Our digital library saves in fused countries, allowing you to get the most less latency time to download any of our books bearing in mind this one. Merely said, the Simposium Nasional Akuntansi Sna Xviii is universally compatible later than any devices to read.

Mapping Social Networks, Spatial Data, and Hidden Populations - Margaret D. LeCompte, University of Colorado, Boulder 1999-08-19
Whether it is to understand the networks of individuals, the physical makeup of a household or community, or to develop strategies for finding difficult-to-reach populations such as the homeless or drug-addicted, applied researchers increasingly need to understand spatial methods. In this brief volume, the techniques of network analysis, mapping, and finding hidden populations are explained in simple, practical language. The authors describe when and how to use these techniques and offer numerous examples of how the methods have worked in community psychology, drug research, risk assessment, and network analysis, among other settings.

Education, Economy & Society - Salim Vally 2014-07-31

Education, Economy & Society is a compelling and comprehensive antidote to the misconstrued nature of the relationship between education and society in South Africa. It provides a constructive critique of conventional discourses, but also alternative approaches to understanding the connections between education and the triple scourge of unemployment, inequality, and poverty. The book's contributors passionately argue that South African education finds its value and purpose in a focus on social justice, transformation, and democratic citizenship. The joy of education is to capture human imaginations and unleash their creativity towards a more humane and compassionate society. This rich resource explores the possibilities for a new pedagogy in post-school education and training through empirical research on skills, technology, and issues of employment on the shop floor; a critical analysis of the youth wage subsidy; and workers' education. The book will appeal to a wide audience including students and academics in the fields of industrial sociology, economics, adult education, further education and training, and those in youth development.

Synergizing Management, Technology and Innovation in Generating Sustainable and Competitive Business Growth - Ratih Hendayani 2021-04-08

Sustainable Collaboration in Business, Technology, Information and Innovation (SCBTII 2020) Proceeding's topic deals with ``Synergizing Management, Technology and Innovation in Generating Sustainable and Competitive Business Growth``. This proceeding offers valuable knowledge on how research can be applied to support the government by introducing a policy of economic transformation in solving various challenges and driving the business sector to gain the ability to create sustainable competitive advantages, which will lead to sustainable, competitive and quality growth. The subjects in this Proceeding are classified into four tracks: Strategy, Entrepreneurship, Economics; Digital-Based Management; Finance and Corporate Governance; and Accounting. These valuable researches inside this proceeding can help academicians, professionals, entrepreneurs, researchers, learners, and other related groups from around the world who have special interest in theories and practices in the field of digital economy for global competitiveness.

Mandating IFRS - Dr. Edward Lee 2008

Sustainability Disclosure - 2015-11-06

This volume aims at analysing the main tools, frameworks and issues concerning sustainability disclosure. Particular emphasis is given to the Integrated Reporting, with the aim to identify its antecedents, use within companies, as well as its implementation issues, strengths and weaknesses.

AKUNTANSI MANAJEMEN PADA ENTITAS PUBLIK - Alexander Anggono 2022-01-14

Judul : AKUNTANSI MANAJEMEN PADA ENTITAS PUBLIK Penulis : Alexander Anggono Editor : Prasetyono Ukuran : 15,5 x 23 cm Tebal : 320 Halaman No ISBN : 978-623-5687-43-8 Upaya mewujudkan

corporate governance pada organisasi publik maupun institusi pemerintah merupakan sebuah mimpi bagi seluruh masyarakat di belahan dunia. Terjadinya fraud dalam pengelolaan organisasi publik merupakan sebuah riak-riak dan fenomena yang tak terelakan, mengingat beraneka ragam perilaku dan motivasi aparatur dan stakeholders. Ini menggambarkan pentingnya organisasi publik harus dikelola dan dikendalikan untuk mewujudkan tujuan organisasi yang optimal. Beda halnya dengan entitas privat yang berorientasi pada profit, entitas publik cenderung bertujuan untuk melayani dan mewujudkan kesejahteraan masyarakat. Begitu juga dengan pengelolaan keuangannya, entitas publik tidak dapat mengelola keuangannya secara penuh. Kondisi ini disebabkan entitas publik tidak banyak yang dapat mengelola penerimaan dan pemanfaatan keuangan secara langsung seperti pada entitas privat. Buku ini membahas urgensi perencanaan dan pengendalian manajemen, good governance, aspek perilaku dalam organisasi, manajemen strategi, program dan penganggaran, pendapatan asli daerah, pusat pertanggungjawaban, manajemen keuangan, reward dan punishment, pengukuran kinerja, manajemen risiko, pengendalian intern, evaluasi dan pelaporan pada entitas publik. Pembahasan dalam buku ini meliputi aspek teori, praktik dan dilengkapi berbagai fenomena dan contoh sederhana yang terkait entitas publik. Buku ini cocok dibaca oleh akademisi dan peneliti yang bermaksud mendalami aspek akuntansi manajemen pada entitas publik serta bagi praktisi yang diharapkan dapat menjadi masukan dalam pengambilan keputusan dan kebijakan. Buku ini juga menjabarkan urgensi penerapan good government yang secara konsep menopang dalam pengelolaan entitas publik. Seperti halnya entitas privat, organisasi sektor publik juga harus dikelola baik dengan mendasarkan pada prinsip-prinsip manajemen yakni perencanaan (plan), pelaksanaan (do), evaluasi (check) dan tindak lanjut (action). Oleh karenanya pembahasan dalam buku ini juga mengarah pada PDCA yang terkait upaya entitas publik dalam mencapai tujuan dan kinerjanya serta dalam merealisasikan visi dan misinya. Adanya konsep PDCA ini menjadi pemicu, alat strategi dan penilaian kinerja untuk aparatur dan entitas publik, sehingga dapat dirumuskan implementasi pengendalian yang tepat. Merupakan hal yang wajar jika entitas publik harus dikelola dengan baik, sehingga harapan dan keinginan semua pihak agar entitas publik dapat melayani masyarakat dengan baik dan mewujudkan kesejahteraan masyarakat.

Fraud Auditing and Forensic Accounting - Tommie W. Singleton 2010-07-23

FRAUD AUDITING AND FORENSIC ACCOUNTING With the responsibility of detecting and preventing fraud falling heavily on the accounting profession, every accountant needs to recognize fraud and learn the tools and strategies necessary to catch it in time. Providing valuable information to those responsible for dealing with prevention and discovery of financial deception, *Fraud Auditing and Forensic Accounting, Fourth Edition* helps accountants develop an investigative eye toward both internal and external fraud and provides tips for coping with fraud when it is found to have occurred. Completely updated and revised, the new edition presents: Brand-new chapters devoted to fraud response as well as to the physiological aspects of the fraudster A closer look at how forensic accountants get their job done More about Computer-Assisted Audit Tools (CAATs) and digital forensics Technological aspects of fraud auditing and forensic accounting Extended discussion on fraud schemes Case studies demonstrating industry-tested methods for dealing with fraud, all drawn from a wide variety of actual incidents Inside this book, you will find step-by-step keys to fraud investigation and the most current methods for dealing with financial fraud within your organization. Written by recognized experts in the field of white-collar crime, this Fourth Edition provides you, whether you are a beginning forensic accountant or an experienced investigator, with industry-tested methods for detecting, investigating,

and preventing financial schemes.

Mobilizing Labour for the Global Coffee Market - Jan Breman 2015
Coffee has been grown on Java for the commercial market since the early eighteenth century, when the Dutch East India Company began buying from peasant producers in the Priangan highlands. What began as a commercial transaction, however, soon became a system of compulsory production. This book shows how the Dutch East India Company mobilized land and labor, why they turned to force cultivation, and what effects the brutal system they installed had on the economy and society.
Rerangka Dasar Akuntansi Berlandaskan Syariah - Ihda Arifin Faiz
2020-11-26

Rerangka Dasar Akuntansi Berlandaskan Syariah merupakan buku yang memberikan penjelasan komprehensif tentang posisi akuntansi secara tepat dan mengupas ketentuan syariat yang tercakup dalam rerangka dasar laporan keuangan (conceptual framework for financial reporting) sebagai dasar pengembangan akuntansi. Kajian akuntansi syariah selama ini terbagi menjadi dua paradigma (point of view) utama, yaitu akuntansi syariah yang didorong oleh kebutuhan praktis (driven by practical needs) dan akuntansi syariah bertujuan akademis (driven by academic purpose). Keduanya seolah berjalan terpisah dan masih terjadi gap logical reasoning atas keberadaan bidang akuntansi syariah sehingga tidak mampu mewujudkan sinergi untuk pengembangan akuntansi atas produk, ragam transaksi maupun entitas yang sesuai syariat Islam. Gap yang belum terjawab adalah bagaimana menempatkan (mapping) bidang akuntansi secara tepat sehingga tidak terjadi kesalahan dalam menghukumi (istinbath al-hukm) akuntansi yang selama ini berterima umum. Buku ini memberikan rincian yang jelas tentang pemaknaan akuntansi secara tepat dan mengungkapkan cakupan ketentuan syaria' dalam menghukumi fakta akuntansi tersebut. Tinjauan syaria' atas akuntansi diperdalam pada aspek rerangka dasar yang mencakup asumsi dan prinsip dasar akuntansi karena pembentukan dan pengembangan akuntansi didasarkan pada rerangka dasar (conceptual framework). Dengan hasil justifikasi atas rerangka dasar akuntansi berdasarkan syariat Islam, diharapkan pengembangan akuntansi dapat dilakukan secara tepat dan syaria' sehingga pertumbuhan entitas bisnis Islam dan kebutuhan produk akuntansi dan keuangan Islami serta kajian akademis dapat berjalan secara sinergis.

Intermediate Financial Reporting - Nelson Chi Yuen Lam 2017

Behavioral Accounting - Andreas Hellmann 2013-01-01

Mainstream accounting research is dogmatizing an image of efficient capital markets in which investors make rational decisions by evaluating all risks and returns of alternatives. In order to make such decisions, investors interpret unbiased information (which is equally available to all market participants) and select the alternative with the highest return or lowest risk. Behavioral accounting is challenging such simplistic assumptions. It is concerned with the explanation and prediction of human behavior in an accounting context such as the usefulness of financial statement data, materiality judgments, decision effects of alternative accounting procedures, and the impact of culture and language on the interpretation and application of accounting pronouncements. This book gives insights into the newest developments in behavioral accounting, and provides evidence that behavioral aspects cannot be ignored in the interpretation and application of accounting information.

JEBI - 2008

A Culture of Coffee - Metasebia Yoseph 2013

The Routledge Companion to Tax Avoidance Research - Nigar Hashimzade 2017-10-02

An inherently interdisciplinary subject, tax avoidance has attracted growing interest of scholars in many fields. No longer limited to law and accounting, research increasingly has been conducted from other perspectives, such as anthropology, business ethics, corporate social responsibility, and economic psychology. This was -recently stimulated by politicians, mass media, and the public focussing on tax avoidance after the global financial and economic crisis put a squeeze on private and public finances. New challenges were posed by changing definitions and controversies in the interpretation of tax avoidance concept, as well as a host of new rules and policies that need to be fully understood. This collection provides a comprehensive guide to students and academics on the subjects of tax avoidance from an interdisciplinary perspective, exploring the areas of accounting, law, economics, psychology, and sociology. It covers global as well as regional issues, presents a

discussion of the definition, legality, morality, and psychology of tax avoidance, and provides guidance on measurement of economic effect of tax avoidance activities. With a truly international selection of authors from the UK, North America, Africa, Asia, Australasia, Middle East, and continental Europe, with well-known experts and rising stars of the field, the contributors cover the entire terrain of this important topic. The Routledge Companion to Tax Avoidance Research is a ground-breaking attempt to bring together scholarly research in tax avoidance, offering rigorous academic analysis of an important and hotly debated issue in a structured and balanced way.

Slavery and the British Country House - Andrew Hann 2013

In 2007 English Heritage commissioned initial research into links with transatlantic slavery or its abolition amongst families who owned properties now in its care. This was part of the commitment by English Heritage to commemorate the bicentenary of the abolition of the British transatlantic slave trade with work that would make a real difference to our understanding of the historic environment in the longer term. The research findings and those of other scholars and heritage practitioners were presented at the 'Slavery and the British Country House' conference which brought together academics, heritage professionals, country house owners and community researchers from across Britain to explore how country houses might be reconsidered in the light of their slavery linkages and how such links have been and might be presented to visitors. Since then the conference papers have been updated and reworked into a cutting edge volume which represents the most current and comprehensive consideration of slavery and the British country house as yet undertaken.

ICO-ASCNITY 2019 - Hidayatul Ihsan 2020-04-08

As an annual event, 1st International Conference on Applied Science, Business and Humanity (ICo-ASCNITY) 2019 brought the agenda to assembly together researcher, academics, experts and professionals in examining selected theme by applying multidisciplinary approaches. In 2019, this event held in 1-2 November at Grand Inna Hotel and Convention, Padang - Indonesia. The conference from any kind of stakeholders related with Accounting, Business, Art and Tourism, Language and Education was refereed before being accepted for publication. The double-blind peer reviewed was used in the paper selection.

Corporate Governance in the Mastering Business in Asia Series - Peter Wallace 2005-02

MASTERING BUSINESS IN ASIA CORPORATE GOVERNANCE "A good book for all company directors, CEOs, managers and government regulators. It highlights the growing importance of good corporate governance at a macro and micro level. Peter Wallace & John Zinkin's book illustrates clearly the corporate governance implications on different enterprises, Markets, and geographies with special emphasis from the shareholder's point of view. Particularly helpful are the details on how companies can implement a good corporate governance. This book is very comprehensive and is highly recommended for every executive looking to maintain exemplary governance and ethics in their organization." —Kai Nargolwala, Group Executive Director, Standard Chartered Bank "Businesses in competitive local and global markets increasingly use their commitment to corporate governance to differentiate themselves. The authors provide a useful road map to this future. Building on the best in Asia's business traditions, this book will help Asian businesses position themselves at the forefront of corporate social responsibility." —Rachel Kyte, Director, Environment & Social Development Department, International Finance Corporation "...They are to be congratulated for going beyond most other writers who set out to describe governance with little or no attention to the importance of the environment..." —Dr. John Carver, Creator of Policy Governance

KONSEP PENGETAHUAN AKUNTANSI MANAJEMEN

LINGKUNGAN - Dr. Ria Sandra Alimbudiono, Dra.Ec., M.Si., CSRA
Buku ini merupakan hasil karya yang dapat dijadikan sumber belajar bagi mahasiswa sebagai dasar dalam melakukan pembelajaran. Buku ini diharapkan dapat memberikan kontribusi pada pengembangan ilmu pengetahuan di bidang akademisi sehingga menjadi buku yang signifikan. Untuk memudahkan pembaca dalam memahaminya, penulis menyusun buku ini dalam beberapa bagian bab.

Corporate Governance and Accountability - Jill Solomon 2020-10-19
Corporate Governance and Accountability presents students with a complete and current survey of the latest developments involving how a company is directed and controlled. Providing a broad research-based perspective, this comprehensive textbook examines global corporate governance systems, the role and responsibilities of the directorate, and

the frameworks designed to ensure effective corporate accountability for stakeholders. A holistic approach to the subject enables students to develop a well-rounded knowledge of corporate governance theory and practice, policy documents, academic research, and current debates, issues, and trends. Now in its fifth edition, this comprehensive view of the corporate governance agenda features fully revised content that reflects new research and global developments in codes of practice and governance and accountability mechanisms. In-depth chapters contain numerous real-world case studies and compelling debate and discussion topics, exploring corporate transparency, social responsibility, boardroom diversity, shareholder activism, and many other timely issues.

Empirical Research in Accounting - A. Rashad Abdel-Khalik 1979

Review of Management Accounting Research - Magdy G. Abdel-Kader 2011-10-26

A comprehensive review of contemporary research in management accounting. Provides a thorough critical analysis of recent issues published in the management accounting literature and identifies gaps for future research in each issue reviewed.

Indonesia 2045 - Mata Garuda 2018-08-24

"Aku pasti mengabdikan!" Kalimat itulah yang selalu bergema dalam diri para penerima beasiswa LPDP. Kesempatan besar yang telah diberikan oleh pemerintah Indonesia tentu tak boleh disia-siakan. Dan, kontribusi pemikiran menjadi salah satu jalan pengabdian. Saat ini, Indonesia tengah berlari menuju posisi penting di kancah internasional. Misi besar itu akan diwujudkan dalam "Indonesia Emas 2045". Melalui misi tersebut, dalam buku ini, para peraih beasiswa LPDP menuangkan gagasan besarnya dalam berbagai bidang. Melalui esai-esai kritis dan penuh inovasi segar inilah, mereka berusaha membangun Indonesia sebagai negara membanggakan bagi generasi anak cucu kita kelak. [Mizan, Bentang Pustaka, Motivasi, Inspirasi, Kisah Inspiratif, Semangat, Perjuangan, Negara, Indonesia]

Blowing the Whistle - Marcia P. Miceli 1992

An all inclusive resource for companies and individuals.

Governance and Risk - George S. Dallas 2004-02-11

An analytical handbook for investors, managers, directors and stakeholders "Comprehensive in scope and cross-disciplinary in analysis, Governance and Risk examines the problem of corporate governance from a wide variety of perspectives. The authors begin with the premise - correctly in my view - that corporate governance is, at its core, an important risk factor for any corporation. Through this conceptual prism, they employ economic, legal and social analyses - and draw on examples from 12 jurisdictions - to provide fresh insight into how we should best understand and govern the inherently conflicting interests that comprise the modern corporation. Anyone seeking a rigorous analysis of these issues - from directors, managers and lawyers to shareholders, corporate and community activists - should include this volume in their reading. It is an important addition to the corporate governance literature in this post-Enron age." ?Ira Millstein is a senior partner in the international law firm of Weil, Gotshal & Manges LLP "This is a courageous and successful effort to classify what has never before been analyzed and presented in such a comprehensible manner." ?Robert A.G. Monks, Principal, LENS Asset Management "Governance and Risk is an excellent piece of work. It is a comprehensive and carefully written manual that will be an invaluable source of information for managers and investors. It deserves careful study by anyone with an interest in the management of firms. It should make a significant contribution to the improvement of corporate governance of corporations around the world." ?Colin P. Mayer, Professor, Said Business School, University of Oxford "I have found Governance and Risk to be one of the most comprehensive surveys of the field. It is an excellent reference work." ?J. Mark Mobius, PhD, President, Templeton Emerging Markets Fund, Inc. "This is an important, timely book which brings much needed rigour and discipline to the analysis of corporate governance practices. If you are looking for a reliable guide through the confusing maze of corporate governance, this book is an excellent place to start." ?Paul Coombes, Director, Corporate Governance Practice, McKinsey & Company, Inc. Effective corporate governance has long been viewed as essential for healthy capital markets. Careless and inefficient governance practices, however, have thrust the governance debate from the shadows to the forefront, and corporate governance can now be recognized as a stand-alone risk factor. Many market participants now question whether true self-governance is possible or even realistic in today's era of razor-thin profit margins and bloated executive paychecks. This all-encompassing book compiled and edited by George Dallas, managing director and global practice leader of Standard & Poor's

Governance Services unit. It includes contributions by senior members of Standard & Poor's Governance Services group, as well as from other experts in the area of corporate governance. The book offers the following benefits: Provides a wide-ranging discussion of methodologies and criteria relating to corporate governance analysis; Brings together diverse country environments in a common analytical framework; Seamlessly links up-to-date conceptual and theoretical thinking about governance to practical performance issues; Explores broader themes of governance-sustainable development, directors and officers insurance, behavioral aspects, and approaches to governance in managed funds and governments. Highly publicized collapses in governance have replaced calm and complacency with vigilance and even stridence, often obscuring valuable and necessary aspects of governance that are long-overdue for discussion and review. Governance and Risk presents a balanced and rational approach t

Systematic Reviews in Health Care - Paul Glasziou 2001-11-08

What do we do if different studies appear to give different answers? When applying research to questions for individual patients or for health policy, one of the challenges is interpreting such apparently conflicting research. A systematic review is a method to systematically identify relevant research, appraise its quality, and synthesize the results. The last two decades have seen increasing interest and developments in methods for doing high quality systematic reviews. Part I of this book provides a clear introduction to the concepts of reviewing, and lucidly describes the difficulties and traps to avoid. A unique feature of the book is its description, in Part II, of the different methods needed for different types of health care questions: frequency of disease, prognosis, diagnosis, risk, and management. As well as illustrative examples, there are exercises for each of the sections. This is essential reading for those interested in synthesizing health care research.

ICBAE 2020 - Bima Cinintya Pratama 2020-10-15

The 2nd International Conference of Business, Accounting, and Economics (ICBAE) 2020 continued the agenda to bring together researcher, academics, experts and professionals in examining selected theme by applying multidisciplinary approaches. This conference is the second intentional conference held by Faculty of Economics and Business, Universitas Muhammadiyah Purwokerto and it is a bi-annual agenda of this faculty. In 2020, this event will be held in 5-6 August at Faculty of Economics and Business, Universitas Muhammadiyah Purwokerto. The theme of the 2nd ICBAE UMP 2020 is "Economics Strength, Entrepreneurship, and Hospitality for Infinite Creativity Towards Sustainable Development Goals (SDGs)". It is expected that this event may offer contribution for both academics and practitioners to conduct researches related with Business, Accounting, and Economics Related Studies. Each contributed paper was refereed before being accepted for publication. The double-blind peer reviewed was used in the paper selection.

Accounting for Income Taxes - John R. Graham 2012-11-09

Accounting for Income Taxes is the most comprehensive review of AFIT research. It is designed both to introduce new scholars to this field and to encourage active researchers to expand frontiers related to accounting for income taxes. Accounting for Income Taxes includes both a primer about the rules governing AFIT (Sections 3-4) and a review of the scholarly studies in the field (Sections 5-8). The primer uses accessible examples and clear language to express essential AFIT rules and institutional features. Section 3 reviews the basic rules and institutional details governing AFIT. Section 4 discusses ways that researchers, policymakers, and other interested parties can use the tax information in financial statements to better approximate information in the tax return. The second half of the monograph reviews the extant scholarly studies by splitting the research literature into four topics: earnings management, the association between book-tax differences and earnings characteristics, the equity market pricing of information in the tax accounts, and book-tax conformity. Section 5 focuses on the use of the tax accounts to manage earnings through the valuation allowance, the income tax contingency, and permanently reinvested foreign earnings. Section 6 discusses the association between book-tax differences and earnings characteristics, namely earnings growth and earnings persistence. Section 7 explores how tax information is reflected in share prices. Section 8 reviews the increased alignment of accounting for book purposes and tax purposes. The remainder of the paper focuses on topics of general interest in the economics and econometric literatures. Section 9 highlights some issues of general importance including a theoretical framework to interpret and guide empirical AFIT studies, the disaggregated components of book-tax differences and

research opportunities as the U.S. moves toward International Financial Reporting Standards (IFRS). Section 10 discusses econometric weaknesses that are common in AFIT research and proposes ways to mitigate their deleterious effects.

Influence of capital - 1920

Surviving strategies to cope with the future - 2002

Developing economic, accounting, and management strategies to cope with economic problems in Indonesia; proceedings of a conference held in Yogyakarta September 13-14, 2002.

The conference tracks were: Track 1 - Public Sector Management; Track 2 - Business, Management and Accounting; Track 3 - Law and Social Humaniora.

Systematic Reviews in Educational Research - Olaf Zawacki-Richter 2019-11-21

In this open access edited volume, international researchers of the field describe and discuss the systematic review method in its application to research in education. Alongside fundamental methodical considerations, reflections and practice examples are included and provide an introduction and overview on systematic reviews in education research.

Measurement and Statistics for Teachers - Malcolm L. Van Blerkom 2017-05-25

Measurement and Statistics for Teachers deftly combines descriptive statistics and measurement in the classroom into a student-friendly, practical volume. Based on a course taught by the author for the past 25 years, this book offers to undergraduate education students a clear account of the basic issues in measurement and details best practices for administering performance assessments, interpreting test scores, and evaluating student writing. This second edition includes updated pedagogical features, timely discussions of student assessment, state standards (including NCLB), and an expanded focus that incorporates the needs of Early Childhood, Elementary, and Secondary teachers.

Tax and Corporate Governance - Wolfgang Schön 2008-03-12

Academic research shows that well-known principal-agent and capital market problems are strongly influenced by tax considerations. Against this background, this volume is the first to present a fully-fledged overview of the interdependence of tax and corporate governance. Not only the basic political, legal and economic questions but also major topics like income measurement, shareholding structures, corporate social responsibility and tax shelter disclosure are covered.

Corporate Governance in Emerging Markets - Sabri Boubaker 2014-04-01

This book fills the gap between theories and practices of corporate governance in emerging markets by providing the reader with an in-depth understanding of governance mechanisms, practices and cases in these markets. It is an invaluable resource not only for academic researchers and graduate students in law, economics, management and finance but also for people practicing governance such as lawmakers, policymakers and international organizations promoting best governance practices in emerging countries. Investors can benefit from this book to better understand of these markets and to make judicious investment

decisions.

OECD Public Governance Reviews Public Procurement for Innovation Good Practices and Strategies - OECD 2017-06-02

Based on good practices in OECD and partner countries, this report analyses the state of play of procurement for innovation and provides a flexible framework focusing on 9 areas to promote it.

ICoSMI 2020 - Eko Ruddy Cahyadi

This book is the proceeding of the International Conference on Sustainable Management and Innovation (ICoSMI 2020) that was successfully held on 14-16 September 2020 using an online platform. The conference was mainly organized by the Department of Management IPB University in collaboration with Leibniz University of Hannover, Universiti Putera Malaysia, Kasetsart University, Tun Hussein Onn University of Malaysia, Tamil Nadu Teachers Education University, Deakin University, University of Adelaide, Forum Manajemen Indonesia, FE Pakuan University, FE Gajah Mada University FEB University of North Sumatra and FEB Andalas University, SBM Bandung Institute of Technology, FEB Lampung University, Perbanas Institute Jakarta, FE Bina Nusantara University, and SBE Prasetya Mulya University. This conference has brought academic researchers, business practitioners as well as graduate students together to exchange their experiences and research results about most aspects of innovation and sustainability, and discuss the practical challenges encountered and the solutions adopted. About 402 delegates across the world including Indonesia, Malaysia, Thailand, Spain, China, and India have attended and presented their research works in the conference. The proceeding consists of 80 high-quality papers that were selected from more than 250 submitted papers. The papers are classified into 12 themes, namely Finance for Sustainability, Industry 4.0 and Future Business Sustainability, Policy and Strategy for Sustainable Innovation and Supply Chain, Smart Agriculture Management for Environmental Sustainability, and Sustainable Human Resources. Finally, we would like to express the greatest thanks to all colleagues in the steering and organizing committee for their cooperation in administering and arranging the conference as well as reviewers for their academic works and commitment to reviewing papers.

Ethnomethodology's Program - Harold Garfinkel 2002

Ethnomethodology's Program: Working out Durkheim's Aphorism emphasizes Garfinkel's insistence that his position focuses on fundamental sociological issues—and that interpretations of his position as indifferent to sociology have been misunderstandings. Durkheim's aphorism states that the concreteness of social facts is sociology's most fundamental phenomenon. Garfinkel argues that sociologists have, for a century or more, ignored this aphorism and treated social facts as theoretical, or conceptual, constructions. Garfinkel, in this new book, shows how and why sociology must restore Durkheim's aphorism, through an insistence on the concreteness of social facts that are produced by complex social practices enacted by participants in the social order.

ICASI 2019 - Rahmat Hidayat 2019-11-26

As an annual event, THE 2ND INTERNATIONAL CONFERENCE ON ADVANCE & SCIENTIFIC INNOVATION 2019 continued the agenda to bring together researcher, academics, experts and professionals in examining about Scientific Innovation in technology, education, management, accounting and many aspect area. In 2019, this event held in 18 July 2019 at Politeknik Kutaraja, Banda Aceh, Indonesia. This ICASI Proceeding 2019 are published along with article from ICASI 2018 and each contributed paper was refereed before being accepted for publication. The double-blind peer reviewed was used in the paper selection.

UNISSET 2021 - Anna Fitri Hindriana 2022-08-18

The 2nd Universitas Kuningan International Conference on System, Engineering, and Technology (UNISSET) will be an annual event hosted by Universitas Kuningan. This year (2021), will be the second UNISSET will be held on 2 December 2021 at Universitas Kuningan, Kuningan, West Java, Indonesia.
