed again to produce a strong set of characters that make us cheer for them on every page....Recommended for the permanent library of all readers that love a well-written fantasy." --Books and Movie Reviews, Roberto Mattos (regarding Rise of the Dragons) A bundle of books one, two and three in Morgan Rice's new #1 Bestselling epic fantasy series OF CROWNS AND GLORY (SLAVE, WARRIOR, QUEEN, ROGUE, PRISONER, PRINCESS and KNIGHT, HEIR, PRINCE). Here are three bestselling novels, all in one convenient file. In SLAVE, WARRIOR, QUEEN, 17 year old Ceres, a beautiful, poor girl in the Empire city of Delos, lives the harsh and unforgiving life of a commoner. By day she delivers her father's forged weapons to the palace training grounds, and by night she secretly trains with them, yearning to be a warrior in a land where girls are forbidden to fight. With her pending sale to slavehood, she is desperate. 18 year old Prince Thanos despises everything his royal family stands for. He abhors their harsh treatment of the masses, especially the brutal competition—The Killings—that lies at the heart of the city. He yearns to break free from the restraints of his upbringing, yet he, a fine warrior, sees no way out. In ROGUE, PRISONER, PRINCESS, 17 year old Ceres, finds herself forced, by royal decree, to fight in the Stade, the brutal arena where warriors from all corners of the world come to kill each other. Pitted against ferocious opponents, her chances of survival are slim. Her only chance lies in drawing on her innermost powers, and making the transition, once and for all, from slave to warrior. 18 year old Prince Thanos wakes on the isle of Haylon to discover he has been stabbed in the back by his own people, left for dead on the blood-soaked beach. Captured by the rebels, he must crawl his way back to life, find who tried to assassinate him, and seek his revenge. Ceres and Thanos, a world apart, have not lost their love for each other; yet the Empire court teems with lies, betrayal and duplicity, and as jealous royals weave intricate lies, they each, in a tragic misunderstanding, are led to believe the other is dead. The choices they make will determine each other's fate. In KNIGHT, HEIR, PRINCE, 17 year old Ceres, a beautiful, poor girl from the Empire city of Delos, finds herself alone at sea, drifting towards the mythic Isle Beyond the Mist—and towards the mother she never met. She is ready to complete her training, to finally understand her power, and to become the warrior she was meant to be. But will her mother be there to greet her? Will she teach her all she needs to know? And will she reveal all of the secret of Ceres' identity? In Delos, Thanos, thinking Ceres is dead, finds himself wedded to Stephania, and immersed deeper in a court he cannot escape from and in a family he hates. He also finds himself in the midst of the erupting Revolution, which culminates in a daring attack on the Stade. He is stuck in a game of pawns and kings, of traitors and queens, and it may be Ceres, after all, who is destined to change it all. OF CROWNS AND GLORY tells an epic tale of tragic love, vengeance, betrayal, ambition, and destiny. Filled with unforgettable characters and heart-pounding action, it transports us into a world we will never forget, and makes us fall in love with fantasy all over again. Book #4 in OF CROWNS AND GLORY will be released soon!

REBEL'S CREED - Daniel Greene 2021-10-29

With one simple myth, nations burned. Under the Almighty, an empire has been forged, bringing peace to the once-divided continent. But now, a spark of truth threatens to ignite the religion of lies. Chapman unknowingly brought the Seventh Precinct to their demise. Now Officer Holden Sanders, known throughout the Capital City as the survivor, seeks the truth of how so many he held dear were slaughtered. But when it comes to light his former mentor might still draw breath, the Officer of God is forced to wage war against the Almighty itself.

The Dark Light of Day - T. M. Frazier 2018-09-10

From the USA Today bestselling author of the King Series. A nontraditional love story you won't soon forget. This special anniversary edition contains a note from the author as well as Dark Needs, A Dark Light of Day Novella. "I fell asleep that night in the arms of a killer...I'd never slept better." Homeless, sleeping in a junkyard, and on the run

from a system that has failed her time and time again, Abby meets Jake, a tattooed blue-eyed biker with secrets that rival her own. Two broken souls that can't be healed, they can't be saved. Abby and Jake have to decide if they can accept the darkness not only within one another but within themselves. If they can accept each other for who they really are they might learn that love isn't always found in the light... The story of Jake & Abby contains disturbing situations, graphic violence, sex, strong language, drug use, and all types of abuse.

Soldier, Brother, Sorcerer (Of Crowns and Glory—Book 5) - Morgan Rice 2017-02-21

"Morgan Rice has come up with what promises to be another brilliant series, immersing us in a fantasy of valor, honor, courage, magic and faith in your destiny. Morgan has managed again to produce a strong set of characters that make us cheer for them on every page....Recommended for the permanent library of all readers that love a well-written fantasy." --Books and Movie Reviews, Roberto Mattos (regarding Rise of the Dragons) SOLDIER, BROTHER, SORCERER is book #5 in Morgan Rice's bestselling epic fantasy series OF CROWNS AND GLORY, which begins with SLAVE, WARRIOR, QUEEN (Book #1). 17 year old Ceres, a beautiful, poor girl from the Empire city of Delos, has won the battle for Delos—and yet a complete victory still awaits her. As the rebellion looks to her as their new leader, Ceres must find a way to topple the Empire's royalty, and to defend Delos from the pending attack from a greater army than she has ever known. She must try to free Thanos before his execution, and help him clear his name in the murder of his father. Thanos himself is determined to hunt down Lucious across the sea, to avenge his father's murder, and to kill his brother before he can return with an army to Delos' shores. It will be a treacherous journey into hostile lands, one, he knows, that will result in his own death. But he is determined to sacrifice for his country. Yet all may not go as planned. Stephania travels to a distant land to find the sorcerer who can, once and for all, put a stop Ceres' powers. She is determined to enact a treachery that will kill Ceres, and instill herself—and her unborn child—as ruler of the Empire. SOLDIER, BROTHER, SORCERER tells an epic tale of tragic love, vengeance, betrayal, ambition, and destiny. Filled with unforgettable characters and heart-pounding action, it transports us into a world we will never forget, and makes us fall in love with fantasy all over again. "An action packed fantasy sure to please fans of Morgan Rice's previous novels, along with fans of works such as The Inheritance Cycle by Christopher Paolini.... Fans of Young Adult Fiction will devour this latest work by Rice and beg for more." --The Wanderer, A Literary Journal (regarding Rise of the Dragons) Book #6 in OF CROWNS AND GLORY is also now available!

For What It's Worth - Les Gold 2013-06-13

Businesses these days talk a lot about figuring out what the customer wants. Well, here’s your first lesson: the customer doesn’t know what he wants. This book is going to show you how to convince him he wants the thing you’re selling. Les Gold has been in business since age twelve, when he started selling used golf clubs from his dad’s basement. Now he owns Detroit’s biggest pawnshop, American Jewelry and Loan, and is the star of the hit reality TV show *Hardcore Pawn*. As a third-generation pawnbroker, Gold grew up in the business, dealing with customers who could be unruly and violent as often as they were friendly. He became good at selling just about anything and at buying items for what they were worth. Although he started at his family’s small pawnshop, he has now expanded into a fifty-thousand-square-foot former bowling alley, making a thousand deals a day. On any given day, he could be taking a vintage car in to pawn or chasing down a thief who’s just stolen a gold chain from the store. No business school in the world can teach you as much about buying, selling, negotiating, managing employees, dealing with customers, advertising, tracking trends, and predicting the economy’s ups and downs. In this entertaining, honest book, Gold takes you inside some of his weirdest, wackiest deals and steals. From the monkey his dad once took in to pawn to the deal Gold made for a stripper pole, he has no boundaries for what he considers to be part of his business—and neither should you. You will learn: How to tell an emotional story when you’re selling—and take emotion out of the transaction when you’re buying Why judging your customers before you know them can kill a potential deal How to deal with risk, both mental and physical How to communicate with employees (even if they’re your own kids) Why investing in relationships with your community is time well spent Why your business should never be limited by what others tell you it should be No place in the world prepares you better for the working world than a pawnshop, and Les Gold takes you inside his shop to share what he’s learned from fifty-five years in the most interesting job in the world.

Rules for Radicals - Saul Alinsky 2010-06-30

First published in 1971, *Rules for Radicals* is Saul Alinsky’s impassioned counsel to young radicals on how to effect constructive social change and know “the difference between being a realistic radical and being a rhetorical one.” Written in the midst of radical political developments whose direction Alinsky was one of the first to question, this volume exhibits his style at its best. Like Thomas Paine before him, Alinsky was able to combine, both in his person and his writing, the intensity of political engagement with an absolute insistence on rational political discourse and adherence to the American democratic tradition.
