Ages of American Capitalism - Jonathan Levy 2021-04-20

A leading economic historian traces the evolution of American capitalism from the colonial era to the present—and argues that we’ve reached a turning point that will define the era ahead. “A monumental achievement, sure to become a classic.”—Zachary D. Carter, author of *The Price of Peace* In this ambitious single-volume history of the United States, economic historian Jonathan Levy reveals how capitalism in America has evolved through four distinct ages and how the country’s economic evolution is inseparable from the nature of American life itself. The Age of Commerce spans the colonial era through the outbreak of the Civil War, and the Age of Capital traces the lasting impact of the industrial revolution. The volatility of the Age of Capital ultimately led to the Great Depression, which sparked the Age of Control, during which the government took on a more active role in the economy, and finally, in the Age of Chaos, deregulation and the growth of the finance industry created a booming economy for some but also striking inequalities and a lack of oversight that led directly to the crash of 2008. In *Ages of American Capitalism*, Levy proves that capitalism in the United States has never been just one thing. Instead, it has morphed through the country’s history—and it’s likely changing again right now. “A stunning accomplishment . . . an indispensable guide to understanding American history—and what’s happening in today’s economy.”—*Christian Science Monitor* “The best one-volume history of American capitalism.”—Sven Beckert, author of *Empire of Cotton*

Standards for the Assessment of Reading and Writing - IRA/NCTE Joint Task Force on Assessment 2009-12-03

With this updated document, IRA and NCTE reaffirm their position that the primary purpose of assessment must be to improve teaching and learning for all students. Eleven core standards are presented and explained, and a helpful glossary makes this document suitable not only for educators but for parents, policymakers, school board members, and other stakeholders. Case studies of large-scale national tests and smaller scale classroom assessments (particularly in the context of RTI, or Response to Intervention) are used to highlight how assessments in use today do or do not meet the standards.

In No Ways Tired: The NAACP's Struggle to Integrate the Duval County Public School System - Abel A. Bartley 2015-05-15

Abel Bartley's new book "In No Ways Tired" is both the unique story of a particular Florida community's struggle with the integration of public schools, and a reflection of similar experiences throughout the South where integration "with all deliberate speed" took decades to achieve. In this case study of a presumed "New South" metropolis, Professor Bartley adds a significant contribution to the growing body of scholarship debunking the long-held notion that Florida has been an historical exception to the rabid racism of the Deep South. As this work demonstrates, in unison with other recent pioneering works, the Sunshine State has not earned its popular reputation for being a "moderate" entity of Dixie on race relations, particularly in regard to its troubling and sometimes bloody odyssey of public school desegregation. This book should be in the library of anyone interested in African American history, the Civil Rights era, or the development of our public education system.

Skill Checklists for Fundamentals of Nursing - Carol Lillis 2010-11

This workbook allows students to practice and record the mastery of skills found in Taylor's Fundamentals

of Nursing, Seventh Edition by providing checklists designed to record every step of each procedure. This set of checklists is valuable as a self-assessment tool for students and a means for faculty to record student performance.

The Devil's Arithmetic - Jane Yolen 1990-10-01

"A triumphantly moving book." —Kirkus Reviews, starred review Hannah dreads going to her family's Passover Seder—she's tired of hearing her relatives talk about the past. But when she opens the front door to symbolically welcome the prophet Elijah, she's transported to a Polish village in the year 1942. Why is she there, and who is this "Chaya" that everyone seems to think she is? Just as she begins to unravel the mystery, Nazi soldiers come to take everyone in the village away. And only Hannah knows the unspeakable horrors that await. A critically acclaimed novel from multi-award-winning author Jane Yolen. "[Yolen] adds much to understanding the effects of the Holocaust, which will reverberate throughout history, today and tomorrow." —SLJ, starred review "Readers will come away with a sense of tragic history that both disturbs and compels." —Booklist Winner of the National Jewish Book Award An American Bookseller "Pick of the Lists"

Civics in Practice - Gregory I. Massing 2009-10-21

The United States is a model of freedom, democracy, and economic strength for the rest of the world. Our continued success as a world leader depends on whether citizens like you take an active part in our government and institutions. This Civics program helps you foster student civic responsibility with a balanced approach that focuses on the principles of government, active citizenship, and responsible economic participation. Throughout Holt Civics in Practice, you will find special features that will help you understand more about your roles in your country and community. Many of these features were developed with our partners, the Center for Civic Education and the World Almanac Education Group. - Publisher.

Canadian Immunization Guide - Canada. National Advisory Committee on Immunization 2006

The seventh edition of the Canadian Immunization Guide was developed by the National Advisory Committee on Immunization (NACI), with the support of the Immunization and Respiratory Infections

Division, Public Health Agency of Canada, to provide updated information and recommendations on the use of vaccines in Canada. The Public Health Agency of Canada conducted a survey in 2004, which confirmed that the Canadian Immunization Guide is a very useful and reliable resource of information on immunization.
