Ultime lettere di Jacopo Ortis - Ugo Foscolo 2014-10-15T00:00:00+02:00

Ultime lettere di Jacopo Ortis è il romanzo in cui confluisce e si realizza la tumultuosa e fervida personalità del Foscolo: le vicissitudini di Jacopo rispecchiano la sua biografia, romanticamente esemplare grazie agli elementi passionali che la colorano, al rapporto conflittuale con l'ambiente che lo circonda, all'esilio degli ultimi anni. Il fascino dell'Ortis, anche per un lettore moderno - scrive Walter Binni - è nella sua natura dirompente, esplosiva, persino scomposta, ma così autentica, ardente, fermentante di motivi colti nella loro potenzialità nascente, nella loro deflagrazione inquieta e a volte sin torbida e farraginoso, vivissima e quanto mai lontana da ogni levigata nitidezza e artistica misura e purezza.

Savage Kiss - Roberto Saviano 2020-09-08

Roberto Saviano returns to the streets of Naples and the boy bosses who run them in *Savage Kiss*, the hotly anticipated follow-up to *The Piranhas*, the bestselling novel and major motion picture. Nicolas Fiorillo and his gang of children—his paranza—control the squares of Forcella after their rapid rise to power. But it isn't easy being at the top. Now that the *Piranhas* have power in the city, Nicolas must undermine the old families of the Camorra and remain united among themselves. Every paranzino has his own vendettas and dreams to pursue—dreams that might go beyond the laws of the gang. A new war may be about to break out in this city of cutthroat bargaining, ruthless betrayal, and brutal revenge. Saviano continues the story of the disillusioned boys of Forcella, the paranzini ready to give and receive kisses that leave a taste of blood. Saviano's *Gomorra* was a worldwide sensation, and *The Piranhas*, called "raw and shocking" by *The New York Times Book Review*, captured readers with its tale of raw criminal ambition, told with "openhearted

rashness" (Elena Ferrante). *Savage Kiss*, which again draws on the skills of translator Antony Shugaar, is the latest thrilling installment from the brilliant Italian novelist.

Non resta che l'amore. Paesaggi sentimentali italiani - Gabriella Turnaturi 2018

Betrays - Gabriella Turnaturi 2007

From Iago to Fredo, Judas to General Hospital, acts of betrayal fascinate us. Eventually we all encounter this universal experience of human interaction, but despite its ubiquity, being betrayed can turn our lives upside down and leave us feeling suddenly frail and alone. Betrayal only arises out of sharing something of yourself with another, and its impact speaks to the great tragedy of human relations: at bottom, other people are unknowable. While most attempts to study betrayal only consider its moral or psychological dimensions, Gabriella Turnaturi here examines betrayal as an act embedded in social relationships whose meanings change over time. For example, adultery is one of the most recognizable forms of betrayal, but a

wide gulf exists between its role in Madame Bovary and in The Ice Storm. Therefore, Turnaturi contends, in order to examine the many meanings of betrayal we need to understand its context in a specific time and place. Born from the unpredictable possibilities of human interaction, betrayal emerges as a sociological event in this thought-provoking meditation on the stab in the back.

The Best of Me (Movie Tie-In Enhanced Ebook) - Nicholas Sparks 2015-01-20

WITH FEATURETTES FROM NICHOLAS SPARKS AND THE MOVIE CAST, DELETED SCENES, MUSIC VIDEO, AND MORE! IN THEATERS OCTOBER 17, 2014! Starring Michelle Monaghan, James Marsden, Luke Bracey, and Liana Liberato "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew -- about Tuck, about themselves, and about the dreams they held dear -- was not as it seemed. Forced to confront painful memories, the two former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?
