*1-2-3 Magic* - Thomas Phelan 2016-02-02

"Dr. Phelan's strategies have seen a resurgence in the parenting world. Maybe that's why you feel like everywhere you go, you keep overhearing other moms say to their misbehaving children, 'That's one. That's two. That's three.' And then you watch in disbelief as their kid actually stops!" — PopSugar Moms Are you the parent of a strong-willed child? Is bedtime a nightly battle? Are you looking to discipline without stress? Since kids don't come with a manual, 1-2-3 Magic is the next best thing. Dr. Thomas Phelan has developed a quick, simple and scientifically proven way to parent that actually works! Using his signature 1-2-3 counting method, Dr. Phelan helps parents to curb obnoxious behaviors like tantrums and meltdowns, whining and pouting, talking back, sibling rivalry and more in toddlers, preschoolers and middle schoolers. He guides parents through drama-free discipline methods that include handling time outs in public, the appropriate length of a time out, and what to do if your child resists the time out. Dr. Phelan also covers how to establish positive routines around bedtime, dinnertime, homework and

getting up and out in the morning, and tips for strengthening your relationship with your kids. For decades, millions of parents from all over the world have used the award-winning 1-2-3 Magic technique to raise happier families and put the fun back into parenting. 1-2-3 Magic is one of Healthline's Best Parenting Books of 2017, a 2016 Mom's Choice Award Winner, a 2016 National Parenting Product Award Winner and a 2016 Family Choice Award Winner.

**Treating Trauma and Traumatic Grief in Children and Adolescents**

- Judith A. Cohen 2006-06-23

This is the authoritative guide to conducting trauma-focused cognitive-behavioral therapy (TF-CBT), a systematic, evidence-based treatment for traumatized children and their families. Provided is a comprehensive framework for assessing posttraumatic stress disorder, depression, anxiety, and other symptoms; developing a flexible, individualized treatment plan; and working collaboratively with children and parents to build core skills in such areas as affect regulation and safety. Specific guidance is offered for responding to different types of traumatic events,

with an entire section devoted to grief-focused components. Useful appendices feature resources, reproducible handouts, and information on obtaining additional training. TF-CBT has been nationally recognized as an exemplary evidence-based program. See also the edited volume *Trauma-Focused CBT for Children and Adolescents: Treatment Applications* for more information on tailoring TF-CBT to children's varying developmental levels and cultural backgrounds.

*Resilience* - Deana Murphy 2015-08-29

No matter where you are today, you have untapped potential that will take you everywhere you want to go. From the experiences of 12 remarkable women-Angela M. Brown, Angeline Lawrence, Denise Hanney, Diane Blake, Fayola Delica, Glenda O. Cook, Gwen Webber-McLeod, Kim Cheatham, Mabel Jones-Hansford, Mellanie Lassiter, Teresita Glasgow and Valeria Robinson-Baker-this compilation speaks to talented women leaders and entrepreneurs with the purpose of helping to turn their restlessness into a strategy and showing them how to maintain their spiritual and emotional center during setbacks. This collaboration is purposed to give voice to suffered anxieties so other women leaders may design well-thought-out actions, rise above negative perspectives, thrive under pressure and maximize career and personal performances. This book is full of powerful tips, strategies with a proactive resilience exercise in the back and a link to a confidential survey for measuring your character strengths. Regardless of your social status, financial position or relational connections, your true ally is resilience. After reading *Resilience*, you will know how to: - Recognize and remove the enemies of resilience-the unhelpful thoughts, actions and reactions, or the outside obstacles that automatically show up to influence you. - Override destructive behavior by turning reactions into resilience-learning to live with intention by letting go of what you cannot

control and living in harmony with what you can. - Build resilience through the power of living life by design so you can realize a sense of purpose and reach higher levels of identity and self-actualization, letting go of victim-consciousness and accepting personal responsibility. - Pursue resilience by developing the attributes of self-awareness, patience, perseverance, inner power and becoming action-oriented to successfully advance after adversity.

**Treating Sexually Abused Children and Their Nonoffending Parents** - Esther Deblinger 1996

Empirical evidence increasingly indicates that cognitive-behavioural therapy techniques can be used successfully to treat clients who have been sexually abused. An ideal guide for practitioners of any theoretical orientation, this practical manual has been designed specifically for therapists who want to use this approach to treat sexually abused children and their non-offending parents. The authors illustrate theoretically sound treatment using sample therapist-client dialogue, examples and exercises. Issues explored include: gradual exposure; modelling; coping skills training; education regarding sexuality, sexual abuse and personal safety skills; and behaviour management skills. Deblinger and Heflin skilfully introduce h
