**Punch Comics #12** - Cheater Publisher 2016-01-25

Punch Comics was created by the self-aggrandizing comic-book showman Harry "A." Chesler Jr. and the title would find itself stirring up a bit of controversy in the pre-code era, mainly due to its scandalous covers. The aptly titled series often boasted hard-hitting and aggressive covers such as this gunfight-in-a-skull classic, a hard-boiled book from a hard-boiled time. According to Mr. Chesler himself, this issue is one of the "World's Greatest Comics". Who would argue with that? A powerful image set against a foreboding, black background, we consider this cover to be one of the true classics of pre-code adventure comics. Enjoy a nostalgic trip down memory lane with the best titles from the golden age of comics. Escamilla Comics has lovingly remastered these timeless classics with vivid color correction, image restoration and has also added an enhanced reading experience with Kindle Panel View The comic reprints from Calumet History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old.
