I'm Still Here - Austin

Channing Brown 2018-05-15

NEW YORK TIMES

BESTSELLER • REESE'S

BOOK CLUB PICK • From a

leading voice on racial justice, an eye-opening account of growing up Black, Christian, and female that exposes how white America's love affair with "diversity" so often falls short of its ideals. "Austin Channing Brown introduces herself as a master memoirist. This book will break open hearts and minds."—Glennon Doyle, #1 New York Times bestselling author of *Untamed* Austin Channing Brown's first encounter with a racialized America came at age seven, when she discovered her parents named her Austin to deceive future employers into thinking she was a white man. Growing up in majority-white schools and churches, Austin writes, "I had to learn what it means to love blackness," a journey that led to a lifetime spent navigating America's racial divide as a writer,

speaker, and expert helping organizations practice genuine inclusion. In a time when nearly every institution (schools, churches, universities, businesses) claims to value diversity in its mission statement, Austin writes in breathtaking detail about her journey to self-worth and the pitfalls that kill our attempts at racial justice. Her stories bear witness to the complexity of America's social fabric—from Black Cleveland neighborhoods to private schools in the middle-class suburbs, from prison walls to the boardrooms at majority-white organizations. For readers who have engaged with America's legacy on race through the writing of Ta-Nehisi Coates and Michael Eric Dyson, *I'm Still Here* is an illuminating look at how white, middle-class, Evangelicalism has participated in an era of rising racial hostility, inviting the reader to confront apathy, recognize God's ongoing work in the world, and discover how blackness—if we let it—can save us all.

Dark Threats and White Knights - Sherene Razack
2004-12-15

Somalia. March 4, 1993. Two Somalis are shot in the back by Canadian peacekeepers, one fatally. Barely two weeks later, sixteen-year-old Shidane Abukar Arone is tortured to death. Dozens of Canadian soldiers look on or know of the torture. The first reports of what became known in Canada as the Somalia Affair

challenged national claims to a special expertise in peacekeeping and to a society free of racism. Today, however, despite a national inquiry into the deployment of troops to Somalia, what most Canadians are likely to associate with peacekeeping is the nation's glorious role as peacekeeper to the world. Moments of peacekeeping violence are attributed to a few bad apples, bad generals, and a rogue regiment. In *Dark Threats and White Knights*, Sherene H. Razack explores the racism implicit in the Somalia Affair and what it has to do with modern peacekeeping. Examining the records of military trials and the public inquiry, Razack weaves together two threads: that of the violence itself and what would drive men to commit such atrocities, and secondly, the ways in which peacekeeping violence is largely forgiven and ultimately forgotten. Race disappears from public memory and what is installed in its place is a story about an innocent,

morally superior middle-power nation obliged to discipline and sort out barbaric third world nations. Modern peacekeeping, Razack concludes, maintains a colour line between a family of white nations constructed as civilized and a third world constructed as a dark threat, a world in which violence is not only condoned but seen as necessary.

The Important Book - Margaret Wise Brown 1990-03-10

The important thing about The Important Book -- is that you let your child tell you what is important about the sun and the moon and the wind and the rain and a bug and a bee and a chair and a table and a pencil and a bear and a rainbow and a cat (if he wants to). For the important thing about The Important Book is that the book goes on long after it is closed. What is most important about many familiar things -- like rain and wind, apples and daisies -- is suggested in rhythmic words and vivid pictures. 'A perfect book . . . the text establishes a word game which tiny children will

accept with glee.' -- K.

Faulkner and Material Culture - Joseph R. Urgo
2007-01-01

Essays by Charles S. Aiken, Katherine R. Henninger, T. J. Jackson Lears, Miles Orvell, Kevin Railey, D. Matthew

Ramsey, Joseph R. Urgo, Jay Watson, and Patricia Yaeger. Photographs, lumber, airplanes, hand-hewn coffins--in every William Faulkner novel and short story worldly material abounds. The essays in *Faulkner and Material Culture* provide a fresh understanding of the things Faulkner brought from the world around him to the one he created. Charles S. Aiken surveys Faulkner's representation of terrain and concludes, contrary to established criticism, that to Faulkner, Yoknapatawpha was not a microcosm of the South but a very particular and quite specifically located place. Jay Watson works with literary theory, philosophy, the history of woodworking and furniture-making, and social and intellectual history to explore how *Light in August* is tied intimately to the region's logging and woodworking industries. Other essays in the volume include Kevin Railey's on the consumer goods that appear in *Flags in the Dust*. Miles Orvell discusses the

Confederate Soldier monuments installed in small towns throughout the South and how such monuments enter Faulkner's work. Katherine Henninger analyzes Faulkner's fictional representation of photographs and the function of photography within his fiction, particularly in *The Sound and the Fury*, *Light in August*, and *Absalom, Absalom!*. Joseph R. Uργο is dean of the faculty at Hamilton College. Ann J. Abadie is associate director of the Center for the Study of Southern Culture at the University of Mississippi. *Among the 36 Strategies, Running Away is the Top One* - Chia Chen 2000 Xuya Zhao runs from America to China, running away from her American problems. However, China is full of surprises for her, all kinds: the secrets her family has kept over the years, the unbreakable bond with her girlhood buddies, the magic power of her grandmother, the mystery of the jade pendants, the reunions and encounters

with friends, sweethearts, acquaintances, and old enemies. Now she has a chance to settle those unsettled en yuan yuan (passions and resentments) from the Cultural Revolution and to make sense of her complicated lives in both China and America. Thus, her return-home adventure turns into a journey of self-rediscovery.
