**Street Cat Bob** - James Bowen 2015-02-05

When James Bowen found an injured, street cat in the hallway of his sheltered housing, he had no idea just how much his life was about to change. James had been living on the streets of London and the last thing he needed was a pet. Yet James couldn't resist the clever tom cat, whom he quickly named Bob. Soon the two were best friends, and their funny and sometimes dangerous adventures would change both their lives, slowly healing the scars of each other's troubled pasts. STREET CAT BOB is a moving and uplifting story that will touch the heart of anyone who reads it.

*Being Bold* - Richelle E Goodrich 2020-08-22

Being Bold is the next in a line of inspirational and motivational books written by American author and novelist, Richelle E. Goodrich. In the same vein as Smile Anyway, Making Wishes, and Slaying Dragons, Being Bold includes quotes, poetry, and a number of short stories. Enjoy a profound thought for every day of the year, including the popular following: "Life made me an actor from birth. The world, darling, is not my stage but my audience." "Don't sink too deep into yourself. That is the secret to happiness." "Friends make everything easier. If you want to succeed at a challenge, involve your friends. They have an amazing capacity to lighten physical, emotional, and mental burdens by simply being there." "Life can be awful. Life can be ugly. And still there are those who smile at the darkness, anticipating the beauty of an eventual sunrise." "Yes, love is a super power. It is the ultimate super power." "When a monster grows quiet and crumbles to the ground weeping, you feel sorry for him. You may approach with caution and hope, whispering words of peace. But in the morning he will rise to his full height, roaring and stomping and baring his sharp teeth because he is, after all, a monster." This book was written to be used for daily inspiration and motivation.

**Grown and Flown** - Lisa Heffernan 2019-09-03

PARENTING NEVER ENDS. From the founders of the #1 site for parents

of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

*Angels Walking Collection* - Karen Kingsbury 2017-11-07

Karen Kingsbury's compelling New York Times bestselling Angels Walking series is available for the first time as one complete boxed set. In Angels Walking, former baseball star Tyler Ames suffers a career-ending injury. As he tries to put his life back together the way it was before, he discovers the devastating news that his one true love, Sami Dawson, has moved on. When a small series of miracles leads Tyler to form a friendship with Virginia Hutcheson, an elderly woman with Alzheimer's, he realizes that she might have the answers he so desperately seeks. Can a team of Angels Walking restore hope and bring healing for Tyler, Sami, and Virginia? And can the words of a stranger rekindle lost love? Growing up in a comfortable home, Mary Catherine, in Chasing Sunsets, never yearned for an extravagant lifestyle the way her parents did. Instead, she pursues meaning through charity work, giving away a part of herself but never giving away her heart. But she finds herself drawn to LA Dodger Marcus Dillinger when she volunteers with her roommate Sami at a local youth center, and she discovers an exciting life she never dreamed of. That is, until she receives devastating news from her doctor that alters her future and forces her to make a rash decision. Finally, in Brush of Wings, Mary Catherine moves to Uganda to work at an orphanage against the advice of her doctor. She may not have long to live, but she chooses to help others with the time she has left. The only problem is Marcus, the man she never meant to fall in love with. He knows something is wrong, and after months of silence from Mary Catherine, a divinely timed letter leads him on a desperate life-or-death mission. Then his friends receive shocking news that changes everyone's plans. The angels in their midst are doing everything they can to make sure their mission succeeds.

[Cultures of Memory in the Nineteenth Century](#) - Katherine Haldane Grenier 2020-06-08

This collection provides a long-overdue examination of the nineteenth century as a crucible of new commemorative practices. Distinctive memory cultures emerged during this period which would fundamentally reshape public and private practices of remembrance in the modern

world. The essays in this volume bring together scholars of History, Literature, Art History, and Musicology to explore uses of memory in nineteenth-century empire-building and constructions of national identity, cultures of sentiment and mourning practices, and discourses of race and power. Contributors approach the topic through case studies of Europe, the United States, and the British Empire. Their analyses of nineteenth-century innovations in commemoration at both the personal and the larger civic and political levels will appeal to students and scholars of memory and of the nineteenth-century world.

**Southern Cross** - Patricia Cornwell 1999-12-01

Patricia Cornwell has a sixth sense about the men and women in blue. In *Hornet's Nest*, her page-turning novel about crime and police in Charlotte, North Carolina, Cornwell moved behind the badges of these real-life heroes to uncover flesh-and-blood characters who strode through her pages to reveal vulnerable, passionate, brave, sometimes doubting, always fascinating figures. In *Southern Cross*, Cornwell takes us even closer to the personal and professional lives of big-city police, in a story of corruption, scandal, and robberies that escalate to murder. This time, her setting is Richmond, Virginia, where Charlotte Police Chief Judy Hammer has been brought by an NIJ grant to clean up the police force. Reeling from the recent death of her husband, and resented by the police force, city manager, and mayor of Richmond, Hammer is joined by her deputy chief Virginia West and rookie Andy Brazil on the most difficult assignment of her career. In the face of overwhelming public scrutiny, the trio must bring truth, order, and sanity to a city in trouble.

**The Giver** - Lois Lowry 2014

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

*To Bless the Space Between Us* - John O'Donohue 2008-03-04

From the author of the bestselling *Anam Cara* comes a beautiful collection of blessings to help readers through both the everyday and the extraordinary events of their lives. John O'Donohue, Irish teacher and poet, has been widely praised for his gift of drawing on Celtic spiritual traditions to create words of inspiration and wisdom for today. In *To Bless the Space Between Us*, his compelling blend of elegant, poetic language and spiritual insight offers readers comfort and encouragement on their journeys through life. O'Donohue looks at life's thresholds—getting married, having children, starting a new job—and offers invaluable guidelines for making the transition from a known, familiar world into a new, unmapped territory. Most profoundly, however, O'Donohue explains "blessing" as a way of life, as a lens through which the whole world is transformed. O'Donohue awakens readers to timeless truths and shows the power they have to answer contemporary dilemmas and ease us through periods of change.

*Lori's Memories* - Chelle Pimblott 2021-06-30

A new family. Two dads. Surprises. Forgiveness. When I was eight years old, mum and aunt Jen took me to meet my dad. Logan Drake was just a name, a few pictures and some stories that my mum told me at bedtime. I knew my mum was sick, she never hid it from me and I knew, even though she did try to cushion the reality, that she wasn't going to be with me for much longer. That's why she went to talk to my dad. Moving out to Drake Wines wasn't as hard as I was expecting. I had an instant

family, Aunts, uncles, cousins and not one but two dads who loved me unconditionally. Missing my mum didn't hurt as much with them around. The letters started on my tenth birthday. By my eighteenth I didn't want them anymore. On my wedding I learned to appreciate every single one of them. 'Love Mum', became something that I looked forward to. *LORI'S MEMORIES* is the second novella in the Drake Wines Novella Series and should be read after *WINERY*. It's a love story of a different kind, no steam or romance but still full of love and hope. This is the story of a mother's love for her daughter and the letters she leaves for her to read on special occasions. **DRAKE WINES SERIES IN READING ORDER:** *VINEYARD* Book .1. (M/F) *SANDY COVE A Novella* 1.5 (M/F) *WINERY* Book .2. (M/M) *LORI'S MEMORIES A Novella* 2.5 (F) *BREWERY* Book .3. (M/F) *SARA'S FOREVER A Novella* 3.5 (F/M)

*Imagery in Cognitive-Behavioral Therapy* - Lusia Stopa 2021-07-06

Richly illustrated with clinical material, this book presents specific techniques for working with multisensory imagery in cognitive-behavioral therapy (CBT). Leading researcher-clinician Lusia Stopa explores how mental images--similarly to verbal cognitions--can trigger distress and drive maladaptive behavior. She guides the therapist to assess imagery and help clients to recognize and explore it. A range of interventions are described, including imaginal exposure, imaginal reliving, rescripting, working with self-images, and using positive imagery to improve well-being. Extensive sample dialogues and a chapter-length case example demonstrate the techniques in action with clients with a range of frequently encountered psychological problems.

*Dragon's Guard* - Eva Chase 2020-05-29

The last of her kind. Four hot alpha mates. A legacy of bloodshed. When Ren Landis goes looking for excitement on her 21st birthday, getting kidnapped is a little more than she bargained for. So is finding out that shifters exist-and that she's one too. As the last of the dragon shifters, she's got a role to fulfill: Take the alphas of the four shifter groups as her mates and unite all shifter kind. No pressure, right? Too bad Ren's fate isn't as simple as getting it on with four scorching-hot guys. Someone is out for dragon shifter blood, intent on finishing the massacre they started years ago. If Ren can't figure out how to kickstart her buried powers, her life's about to go down in flames.

**The Five People You Meet in Heaven** - Mitch Albom 2007-04-01

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

*The Truth about Melody Browne* - Lisa Jewell 2010

When she was nine years old, Melody Browne's house burned down, taking every toy, every photograph, every item of clothing and old Christmas card with it. But not only did the fire destroy all her possessions, it took with it all her memories - Melody Browne can remember nothing before her ninth birthday. Now in her early thirties, Melody lives in a small flat in the middle of London with her seventeen-year-old son. She hasn't seen her parents since she left home at fifteen, but Melody doesn't mind, she's better off on her own. She's made a good life for herself and her son and she likes it that way. Until one night

something extraordinary happens. Whilst attending a hypnotist show with her first date in years she faints - and when she comes round she starts to remember. At first her memories mean nothing to her but then slowly, day by day, she begins to piece together the real story of her childhood. Her journey takes her to the seaside town of Broadstairs, to oddly familiar houses in London backstreets and to meetings with strangers who love her like their own. But with every mystery she solves another one materialises, with every question she answers another appears. And Melody begins to wonder if she'll ever know the truth about her past... Praise for Lisa Jewell 'This is one of those rare books with the variety, complexity and unexpectedness of real life...it gobbles you up whole.' Sunday Telegraph 'Warm, funny, realistic and immensely readable.' Cosmopolitan 'A sophisticated narrative...Jewell can't help but tell a compelling story packed with intriguing characters.' The Times *1968 Vietnam Letters and Memories of a Marine* - Marlene Marchaesi 2009-04-03

Anything is pretty much possible if you dream it, you can have it. That is, unless war is a factor. This is a narrative, true story of a young girl who grew up in a poor, dysfunctional family in Upstate New York, and lives mostly in a dream world as a means to escape her mundane life. Probably not such a unique story. But she is unique in that she does something about it she doesn't wait for things to happen, or anyone else to be in control of her destiny --she takes the reins. Through enthusiasm and guts, she manages to live the life she's always dreamed about -- to travel, to see the world. It's 1967 and at the inexperienced age of 20, she leaves her home in New York to work in Great Britain as a domestic, where she stays for nearly two years. She gets there on a one-way ticket, working papers, \$100, and the determination to see what the real Europe is like -- not through the eyes of a tourist who only visits for a couple of weeks. She comes out of this experience not only with an education that she otherwise never would have had, but some great stories she'll be able to pass on to family and friends. But before she leaves on her adventure of a lifetime, she becomes a friend and lover to Peter. He is her first real love and memories of our first usually remain forever. This was no different for Marlene, and she chronicles the way her and Peter kept in touch in 1967 and 1968 with their letters. And after experiencing some great highs during her two years abroad, she returns home with a heavy heart, as Peter has become a casualty of the Vietnam War the day the letters stopped. A starry-eyed, adventurous young girl, still rather naive when she left home, returns having aged a lot more than she bargained for. In the end however, she would come to realize that certain people enter your life for a reason. She was lucky enough to let Peter into hers, as he has been such a positive influence for over 40 years. This book contains the actual letters Peter wrote to Marlene and her recollections of what she wrote back to him, with no embellishments. Although the book deals with the Vietnam Era, anyone who has friends or relatives serving in the military today will relate to the story.

Hitched While Intoxicated - Florella Grant 2018-01-20

What could be in the memory box that has Kimberly Davis afraid of opening it? When Kimberly and her friends were young, they started a memory box to open once they all turned 30 years old. It's her 30th birthday, but she has a bad feeling about what's inside. Images of beer bottles, dancing with a stranger, and a bare-end walking away flash before her. How bad can it be? The box is finally opened. Their memories spread out in front of them, and only one last item in the box. A marriage certificate! Oh no! After discovering the stranger, Ryan Calvin, never annulled the impulsive marriage, Kimberly has no choice but to put an end to it. Against her brother's legal advice, Kimberly takes the divorce

papers to Pottersville, Indiana. Easy peasy, right? Not exactly! Ryan is out of town. His brother Alex, has offered her a place to stay until Ryan's return. Alex is a single father, and generous to his guest. Oh, did I mention he's hot and Kimberly can't help but notice? She's in danger of falling for him. He's affectionately willing to catch her. What could happen when Ryan finally returns?

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

**The Memory Police** - Yoko Ogawa 2019-08-13

Finalist for the International Booker Prize and the National Book Award A haunting Orwellian novel about the terrors of state surveillance, from the acclaimed author of *The Housekeeper and the Professor*. On an unnamed island, objects are disappearing: first hats, then ribbons, birds, roses. . . . Most of the inhabitants are oblivious to these changes, while those few able to recall the lost objects live in fear of the draconian

Memory Police, who are committed to ensuring that what has disappeared remains forgotten. When a young writer discovers that her editor is in danger, she concocts a plan to hide him beneath her floorboards, and together they cling to her writing as the last way of preserving the past. Powerful and provocative, *The Memory Police* is a stunning novel about the trauma of loss. *Continuing Bonds* - Dennis Klass 2014-05-12

First published in 1996. This new book gives voice to an emerging consensus among bereavement scholars that our understanding of the grief process needs to be expanded. The dominant 20th century model holds that the function of grief and mourning is to cut bonds with the deceased, thereby freeing the survivor to reinvest in new relationships in the present. Pathological grief has been defined in terms of holding on to the deceased. Close examination reveals that this model is based more on the cultural values of modernity than on any substantial data of what people actually do. Presenting data from several populations, 22 authors - among the most respected in their fields - demonstrate that the health resolution of grief enables one to maintain a continuing bond with the deceased. Despite cultural disapproval and lack of validation by professionals, survivors find places for the dead in their on-going lives and even in their communities. Such bonds are not denial: the deceased can provide resources for enriched functioning in the present. Chapters examine widows and widowers, bereaved children, parents and siblings, and a population previously excluded from bereavement research: adoptees and their birth parents. Bereavement in Japanese culture is also discussed, as are meanings and implications of this new model of grief. Opening new areas of research and scholarly dialogue, this work provides the basis for significant developments in clinical practice in the field.
