Laid Bare - Lauren Dane 2009-08-04

It's been ten years since clean-cut, sexy-as-hell police officer Todd Keenan had a white-hot fling with wild, uninhibited rocker Erin Brown. What happened between them got under his skin—even if love wasn't in the cards just yet... Now that they're back together, picking up where they left off is tough in light of Erin's troubled past. As Todd earns her trust, their relationship takes an unexpected turn. Todd's best friend, Ben, comes to play, arousing their deepest fantasies. The passion they share transforms Erin, but it may not be enough to face the evil she thought she had left behind.

[The Life of Carmen Sylva, Queen of Roumania](#) - Natalie Freiin von Stackelberg 1890

[To Sir Phillip, With Love](#) - Julia Quinn 2009-10-13

Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more. Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

[Last Hit](#) - Jessica Clare 2014-10-07

From two bestselling authors—the first in a deliciously bold new series that takes readers to the most dangerous edge of desire . . . Nikolai: I have been a contract killer since I was a boy. For years I savored the fear caused by my name, the trembling at the sight of my tattoos. The stars on my knees, the marks on my fingers, the dagger in my neck, all spoke of danger. If you saw my eyes, it was the last vision you'd have. I have ever been the hunter, never the prey. With her, I am the mark and I am ready to lie down and let her capture me. Opening my small, scarred heart to her brings out my enemies. I will carry out one last hit, but if they hurt her, I will bring the world down around their ears. Daisy: I've been sheltered from the outside world all my life. Home-schooled and farm-raised, I'm so naive that my best friend calls me Pollyanna. I like to believe the best about people. Nikolai is part of this new life, and he's terrifying to me. Not because his eyes are cold or my friend warns me away from him, but because he's the only man who has ever seen the real me beneath the awkwardness. With him, my heart is at risk . . . and also, my life.

[Sacked](#) - Jen Frederick 2015-09-04

What he wants he gets... Knox Masters is a quarterback's worst nightmare. Warrior. Champion. And...virgin. Knox knows what he wants--

and he gets it. All American Football player? Check. NFL pros scouting him? Check. Now, he's set his sight on two things. The national title. And Ellie Campbell. Sure, she's the sister of his fellow teammate, but that's not going to stop him. Especially not when he's convinced Ellie is the one. ...but he's never met her before. But Ellie isn't as sure. She's trying to start a new life and she's not interested in a relationship...with anyone. Beside it's not just her cardinal rule of never dating her brother's teammates that keeps her away, but Ellie has a dark secret that would jeopardize everything Knox is pursuing. Knox has no intention of losing. Ellie has no intention of giving in.

Unrequited - Jen Frederick 2015-04-13

Winter Donovan loves two things: her sister and her sister's ex boyfriend. She's spent her whole life doing the right thing except that one time, that night when Finn O'Malley looked hollowed out by his father's death. Then she did something very wrong that felt terribly right. Finn can't stop thinking about Winter and the night and he'll do anything to make her a permanent part of his life, even if it means separating Winter from the only family she has. Their love was supposed to be unrequited but one grief stricken guy and one girl with too big of a heart results in disastrous consequences.

Beautiful Disaster Signed Limited Edition - Jamie McGuire 2012-11-27

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

[Who Owns England?: How We Lost Our Land and How to Take It Back](#) - Guy Shrubsole 2020-03-19

'A formidable, brave and important book' Robert Macfarlane Who owns England? Behind this simple question lies this country's oldest and best-kept secret. This is the history of how England's elite came to own our land, and an inspiring manifesto for how to open up our countryside once more. This book has been a long time coming. Since 1086, in fact. For centuries, England's elite have covered up how they got their hands on millions of acres of our land, by constructing walls, burying surveys and more recently, sheltering behind offshore shell companies. But with the dawn of digital mapping and the Freedom of Information Act, it's becoming increasingly difficult for them to hide. Trespassing through tightly-guarded country estates, ecologically ravaged grouse moors and empty Mayfair mansions, writer and activist Guy Shrubsole has used these 21st century tools to uncover a wealth of never-before-seen information about the people who own our land, to create the most comprehensive map of land ownership in England that has ever been made public. From secret military islands to tunnels deep beneath London, Shrubsole unearths truths concealed since the Domesday Book about who is really in charge of this country - at a time when Brexit is meant to be returning sovereignty to the people. Melding history, politics and polemic, he vividly demonstrates how taking control of land ownership is key to tackling everything from the housing crisis to climate change - and even halting the erosion of our very democracy. It's time to expose the truth about who owns England - and finally take back our green and pleasant land.

Downed - Jen Frederick 2016-11-26

He's the guy no one likes... Despite winning two national championships, JR "Ace" Anderson was sent packing from his old school after losing the trust of his coach. At Southern U, he has a second chance to prove that his college legacy isn't endless debauchery and selfishness. But his reputation precedes him, and his teammates offer a chilly welcome in the locker room. The one person who is willing to accept him is the very woman he should stay away from-his new coach's daughter. She's the girl everyone loves... Bryant Johnson's only goal in life is to make others happy, even at her own expense. One look at her father's new star quarterback, and she knows that Ace is her next project. With a reputation for being a "jerk whisperer", Bryant has spent her last three

years at college reforming sorry behavior and turning bad boys into the best boyfriends ever. In *Ace*, though, she's met with surly resistance and a sizzling attraction she doesn't expect. Fixing this wounded warrior will be her biggest challenge yet. Not falling for him will be even harder. Between her big heart and his damaged one, a battle is ensuing. In this game of love, every defense will crumble.

[Hot Daddies](#) - Richard Labonte 2011

Sizzling stories of attraction between hot young hunks and the older gay men they crave.

Home - Marilynne Robinson 2009-09-22

Glory Boughton has returned to Gilead to care for her dying father. soon her brother, Jack—the prodigal son of the family, gone for twenty years—comes home too, looking for refuge and trying to make peace with a past littered with torment and pain. A troubled boy from childhood, an alcoholic who cannot hold a job, Jack is one of the great characters in recent literature. He is perpetually at odds with his surroundings and with his traditionalist father, though he remains Reverend Boughton's most beloved child. Brilliant, beguiling, lovable and wayward, Jack forges an intense new bond with Glory and engages painfully with John Ames, his godfather and namesake. *Home* is a moving and healing book about families, family secrets and the passing of the generations, about love and death and faith. It is arguably Marilynne Robinson's greatest work, an unforgettable embodiment of the deepest and most universal emotions.

A White Heron - Sarah Orne Jewett 1886

Tracking and Disrupting the Illicit Antiquities Trade with Open Source Data - Matthew Sargent 2020-05-12

The illicit antiquities market is fueled by a well-documented rise in looting at archaeological sites and a fear that the proceeds of such looting may be financing terrorism or rogue states. In this report, the authors compile evidence from numerous open sources to outline the major policy-relevant characteristics of that market and to propose the way forward for developing policies intended to disrupt illicit networks.

[Genealogy of Nihilism](#) - Conor Cunningham 2005-06-29

This text re-reads Western history in the light of nihilistic logic, which pervades two millennia of Western thought. From Parmenides to Alain Badiou, via Plotinus, Avicenna, Duns Scotus, Ockham, Descartes, Spinoza, Kant, Hegel, Heidegger, Sartre, Lacan, Deleuze and Derrida, a genealogy of nothingness can be witnessed in development, with devastating consequences for the way we live.

[Want You](#) - Jen Frederick 2018-06-29

Bitsy I might be only nineteen, but I know what I want. It's Leka Moore. I don't care that he took me in when he was barely more than a kid himself. I don't care that he raised me. I don't care everyone thinks being with him is wrong. I know we belong together, and the only person I need to convince is him. Leka I found her in the corner of a dark alley. If I hadn't taken her with me, she would've died that night-or maybe worse. Before I knew it, she became the light in my dark life, the haven from the madness. I watched her grow up. I tried to teach her right from wrong. Now that she's an adult, I'm feeling things that no good man should ever feel. But then...I've never been a good man. I have a chance at redemption by saving her from the greatest danger of all-me.

Conscripts and Deserters - Alan I. Forrest 1989

Between the outbreak of war with Austria in 1792 and Napoleon's final debacle in 1814, France remained almost continuously at war, recruiting in the process some two to three million frenchmen--a level of recruitment unknown to previous generations and widely resented as an attack on the liberties of rural communities. Forrest challenges the notion of a nation heroically rushing to arms by examining the massive rates of desertion and avoidance of service as well as their consequences on French society--on military campaigns and the morale of armies, on political opinion at home, on the social fabric of local villages, and on the Napoleonic dream of bringing about a coherent and centralized state.

The Earth Is Weeping - Peter Cozzens 2017-09-05

Bringing together Custer, Sherman, Grant, and other fascinating military and political figures, as well as great native leaders such as Crazy Horse, Sitting Bull, and Geronimo, this "sweeping work of narrative history" (San Francisco Chronicle) is the fullest account to date of how the West was won—and lost. After the Civil War the Indian Wars would last more than three decades, permanently altering the physical and political landscape of America. Peter Cozzens gives us both sides in comprehensive and singularly intimate detail. He illuminates the intertribal strife over whether to fight or make peace; explores the dreary, squalid lives of frontier soldiers and the imperatives of the Indian

warrior culture; and describes the ethical quandaries faced by generals who often sympathized with their native enemies. In dramatically relating bloody and tragic events as varied as Wounded Knee, the Nez Perce War, the Sierra Madre campaign, and the Battle of the Little Bighorn, we encounter a pageant of fascinating characters, including Custer, Sherman, Grant, and a host of officers, soldiers, and Indian agents, as well as great native leaders such as Crazy Horse, Sitting Bull, Geronimo, and Red Cloud and the warriors they led. *The Earth Is Weeping* is a sweeping, definitive history of the battles and negotiations that destroyed the Indian way of life even as they paved the way for the emergence of the United States we know today.

Hooked on the Game - C. M. Owens 2014-10-11

Everyone has secrets that define them, a past that has shaped them, and a game they play - whether they know it or not. Despite the fact they live next door to each other, Kade and Raya have never made an effort to speak, until a wild party, four frat boys, and... a bulldozer. Sterling Shore was supposed to be a new start for eighteen-year-old Raya Capperton. Everything was working out perfectly until her two roommates were expelled for a prank, leaving Raya with the house she couldn't afford on her own. Fate intervenes before she has the chance to find a new home, but she struggles to decide if it's divine luck or the devil's cruel sense of humor. Twenty-one-year-old Kade Colton has his life planned out, and everything he does is an elaborate game to aid him with his future endeavors. Coming from money has made Kade's life easy, but he wants to build his own name - his own future. The thing he doesn't realize... when you only put forth superficial effort, you only acquire superficial friends. Raya is torn between being amused or disturbed by Kade and his philosophy, but the drive behind his determination isn't what Raya expected. Little by little, her hatred fades and is replaced by emotions she never would have believed she could have for the rich jerk she desperately doesn't want to care about. Too bad you can't force yourself not to care. The problem is... Kade's shiny name can't be tarnished, and Raya has a jaded tie she can't cut loose. Nothing about them can work, nothing about them makes sense, but nothing can seem to stop them from trying. *Not suitable for anyone under the age of eighteen **No cliffhanger **New Adult Contemporary Romance **Descriptive sex **Language

Who's Who in the West 1996-1997 - Marquis Who's Who 1995-11

College Boys - Shane Allison 2010-03-09

Is it any wonder that college boys are the stuff of fantasies the world over? These dreamy hunks stride across campus, stirring lust in their wake. Whether toweling off after a swim, lurking in the library stacks, or engaging in some male bonding at the frat house, these gorgeous undergrads are good for page-turning, arousing action. An explicit collection of gay erotica, *College Boys* explores the first feelings of lust for another boy, all-night study sessions with a classmate, and the excitement of a student hot for teacher. This steamy collection relishes the joys of self-discovery and the revelations that happen when a young man has freedom to pursue his interests?in bed and out. From coming out to falling in love, these stories of sexual awakening will evoke trembling, heart-pounding, sweaty-palmed excitement. Featuring the top erotic authors Rob Rosen, Simon Sheppard, Neil Plakcy, Christopher Pierce, Rachel Kramer Bussel, and more. With searing male-on-male action and wickedly inventive writing, these stories are more provocative, authentic, smart, edgy, and hotter than gay erotica published anywhere else.

Invaluable - Alana Albertson 2017-03-31

The Volunteer - D. H. Jonathan 2016-06-22

Comments from an earlier draft of *The "Volunteer"*, which was formerly posted as a serial on Literotica.com: "I really enjoyed your story and was most impressed in the way that you described Dani's progression through her project. It was refreshing to read about being naked in public without the act being sexual and I suppose typifies the outlook held by naturists. Well done..." - Literotica user tompo296 "I enjoyed reading your story, and appreciated how the ending showed how Dani had been changed by her experience. I liked how you showed the awkwardness and embarrassment of Dani's situation but still provided a mostly safe environment for her to have her experiences. Thank you!" - Jessica Tang Von Harper, author of *Candlelight City* "This story was not only well written but had something worthwhile to say. It was very

interesting to try to understand the subtleties of how Dani felt about nudity." - Literotica user reader_3634 "Read all 17 chapters over the last few days. Couldn't get enough of it." - Literotica reader ikaiser "Words fail me...- I have just read one of the best stories I have ever seen here on Literotica! Please please please continue with Dani's further adventures..." - Literotica reader The_Rat_in_the_Hat Many people dream of being at work or school only to realize that they are either naked or in nothing but their underwear. For university student Danielle Keaton, this dream is about to become her reality. Facing the consequences of a severe lack of judgement, she is forced to make a choice: either give up her scholarships and her plan for graduating from college debt-free, or volunteer to be the test subject in a unique sociological study that will leave her naked and vulnerable to the entire university and eventually the world.

Losing Control - Jen Frederick 2015-08-04

Welcome to a world few people know. A world where the hottest bedroom desires become a reality and where good girls like Victoria "Tiny" Corielli shed their sweetness for carnal, bad-girl pleasures. Victoria nurses her mother through cancer treatments and works long hours as a New York City bike courier to pay for the roof over their heads. When a suspiciously high-paying delivery job thrusts her into the arms of impossibly attractive businessman Ian Kerr, Victoria is sorely tempted to enjoy his attentions and his chiseled body, if only to forget her responsibilities for a while...no matter the cost. Kerr seems to have it all: money, power, and charisma to spare. What he doesn't have: revenge on an old nemesis, but he intends to get it. Kerr is prepared to cast innocent Victoria as the lure in his vengeful plot. Yet the more they explore midtown Manhattan—and each other—the more she means to Ian. Will it be too late for him to stop the dangerous plan he's already put into motion?

Training Amy - Anne O'Connell 2011-02-04

When Amy starts her new job at a book shop she has no idea what kind of merchandise her two bosses have stored in a private back room for select customers. She's never been allowed back there. One night, when she's closing shop alone she decides to take a look. Big mistake. Brad and Eric (her bosses) catch her snooping around. They don't tolerate rule-breakers and Amy must be punished. Will her secret desires plunge her deeper into their world? Or will she run back to the safety of her normal life and the dull boyfriend who has a dark side of his own? Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: BDSM theme and content includes: dubious consent, bondage, spanking, toys, anal play, and menage m/f/m and m/f/f.

A Different Kind of Fairy Tale - Morgan Rayne 2014-01-13

Stella and Alex have been best friends since the day Stella moved into Spring Towers Apartments three years ago. Alex reminded himself time after time that Stella was just one of the guys and completely off limits in all things romantic. That is until she needs a boyfriend immediately when her ex shows up engaged to the woman he cheated on her with. Alex comes to her rescue, but very quickly fantasy becomes reality and the sparks fly. Hidden feelings are shared and a new love blossoms in this quirky friends to lovers romance. But when football loving Stella's ex-best friend Heidi sets a course for Alex, will this new couple weather the storm, or will history repeat itself once again?

Propositioning Mr. Raine - Laurann Dohner 2016-02-18

Trina Matthews lost her husband of sixteen years to a tragic accident. Starting her life over in the small town of Hailey, Texas, at the age of thirty-eight sounded like a good idea but she never counted on the loneliness she'd experience. Navarro Raine is the hottest man she's ever seen. He's tall, with piercing blue eyes and Native American beauty. He fills her nighttime fantasies and makes her wonder about all the things she's yet to experience in bed. And Navarro has a reputation for being very good in that department...Discovering he's about to lose his family ranch, Trina has the perfect solution for both of them. She's willing to offer Navarro the money to save his ranch if he'll give her the kind of sex she's only read about. It might be the craziest thing she's ever done but after years of vanilla sex, she's made up her mind--it's time to taste a few more flavors.

Bury My Heart at Wounded Knee - Dee Brown 2012-10-23

The "fascinating" #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (The Wall Street Journal). First published in 1970, Bury My Heart at Wounded Knee generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee

Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, Bury My Heart at Wounded Knee inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author's personal collection.

U.S. History - P. Scott Corbett 2017-12-19

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

A History of the American People - Paul Johnson 1999-02-17

"The creation of the United States of America is the greatest of all human adventures," begins Paul Johnson's remarkable new American history. "No other national story holds such tremendous lessons, for the American people themselves and for the rest of mankind." Johnson's history is a reinterpretation of American history from the first settlements to the Clinton administration. It covers every aspect of U.S. history--politics; business and economics; art, literature and science; society and customs; complex traditions and religious beliefs. The story is told in terms of the men and women who shaped and led the nation and the ordinary people who collectively created its unique character. Wherever possible, letters, diaries, and recorded conversations are used to ensure a sense of actuality. "The book has new and often trenchant things to say about every aspect and period of America's past," says Johnson, "and I do not seek, as some historians do, to conceal my opinions." Johnson's history presents John Winthrop, Roger Williams, Anne Hutchinson, Cotton Mather, Franklin, Tom Paine, Washington, Adams, Jefferson, Hamilton, and Madison from a fresh perspective. It emphasizes the role of religion in American history and how early America was linked to England's history and culture and includes incisive portraits of Andrew Jackson, Chief Justice Marshall, Clay, Lincoln, and Jefferson Davis. Johnson shows how Grover Cleveland and Teddy Roosevelt ushered in the age of big business and industry and how Woodrow Wilson revolutionized the government's role. He offers new views of Harding, Coolidge, and Hoover and of Franklin Roosevelt's New Deal and his role as commander in chief during World War II. An examination of the unforeseen greatness of Harry Truman and reassessments of Eisenhower, Kennedy, Johnson, Nixon, Reagan, and Bush follow. "Compulsively readable," said Foreign Affairs of Johnson's unique narrative skills and sharp profiles of people. This is an in-depth portrait of a great people, from their fragile origins through their struggles for independence and nationhood, their heroic efforts and sacrifices to deal with the 'organic sin' of slavery and the preservation of the Union to its explosive economic growth and emergence as a world power and its sole superpower. Johnson discusses such contemporary topics as the politics of racism, education, Vietnam, the power of the press, political correctness, the growth of litigation, and the rising influence of women. He sees Americans as a problem-solving people and the story of America as "essentially one of difficulties being overcome by intelligence and skill, by faith and strength of purpose, by courage and persistence...Looking back on its past, and forward to its future, the auguries are that it will not disappoint humanity." This challenging narrative and interpretation of American history by the author of many distinguished historical works is sometimes controversial and always provocative. Johnson's views of individuals, events, themes, and issues are original, critical, and admiring, for he is, above all, a strong believer in the history and the destiny of the American people.

Best Gay Erotica - 2007

The Cambridge Economic History of Australia - Simon Ville
2014-10-08

Australia's economic history is the story of the transformation of an indigenous economy and a small convict settlement into a nation of nearly 23 million people with advanced economic, social and political structures. It is a history of vast lands with rich, exploitable resources, of adversity in war, and of prosperity and nation building. It is also a history of human behaviour and the institutions created to harness and govern human endeavour. This account provides a systematic and comprehensive treatment of the nation's economic foundations, growth, resilience and future, in an engaging, contemporary narrative. It examines key themes such as the centrality of land and its usage, the role of migrant human capital, the tension between development and the environment, and Australia's interaction with the international economy. Written by a team of eminent economic historians, *The Cambridge Economic History of Australia* is the definitive study of Australia's economic past and present.

The Romance of American Communism - Vivian Gornick 2020-04-07
Writer and critic Vivian Gornick's long-unavailable classic exploring how

Left politics gave depth and meaning to American life "Before I knew that I was Jewish or a girl I knew that I was a member of the working class." So begins Vivian Gornick's exploration of how the world of socialists, communists, and progressives in the 1940s and 1950s created a rich, diverse world where ordinary men and women felt their lives connected to a larger human project. Now back in print after its initial publication in 1977 and with a new introduction by the author, *The Romance of American Communism* is a landmark work of new journalism, profiling American Communist Party members and fellow travelers as they joined the Party, lived within its orbit, and left in disillusionment and disappointment as Stalin's crimes became public.

Unspoken - Jen Frederick 2013-09

"Whore. Slut. Typhoid Mary. " I've been called all these at Central College. One drunken night, one act of irresponsible behavior, and my reputation was ruined. Guys labeled me as easy and girls shied away. To cope, I stayed away from Central social life and away from Central men, so why is it that my new biology lab partner is so irresistible to me? He's everything I shouldn't want. A former Marine involved in illegal fighting with a quick trigger temper and an easy smile for all the women. His fists aren't the danger to me, though, it's his charm. He's sliding his way into my heart and I'm afraid that he's going to be the one to break me. "Impulsive. Unthinking. Hot tempered." I allow instinct to rule my behavior. If it feels good, do it, has been my motto because if I spend too much time thinking, I'll begin to remember exactly where I came from. At Central College, I've got fighting and I've got women and I thought I was satisfied until I met "her." She's everything I didn't realize I wanted and the more time I spend with her, the more I want her. But she's been hurt too much in the past and I don't want to be the one to break her. I know I should walk away, but I just can't. This is a New Adult novel featuring mature situations and sexually explicit scenes.
