## **101 Rums to Try Before You Die** - Ian Buxton

2018-06-14

Discover the best rums in the world with this guide by the international bestselling author of Whiskies Galore. Rum, once the poor relation of the spirit world, has undergone a revival and is no longer seen just as the preferred tittle for tipsy pirates. The craft drinks movement has certainly stimulated the rum world, with high numbers of new artisan rum brands launching around the world in the last few years. The rise of the rum cocktails is another successful trend, with the popularity of mojitos and Mai Tais contributing greatly to the growth and development of the rum market. Ian Buxton, the UK's No.1 bestselling author on spirits, takes us on a tour of the different colors, flavors, creation methods and characteristics, and makes his pick of the best rums in the

world. Whether you like your rum in cocktails, or prefer to sip it neat, this is the only book on rum you will ever need. "An invaluable [book] for those who wish to make a foray into the rum revival armed with the requisite knowledge. Burning questions are answered with Buxton's trademark, inimitable wit, while what one should infer from rums different colors, nuances and creation methods is explained with concise authority. Expect, too, a refreshing lack of snobbery about mixers and cocktails." —The Robb Report

## **The Laws of Cooking** - Justin Warner

2015-10-13

Foreword by Alton Brown. The Laws of Cooking . . . and How to Break Them encourages improvisation and play, while explaining Justin Warner's unique ideas about "flavor theory"-like color theory, but for your tongue. By introducing eleven laws based on familiar foods (e.g., "The Law of Peanut Butter and Jelly"; "The Law of Coffee, Cream, and Sugar"), the book will teach you why certain flavors combine brilliantly, and then show how these combinations work in 110 more complex and inventive recipes (Tomato Soup with "Grilled Cheese" Ravioli; Scallops with Black Sesame and Cherry). At the end of every recipe, Justin "breaks the law" by adding a seemingly discordant flavor that takes the combination to a new level.

## **Big Gun Monitors** - Ian Buxton

2008-03-30

In the history of naval warfare probably no type of ship has provided more firepower per ton than the monitor indeed they were little more than a huge gun mounting fitted on a simple, self-propelled raft. Designed and built rapidly to fulfil an urgent need for heavy shore-bombardment during World War I, they were top secret in conception, and largely forgotten when the short-lived requirement was over. Nevertheless, they were important ships, which played a significant role in many Great War campaigns and drove many of the advances in long-range gunnery later applied to the battle fleet. Indeed, their value was rediscovered during the Second World War when a final class was built. Monitors were largely ignored by naval historians until Ian Buxton produced the first edition of this book in 1978. Although published privately, this became an established classic and copies of the first edition are now almost unobtainable, so this new edition will be welcomed by many. It has been completely revised, extended and redesigned to a generous large format which allows material deleted from the original edition for lack of space to be restored.

## **Tarot & Tequila** - David A Ross

2021-07-13

Embrace the magic of tarot and perfectly match the cards with mixed drinks in this beautifully illustrated bar book. "Don't take advice from tequila, that's the tarot's job." Tarot & Tequila is a positive and spiritually uplifting guide that includes both basic and humorous tequila-inspired meanings of all 78 tarot cards that both beginners and experienced tarot card readers will relate to. Featuring 40 cocktail recipes—one for each Major Arcana card plus bonus Minor Arcana drinks, too—based on the attributes of the cards themselves, as well as a mystical pairing that explains why professional tarot card reader David Ross chose to pair each card to their respective drink, this magical mixology book can be used as both a guide and a recipe book. Try drinks like: -The High Priestess, an elixir of tequila, lemon juice, thyme, and seltzer -The Chariot, a tequila version of a Moscow Mule, with lemon, beet, and apple juices -The Four of Wands, a positive concoction of rum, homemade fennel liqueur, and more Perfect for fans of drinking, bartending, and tarot alike, this beautifully illustrated book makes both a perfect gift and a must-have addition to any home bar.

## **Between the World and Me** - Ta-Nehisi Coates

2015-07-14

#1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important

essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

**The Things They Carried** - Tim O'Brien 2009-10-13

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

**Bitters** - Brad Thomas Parsons 2011-11-01

Gone are the days when a lonely bottle of Angostura bitters held court behind the bar. A cocktail renaissance has swept across the country, inspiring in bartenders and their thirsty patrons a new fascination with the ingredients, techniques, and traditions that make the American cocktail so special. And few ingredients have as rich a history or serve as fundamental a role in our beverage heritage as bitters. Author and bitters enthusiast Brad Thomas Parsons traces the history of the world's most storied elixir, from its earliest "snake oil" days to its near evaporation after Prohibition to its ascension as a beloved (and at times obsessed-over) ingredient on the contemporary bar scene. Parsons writes from the front lines of the bitters boom, where he has access to the best and boldest new brands and flavors, the most innovative artisanal producers, and insider knowledge of the bitters-making process.

Whether you're a professional looking to take your game to the next level or just a DIY-type interested in homemade potables, *Bitters* has a dozen recipes for customized blends—ranging from Apple to Coffee-Pecan to Root Beer bitters—as well as tips on sourcing ingredients and step-by-step instructions fit for amateur and seasoned food crafters alike. Also featured are more than seventy cocktail recipes that showcase bitters' diversity and versatility: classics like the Manhattan (if you ever get one without bitters, send it back), old-guard favorites like the Martinez, contemporary drinks from Parsons's own repertoire like the Shady Lane, plus one-of-a-kind libations from the country's most pioneering bartenders. Last but not least, there is a full chapter on cooking with bitters, with a dozen recipes for sweet and savory bitters-infused dishes. Part recipe book, part project guide, part barman's manifesto, *Bitters* is a celebration of good cocktails made well, and of the once-forgotten but blessedly rediscovered virtues of bitters.

**The Negro Motorist Green Book** - Victor H. Green

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

*Having Our Say* - Sarah L. Delany 1997-01-01

Warm, feisty, and intelligent, the Delany sisters speak their mind in a book that is at once a vital historical record and a moving portrait of two remarkable women who continued to love, laugh, and embrace life after over a hundred years of living side by side. Their sharp memories show us the post-Reconstruction South and Booker T. Washington; Harlem's Golden Age and Langston Hughes, W.E.B. Du Bois, and Paul Robeson. Bessie breaks barriers to become a dentist; Sadie quietly integrates the New York City system as a high school teacher. Their extraordinary story makes an important contribution to our nation's heritage—and an indelible impression on our lives.

*101 Gins to Try Before You Die* - Ian Buxton 2015-08-13

"An engaging and uber-knowledgeable guide to gin from spirits guru Ian Buxton" (Alice Lascelles, author of *Ten Cocktails*). From Adnams to Zuidam, Beefeater to Bombay, and London to Plymouth (and beyond), this new book from a bestselling drinks writer is the authoritative guide to the world of gin and the first book to explore the explosion of innovative gin brands and the artisanal distillers that are reinventing this most English of drinks. With serious gin bars stocking well over three hundred brands and adding still more, how do you choose? Is Edinburgh Gin a style or just a brand name? Can a rose-flower and cucumber infusion properly be called gin? Can gin be aged in wood or does that just make it a strange-tasting young whiskey? And what tonic to choose and why? In his inimitable style, Ian Buxton will lead readers through the great gin trap with his latest no-nonsense guide to 101 gins.

*Hello Cruel World* - Kate Bornstein 2011-01-04

Celebrated transsexual trailblazer Kate Bornstein has, with more humor and spunk than any other, ushered us into a world of limitless possibility through a daring re-envisionment of the gender system as we know it. Here, Bornstein bravely and wittily shares personal and unorthodox methods of survival in an often cruel world. A one-of-a-kind guide to staying alive outside the box, *Hello, Cruel World* is a much-needed unconventional approach to life for those who want to stay on the edge, but alive. *Hello, Cruel World* features a catalog of 101 alternatives to suicide that range from the playful (moisturize!), to the irreverent (shatter some family values), to the highly controversial. Designed to encourage readers to give themselves permission to unleash their hearts' harmless desires, the book has only one directive: "Don't be mean." It is this guiding principle that brings its reader on a self-validating journey, which forges wholly new paths toward a resounding decision to choose life. Tenderly intimate and unapologetically edgy, Kate Bornstein is the radical role model, the affectionate best friend, and the guiding mentor all in one.

**Gin: the Ultimate Companion** - Ian Buxton 2021-10-07

**101 Whiskies to Try Before You Die (5th edition)** - Ian Buxton 2022-09-29

Fifth edition, fully revised and updated. *101 Whiskies to Try Before You Die* is a whisky guide with a difference. It is not an awards list. It is not a list of the 101 'best' whiskies in the world in the opinion of a self-appointed whisky guru. It is simply a guide to the 101 whiskies that enthusiasts must seek out and try in order to complete their whisky education. Avoiding the deliberately obscure, the ridiculously limited and the absurdly expensive, whisky expert Ian Buxton recommends an eclectic selection of old favourites, stellar newcomers and mystifyingly unknown drams that simply have to be drunk. The book decodes the marketing hype and gets straight to the point; whether from Canada, India, America, Sweden, Ireland, Japan or the hills, glens and islands of Scotland, here are the 101 whiskies that you really want. Try them

before you die - Slainte!

The Bulletproof Diet - Dave Asprey 2014-12-02

In his mid-twenties, Dave Asprey was a successful Silicon Valley multimillionaire. He also weighed 300 pounds, despite the fact that he was doing what doctors recommended: eating 1,800 calories a day and working out 90 minutes a day, six times a week. When his excess fat started causing brain fog and food cravings sapped his energy and willpower, Asprey turned to the same hacking techniques that made his fortune to "hack" his own biology, investing more than \$300,000 and 15 years to uncover what was hindering his energy, performance, appearance, and happiness. From private brain EEG facilities to remote monasteries in Tibet, through radioactive brain scans, blood chemistry work, nervous system testing, and more, he explored traditional and alternative technologies to reach his physical and mental prime. The result? The Bulletproof Diet, an anti-inflammatory program for hunger-free, rapid weight loss and peak performance. The Bulletproof Diet will challenge—and change—the way you think about weight loss and wellness. You will skip breakfast, stop counting calories, eat high levels of healthy saturated fat, work out and sleep less, and add smart supplements. In doing so, you'll gain energy, build lean muscle, and watch the pounds melt off. By ditching traditional "diet" thinking, Asprey went from being overweight and sick in his twenties to maintaining a 100-pound weight loss, increasing his IQ, and feeling better than ever in his forties. The Bulletproof Diet is your blueprint to a better life.

The Curious Incident of the Dog in the Night-Time - Mark Haddon 2009-02-24

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

**My Antonia** - Willa Cather 2018-10-08

My Antonia is a novel by an American writer Willa Cather. It is the final book of the "prairie trilogy" of novels, preceded by O Pioneers! and The Song of the Lark. The narrator and the main character of the novel My Antonia, Jim grows up in Black Hawk, Nebraska from age 10 Eventually, he becomes a successful lawyer and moves to New York City.

Nineteen Eighty-Four - George Orwell 2021-01-09

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

**Gin: How to Drink it** - Dave Broom 2015-09-03

'You could not write a more sophisticated book or pack more detail onto each page...it is rocket science impressive' Huffington Post In recent years, gin has shed its old-fashioned image and been reborn as a hot and hip spirit. The number of brands grows every day and bartenders - and consumers - are now beginning to re-examine gin as a quality base spirit for drinks both simple and complex. Now, with more brands available

than ever before, it is the time to set out what makes gin special, what its flavours are and how to get the most out of the brands you buy. With this book as your guide, discover: How gin is made What a botanical is and how they impact a gin's flavour What the difference between Dutch, London, Scottish, Spanish and American gins is How you drink them to maximise your pleasure Whether there is life beyond the gin & tonic (yes!) The body of the book covers 120 gins which Dave has tested four ways - with tonic, with lemonade, in a negroni and in a martini - and then scored. In addition, each gin is categorised according to an ingenious flavour camp system, which highlights its core properties and allows you to understand how you can best drink it, and therefore enjoy it.

People Are Asleep They Wake Up When They Die - Emre Dorman  
2020-10-04

Many people are deceived by the transient splendor of worldly life and spend their lives pursuing their wishes and desires. They drift within life like leaves in the wind. They forget that one day they will die; and not only do they make no preparations regarding their afterlife, they also live a life of no meaning and no value. But death is the twin of life. It is born when we are born. Every breath taken is half life, half death. That is how close death is to us. Life is like the flame of a match between the darkness in the mother's womb and the darkness under the ground. It will only take a few moments to extinguish. Life passes by in the blink of an eye. In order to wake up, it is first necessary to sleep. And in order to die, to live. We lived. We slept while we lived. We thought that we were alive, but we were in a deep sleep. Do you have the courage to face the truth, to wake up from your worldly sleep and to question your life? If you do not, then you can put down this book, carry on with your life as before, until you reach the end of your allotted time. In other words, you can live as if you were never going to die and die as if you have never lived. Confront yourself, before you have to confront the inevitability of death.

Al Capone Does My Shirts - Gennifer Choldenko 2006-04-20

The Newbery Honor Book and New York Times Bestseller that is historical fiction with a hint of mystery about living at Alcatraz not as a prisoner, but as a kid meeting some of the most famous criminals in our history. Al Capone Does My Shirts has become an instant classic for all kids to read! Today I moved to Alcatraz, a twelve-acre rock covered with cement, topped with bird turd and surrounded by water. I'm not the only kid who lives here. There are twenty-three other kids who live on the island because their dads work as guards or cooks or doctors or electricians for the prison, like my dad does. And then there are a ton of murderers, rapists, hit men, con men, stickup men, embezzlers, connivers, burglars, kidnappers and maybe even an innocent man or two, though I doubt it. The convicts we have are the kind other prisons don't want. I never knew prisons could be picky, but I guess they can. You get to Alcatraz by being the worst of the worst. Unless you're me. I came here because my mother said I had to. **Suicide** - Paul G. Quinnett 1992

This is a frank, compassionate book written to those who contemplate suicide as a way out of their situations. The author issues an invitation to life, helping people accept the imperfections of their lives, and opening eyes to the possibilities of love.

To Sail No More - Ian Lyon Buxton

**101 Rums to Try Before You Die** - Ian Buxton 2018-06-07

Rum, once the poor relation of the spirit world, has undergone a revival and is no longer seen just as the preferred tippie for tipsy pirates. The craft drinks movement has certainly stimulated the rum world, with high numbers of new artisan rum brands launching around the world in the last few years. The rise of the rum cocktails is another successful trend, with the popularity of mojitos and mai tai contributing greatly in the growth and development of the rum market. Ian Buxton, the UK's No.1 bestselling author on spirits, takes us on a tour of the different colours, flavours, creation methods and characteristics, and makes his pick of the best rums in the world. Whether you like your rum in cocktails, or prefer to sip it neat, this is the only book on rum you will ever need.

Whisky - Aeneas MacDonald 2016-10-20

A revised edition of the 1930 Scottish classic guide, edited by the international bestselling author of 101 Whiskies to Try Before You Die. This is—in the opinion of many whisky writers and experts—the finest whisky book ever written. It is certainly the first written from the point of view of the consumer and is thus historically significant. But more than that, poetic and polemic in style and with its emphasis on the importance of single malt whisky and its concern to protect and inform the consumer, it remains fresh and relevant to the interests of today's whisky drinker. It is a remarkably prophetic book, and with Ian Buxton's shrewd commentary and analysis, combined for the first time with period illustrations, it is brought bang up to date for today's generations of whisky aficionados. "The finest whisky book ever." —Dave Broom "This is a small volume but there are plenty who will love it. It is airy, witty, full of sound knowledge and practical wisdom." —The New York Times "If I could take only one whisky book to a desert island it would be Aeneas MacDonald's Whisky." —Charles MacLean "Among the generous pour of publications to please whisky fans, one stand-out is a long-awaited new edition of Whisky by Aeneas MacDonald . . . [h]is literary musings on matters of malt and more, first published in 1930, are widely hailed as among the best writing on the subject. The new edition features period

illustrations and an appreciation by writer Ian Buxton, who was instrumental in bringing the book to the masses.” —The Herald (UK)  
*101 Whiskies to Try Before You Die (Revised & Updated)* - Ian Buxton  
2011-08-04

Revised and updated in 2013, *101 Whiskies to Try Before You Die* is a whisky guide with a difference. It is not an awards list. It is not a list of the 101 'best' whiskies in the world in the opinion of a self-appointed whisky guru. It is simply a guide to the 101 whiskies that enthusiasts must seek out and try in order to complete their whisky education. Avoiding the deliberately obscure, the ridiculously limited and the absurdly expensive, whisky expert Ian Buxton recommends an eclectic selection of old favourites, stellar newcomers and mystifyingly unknown

drams that simply have to be drunk. The book decodes the marketing hype and gets straight to the point; whether from India, America, Sweden, Ireland, Japan or the hills, glens and islands of Scotland, here are the 101 whiskies that you really want. Try them before you die - Slainte!

*Gin Made Me Do It: 60 Beautifully Botanical Cocktails* - Jassy Davis  
2018-02-22

2016 was officially the “year of gin” in the UK, with sales topping £1 billion! The brilliantly botanical spirit is much more than tonic’s sidekick, it’s sophisticatedly sippable, and adds depth and flavour to any drink.
