Blues Guitar Rules - Peter Fischer 2000-12

An in-depth look at the practical and theoretical concepts of traditional and modern blues guitar, covering all the important technical, rhythm and improvisational ideas. The book is divided into three stages: easy blues, blues & blues rock styles, and jazz

blues. Stage 1 describes the development and basis of blues guitar, and is particularly appropriate for beginners. Stage 2 goes off more in the rock direction and gives the reader an insight into the concepts and licks of several influential guitarists including Clapton, Hendrix, Robben Ford, Stevie Ray Vaughan, Gary Moore, and others. Stage 3 features a number of concepts that come from jazz that can also be used in a blues context. A great number of examples and blues jam tracks appear on the accompanying CD. In notation and tablature. *A Blues Bibliography* - Robert Ford 2019-09-02

This book provides a sequel to Robert Ford's comprehensive reference work *A Blues Bibliography*, the second edition of which was published in 2007. Bringing Ford's bibliography of resources up to date, this volume covers works published since 2005, complementing the first volume by extending coverage through twelve years of new publications. As in the previous

volume, this work includes entries on the history and background of the blues, instruments, record labels, reference sources, regional variations, and lyric transcriptions and musical analysis. With extensive listings of print and online articles in scholarly and trade journals, books, and recordings, this bibliography offers the most thorough resource for all researchers studying the blues.

God's Feminist Movement -

Amber Picota 2016-07-19

Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a

practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ! **Stuff! The Blues Guitar Looper Pedal Book - Brent Robitaille 2021-04-17

The looper pedal is an excellent companion for the blues genre! Most styles of blues have a repeating chord progression like the twelve-bar blues making it perfect for looping. Guitarist Brent Robitaille has created two, four, eight,

twelve, and sixteen bar multi-layered loops divided into four or five separate layers or parts. Each loop contains riffs or a melody, a bass line, chords, and a rhythm pattern. Get your loops sounding better with the "ten tips for making great loops" and also improve your solos with the "ten tips for making great solos." Also included: blues scales, standard blues chord progressions in all keys, blues strumming patterns, chord spelling charts, fingerboard charts, and a section on how to play slide guitar with exercises. This book serves two functions: how to use your looper pedal musically and efficiently to create blues loops for soloing and performing, and how to improve your blues guitar playing. A welcome addition for any guitarist looking to expand their blues playing using a looper pedal.
