Audrey L and Audrey W: Best Friends-ish - Carter Higgins 2021-10-05

The unique writing of Ivy + Bean meets the pep of Clementine and the authentic humor of Dory Fantasmagory in this chapter book series about two girls with the same name and absolutely, definitely, NOTHING else in common. Over the course of a week in school, this bighearted, true-to-life chapter book will resonate with any young reader who's ever felt overlooked, second-best, or defined according to someone else. The first

in a series, *Best Friends-Ish* provides a fresh take on the joys and traumas of elementary school drama. More than anything, second-grader Audrey wants to be the best at something. It always feels like she's not-quite-enough—not smart enough, not fast enough, not funny enough. When her beloved Miss Fincastle announces that a new girl, another AUDREY, is joining the class, Audrey suddenly becomes Audrey L., which makes her feel worse than ever. But is the new Audrey all bad? Might the two Audreys have more in common than just their name? And if the girls become friends, how will Audrey ever figure out how to be her best self—if she can't even be the best Audrey? Visually dynamic and narratively unique, this chapter book series is perfect for fans of the Ivy + Bean, Deckawoo Drive, and The Penderwicks series. TONS OF ILLUSTRATIONS: The book has many black and white illustrations throughout, providing newer readers with the perfect on-ramp from early readers into novels.

There's something visual on every page.

EMPATHY READ FOR BEGINNING READERS:

This book is about embracing people's differences, understanding their similarities, and making new friends. **COMING-OF-AGE IN**

ELEMENTARY SCHOOL: This book encourages young readers to consider and celebrate the things that make them unique, while recognizing that sharing some of those traits with someone else isn't a bad thing. **A DILEMMA EVERY KID**

FACES: Having to share a name with a classmate is one of the biggest nightmares for a kid. That extra last name initial becomes a part of who you are for years to come. It's an annoying, funny subject that kids everywhere will relate to. **UNFORGETTABLE, FUNNY**

WRITING: Carter Higgins's writing is special. This storytelling is friendly, funny, and genuinely good, with an unforgettable voice that doesn't sound like any other chapter books. Perfect for:

Beginning readers, Parents, Educators, Librarians, Grandparents, Anyone looking for a

new series, Readers who love books set at school
[The Whispers](#) - Greg Howard 2019-01-15

A middle grade debut that's a heartrending coming-of-age tale, perfect for fans of *Bridge to Terabithia* and *Counting By 7s*. Eleven-year-old Riley believes in the whispers, magical fairies that will grant you wishes if you leave them tributes. Riley has a lot of wishes. He wishes bullies at school would stop picking on him. He wishes Dylan, his 8th grade crush, liked him, and Riley wishes he would stop wetting the bed. But most of all, Riley wishes for his mom to come back home. She disappeared a few months ago, and Riley is determined to crack the case. He even meets with a detective, Frank, to go over his witness statement time and time again. Frustrated with the lack of progress in the investigation, Riley decides to take matters into his own hands. So he goes on a camping trip with his friend Gary to find the whispers and ask them to bring his mom back home. But Riley doesn't realize the trip will shake the foundation

of everything that he believes in forever.

The Boy with the Pudding Touch - Laura North 2014

It's Jack's birthday. He makes a wish and gets a super power! Everything he touches turns into a pudding. He thinks it will be the best birthday ever. Then things start to get sticky. M Is for Mama's Boy - Michael Buckley 2011-08

The Nerds make their return in this second installment of Buckley's series, and this time, the group must fight a villain so unlikely, he still lives with his mom. In other words, it's the

Nerds against a nerd.

Bringing Up Geeks - Marybeth Hicks 2008-07-01

A breakthrough parenting book that redefines the meaning of 'geek' and inspires parents to free themselves and their kids from the 'culture of cool.' In a world of superficial values, peer pressure, and out-of-control consumerism, the world needs more GEEKS: Genuine, Enthusiastic, Empowered Kids. Today's 'culture of cool' has changed the way kids grow up. Rather than enjoying innocent childhoods while developing strong, authentic characters, today's kids can become cynical 'even jaded' as they absorb the dangerous messages and harmful influences of a dominant popular culture that encourages materialism, high-risk behaviors, and a state of pseudo-adulthood. Author and mother of four Marybeth Hicks suggests an alternative: bringing up geeks. In this groundbreaking book, she shows parents how they can help their children gain the enthusiasm to pursue their passions, not just the latest

fashions; the confidence to resist peer pressure and destructive behaviors; the love of learning that helps them excel at school and in life; and the maturity to value family as well as friends, as well as make good moral decisions. With a foundation like that, kids will grow up to be the coolest adults.

Geek Love - Katherine Dunn 2011-05-25
National Book Award finalist Here is the unforgettable story of the Binewskis, a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities (with the help of amphetamine, arsenic, and radioisotopes). Their offspring include Arturo the Aquaboy, who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan . . . Iphy and Elly, the lissome Siamese twins . . . albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious—and dangerous—asset. As the Binewskis take their act across the backwaters of the U.S., inspiring fanatical

devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, *Geek Love* throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same.

Robin's First Flight - Robert Greenberger
2014-10-09

Freak the Mighty - Rodman Philbrick 2015-04-01
Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become *Freak The Mighty* and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

The Awkward Thoughts of W. Kamau Bell -

W. Kamau Bell 2018-08-07

You may know W. Kamau Bell from his new, Emmy-nominated hit show on CNN, *United Shades of America*. Or maybe you've read about him in the *New York Times*, which called him "the most promising new talent in political comedy in many years." Or maybe from *The New Yorker*, fawning over his brand of humor writing: "Bell's gimmick is intersectional progressivism: he treats racial, gay, and women's issues as inseparable." After all this love and praise, it's time for the next step: a book. *The Awkward Thoughts of W. Kamau Bell* is a humorous, well-informed take on the world today, tackling a wide range of issues, such as race relations; fatherhood; the state of law enforcement today; comedians and superheroes; right-wing politics; left-wing politics; failure; his interracial marriage; white men; his up-bringing by very strong-willed, race-conscious, yet ideologically opposite parents; his early days struggling to find his comedic voice, then his later days

struggling to find his comedic voice; why he never seemed to fit in with the Black comedy scene . . . or the white comedy scene; how he was a Black nerd way before that became a thing; how it took his wife and an East Bay lesbian to teach him that racism and sexism often walk hand in hand; and much, much more. *Halloween Scream* - Blake Hoena 2014-08-01 As Halloween approaches, Jess and Jaylen work on ideas for the big costume contest and try to find the courage to go through the local haunted house.

Super-Villain Showdown - Paul Kupperberg 2009-08

When an intergalactic super-villain seeks refuge on Earth, Superman joins the search for him to bring him to justice.

Desmond Pucket and the Mountain Full of Monsters - Mark Tatulli 2014-08-05

Desmond Pucket is back, and this time he has a posse. Desmond has been waiting his whole life for this day. It is the sixth-grade field trip to

Crab Shell Pier, home to the world's most awesomely fantastic ride, and Desmond has one goal: convince Tina Schimsky to ride it with him. But once inside the amusement park, Desmond finds that executing his master plan will be no simple feat. Accompanied by his best friend Ricky, Desmond must outwit both the tyrannical Mr. Needles and his nefarious mortal enemy Scott Selzer, along with anyone---or anything---else in the way. The race is on to reach Mountain Full of Monsters and win the girl of his dreams . . . Can Desmond do it?

Finn and the Intergalactic Lunchbox -

Michael Buckley 2021-03-02

From the New York Times bestselling author of the Sisters Grimm and NERDS comes a new action-packed middle-grade series with aliens, robots, and kids saving the world! Finn Foley has a lunchbox, and when he opens it, weird things come out . . . like a seven-foot-tall robot and a strange, blinking device that glues itself to his chest. The lunchbox also opens wormholes--

shortcuts through space--that take Finn to the farthest corners of the galaxy. Sounds awesome, right? Not so much. Rocketing through the cosmos attracts the attention of the Plague, a race of gigantic bugs. The thing on Finn's chest belongs to them--it's the most dangerous weapon in the universe--and they want it back. To fight the Plague, Finn will need the lunchbox, as well as an unlikely squad: Lincoln, the bully; Julep, the coolest girl in school; Kate, Finn's unicorn-obsessed little sister; and Highbeam, a robot spy from another galaxy. If they can learn to work together, they just might have a chance, but the bugs are coming, and they'll stop at nothing to get their weapon--even if it means destroying the world.

Science Candy - Katrina Streza 2014-03-22

Candy School Chapter Book 4 It's science project time and Sam and Danny are headed to the candy shop to look for ideas. Whether they're learning about refracting light, the states of matter or the way erosion works, in this

Candy School book they're sure to find how sweet learning can be. This beginning chapter book is for kids ages 4-8. Now with illustrations! *On the Come Up* - Angie Thomas 2019-02-05 #1 New York Times bestseller · Seven starred reviews · Boston Globe-Horn Book Award Honor Book “For all the struggle in this book, Thomas rarely misses a step as a writer. Thomas continues to hold up that mirror with grace and confidence. We are lucky to have her, and lucky to know a girl like Bri.”—The New York Times Book Review This digital edition contains a letter from the author, deleted scenes, a picture of the author as a teen rapper, an annotated playlist, Angie’s top 5 MCs, an annotated rap, illustrated quotes from the book, and an excerpt from *Concrete Rose*, Angie's return to Garden Heights. Sixteen-year-old Bri wants to be one of the greatest rappers of all time. Or at least win her first battle. As the daughter of an underground hip hop legend who died right before he hit big, Bri’s got massive shoes to fill.

But it’s hard to get your come up when you’re labeled a hoodlum at school, and your fridge at home is empty after your mom loses her job. So Bri pours her anger and frustration into her first song, which goes viral . . . for all the wrong reasons. Bri soon finds herself at the center of a controversy, portrayed by the media as more menace than MC. But with an eviction notice staring her family down, Bri doesn’t just want to make it—she has to. Even if it means becoming the very thing the public has made her out to be. Insightful, unflinching, and full of heart, *On the Come Up* is an ode to hip hop from one of the most influential literary voices of a generation. It is the story of fighting for your dreams, even as the odds are stacked against you; and about how, especially for young black people, freedom of speech isn’t always free. Don't miss *Concrete Rose*, Angie Thomas's powerful prequel to her phenomenal bestseller, *The Hate U Give!* **High Five, Mallory!** - Laurie Friedman 2017-09 Mallory starts fifth grade and has to adjust to a

new teacher, a tough school project, and trouble with her best friend that involves her brother Max.

Con-nerd - Oliver Phommavanh 2019-04-02

It's one small step for nerds, one giant leap to being cool. Mama tells me I'm gifted and talented. But I know the truth. I'm just a nerd. Kids call me Con-nerd - half Connor and all nerd. I'm supposed to become a doctor but i have this deep, dark secret: I want to be a cartoonist. And all of a sudden my mega-cool comics are getting noticed at school - I might even get into a special art class. That would sure impress this girl I'm keen on . . . and it might just be my chance to show the world my true destiny. But I'm not sure Mama will see it quite that way . . .

National Espionage, Rescue, and Defense Society (NERDS Book One) - Michael Buckley 2013-09-03

NERDS combines all the excitement of international espionage with all the awkwardness of elementary school, and the

results are hilarious. A group of unpopular fifth graders run a spy network from inside their school. With the help of cutting-edge science, they transform their nerdy qualities into incredible abilities! Their enemies? An array of James Bond-style villains, each with an evil plan more diabolical and more ridiculous than the last. Publishers Weekly raved: "Buckley has a flair for exaggerated humor." School Library Journal said: "Funny, clever, and thoroughly entertaining."

Finn and the Time-Traveling Pajamas - Michael Buckley 2021-03-30

From the New York Times bestselling author of the Sisters Grimm and NERDS comes the second book in an action-packed middle grade series with equal parts humor and heart! When Finn is saved from the Time Rangers by an older version of himself, it comes with a catch. Old Man Finn

needs Finn and his friends, Lincoln and Julep, to help him win battles he lost years ago against the Paradox, a terrible creatures obsessed with revenge against Finn's father. If they succeed, he promises to tell Finn where his father is. He even gives them a pair of time-traveling pajamas to help them with their quest. There's only one problem. The pajamas malfunction almost immediately. Along the way the kids avoid being eaten by sabretooths, shot by revolutionary war soldiers, and start a war with a town full of holograms, all in an effort to fix the jammies. Just when their goal is in sight, Julep gets sick. Only...it doesn't seem like she's sick. It seems like she's changing. The adventure may cost Finn more than an old pair of pajamas—it may cost him his friends!

He has three days to complete three tasks before Professor Wordsworth will lift the magical punishment that keeps getting Logan in even more trouble.

The First 20 Hours - Josh Kaufman 2013-06-13

Forget the 10,000 hour rule— what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills—time you don't have and effort you can't spare? Research

suggests it takes 10,000 hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing something new are always the most frustrating. That's why it's difficult to learn how to speak a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web . . . In *The First 20 Hours*, Josh Kaufman offers a systematic approach to rapid skill acquisition— how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably well. Kaufman personally field-tested the methods in this book. You'll have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard

keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he teaches: Define your target performance level: Figure out what your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done. The more specific, the better. Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice. Create fast feedback loops: Getting accurate, real-time information about how well you're performing during practice makes it much easier to improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, *The First*

20 Hours will help you pick up the basics of any skill in record time . . . and have more fun along the way.

Boy Meets Boy - David Levithan 2009-02-19
This is the story of Paul, a sophomore at a high school like no other: The cheerleaders ride Harleys, the homecoming queen used to be a guy named Daryl (she now prefers Infinite Darlene and is also the star quarterback), and the gay-straight alliance was formed to help the straight kids learn how to dance. When Paul meets Noah, he thinks he's found the one his heart is made for. Until he blows it. The school bookie says the odds are 12-to-1 against him getting Noah back, but Paul's not giving up without playing his love really loud. His best friend Joni might be drifting away, his other best friend Tony might be dealing with ultra-religious parents, and his ex-boyfriend Kyle might not be going away anytime soon, but sometimes everything needs to fall apart before it can really fit together right. This is a happy-meaningful

romantic comedy about finding love, losing love, and doing what it takes to get love back in a crazy-wonderful world.

Diary of a Tennis Prodigy - Shamini Flint
2016-01-04

Marcus Atkinson is a tennis genius (not!). But his dad is convinced that Marcus has magic in his wrists. Marcus is a maths whiz who is not good at sport. His dad is a self-help author who thinks Marcus can achieve anything he sets his mind to, with hilarious results. In illustrated diary format, Marcus's gentle, satiric humour and comic drawings will have readers laughing out loud while learning a surprising amount about sport.

The Cheerleaders of Doom (NERDS Book Three)
- Michael Buckley 2013-09-03

Matilda “Wheezzer” Choi, the asthmatic who can fly and kick butt courtesy of her nanobyte-enhanced inhalers, loves pro wrestling and hates anything “girlie.” Maybe that’s because she grew up with six brothers—or maybe it’s

because her home life has become a battle zone in the conflict between her parents. Unfortunately for Wheezer, when a former member of NERDS turned villain gets extensive plastic surgery in order to become a cheerleader, Matilda must swallow her pride to successfully infiltrate the squad. The newest supervillain, Gerdie Baker, assisted by the criminal mastermind Simon, has created a device that opens portals to other worlds, which she and the other cheerleaders have been pillaging. But the alternate realities are starting to get awfully close together, so it’s up to Wheezer and the NERDS to stop the cheerleaders before the worlds collide.

Martin Bridge Onwards and Upwards! - Jessica Scott Kerrin 2009

In the final adventures of this chapter-book series, Martin is driven to near insanity when his mother won't stop practicing on her new electronic keyboard, and his loyalties are torn when Laila Moffat joins the Junior Badgers.

Simultaneous.

Wild Ride - Liam O'Donnell 2018-04-19

Devin, Nadia and Marcus are on their way to visit their environmentalist parents who are working to stop a logging company from clear-cutting a remote valley. When their plane crashes and the pilot is killed, the kids are left to survive in the wild with Wiley, a government bureaucrat, who is the only other passenger on the plane. Learning to build a shelter and make a fire in the woods, they discover that Wiley is working with the logging company and will do anything to stop the secret getting out. On the run and in mortal danger, the three must outrun Wiley, escape a raging forest fire and outwit a hungry grizzly bear to make it to safety.

Combining pulse-pounding adventure and survival skills in a colorful graphic novel format, Graphic Guides are sure to be a hit with young readers. Wild Ride is packed with survival tips including how to build a fire and set a broken limb.

Nerd in Shining Armor - Vicki Lewis Thompson
2003-04-29

For Genevieve Terrence it seemed like a dream come true: a weekend alone on Maui with her sexy boss, Nick Brogan. But little did she know that Nick had dreams of his own--a nefarious scheme that nearly got her killed on the flight over the Pacific. Lucky for her, brilliant computer programmer Jack Farley was on board and quick-witted enough to crash-land the plane. Now Jack is her sole companion on a remote desert island with nothing but guava trees and sharks for company. Who'd expect the shy genius--and the least alpha male she knows--to turn out to be the uninhibited stud of her wildest dreams? Saving Genevieve's life has made Jack a hero in the eyes of the woman he has secretly lusted after for months. Now they're alone together in a tropical eden where they're free to give in to their every sensual whim. But when some nasty unfinished business puts them at risk

again, Gen will learn there's nothing quite as dangerous as a fully aroused ex-nerd who'll move heaven and earth to protect the woman he loves... From the Paperback edition.
