The Luxe - Anna Godbersen 2009-10-13

The Luxe is the first book in the New York Times bestselling Luxe series by Anna Godbersen. In a world of luxury and deception, where appearance matters above everything and breaking the social code means running the risk of being ostracized forever, five teenagers lead dangerously scandalous lives. This thrilling trip to the age of innocence is anything but innocent. Pretty girls in pretty dresses, partying until dawn. Irresistible boys with mischievous smiles and dangerous intentions. White lies, dark secrets, and scandalous hook-ups. This is Manhattan, 1899. Beautiful sisters Elizabeth and Diana Holland rule Manhattan's social scene. Or so it appears. When the girls discover their status among New York City's elite is far from secure, suddenly everyone—from the backstabbing socialite Penelope Hayes to the debonair bachelor Henry Schoonmaker to the spiteful maid Lina Broud—threatens Elizabeth's and Diana's golden future. With the fate of the Hollands resting on her shoulders, Elizabeth must choose between family duty and true love. But when her carriage overturns near the East River, the girl whose glittering life lit up the city's gossip pages is swallowed by the rough current. As all of New York grieves, some begin to wonder whether life at the top proved too much for this ethereal beauty, or if, perhaps, someone wanted to see Manhattan's most celebrated daughter disappear... "Mystery, romance, jealous, betrayal, humor, and gorgeous, historically accurate details. I couldn't put The Luxe down!" —Cecily von Ziegesar, author of the #1 New York Times bestselling Gossip Girl series

Love, Lucas - Chantele Sedgwick 2015-05-05

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Obsidian - Jennifer L. Armentrout 2012-05-08

Discover the New York Times bestselling Lux series, which RT Book Reviews called "A thrilling ride from start to finish," from the very beginning... Starting over sucks. When we moved to West Virginia right before my senior year, I'd pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring...until I spotted my hot neighbor, with his looming height and eerie green eyes. Things were looking up. And then he opened his mouth. Daemon is infuriating. Arrogant. Stab-worthy. We do not get along. At all. But when a stranger attacks me and Daemon literally freezes time with a wave of his hand, well, something...unexpected happens. The hot alien living next door marks me. You heard me. Alien. Turns out Daemon and his sister have a galaxy of enemies wanting to steal their abilities, and Daemon's touch has me lit up like the Vegas Strip. The only way I'm getting out of this alive is by sticking close to Daemon until my alien mojo fades. If I don't kill him first, that is. But letting him in is as dangerous as hunting the cold-blooded killers stalking the streets. Losing the boy she loved once before had nearly destroyed her, but the sparking tension that grows between them becomes impossible for Ivy to deny. Deep down, she wants... she needs more than what her duty demands of her, what her past has shaped for her. But as Ivy grows closer to Ren, she realizes she's not the only one carrying secrets that could shatter the frail bond between them. There's something he's not telling her, and one thing is for certain. She's no longer sure what is more dangerous to her—the ancient beings threatening to take over the town or the man demanding to lay claim to her heart and her soul.

Enter the world of Covenant... For Alexandria, being destined to become some kind of supernatural electrical outlet isn't exactly awesome - especially when her 'other half' is everywhere she goes. Seth's in her training room, outside her classes, and keeps showing up in her bedroom - so not cool. Their connection does have some benefits, like staving off her memories of the tragic showdown with her mother, but it has no effect on what Alex feels for the forbidden, pure-blooded Aiden. When daimons infiltrate the Covenants and attack students, the gods send furies - creatures determined to eradicate any threat to the Covenants and to the gods... and that includes Alex. If that and hordes of aether-sucking monsters weren't bad enough, a mysterious threat seems willing to do anything to neutralize Seth, even if that means forcing Alex into servitude... or killing her.

A Kingdom of Flesh and Fire - Jennifer L. Armentrout 2020-09-01

From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her *Blood and Ash* series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolveren are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. Half-Blood (a Covenant Novel) - Jennifer L. Armentrout 2014-08-14

HALF-BLOOD is the unputdownable first book in the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout. This special paperback edition also includes the prequel novella DAIMON. The Hematoi descend from the unions of gods and mortals, and the children of two Hematoi - pure-bloods - have godlike powers. Children of Hematoi and mortals - well, not so much. Half-bloods only have two options: become trained Sentinels who hunt and kill daimons or become servants in the homes of the pures. Seventeen-year-old Alexandria would rather risk her life fighting than waste it scrubbing toilets, but she may end up slumming it anyway. There are several rules that students at the Covenant must follow. Alex has problems with them all, but especially rule #1: Relationships between pures and halves are forbidden. Unfortunately, she's crushing hard on the totally hot pure-blood Aiden. But falling for Aiden isn't her biggest problem - staying alive long enough to graduate the Covenant and become a Sentinel is. If she fails in her duty, she faces a future worse than death or slavery: being turned into a daimon, and being hunted by Aiden. And that would kind of suck.
