Searching for God - Francis L. Gross 1989

A practical book for making good second starters in prayer, morality, choice of church, and questions of religious content, Searching for God is more concerned with choosing a good church than it is in finding the one, true church. It presents prayer as the beginning of contact with God and love as the foundation of morality.

[FileMaker Pro 13: The Missing Manual](#) - Susan Prosser 2014-06-27

You don't need a technical background to build powerful databases with FileMaker Pro 13. This crystal-clear guide covers all new FileMaker Pro 13 features, such as its improved layout tools and enhanced mobile support. Whether you're running a business, printing a catalog, or planning a wedding, you'll learn how to customize your database to run on a PC, Mac, Web browser, or iOS device. The important stuff you need to know: Get started. Tour FileMaker Pro's features and create your first database in minutes. Access data anywhere. Use FileMaker Go on your iPad or iPhone—or share data on the Web. Dive into relational data. Solve problems quickly by connecting and combining data tables. Create professional documents. Publish reports, invoices, catalogs, and other documents with ease. Harness processing power. Use calculations and scripts to crunch numbers, search text, and automate tasks. Add visual power and clarity. Create colorful charts to illustrate and summarize your data. Share your database on a secure server. Add the high-level features of FileMaker Pro Advanced and FileMaker Pro Server.

Why We Fight - Josh Rosenblatt 2019-01-15

Shortlisted for the William Saroyan International Prize for Writing A physical and philosophical meditation on why we are drawn to fight each other for sport, what happens to our bodies and brains when we do, and what it all means Anyone with guts or madness in him can get hit by someone who knows how; it takes a different kind of madness, a more persistent kind, to stick around long enough to be one of the people who

does the knowing. Josh Rosenblatt was thirty-three years old when he first realized he wanted to fight. A lifelong pacifist with a philosopher's hatred of violence and a dandy's aversion to exercise, he drank to excess, smoked passionately, ate indifferently, and mocked physical activity that didn't involve nudity. But deep down inside there was always some part of him that was attracted to the idea of fighting. So, after studying Muay Thai, Krav Maga, Brazilian jiu-jitsu, and boxing, he decided, at age forty, that it was finally time to fight his first—and only—mixed martial arts match: all in the name of experience and transcending ancient fears. An insightful and moving rumination on the nature of fighting, *Why We Fight* takes us on his journey from the bleachers to the ring. Using his own training as an opportunity to understand how the sport illuminates basic human impulses, Rosenblatt weaves together cultural history, criticism, biology, and anthropology to understand what happens to the human body and mind when under attack, and to explore why he, a self-described "cowardly boy from the suburbs," discovered so much meaning in putting his body, and others', at risk. From the psychology of fear to the physiology of pain, from Ukrainian shtetls to Brooklyn boxing gyms, from Lord Byron to George Plimpton, *Why We Fight* is a fierce inquiry into the abiding appeal of our most conflicted and controversial fixation, interwoven with a firsthand account of what happens when a mild-mannered intellectual decides to step into the ring for his first real showdown.

Moonlight Avenue - Gerri Hill 2019-03-01

Finley Knight, ex-cop turned private investigator, lives a lonely, solitary life. She uses her downtime to reflect on the past and wonders what could have been. Detective Dee Woodard transferred to Corpus Christi nine years ago to put distance between herself and her ex...an ex she was still in love with. A murder investigation leads her to Moonlight Avenue and Finley Knight. Rylee Moore left the windy plains of Amarillo in her rearview mirror, hoping to start over in this city by the bay, only to find employment hard to come by. Finley Knight wasn't hiring either, but Rylee's begging and pleading—and not taking "no" for an answer—finally lands her a job. Not as an apprentice, as she wanted, but as the lone employee at Moonlight Avenue Investigations—receptionist. When another murder hits close to home, Finn ignores the police directive to stay out of it and goes on a search for the killer...reluctantly taking Rylee along for the ride. After a gruesome third murder, Dee is booted from the case. She joins Finn's team...the chase bringing them closer and closer to a vicious drug dealer. Amongst the chaos, crime, and cover-up...love pokes its head above the water. But can they stay alive long enough to explore it?

The Gift Inside the Box - Adam Grant 2019-10-01

Adam Grant, the bestselling author of *Give and Take*, teams with his wife, Allison, to share the lighthearted tale of a gift in search of a giver—a classic in the making and the perfect conversation starter about thoughtfulness. This delightful book—one of Amazon's 2019 Holiday Gift Picks and Most Anticipated Books—is designed to start conversations with kids about generosity. In the tradition of *Goodnight Gorilla*, the words are intentionally spare. The book is meant to be read interactively, with adults posing questions so kids can guess what's happening (and why). Praised by both parents and teachers for sparking imagination and eliciting discussion, the story can be interpreted differently in every family, by every child, and reinterpreted many times over. Give the gift of this clever, earnest book about generosity—a new and nourishing fable for every child's library (and one that includes a delightfully innovative cover approach that requires the reader to unfasten the Velcroed cover for a fun unboxing effect!). It's a gift that keeps on giving. "Truly phenomenal . . . Kristen [Bell]'s favorite book we've read to the kids in a year." --Dax Shepard of the podcast "Armchair Expert"

Content Management Bible - Bob Boiko 2005-11-28

Written by one of the leading experts in content managementsystems (CMS), this newly revised bestseller guides readers through the confusing and often intimidating task of building, implementing, running, and managing a CMS Updated to cover recent developments in online delivery systems, as well as XML and related technologies Reflects valuable input from CMS users who attended the author's workshops, conferences, and courses An essential reference showing anyone involved in information delivery systems how to plan and implement a system that can handle large amounts of information and help achieve an organization's overall goals

Crossing Platforms A Macintosh/Windows Phrasebook - Adam Engst 1999

Provides a definitive guide to terminology, techniques, and system information for individuals working in both Macintosh and Windows environments, explaining how to translate materials effectively from the one platform to the other. Original. (All Users)

Cities Around the World - Lucy Menzies 2019-10-08

Featuring 12 cities from around the world, this highly-illustrated search-and-find book rewards close inspection. Incredibly detailed illustrations by Tilly bring the vibrant city scenes to life and are sure to spark a child's interest in the wider world around them. Each spread features explanatory text alongside a full-page artwork. First, comb through each cityscape and spot five of the most significant landmarks. Can you see the Eiffel Tower in Paris? Or how about Lady Liberty in NYC? Once you've discovered the landmarks, there are five cultural gems hidden to spot. Finally, answer the counting question in each scene. There's always something new to spot in *Cities Around the World*, meaning children will want to read it again and again.

Records & Briefs New York State Appellate Division -

Regulating Speech in Cyberspace - Emily B. Laidlaw 2015-08-07

This book analyses the role of businesses in regulating and influencing the exercise of free speech on the internet.

I Don't Give a F*!** - Prem Dayal 2015-11-02

I DON'T GIVE A F***! American Mantras to Free the Spirit (A Roadmap to Enlightenment for Godless Mystics). Good old Socrates said: all I know is that I know nothing. If Socrates didn't know it, imagine what it is that I don't know! But there are a hell of a lot of people who say they know a lot, and are therefore much smarter than I and even smarter than Socrates, who certainly would not be someone to be ashamed of as a classmate. There are those who speak with angels, who speak with the dead, with forest creatures, extraterrestrials, goblins and animals... and the luckiest of all speak long distance with God. Sadly, it often happens that these same people, found talking candidly with ghosts, plants, UFOs, sheep, cows and all types of beasts, have serious difficulty communicating with their own children, their partners or with the valet parking dude.

Love's Touch - Anit Arca 2022-04-10

Is the world an illusion? Is our Universe a hologram? This is a magical world. "All there Is" is you; you are the magnificent reflection of "All That Is" in the world of Existence and three dimensions. Let us wake up from this illusion. We have to realize we will leave this body one day; we have to realize all of our possessions will be left behind as we depart for our next new adventure. This is not a book of divine informative revelation. These words do not come from heaven. These writings (knowledge) arose in the Heart through Universal Intuition and were written from Oneself to oneself without the interference of the author's personal thoughts (ego). What you call 'I' is your identity. Bonding yourself with your identity creates the 'I am' ego personality. This identity of yours is not actually you, it is an illusory state of what you are not. In Reality, you are not your ego-identity. The external world and its social parameters play a big role in forming this ego-identity. You do not own anything, no name, no form or any image that you can

call 'I'. You have not constructed or created these. You do not own anything you think you can control or possess. When you identify yourself with these things, the things that you are not (or do not own), you are creating a self-imposed prison for yourself and living inside of it. In other words, you create your 'ego-personality'. In this case, we have to ask the following question - who am I Really? Are you really all that you claim to own, names, forms and images? Are you only made up of body and mind? When you identify with these beliefs and those of the collective world consciousness you get lost and break away from your true Reality. When you claim ownership of these names, forms and images, you create your 'ego-personality'. Whenever you say 'I am' this or that, you are identifying with that thing which you now claim as your own and you unify yourself with that thing. If you do not identify with anything, if you do not claim ownership of anything, the 'I' ceases to exist. Removing the 'I', dissolving it, is the ultimate freedom we seek. The walls of the self-imposed prison of ego personality you possessively created will fall away. Here, in this liberated state of being, the necessity for choice or decision falls away too. You act just as is needed in each moment of life as it arises in the Now. Thoughts of "should I have done this or that?" will disappear. The mind is like software running on a computer. The "virus" that corrupts the software is the ego. It is this ego-personality that creates erroneous beliefs and then claims ownership of them. Only when this virus is removed by an antivirus program, Mind reveals itself in its full capacity. With this cleaning up process, human minds become increasingly liberated and expansively intelligent. In this Book, knowledge of advanced life is being released into the public publishing domain for the first time. This life can be described with concepts of "Absolute Human", "Birth of Absolute Humanity", "Experiencing Non-Existence" and "Beyond Non-Existence". We believe through our life experience that the only way to change our individual and collective point of view is to know NON-EXISTENCE. The will behind the writing and publishing of this knowledge in the Book arose in servitude.

Fallout 3 - Strategy Guide - GamerGuides.com 2015-10-28

War never changes. The Fallout franchise certainly has, however. In 2008 Bethesda revived Interplay's famous "Post Nuclear Role Playing Game", moving from third person to first person, and from the west coast to the east coast. You are the Lone Wanderer, an outcast from Vault 101 who sacrifices a relatively easy life in order to brave the terrors of the post-apocalyptic Wasteland and find your Dad, whose mysterious departure from Vault 101 sets a chain of events in motion that will change the Capital Wasteland forever... This guide is intended to be the ultimate completionist's guide to Fallout 3. The guide offers the following: - Every area in the game covered extensively including all side quests and main quests. - All the Bobbleheads, skill books and schematic locations. - A full trophy/achievement guide. - An in-depth information about character creation is also provided so you can create whatever Vault Dweller suits you best. - Good, evil and neutral alternatives to quests will be presented where applicable. Become the Last, Best Hope of Humanity... or add to the continuing sum of human misery in your selfish quest for survival. Sneak past foes, talk your way out of confrontations, shoot everything in the head, or create a character who can do it all. The Wasteland is a big, dangerous place, and this guide will help you experience as much as possible.

Inside Meditation - In Search of the Unchanging Nature Within - Alexander Filmer-Lorch 2012-06

Inside Meditation - In Search of the Unchanging Nature Within is a contemporary guide to the theory, practice and application of the science of meditation, philosophy and Eastern psychology. Alexander Filmer-Lorch uses Inside Meditation - In Search of the Unchanging Nature Within to demystify the process of meditation. The book explores the history and origins of meditation, looking at the latest scientific aspects of regular meditation practice and its impact on brain function, brain-wave activity and its ability to create permanent changes in brain tissue. It also concentrates on the benefits of meditation practice on stress and adrenaline levels, mood swings, blood pressure, the immune system and overall health. There are more than 45 exercises and techniques explained in the book that cover self-study and meditation practice. Each chapter describes the theory behind the practice and gives clear instruction on how to action the acquired knowledge and how the techniques or exercises are supposed to be applied and executed. All meditation techniques explained in the book can be safely practiced and explored without the guidance of a teacher. Every topic, theme, method and technique has been thoroughly studied, researched, explored and practised by the author. Inside Meditation - In Search of the Unchanging Nature Within offers a timeless and down-to-earth approach based on Alexander Filmer-Lorch's accumulation of 30 years of self-practice and 20 years of meditation and philosophy teaching experience. The work is inspired and influenced by both old and new traditions.

Inside the Tortilla: A Journey in Search of Authenticity - Paul Read 2012-08-09

Life has a habit of throwing obstacles in your path for a good reason: They arise to challenge the undaunted, or deter the uncommitted. Either way, when you stumble into a town that the guide books warn you away from, you must choose between quickly moving on, or staying to see what the obstacles conceal. When one man and his faithful hound turn their backs on the Mediterranean Sea and set out on a journey into the interior of Andalusia, they go in search of a town that still cooks its food rather than shops for it. Tired of the disposable nature of modern living and its embrace of microwaved food, this search for authentic recipes unveils not just a series of gastronomic secrets, but the rich history, culture, politics and diet of a charismatic country as it struggles out of the shadow of its past and into the searing light of its future. A Journey deep Inside the Tortilla.

Search Inside Yourself - Chade-Meng Tan 2012-04-24

With Search Inside Yourself, Chade-Meng Tan, one of Google's earliest engineers and personal growth pioneer, offers a proven method for enhancing mindfulness and emotional intelligence in life and work. With forewords by Daniel Goleman, author of the international bestseller Emotional Intelligence, and Jon Kabat-Zinn, renowned mindfulness expert and author of Coming To Our Senses, Meng's Search Inside Yourself is an invaluable guide to achieving your own best potential.

The Answer You're Looking for Is Inside of You - Mark L. Prophet 1997

In "The Answer You're Looking for Is Inside of You", Mark Prophet weaves anecdotes from everyday life

with universal truths to create a profound yet thoroughly enjoyable guide to spiritual growth. Mark Prophet, one of the great spiritual teachers of our time, had a unique approach to spirituality. He believed that our quest for meaning in life, though challenging, should be fun. And that we can often find the answers we're looking for in the most unlikely places. spontaneous and engaging, this book leads us to those places--sources deep within and situations all around us that reveal untold opportunities for personal awakening. It offers fresh insights and practical techniques for selfmastery that you can immediately apply to your own life's journey. And in a delightful and down-to-earth way, it puts you in touch with your heart and with the truth that is at the heart of all the world's mystical traditions--that you can experience your own intimate relationship with God.

Scholastic Editor - 1923

Search and Recover - Shirlee McCoy 2021-02-23

Tracking Justice by Shirlee McCoy In the night, a young boy goes missing from his bedroom. Police detective Austin Black assures desperate single mother Eva Billows that he'll find her son. With his search-and-rescue bloodhound, Justice, Austin covers every inch of Sagebrush, Texas. And when Eva insists on helping, Austin can't turn her away. Eva trusts no one, especially police, but this time, Austin—and Justice—can't let her down. Detection Mission by Margaret Daley While looking for a missing child, K-9 detective Lee Calloway and his border collie find a mystery woman running for her life. She has no idea who she is—or why someone is after her. "Heidi" could be a criminal concealing the truth, but Lee's gut instinct says she's innocent. He vows to protect her until her memory returns, but someone is desperate to ensure that never happens.
