Thanhha Lai 2013-03

Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama.

**Three Wishes** - Kristen Ashley  
2011-04-09

When Lily Jacobs was born, she inherited Fazire - a genie. Her family had three wishes and they'd only ever used one so Fazire was stuck in the human

world. This worked since he'd become a member of the family anyway. Even with a genie, Lily's young life wasn't perfect. To escape the kids making her miserable at school, Lily buried herself in romance novels. One day, when the teasing was just too much, she used one of her wishes. She told Fazire she wanted to find a man like in her books and she made the most complicated wish Fazire had ever heard. Her wished-for man had to be impossibly

handsome, virile, fierce, rugged and ruthless (amongst a dozen other things). He also had to think she was beautiful and he had to love her more than anything in the world. Nathaniel McAllister wasn't born to a life where there were such things as genies granting wishes. His life was filled with drugs, crime and neglect. He was running errands for a gangster before he was in his teens and, even though life and hard work led him to wealth and respectability, he always knew, deep down, he was dirty. When Nate met Lily he knew he was no good for her but as virile, fierce, rugged and ruthless as he was, Nate was no match for the pull of sweet, innocent Lily. Unfortunately, Lily's wish included that she and her hero go through trials and tribulations to test their love. And Fazire wasn't only a good genie, he loved Lily - so he gave her exactly what she wanted.

*The Jock and the Fat Chick* -  
Nicole Winters 2015-10-13

No one ever said high school was easy. In this hilarious and

heartwarming debut, one high school senior has to ask himself how much he's willing to give up in order to fit in. Kevin seems to have it all: he's popular, good looking, and on his way to scoring a college hockey scholarship. However, he's keeping two big secrets. The first is that he failed an assignment and is now forced to take the most embarrassing course ever--domestic tech. The second is that he is falling for his domestic tech classmate, Claire. As far as Kevin is concerned, Claire does have it all: she's funny, smart, beautiful, and confident. But she's off-limits. Because Kevin knows what happens when someone in his group dares to date a girl who isn't a cheerleader, and there's no way he is going to put himself—or Claire—through that. But steering clear of the girl of his dreams is a lot harder than Kevin thought...especially when a cooking project they are paired together for provides the perfect opportunity for things to heat up between them

*Wicked Fate* - Tabatha Vargo  
2012-11-01

Magic has no place in this world, so technically neither do I. Those around me want to see me burn—make me explode underneath their accusing glares—but I won't. There's only one person that gets me hot, and we've never spoken to each other. He's clueless to my fascination, but knows too much about secrets I've never whispered. He's different from the rest. The black sheep... Adam. I want him in my future, but my past threatens everything I've longed for. I won't run, I'll fight. I don't know what destiny has planned. I only know love can be cruel, and fate is truly wicked.

**Illuminate** - Amie Kaufman

For fans of Marie Lu comes the first book in an epic series that bends the sci-fi genre into a new dimension. "A truly beautiful novel that redefines

the form." —Victoria Aveyard, bestselling author of *Red Queen* This morning, Kady thought breaking up with Ezra was the hardest thing she'd have to do. This afternoon, her planet was invaded. The year is 2575, and two rival megacorporations are at war over a planet that's little more than a speck at the edge of the universe. Now with enemy fire raining down on them, Kady and Ezra—who are barely even talking to each other—are forced to evacuate with a hostile warship in hot pursuit. But their problems are just getting started. A plague has broken out and is mutating with terrifying results; the fleet's AI may actually be their enemy; and nobody in charge will say what's really going on. As Kady hacks into a web of data to find the truth, it's clear the only person who can help her is the ex-boyfriend she swore she'd never speak to again. Told through a fascinating dossier of hacked documents—including emails, maps, files, IMs, medical reports, interviews, and

*Making Changes* - Lila Rose 2017-02-27

Six years with my knight in shining armor. Four years with my knight in dented armor. Two years with my knight in

rusted armor. It is time to make a change. Time to find myself, even if it scares the hell out of me. I, Makenzie Mayfair, am leaving my husband. This is my chance to begin again, to rip my backbone out and yell, "I've found it." It may take time, it may take new friends, a job and even a jerk of a boss who is annoyingly handsome, but I will get there. I'm determined to be who I want to be, and plan to have a whole heap of fun along the way.

### Orange World and Other

Stories - Karen Russell

2020-05-05

ONE OF THE BEST BOOKS OF THE YEAR: THE

WASHINGTON POST • NPR • GOOD HOUSEKEEPING • FRESH AIR • THE DALLAS MORNING NEWS • LIT HUB • KIRKUS REVIEWS • LIBRARY JOURNAL • THE NEW YORK PUBLIC LIBRARY Karen

Russell's comedic genius and mesmerizing talent for creating outlandish predicaments that uncannily mirror our inner lives is on full display in these eight exuberant, arrestingly vivid, unforgettable stories. In

"Bog Girl," a young man falls in love with a two-thousand-year-old girl that he's extracted from a mass of peat in a Northern European bog. In "The Prospectors," two opportunistic young women fleeing the Great Depression strike out for new territory, and find themselves fighting for their lives. And in the brilliant, hilarious title story, a new mother desperate to ensure her infant's safety strikes a diabolical deal, agreeing to breastfeed the devil in exchange for his protection. The landscape in which these stories unfold is a feral, slippery, purgatorial space, bracketed by the void--yet within it Russell captures the exquisite beauty and tenderness of ordinary life. Orange World is a miracle of storytelling from a true modern master.

years earlier, determined to get to the bottom of the story. Just hours after marrying the beautiful Angela Vicario, everyone agrees, Bayardo San Roman returned his bride in disgrace to her parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, and as the story races to its inexplicable conclusion, an entire society--not just a pair of murderers—is put on trial. Gabriel García Márquez was born in Colombia in 1927. He was awarded the Nobel Prize in Literature in 1982. He is the author of many works of fiction and nonfiction, including *One Hundred Years of Solitude*, *Love In The Time Cholera*, *The Autumn Of The Patriarch*, *The General In His Labyrinth*, and *News Of A Kidnapping*. He died in 2014.

[It Was Me All Along](#) - Andie

Mitchell 2015-01-06

A yet heartbreakingly honest, endearing memoir of incredible weight loss by a young food blogger who battles body image issues and overcomes food addiction to find self-acceptance. All her life, Andie Mitchell had eaten lustily and mindlessly. Food was her babysitter, her best friend, her confidant, and it provided a refuge from her fractured family. But when she stepped on the scale on her twentieth birthday and it registered a shocking 268 pounds, she knew she had to change the way she thought about food and herself; that her life was at stake. *It Was Me All Along* takes Andie from working class Boston to the romantic streets of Rome, from morbidly obese to half her size, from seeking comfort in anything that came cream-filled and two-to-a-pack to finding balance in exquisite (but modest) bowls of handmade pasta. This story is about much more than a woman who loves food and abhors her body. It is about someone who made changes

when her situation seemed too far gone and how she discovered balance in an off-kilter world. More than anything, though, it is the story of her finding beauty in acceptance and learning to love all parts of herself.

**Jack Hammer** - Tabatha Vargo  
2015-03-27

Blaine Wesley If you love something... leave it. Because in the end, love tears you down. Those were my exact thoughts the day I walked away from the only girl I ever loved. The boy I used to be is long gone, and now I'm the Jack Hammer. Exotic dancer extraordinaire. The teaser and the pleaser. The paid for penis for play. I have to be these things to survive. It's who I became when I lost her. But now she's back, and I can't decide who I want to be more. The Jack Hammer or Blaine Wesley. All I know is she's foreplay at its finest, and it's my job to get them wet and ready. Chelsey Ford Liar. That's what I called him when he walked out of my life. He left me when I needed him the

most, and I'll never be the same. Losing your first love will turn you into someone bitter. Hateful. Angry. But now he's back, and he's determined to torture me. The only problem is, I'm enjoying his form of torture too much. And the hatred for him that holds me together is slowly starting to dissolve. "A love story you must read! Emotional, beautiful, intense." ~ Romance Bytes "This book is so much more than a stripper book." ~A Risqué Affair Book Blog "This isn't just a story of a stripper, it is so much more. It is a story of love, loss, moving on, growing up, learning to live again and SEX." ~White Hot Reads

**From the Ashes** - Jesse Thistle 2021-06-08

This #1 internationally bestselling and award-winning memoir about overcoming trauma, prejudice, and addiction by a Métis-Cree author as he struggles to find a way back to himself and his

Indigenous culture is “an illuminating, inside account of homelessness, a study of survival and freedom” (Amanda Lindhout, bestselling coauthor of *A House in the Sky*).

Abandoned by his parents as a toddler, Jesse Thistle and his two brothers were cut off from all they knew when they were placed in the foster care system. Eventually placed with their paternal grandparents, the children often clashed with their tough-love attitude.

Worse, the ghost of Jesse’s drug-addicted father seemed to haunt the memories of every member of the family. Soon, Jesse succumbed to a self-destructive cycle of drug and alcohol addiction and petty crime, resulting in more than a decade living on and off the streets. Facing struggles many of us cannot even imagine, Jesse knew he would die unless he turned his life around.

Through sheer perseverance and newfound love, he managed to find his way back into the loving embrace of his Indigenous culture and family. Now, in this heart-wrenching

and triumphant memoir, Jesse Thistle honestly and fearlessly divulges his painful past, the abuse he endured, and the tragic truth about his parents. An eloquent exploration of the dangerous impact of prejudice and racism, *From the Ashes* is ultimately a celebration of love and “a story of courage and resilience certain to strike a chord with readers from many backgrounds” (*Library Journal*).

*Summer at Willow Lake* - Susan Wiggs 2020-09-14  
From #1 New York Times bestselling author Susan Wiggs *The Lakeshore Chronicles* have captivated thousands of readers with unforgettable characters, warm humor and engaging stories. Dive into *Summer at Willow Lake*, the story that started it all! After breaking up with her fiancée, Olivia Bellamy reluctantly trades a trendy Manhattan summer for her family’s old resort camp in the Catskills to renovate the bungalow colony for her grandparents. Camp Kioga brings back old memories of her summers as a

teenager, when she was still discovering her passions. The camp is now in disarray, and to her chagrin Olivia is forced to hire contractor Connor Davis—a still-smoldering flame from her own summers at camp. But as the days grow warm, not even the inviting blue waters of Willow Lake can cool the passions flaring or keep shocking secrets at bay. The nostalgic joy of summers past breathes new promise into a special place and people...a promise meant to last long after the season ends.

*Clare and Maggie Stiefvater!* Ethan Wate thought he was getting used to the strange, impossible events happening in Gatlin, his small Southern town. But now that Ethan and Lena have returned home from the Great Barrier, strange and impossible have taken on new meanings. Swarms of locusts, record-breaking heat, and devastating storms ravage Gatlin as Ethan and Lena struggle to understand the impact of Lena's Claiming. Even Lena's family of powerful Supernaturals is affected -- and their abilities begin to dangerously misfire. As time passes, one question becomes clear: What -- or who -- will need to be sacrificed to save Gatlin? For Ethan, the chaos is a frightening but welcome distraction. He's being haunted in his dreams again, but this time it's not Lena -- and the mysterious figure is following him out of his dreams and into his everyday life. Worse, Ethan is gradually losing pieces of himself -- forgetting names, phone numbers, even memories. He doesn't know

why, and he's afraid to ask. Sometimes there's no going back. And this time there won't be a happy ending.

**Sweet Blood of Mine** - John Corwin 2012-03

From Mega Nerd to Super Stud. Justin Case and women do not mix. Man boobs, a love of Kings and Castles, and being tight with the "nerd" crowd certainly don't win him any points either. After rescuing Katie, his crush, it turns out she might not be the girl he thought she was, while Elyssa, the school's Goth Girl, turns out to be more. Can high school get any more confusing? Determined to improve himself, he joins a gym and meets a sexy girl that just oozes a "come hither, Justin" vibe. Until she attacks him in the parking lot, and Justin realizes she's no ordinary girl but a being with supernatural speed and strength. After a narrow escape and an excruciating migraine headache, he wakes up with supernatural abilities all his own: speed, strength, and the ability to seduce every woman he sees. While that

might sound like the perfect combo for any hormonal teen, Justin is a hopeless romantic who wants his first time to be special. Is that too much to ask for? But he doesn't know what he is or how to stop his carnal urges. One thing is clear: If he doesn't find answers there are other more sinister supernaturals who would like nothing better than to make him their eternal plaything and do far worse than kill him.

A boy, a patchwork girl, and a glass cat go on a mission to find the ingredients for a charm which will transform some people turned to marble. [More Than Cake](#) - Tani Hanes 2019-04-19

MJ Jassemolada is a big girl, and has been a big girl her whole life. She's been called all the hurtful names: Hefty heifer, dump truck, fat, porky pig, she's heard them all. A bred and born LA girl, she feels like she's surrounded by the thin and beautiful of the world, and having a widower father who tells her she's beautiful every day just doesn't help. She can see her reflection in the mirror, after all, loud and clear. After graduation from UCLA, she gets a coveted job as personal assistant to superstar singer Meredith Renner, who's leaving for a world tour with Heath Spencer, who's even more popular than Meredith, if such a thing is possible.

Meredith is as awful as MJ expected her to be, but Heath turns out to be nice. And smart. And funny. And--attracted to her? MJ? The big girl? Could such a thing be possible? He's only interested in being her friend, right? But as the tour progresses across the globe, and MJ and Heath spend more and more time together, MJ is forced to admit what just couldn't be: Heath Spencer likes her. In that way. So, though she's scared out of her wits, MJ, who's never had a boyfriend, who's never even kissed anyone, throws herself into an exciting, secret, and very sexy romance with one of the most handsome and sought after men on the planet. And life is complete and utter bliss. But of course things can't stay this perfect, can they? Treacherous Meredith, who also happens to be Heath's ex, has a few horrible tricks up her sleeve. Poor, innocent MJ, who's never hurt anyone, has to endure her wrath, and kind, generous Heath has to deal with an all consuming guilt for something that isn't even his

fault. Can their fragile love survive such a vile onslaught? Come travel with our couple, through such romantic locales as Sydney, Tokyo, Prague, Paris, Rio, and New York, as they discover love and each other, the good and the bad that can exist in the glamorous world of touring, and the romantic world of becoming a couple.

Plus Size Heart - Lisa Anderson  
2017-07-19

Twenty seven year old Sophie is a beautiful happy plus size girl living her dream of owning and operating a boutique in a pretty southern Virginia town. She has great clothes, great friends, is happily single and isn't interested in changing any of it for a man. Gorgeous, cynical and mega rich property tycoon Liam Moran only dates super thin society women or models and isn't impressed at all by Sophie when they first meet. He has plans to convert parts of Sophie's town into a shopping mall and is convinced he won't meet any opposition from anyone, let alone a woman. The project becomes

more difficult than he ever imagined when it becomes clear he needs Sophie's land for his development. She isn't impressed by his money, his temper, or his looks and doesn't want a shopping mall in her town. Sophie promptly organizes the locals to resist Liam's plans, placing herself directly in his path. Liam finds himself increasingly attracted, against his will, to the outspoken and lovely Sophie, who challenges all his accepted notions of beauty and how women behave around rich men, and she in turn finds it more and more difficult to resist the kind but wounded heart she can see under his ruthless exterior. Liam and Sophie are on a collision course over the property development as well as their own long held prejudices. Money, ambition and rejection also create enemies, and Liam's past behavior with women comes back to create a violent and dangerous confrontation that they must deal with before they can be together.

**Learning Curves** - Molly

O'Hare 2020-06-08

Learning Curves is a single dad, enemies to lovers, curvy girl rom-com with a teacher that everyone wished they had in school, and a swoon-worthy dad that would do anything for his daughter. Throw in an overeating dog and watch what happens next. To Spencer Hurley, women only left pain and destruction in their wake. The only good thing that came from his disaster of an ex was his daughter, Annabelle. Right now, making sure Belle was taken care of and getting her the help she needed with her learning disabilities was his only focus. And if that meant moving to a new town, consider the moving truck rented and packed. Ellie Ryan spent her childhood being judged and bullied because of her learning disabilities. Jokes on them, though, she was now the top special education teacher in her district. See, Ellie totally had her life together. Kind of. Maybe... Okay, really, she's a word-vomiting, curvy, hot-mess, who hasn't had a date in who knows how long. And then

there was Roxy, her rude overeating dog. Nevertheless, Ellie was fiercely protective of her students. She'd gladly rip out the throat of anyone that dared to mess with her kids. Including their parents. So, please explain to Ellie why, even after calling her new student's father out during a disastrous parent-teacher meeting, Ellie couldn't help being insanely attracted to the gruff single dad? Somebody, please help her. Besides, nothing good could come from it... right?

*Mockingjay (Hunger Games, Book Three)* - Suzanne Collins  
2010-08-24

The greatly anticipated final book in the New York Times bestselling Hunger Games trilogy by Suzanne Collins.

*Overnight Code* - Paige Bowers  
2021-01-12

Overnight Code tells the story of Raye Montague, an ambitious little girl from segregated Little Rock who spent a lifetime educating herself, both inside and outside of the classroom, so that she could become the person and

professional she aspired to be. Where some saw roadblocks, Montague only saw hurdles that needed to be overcome. Her mindset helped her become the first person to draft a Naval ship design by computer, using a program she worked late nights to debug. She did this as a single mother during the height of the Cold War, all the while imbuing her son with the hard-won wisdom she had accumulated throughout the years. Equal parts coming-of-age tale, civil rights history, and reflection on the power of education, Overnight Code is a tale about the persistence and perseverance required to forge the life of your dreams when the odds against you seem insurmountable, and shows how one woman refused to let other people's prejudices stand in the way of her success.

uplifting novel that explores the bonds of family and the perils and rewards of love. Sonnet Romano has the ideal career, the ideal boyfriend, and has just been offered a prestigious fellowship. But when she learns her mother is unexpectedly expecting in a high-risk pregnancy, she puts everything on hold and heads home to Avalon. Once her mom is out of danger, Sonnet intends to pick up her life where she left off. But when her mother receives a devastating diagnosis, Sonnet must decide what really matters in life, even if that means staying in Avalon and taking a job that forces her to work alongside her biggest, and maybe her sweetest, mistake—award-winning filmmaker Zach Alger. And in a summer of laughter and tears, of old dreams and new possibilities, Sonnet may find the home of her heart. Don't miss a novel of sisters, friendship and the lush surroundings of Sonoma County... Susan Wiggs' *The Apple Orchard*. New York Times bestselling author Elin

Hilderbrand calls it, "...sweet, crisp and juicy."

*Shattered Skull* - Tabatha Vargo 2020-02-21

The first time I saw Skull, he was standing atop a speeding motorcycle. The second time, he was putting his fist through my brother's face. Now he's everywhere I look. He's making my life hell with his vulgar remarks and seductive lure, but it's not my fault my brother joined The Border Lords, his rival crew. I keep my nose out of their business and my head in the books, yet he's always there provoking me. Dragging me into their conflict. Everyone in town knows you don't mess with the Sons of Sinister, but no one ever told me what do when a Son of Sinister messes with me. New York Times bestselling author Tabatha Vargo invites you to fall in love with the Sons of Sinister! A new adult spin on MC books with all the grunge, angst, and dirty, foul-mouthed biker boys who know how to handle curves. The Sons of Sinister consists of four standalone novels. *Shattered Skull*, *Dirty*

*A Child's Book of True Crime* -

Chloe Hooper 2013-01-29

With the dark suspense of Donna Tartt's *The Secret History* and the frank and shocking eroticism of Josephine Hart, this debut novel tells the story of a young teacher's illicit affair and obsession with a historical murder. Tasmanian schoolteacher Kate Byrne is having an affair with the father of her most gifted fourth grader, Lucien. Her lover's wife has just published *Murder at Black Swan Point*, a true-crime story about the brutal slaying of a young adulteress in a nearby town. Kate herself has become so obsessed with the murder and so convinced that the published account has it all wrong that she sets about writing her own version—this

one for children, narrated by Australian animals. Though Lucien's father brings Kate to life sexually in encounters of escalating eroticism, he cannot dull her obsession. Fixated on the crime of passion, Kate is becoming less and less aware of the present and of how her behavior may align her fate with that of the dead girl.

Chloe Hooper chillingly captures this young woman's unraveling in an intense, witty, superbly crafted novel.

**Skippy Bitch** - Rory Freedman 2010-09

Not your typical boring diet book, this is a tart-tongued, no-holds-barred wakeup call to all women who want to be thin. With such blunt advice as, Soda is liquid Satan and You are a total moron if you think the Atkins Diet will make you thin, it's a rallying cry for all savvy women to start eating healthy and looking radiant. Unlike standard diet books, it actually makes the reader laugh out loud with its truthful, smart-mouthed revelations. Behind all the attitude, however, there's solid

guidance. Skinny Bitch espouses a healthful lifestyle that promotes whole grains, fruits, and vegetables, and encourages women to get excited about feeling clean and pure and energized.

*Nothing But a Dare* - Molly O'Hare 2019-09-16

Nothing But a Dare is a second chance, enemies to lovers romantic comedy with a curvy, will punch you in the throat heroine, and a hero that will push every button she has for fun. Throw in sharing one bed and see what happens next. Oh, and did I mention there's a cat that wears turtleneck

sweaters? After what could possibly be the world's worst morning, the last thing Abbie expected to see as she walked into her meeting was her childhood nemesis. Hunter. Freaking. James. The title of world's worst morning now seemed like an understatement. When Abbie walked into the conference room looking like a complete mess, and still killed her presentation, Hunter knew he'd made the right decision. He was there for one reason, and one reason only. Abbie was going to be his, even if that meant he had to dare her every step of the way. Game on.
