Our digital library saves in merged countries, allowing you to acquire the most less latency era to download any of our books following this one. Merely said, the Ryan And Jimmy is universally compatible like any devices to read.

**Thank You Notes** - Jimmy Fallon 2011-05-23  
Jimmy Fallon is very thankful. And in this first book to come from his TV show, he expresses his gratitude for everything from the light bulb he's too lazy to replace to the F12 button on his computer's keyboard. He thanks microbreweries

for making his alcoholism seem like a neat hobby. He thanks the name "Lloyd" for having two L's. Otherwise it would just sound like "Loyd." He thanks the slow-moving family walking in front of him on the sidewalk. Without this "barricade of idiots," he might never have

been forced to walk in the street and risk getting hit by a car in order to get around them. He's thankful to you, the person reading this right now. It means you're considering buying this book. You should do it. You will be thankful that you did.

**Ryan and Jimmy** - Herb Shoveller 2008-08  
Presents the true story of a six-year-old named Ryan Hreljac who built a well halfway around the world and how it created a life-changing friendship with the Ugandan boy whose village benefitted from Ryan's generosity. Jr Lib Guild. Reprint.

**I Funny TV** - James Patterson 2015-12-14  
Jamie Grimm has hit the big time in book four of the #1 bestselling I Funny series! Jamie Grimm has finally accomplished his dream of proving himself the Planet's Funniest Kid Comic, and the sky's the limit from there. Enter a couple of TV executives with a huge plan for Jamie: a new show about Jamie and his oddball friends! But when Jamie struggles to learn the acting ropes,

will it be an early curtain call for the biggest show of the decade?

**Jimmy Stewart** - Starr Smith 2006-11-15  
Of all the celebrities who served their country during World War II -and they were legion - Jimmy Stewart was unique. On December 7th, when the attack on Pearl Harbor woke so many others to the reality of war, Stewart was already in uniform - as a private on guard duty south of San Francisco at the Army Air Corps Moffet Field. Seeing war on the horizon, Jimmy Stewart, at the height of his fame after Mr. Smith Goes to Washington and his Oscar-winning turn in The Philadelphia Story in 1940, had enlisted several months earlier. Jimmy Stewart, Bomber Pilot chronicles his long journey to become a bomber pilot in combat. Author Starr Smith, the intelligence officer assigned to the movie star, recounts how Stewart's first battles were with the Air Corps high command, who insisted on keeping the naturally talented pilot out of harm's way as an instructor pilot for B-17 Flying

Fortresses and B-24 Liberators. By 1944, however, Stewart managed to get assigned to a Liberator squadron that was deploying to England to join the mighty Eighth Air Force. Once in the thick of it, he rose to command his own squadron and flew twenty combat missions, including one to Berlin. "My father would feel honored by this book." —Kelly Stewart Harcourt, daughter of Jimmy Stewart "We would have made Jimmy a group commander [equivalent to an army regiment] if the war had lasted another month." - General Jimmy Doolittle. "An excellent biography of a distinguished airman and fine human being." - Roger Freeman, author of *The Mighty Eighth: A History of the U.S. 8th Air Force*. "How wonderful it is that Starr Smith has finally directed a literary light on the personal history of Jimmy Stewart. . . . I welcomed Starr's book. It is needed and wanted. Bravo!" - Gay Talese. "This is a very well researched and written book. . . . It fills a place in history about no mere actor but a courageous and selfless

man, Brigadier General Jimmy Stewart, USAF." - General Michael E. Ryan, former Chief of Staff of the Air Force. "I have met a few movie stars, but of them all, I think that Jimmy Stewart was most like those modest heroes he portrayed. Now journalist Starr Smith has raised the curtain on Stewart's gallant service as a bomber pilot and air combat commander in World War II." —Walter Cronkite, from the Foreword  
**The Women's House of Detention** - Hugh Ryan 2022-05-10

This singular history of a prison, and the queer women and trans people held there, is a window into the policing of queerness and radical politics in the twentieth century. The Women's House of Detention, a landmark that ushered in the modern era of women's imprisonment, is now largely forgotten. But when it stood in New York City's Greenwich Village, from 1929 to 1974, it was a nexus for the tens of thousands of women, transgender men, and gender-nonconforming people who inhabited its

crowded cells. Some of these inmates—Angela Davis, Andrea Dworkin, Afeni Shakur—were famous, but the vast majority were incarcerated for the crimes of being poor and improperly feminine. Today, approximately 40 percent of the people in women’s prisons identify as queer; in earlier decades, that percentage was almost certainly higher. Historian Hugh Ryan explores the roots of this crisis and reconstructs the little-known lives of incarcerated New Yorkers, making a uniquely queer case for prison abolition—and demonstrating that by queering the Village, the House of D helped defined queerness for the rest of America. From the lesbian communities forged through the Women’s House of Detention to the turbulent prison riots that presaged Stonewall, this is the story of one building and much more: the people it caged, the neighborhood it changed, and the resistance it inspired.

Your Country Is Just Not That Into You - Jimmy Dore 2014-07-08

Why is your brother-in-law concerned about the Estate Tax? Why do millionaire news reporters get everything wrong? Why are blood-sucking teachers bankrupting America? Jimmy Dore, the comedy darling of America's Progressive Left, answers all these questions and more! In this laugh-out-loud collection of essays that are both street-smart and informed, Jimmy sets out to discover what's wrong. Crackling with caustic wit and insight, no aspect of American life is safe from Jimmy's hilarious scrutiny. He gets to the heart of the issues: why Republicans should support gay marriage or why the President shouldn't have Secret Security until the country has gun control, bringing clarity and hilarity to the incoherent noise of our punditocracy. This outrageously entertaining manifesto is an excellent resource for those who have survived long arguments during family dinners. And in a media environment dominated by corporate interests, Jimmy's take-no-prisoners approach is fearless: going after both political parties, and

all corners of mainstream news. A David against an army of Goliaths. Equal measures of silliness and spleen-venting, *Your Country Is Just Not That Into You* is the most oddly uplifting political book of the year.

*Daddy and Dada* - Ryan Brockington 2021

"A little girl explains how families, including hers, come in many shapes and sizes--some with a mom and a dad, some with two dads, some with two moms, and more"--

*Jimmy Buffett and Philosophy* - Erin McKenna 2009

An examination of the philosophical aspects of Jimmy Buffett's music, presented in a series of articles that also explores the ways in which to approach philosophy from a perspective of Buffett's works, evaluates key questions about ancient and contemporary philosophers from Epicurus and Diogenes to John Dewey and Judith Butler. Original.

**A Salty Piece of Land** - Jimmy Buffett  
2004-11-01

It's not on any chart, but the tropical island of Cayo Loco is the perfect place to run away from all your problems. If you're looking for a license to chill, come along as cowboy Tully Mars takes his pony to the shore--on an unforgettable Caribbean adventure as colorful and wonderfully bizarre as cocktail hour at your favorite expatriate bar. From a lovely sunset sail in Punta Margarita to a wild spring-break foam party in San Pedro, Tully encounters an assortment of treasure hunters, rock stars, sailors, seaplane pilots, pirates, and even a ghost or two. Waking from a ganja buzz on the beach in Tulum, Tully can't believe his eyes when a 142-foot schooner emerges out of the ocean mist. At its helm is Cleopatra Highbourne, the eccentric 101-year-old sea captain who will take him to a lighthouse on a salty piece of land that will change his life forever. Once again, master storyteller Jimmy Buffett weaves a mesmerizing tale that combines both humor and emotional reflection. After all, one man's cathedral is another man's fishing

hole. And in Jimmy Buffett's world, paradise is just a state of mind. After more than two decades of recording and performing music, popular singer-songwriter Jimmy Buffett splashed down into the world of books in 1988, when he cowrote *The Jolly Mon*, a children's book, with his daughter Savannah Jane Buffett, who was then six. In 1989 he published his first stories for adults in *Tales from Margaritaville: Fictional Facts and Factual Fictions*, which was the longest-running New York Times and Publishers Weekly bestseller of that entire year. His next book, the novel *Where Is Joe Merchant?*, immediately hit #1 on the New York Times bestseller list, and in 1998, when his autobiographical book *A Pirate Looks at Fifty* was published, he became one of only six writers to have held the #1 position in the categories of both fiction and nonfiction on the New York Times bestseller list.

*Gunfight* - Ryan Busse 2021-10-19

A former firearms executive pulls back the

curtain on America's multibillion-dollar gun industry, exposing how it fostered extremism and racism, radicalizing the nation and bringing cultural division to a boiling point. As an avid hunter, outdoorsman, and conservationist—all things that the firearms industry was built on—Ryan Busse chased a childhood dream and built a successful career selling millions of firearms for one of America's most popular gun companies. But blinded by the promise of massive profits, the gun industry abandoned its self-imposed decency in favor of hardline conservatism and McCarthyesque internal policing, sowing irreparable division in our politics and society. That drove Busse to do something few other gun executives have done: he's ending his 30-year career in the industry to show us how and why we got here. *Gunfight* is an insider's call-out of a wild, secretive, and critically important industry. It shows us how America's gun industry shifted from prioritizing safety and ethics to one that is addicted to fear,

conspiracy, intolerance, and secrecy. It recounts Busse's personal transformation and shows how authoritarianism spreads in the guise of freedom, how voicing one's conscience becomes an act of treason in a culture that demands sameness and loyalty. Gunfight offers a valuable perspective as the nation struggles to choose between armed violence or healing.

*The Glorious Heresies* - Lisa McInerney  
2015-04-09

WINNER OF THE BAILEYS' WOMEN'S PRIZE FOR FICTION 2016 WINNER OF THE DESMOND ELLIOT PRIZE 2016 We all do stupid things when we're kids. Ryan Cusack's grown up faster than most - being the oldest of six with a dead mum and an alcoholic dad will do that for you. And nobody says Ryan's stupid. Not even behind his back. It's the people around him who are the problem. The gangland boss using his dad as a 'cleaner'. The neighbour who says she's trying to help but maybe wants something more than that. The prostitute searching for the man

she never knew she'd miss until he disappeared without trace one night . . . The only one on Ryan's side is his girlfriend Karine. If he blows that, he's all alone. But the truth is, you don't know your own strength till you need it.

[This Is Baby](#) - Jimmy Fallon 2019-10-08

Jimmy Fallon, host of NBC's The Tonight Show and #1 New York Times bestselling author of Your Baby's First Word Will Be DADA and Everything Is Mama, returns with a book that teaches new babies the words for the various parts of their body--This is Baby. Let's meet... Baby! From Baby's HEAD to Baby's TOES, there are so many parts of Baby you should know. But what's the most important part of Baby? Jimmy Fallon, one of the most popular entertainers in the world gives you the facts.

**Jimmy the House Spider** - Raymond T. Davies  
2017-06

'I have spent a good deal of time teaching my children and grandchildren to respect the other creatures we share our world with. Many

children and even many grown-ups, suffer from arachnophobia with unfortunate results for themselves and the spiders; particularly those who inhabit our homes. My hope is this house spider adventure will dispel some of those fears and influence children and their parents to look kindly on these useful and harmless little creatures and indeed, all life forms which make up our world. They all have their part to play in ensuring our unique planet and the life it supports, will continue.'Raymond T. Davies, author of Jimmy (the House) Spider

**The Kids Book of World Religions** - Jennifer Glossop 2013-03

Explains the basic beliefs, customs, and rituals of twelve different world religions, and includes information about tribal and native religions of Africa, North America, and Australia.

*Greavsie* - Jimmy Greaves 2009-10-01

The autobiography of football icon Jimmy Greaves James Peter 'Jimmy' Greaves was one of the greatest footballers to have graced the

English game, a goalscorer of legendary prowess. His gripping and characteristically humorous autobiography journeys from Jimmy's childhood in the East End, via his early career at Chelsea and his short and troubled stay at A.C. Milan, to his emergence as one of the great stars of sixties football while at Spurs and an outstanding England forward. Jimmy's record as a striker is extraordinary - he was the leading goalscorer in the First Division (now Premier League) for six seasons and during his playing career was never out of the top five. There are darker aspects too: the bitter disappointment of failing to make the World Cup-winning team of 1966, and the battle against the alcoholism that followed his retirement from the game. This book is both Jimmy's story and the story of football in the golden era of the fifties and sixties before money changed the game. It is populated by the great players whom Jimmy played with and against and animated by wonderful anecdotes about the game. It is an account of

how football was then and how it has changed.

### **5 More Sleeps 'til Christmas** - Jimmy Fallon

2020-10-27

Host of NBC's The Tonight Show and three-time #1 New York Times bestselling author Jimmy Fallon returns with this sweet and spirited Christmas picture book. Just 5 more sleeps 'til Christmas! Can you believe it's here? I know that Santa's coming soon 'cause I've been good all year. Everyone who grew up celebrating Christmas remembers the excitement that built up to the most magical day of the year. But why not make the last week until Christmas more fun by counting how many sleeps until the arrival of Santa and his reindeer? Accompanied by the beautiful and energetic artwork of Rich Deas, enjoy the humor of Jimmy Fallon as he prepares readers for the most exciting week of the year in this new holiday tradition for your family—5 More Sleeps 'til Christmas.

*Cally and Jimmy* - Z. O. E. ANTONIADES 2020

Four stories in one! I have a twin brother.

Everyone calls him Jimmy, which is sort of the English version of Dimitri, his actual Greek name. Our mum's Greek, you see. I'm Cally, short for Calista, which means, I don't want to sound big-headed or anything, but it means 'most beautiful'. I'm not sure about Dimitri, but if Dimitri means most-annoying-brother-in-the-whole-wide-world, then that's him. Join Cally and Jimmy in four hilarious stories! They get into scrapes together, bake some poisonous cakes, almost ruin their school assembly and finally have a twintastic birthday party.

**Drew and Jimmy** - John Patrick Salisbury 1995  
Salisbury set out to recapture the memories of childhood and the vagaries unique to place. Inscribed with the loss of his brother and the history of six generations before him, he has relived the past vicariously, photographing his cousins, Drew and Jimmy, as they grew to manhood. Delineated by the seasons and the intimacy of small town life, the results suggest nothing less than a Gothic portrait of boyhood in

rural America.

*Behind* - JIMMY. RYAN 2021-09-15

From having three top-forty hits before he was twenty, to being an in-demand studio musician recording with hit artists, Jimmy Ryan tells about his early years with The Critters, sharing the playbill with pioneers of rock 'n roll like The Rascals, The Ronettes, Little Anthony & the Imperials, Jay and the Americans; and, later, collaborating and recording with megastars such as Carly Simon, Cat Stevens, Jim Croce, Elton John, The Doors, Paul McCartney, Rod Stewart and many others. *Behind* is an adventure told in a series of revealing, entertaining, sometimes hilarious, sometimes tragic tales that take the reader into the minds of pop stars, the shadier side of the music business, the struggle with setbacks, and the joys of success. From partying at the Playboy Mansion to panicking in a local prison with his bandmates, Ryan shares the experience of over six decades in the upper echelons of the music business. *Behind* is an

insider's look into the people and business of the music industry. It examines how superstars and their musicians handle stress, their humanity, frailty, insecurities, and neuroses. It chronicles one musician's lifetime in the profession, sometimes in the spotlight, more often behind it, and most often in the recording studio as a composer, arranger, musician, producer, and engineer. Though by no means a tell-all hit piece, it instead employs humor, humility, occasional touches of gentle sarcasm, and masterful storytelling to craft a portrait of those who achieved stardom, their rewards, and their excesses, the alcohol and drugs, the emotional breaks, and self-destruction that befell so many, as well as those who failed in its pursuit. Ultimately, *Behind* is a lighthearted and joyful narrative that documents important moments in rock history. At the same time, its colorful stories and collection of personal photographs evoke memories of youth, concerts with friends, turbulent times of social change, and the delight

of hits that made up the soundtrack of our lives. I invite you to take a first-hand look into the wonderful, often insane world of music through the eyes of a lifer, a musician who has found success and fulfillment by shapeshifting his way through a lifetime Behind the stars.

Jimmy Buffett - Steve Eng 1997-10-15

Details the life of Jimmy Buffett from Mobile, Alabama, where he loafed around only wanting to play music, to his move to Nashville and his many attempts at getting record contracts

*The Serious Goose* - Jimmy Kimmel 2019-12-03

Meet a very Serious Goose in late-night host Jimmy Kimmel's first fun and funny picture book!

There is nothing silly about this goose. You CANNOT make her laugh, so DON'T EVEN TRY!

Written, illustrated, and lettered by Jimmy Kimmel, this picture book challenges young readers to bring the silly out of a very Serious Goose. Inspired by Jimmy's nickname for his kids, The Serious Goose reminds us to be silly in a serious way. Put your little comedians in front

of a mylar mirror and challenge them to make this no-nonsense goose smile. This delightful read-aloud is guaranteed to create giggles of giggles time and time again! Kimmel's proceeds from sales of THE SERIOUS GOOSE will be donated to Children's Hospital Los Angeles (CHLA) and children's hospitals around the country.

The Tower of Air - James Dashner 2004-07-01

Jimmy Fincher sets off on a dangerous journey under the ocean and across the desert to find the third gift that will help him stop the evil Stompers from destroying the Earth.

**The Zero and the One** - Ryan Ruby 2017-03-07

A gothic twist on the classic tale of innocents abroad, THE ZERO AND THE ONE is a meditation on the seductions of friendship and the power of dangerous ideas that registers the dark, psychological suspense of Patricia Highsmith's The Talented Mr. Ripley and the intellectual and philosophical intrigue of John Banville's The Book of Evidence. A shy, bookish

scholarship student from a working-class family, Owen Whiting has high hopes of what awaits him at Oxford, only to find himself adrift and out of place among the university's dim aristocrats and posh radicals. But his life takes a dramatic turn when he is assigned to the same philosophy tutorial as Zachary Foedern, a visiting student from New York City. Rich, brilliant, and charismatic, Zach takes Owen under his wing, introducing him to a world of experiences Owen has only ever read about. From the quadrangles of Oxford to the seedy underbelly of Berlin, they practice what Zach preaches, daring each other to transgress the boundaries of convention and morality, until Zach proposes the greatest transgression of all: a suicide pact. But when Zach's plans go horribly awry, Owen is left to pick up the pieces in the sleek lofts and dingy dives of lower Manhattan. Now he must navigate the treacherous boundary between illusion and reality if he wants to understand his friend and preserve a hold on his once bright future.

**The Raindrop and the Bubble** - Jimmy Ryan  
2021-07-30

A raindrop and a bubble decide to switch places, thinking they would enjoy themselves more by being able to do all the things the other could do. At first, it's exciting and new, but after a while, it wasn't the same. Through their journey, they both learn a valuable lesson in self-discovery: "Be the best you that you can best be!" With its positive message, it's Aesop meets Dr. Seuss: A cross between a classic fable and an illustrated nursery rhyme with delightful characters that jump off the page thanks to the colorful artwork.

**Bartez** - Ryan Peraro 2016-06-09

**Hope Rises** - Ryan Souter 2022-02-04

To change her future, she'll have to face her past. It's 2070, and climate change has ravaged the planet and destroyed national government, leaving cities to their own rule. Born with one arm and left for dead as an infant, Hope Mulder

has struggled to find her place in life in the city of Prosperity Way. Hope's greatest desire is to be part of the Elite Front, a group of highly trained soldiers who protect the city, keep order, and carry out the wishes of the Supreme Valor—the ruler of Prosperity Way—but she faces the doubt and derision of those who see only her disability. At the age of twenty-one, Hope's dream is realized—she is accepted into the Elite Front training program. As she throws herself into her training, her loving adoptive parents try to warn her about the choices she is making and how they may set her on a path of no return. When Hope is ordered to carry out an agonizing duty, she is forced to question her faith in the Elite Front's mission. To redefine her existence, however, she must first face the consequences of her actions and confront the painful truth of her past.

**Never Quit** - Jimmy Settle 2017-03-07

"That Others May Live" is a mantra that defines the fearless men of Alaska's 212th Pararescue

Unit, the PJs, one of the most elite military forces on the planet. Whether they are rescuing citizens injured and freezing in the Alaskan wilderness or saving wounded Rangers and SEALs in blazing firefights at war, the PJs are the least known and most highly trained of America's warriors. *Never Quit* is the true story of how Jimmy Settle, an Alaskan shoe store clerk, became a Special Forces Operator and war hero. After being shot in the head during a dangerous high mountain operation in the rugged Watapur Valley in Afghanistan, Jimmy returns to battle with his teammates for a heroic rescue, the bullet fragments stitched over and still in his skull. In a cross between a suicide rescue mission and an against-all-odds mountain battle, his team of PJs risk their lives again in an epic firefight. When his helicopter is hit and begins leaking fuel, Jimmy finds himself in the worst possible position as a rescue specialist—forced to leave members from his own team behind. Jimmy will have to risk

everything to get back into the battle and bring back his brothers. From death-defying Alaskan wilderness training, wild rescues, and vicious battles against the Taliban and Al Qaeda, this is an explosive special operations memoir unlike any that has come before, and the true story of a man from humble beginnings who became an American hero.

### **Workshop Mastery with Jimmy DiResta -**

Jimmy DiResta 2016-10-03

Jimmy DiResta has made a name for himself with his inventiveness and workshop skills, creating dozens of projects for YouTube videos and television shows such as Hammered and Against the Grain on the DIY network. In Make: Workshop Mastery With Jimmy DiResta, Jimmy and co-author John Baichtal teach readers essential workshop skills with over a dozen projects that explore everything from mold-making to CNC routing on to metalsmithing. Projects in this book include: Tool-drawer cabinet A chess set One-sheet metal

stool A machete Crowbar-hammer mashup An electric guitar with a carved body Your own sign A leather backpack

### **How to American - Jimmy O. Yang 2018-03-13**

Standup comic, actor and fan favorite from HBO's Silicon Valley and the film Crazy Rich Asians shares his memoir of growing up as a Chinese immigrant in California and making it in Hollywood. "I turned down a job in finance to pursue a career in stand-up comedy. My dad thought I was crazy. But I figured it was better to disappoint my parents for a few years than to disappoint myself for the rest of my life. I had to disappoint them in order to pursue what I loved. That was the only way to have my Chinese turnip cake and eat an American apple pie too." Jimmy O. Yang is a standup comedian, film and TV actor and fan favorite as the character Jian Yang from the popular HBO series Silicon Valley. In How to American, he shares his story of growing up as a Chinese immigrant who pursued a Hollywood career against the wishes of his

parents: Yang arrived in Los Angeles from Hong Kong at age 13, learned English by watching BET RapCity for three hours a day, and worked as a strip club DJ while pursuing his comedy career. He chronicles a near deportation episode during a college trip Tijuana to finally becoming a proud US citizen ten years later. Featuring those and many other hilarious stories, while sharing some hard-earned lessons, How to American mocks stereotypes while offering tongue in cheek advice on pursuing the American dreams of fame, fortune, and strippers.

*The Good Garden* - Katie Smith Milway  
2020-04-07

María's family are poor Honduran farmers, growing barely enough to eat. Then a new teacher comes to town and shows María sustainable farming practices that yield good crops. An inspiring story, based on actual events, that shows us how farms and hopes are transformed as good gardens begin to grow.

**The Cup They Couldn't Lose** - Shane Ryan  
2022-05-10

The definitive story of the Ryder Cup—the event that pits the best golfers from America against the best from Europe—exploring the modern history of the tournament that led to the showdown at Whistling Straits in 2021. The task facing Steve Stricker at the 2021 Ryder Cup was enormous. It was his job, as the American captain, to stare down almost 40 years of Ryder Cup history, break a pattern of home losses that had persisted almost as long, and reverse the tide of European dominance in one of golf's most tense and emotional events. This was the epitome of a must-win, but it was also something more—in the entire 93-year history of the event, no American side had ever faced this kind of pressure. Starting on the morning of September 24, those 12 players competed not just for a Cup, or for pride, but to save the reputation of the U.S. team itself. The great mystery of the Ryder Cup is that America loses despite having

superior individual talent. The European renaissance began in the 1980s, led by the brilliant Tony Jacklin and Seve Ballesteros, and since then, the U.S. has suffered a slew of embarrassing defeats abroad and at home. The signs in 2021 weren't good: Tiger Woods was out after his horrific car crash, Patrick Reed ("Captain America," to his supporters) was hospitalized with double pneumonia weeks before the event, and America had to rely on its rising stars—including Bryson DeChambeau and Brooks Koepka, who spent most of the year immersed in an escalating feud—to prove their mettle. Meanwhile, the European team had a few major stars of its own, like Jon Rahm, the world no. 1 and the first Spanish player ever to win the U.S. Open, and Rory McIlroy, the four-time major winner. Throw in the complications of a global pandemic, and the stage was set for one of the strangest Ryder Cups ever. Following the drama in Wisconsin while deconstructing the rich history of the tournament, *The Cup They*

*Couldn't Lose* tells the story of how the U.S. defeated Europe in record fashion, restored their status as golf's global superpower, and transformed their entire way of thinking in order to truly understand the nature of the Ryder Cup.

**Political Power: Jimmy Carter** - Michael Frizell 2021-08-08

James Earl Carter, Jr.'s the hardest working former President of the United States. After serving as Georgia's 76th governor, Carter won the presidency during a tumultuous election cycle, serving one term from 1977-1981. Since leaving office, Carter has made a name for himself as the heart of the Democrat Party, exemplifying his servant-leader attitude. Released in time for his 97th birthday, *Political Power: Jimmy Carter* explores his life, loves, and leadership. The biography comic format allows TidalWave writers to delve into the history of newsworthy figures and explore what shaped them. Several media outlets, including CNN, FOX News, "The Today Show" and Time and

People magazines, have featured the company's line of biographical comic books.

**Call Me Jimmy** - Damian Boyle 2003-01-01

Jimmy Buffett - Ryan White 2017-05-09

A candid, compelling, and rollicking portrait of the pirate captain of Margaritaville—Jimmy Buffett. In *Jimmy Buffett: A Good Life All the Way*, acclaimed music critic Ryan White has crafted the first definitive account of Buffett's rise from singing songs for beer to his emergence as a tropical icon and CEO behind the Margaritaville industrial complex, a vast network of merchandise, chain restaurants, resorts, and lifestyle products all inspired by his sunny but disillusioned hit "Margaritaville." Filled with interviews from friends, musicians, Coral Reefer Band members past and present, and business partners who were there, this book is a top-down joyride with plenty of side trips and meanderings from Mobile and Pascagoula to New Orleans, Key West, down into the islands

aboard the Euphoria and the Euphoria II, and into the studios and onto the stages where the foundation of Buffett's reputation was laid. Buffett wasn't always the pied piper of beaches, bars, and laid-back living. Born on the Gulf Coast, the son of a son of a sailing ship captain, Buffett scuffed around New Orleans in the late sixties, flunked out of Nashville (and a marriage) in 1971, and found refuge among the artists, dopers, shrimpers, and genuine characters who'd collected at the end of the road in Key West. And it was there, in those waning outlaw days at the last American exit, where Buffett, like Hemingway before him, found his voice and eventually brought to life the song that would launch Parrot Head nation. And just where is Margaritaville? It's wherever it's five o'clock; it's wherever there's a breeze and salt in the air; and it's wherever Buffett sets his bare feet, smiles, and sings his songs.

**Two-minute Drill** - Mike Lupica 2007  
Brainy Scott, a great kicker who otherwise

struggles with football, and star quarterback Chris, who has dyslexia, team up to help each other succeed in both football and school.

**Catch of the Day** - Jimmy Houston 2012-05-07

Put into action the characteristics needed to be a great fisherman, and see how they can also make you into a great fisher of men. Fishermen don't rely on luck in order to catch fish—they put their skills, knowledge, and experience into play every time they cast their line. Likewise, righteous and godly living doesn't come naturally but requires study, commitment, and a lot of practice. In *Catch of the Day*, Jimmy Houston combines both his love of fishing and his love of God in this unique fisherman's 365-day devotional. Each day features Scripture and a thought for meditation that applies insights from the art of fishing to daily spiritual growth, as well as fishing tip from a pro. Anyone who loves God's creation, combined with the excitement of the catch, will truly enjoy this guide of spiritual lessons for life.

**I Am the Guadalupe Coloring Book** - James Joseph Roderick 2013-11

This is the second in a series of Jimmy and Naomi's I AM Coloring Books dedicated to our children, Jacob, Aaron, Nathaniel and Eden and our grandchildren, Zayna, Ezra, Paloma, Penelope, Iris and Zion. The I AM the Guadalupe Coloring Book is our contribution to the nourishment and embodiment of Our Lady of Guadalupe. In the act of bringing color to these pages, may you and your children invite and invoke the essence of Our Lady. We have created this I AM the Guadalupe Coloring Book with the greatest respect and admiration for Our Lady of Guadalupe in a humble attempt to bring her closer to all of our hearts. 'As Our Lady drew herself upon Juan Diego's tilma in roses, she surely rejoices in children (including the child in each of us) to color her into our daily lives.' Matthew Crawley Operations Manager of Shumei International

**Searching for Jimmy Buffett** - Frank Mosco

2011-09-01

Sister Moonbeam-Goom-jigi, a hallucinatory, burned out, hippy flower child of the 1960's, wrongfully thinks her late-in-life son is the by-product of an imagined one-night stand with Jimmy Buffett. Her final words inadvertently send her 14-year-old son on a quest to find his namesake famous father. "Searching for Jimmy Buffett" is a hilarious, politically incorrect book full of non-stop humor.

*Before & Laughter* - Jimmy Carr 2021-09-30

\* THE SUNDAY TIMES BESTSELLER \* \*A

SUNDAY TIMES BOOK OF THE YEAR \* 'Very funny and very beautiful, packed with jokes and genuinely wise advice' - Chris Evans 'So good. I've loved every second of reading it' - James Corden 'Riveting' - Daily Mail 'A hilarious book that will be adored by Jimmy's fans. Both of them' - David Walliams 'I was really annoyed at how good this book is and that's the biggest compliment I can give' - Romesh Ranganathan 'It's the first life advice book from someone

whose life you would actually want' - Katherine Ryan 'Stand-up comedy raised me. It taught me all the skills I need for life, except tax accounting' - Jimmy Carr Cheaper than Scientology, quicker than therapy and much less boring than church - this is the hugely funny and insightful book about happiness by top comedian Jimmy Carr, and anyone feeling stuck in a rut should devour it. In his mid-twenties, Jimmy was bored, boring, unfulfilled and underachieving. He wasn't exactly depressed, but he was very sad. Think of a baby owl whose mum has recently died in a windmill accident. He was that sad. This book tells the story of how Jimmy turned it around and got happy, through the redemptive power of dick jokes. Written to take advantage of the brief window between the end of lockdown and Jimmy getting cancelled for saying something unforgivable to Lorraine Kelly, this book is as timely as it is unnecessary. Because you might be interested in Jimmy's life but he's damn sure you're a lot more interested

in your own, Before & Laughter is about both of you. But mainly him. It tells the story of Jimmy's life - the transformation from white-collar corporate drone to fake-toothed donkey-laugh plastic-haired comedy mannequin - while also explaining how to turn your own life around and become the you you've always dreamt of being. At just £20, it's cheaper than Scientology, quicker than therapy, and significantly less boring than church. Before & Laughter contains the answers to all the big questions in life, questions like: · What's the secret to happiness? · Is Jimmy wearing a wig? · What happened with that tax thing? · What's the meaning of life? · Is Jimmy's laugh real? · Can those teeth bite through vibranium? And for readers in the West Country: yes, there are pictures (actually, sorry, there are no pictures, but there's a book about a hungry caterpillar you'll love). Because it's Jimmy Carr - recently scientifically proved to be the funniest comedian in the UK - there are jokes, jokes and more jokes throughout. If

laughter really was the best medicine, the NHS would be handing out this book in Nightingale Hospitals. Fascinating, thoughtful and insightful - are all words that appear in the book.

**Civilized to Death** - Christopher Ryan  
2020-08-11

The New York Times bestselling coauthor of Sex at Dawn explores the ways in which “progress” has perverted the way we live—how we eat, learn, feel, mate, parent, communicate, work, and die—in this “engaging, extensively documented, well-organized, and thought-provoking” (Booklist) book. Most of us have instinctive evidence the world is ending—balmy December days, face-to-face conversation replaced with heads-to-screens zomboidism, a world at constant war, a political system in disarray. We hear some myths and lies so frequently that they feel like truths: Civilization is humankind’s greatest accomplishment. Progress is undeniable. Count your blessings. You’re lucky to be alive here and now. Well,

maybe we are and maybe we aren't. *Civilized to Death* counters the idea that progress is inherently good, arguing that the "progress" defining our age is analogous to an advancing disease. Prehistoric life, of course, was not without serious dangers and disadvantages. Many babies died in infancy. A broken bone, infected wound, snakebite, or difficult pregnancy could be life-threatening. But ultimately, Christopher Ryan questions, were these pre-civilized dangers more murderous than modern

scourges, such as car accidents, cancers, cardiovascular disease, and a technologically prolonged dying process? *Civilized to Death* "will make you see our so-called progress in a whole new light" (Book Riot) and adds to the timely conversation that "the way we have been living is no longer sustainable, at least as long as we want to the earth to outlive us" (Psychology Today). Ryan makes the claim that we should start looking backwards to find our way into a better future.
