The 9 Arts of Spiritual Conversations - Mary Schaller 2016

Love God, love people. Could evangelism really be that simple? Often, it doesn't seem so. It can feel scary, awkward, and uncomfortable as we try to navigate loaded questions and different perspectives. Even the most faithful of believers sometimes get stumped. But can you imagine if we, as Christians, simply spent time with people who are far from God and

provided a safe place to talk about spiritual matters? If we listened to them and discovered what was really important to them? After all . . . it's what Jesus did. And it's what you can do too. Drawing straight from the life and ministry of Jesus, *The 9 Arts of Spiritual Conversations* offers simple practices to help you build relationships with people who believe differently. Anyone who has read and appreciated *Becoming a Contagious Christian* or *Just Walk across the Room* won't want to miss this book on creating a safe space to have natural, loving, and spiritual conversations with others.

Raising World Changers in a Changing World - Kristen Welch
2018-05-01

Almost any parent you asked would tell you that they want their children to be happy, successful adults. But many of us forget (or never knew to begin with) that lasting personal joy is not necessarily found the way the world says it is--through reaching a certain socioeconomic status, having a certain job, buying a certain house, or having a certain amount in one's bank account. In fact, says Kristen Welch, popular blogger and author of *Raising Grateful Kids in an Entitled World*, personal satisfaction comes not from grabbing onto things but from holding them with an open hand and, very often, giving them away. In this inspiring book, Welch shows parents how to discover for themselves and instill in their kids the profound joy that comes from sharing what we have been given--our time, our talents, and even what's in our wallets--with those who have less. Through powerful personal stories as well as stories from Scripture, Welch offers a tantalizing alternative to status quo parenting that has the power to impact not only our own families but the entire world. At the end of each chapter, one of the author's kids offers their perspective on what it's like to be raised as a world changer.

The Pulpit Commentary, Volume 7 - Spence-Jones, Henry 2015-08-14

The Pulpit Commentary was first published between 1880 and 1919 and is a highly respected work written by conservative, trustworthy men. Containing over 22,000 pages and 95,000 entries, it is one of the largest and best-selling homiletic commentary sets of all time. It was directed by editors Joseph Exell and Henry Donald Maurice Spence-Jones and utilized more than 100 authors over a 30-year span. When reading this commentary, it is not difficult to see why it has remained a favorite

amongst pastors for more than 100 years. There are three key elements which set this apart from its contemporaries, the first being that it gives an exposition, or verse-by-verse, annotation of each verse in the Bible. The second element is that it explores the framework of the text, the homiletics. Finally, it supplies the homilies with multiple model sermons from various authors. Also included is a translation as well as historical and geographical information. The Evangelical Magazine and Missionary Chronicle declared, "This commentary bids fair to take a conspicuous place among the ever-multiplying aids to the study of the Holy Scriptures. It will revive the great work of Lange, and will far exceed the Speaker's Commentary in the bulk and fullness of its material. The peculiarity of the Pulpit Commentary is that it offers special assistance to the preacher: first by giving him a critical and exegetical exposition of the text of Scripture, and then providing him with succinct and helpful directions as to the preachable aspects of the chapter and paragraph already explained." The print edition of this set typically retails for more than \$1,000 making the current offered price a very good bargain. Due to its size, it has been broken up into nine separate volumes: Volume 1 Genesis to Joshua Volume 2 Judges to 2 Kings Volume 3 1 Chronicles to Job Volume 4 Psalms to Song of Songs Volume 5 Isaiah to Daniel Volume 6 Hosea to Malachi Volume 7 Matthew to John Volume 8 Act to Philippians Volume 9 Colossians to Revelation The footnotes have been placed in line with the text with each footnote number enclosed in red brackets (i.e.: []) and the text in green. There is also a linked table of contents at the beginning of each volume for ease of navigation. Key Features * Over 22,000 pages with more than 95,000 entries * One of the largest and exhaustive commentary sets of its kind * Contributions from over 100 authors * Expositions—with thorough verse-by-verse commentary of each verse of the Bible * Homiletics—with the framework or overall look of the text * Homilies—four to six sample sermons from various authors * Detailed information on Biblical customs * Historical and geographical information * Translations of key Hebrew and Greek words All 23 Volumes of the printed version are included in these nine volumes. 1. Jesus Was an Airborne Ranger - John McDougall 2015-04-21

The Raid that Rescued Us. The Mission that Defines Our Lives. You are trapped behind enemy lines. You feel it every day. Powerful forces want to destroy you and those you love. Completely surrounded, you see no means to escape. Sadly, the Jesus we often picture is too timid to help—more like a daytime talk show host than a dangerous Rescuer. Who would follow—much less risk everything—for such a leader? Get ready to see Jesus like you've never seen him before—a battle-scarred Combatant who stared death in the face and won. This is no Sunday-school Jesus, meek and mild. This is the Warrior Christ who has descended from the heavens, defeated the Enemy, and rescued humanity. Now, he calls us to continue his mission and fight for others—our families, our communities, and the world. In *Jesus Was an Airborne Ranger*, Army Chaplain John McDougall offers an alternative to the soft, gentle caricature of Jesus. Only the Warrior Christ can impact our broken world. And only in following him can you find the life of purpose you've always wanted. SUIT UP. It's time to enter the fight with the first and greatest Airborne Ranger. The Golden Fleece Found! - Basil C. Hill 2007-11-29

Most people are pursuing an assumed correct philosophy, right marriage, right religious persuasion, right relationship etc. The pursuit of the identity of Jason revealed these gems: The names of the first-born males from Noah to Abraham reveal the most profound prophetic message. The fact that history affirms such is even more remarkable. The tri-dimensional nature of Solomon's Temple reveals keys to the highest known degrees of wisdom for the first time (above 33). This book does not merely reveal the codes, it teaches us how to use them to overcome recurring obstacles; how to sidestep negative people, places and things. Lastly, it reveals an ancient blueprint: our purpose on this planet-- according to a very wise, tested and proven "covenant" that Abraham received and what the world has been pursuing secretly and killing for.

The Conceptual Worlds of the Fourth Gospel - Charles B. Puskas
2021-01-08

Over, under, and through John's story of Jesus are unforgettable ideas and concepts, profoundly simple and simply profound, for the author's own audience and beyond. These ideas did not originate in a vacuum. They have recurred and been repeated before and after the writing of the Fourth Gospel. For this reason we will examine the meaning of its words and themes in the context of its Jewish-Greco-Roman milieu. Much of our intertextual understanding will be derived from alleged parallels that involve comparisons of similar vocabulary and phrases, as well as parallel concepts and images from the Old Testament, the Dead Sea Scrolls, Philo, and other relevant writings. Such parallels will help to determine the meaning of a word or expression, the translation of a particular language, determining any direct influences upon the Fourth Gospel, parallel traditions, or the influence of its ideas, as a creative and inspiring work of later antiquity.

A Different Kind of Christmas - Michael Slaughter 2012

Every year, we say we're going to cut back, simplify, and have a family Christmas that focuses on the real reason for the season—Jesus. But every year, advertisements beckon, the children plead, and it seems easier just to indulge our wants and whims. Overspending, overeating, materialism, and busyness rob us of our peace and joy and rob Jesus of his rightful role as the center of our celebration. This book of devotional

readings is designed to draw your entire family into closer fellowship with God as you respond to this Christmas season and the call of God to live generously all year around. The devotional includes thirty short readings, Scripture, prayer, and stories about helping others at Christmas. A Different Kind of Christmas: Devotional Readings for the Season is a great gift idea for family, friends, teachers, and ministry leaders.

Reading the Bible Supernaturally - John Piper 2017-04-13

The Bible reveals glorious things. And yet we often miss its power because we read it the same way we read any other book. In *Reading the Bible Supernaturally*, best-selling author John Piper teaches us how to read the Bible in light of its divine author. In doing so, he highlights the Bible's unique ability to reveal God to humanity in a way that informs our minds, transforms our hearts, and ignites our love. With insights into the biblical text drawn from decades of experience studying, preaching, and teaching Scripture, Piper helps us experience the transformative power of God's Word—a power that extends beyond the mere words on the page. Ultimately, Piper shows us that in the seemingly ordinary act of reading the Bible, something supernatural happens: we encounter the living God.
