Corporate Property Management - Victoria Edwards 2009-02-12

Corporate property is routinely identified as the second biggest cost within a business organization after staff. Effective management of such a major asset requires a fundamental understanding of both the operation of the property markets and the operational requirements of the business occupier. This primer on strategic property management focuses on how property held as a corporate asset can be used to add value to the primary business activity of an organization. Rather than separate the needs of the business from the management of the business estate, the aim of Corporate Property Management is to enable the reader to directly support the primary business function through strategic management of corporate property, thereby adding value to the business as a whole. The book introduces a generic framework designed to assist in the analysis of any corporate property portfolio, working as a practical aid to decision making. The book is structured around this framework, providing a detailed review of its application and uses. This is then developed further through extensive use of five in-depth case studies that covers a wide variety of property types and property users - Borders bookshops; Cancer Research high street shops; The Youth Hostel Association; Clifford Chance's move to Canary Wharf and the Ardtornish Rural Estate in Scotland.

**Who's who in Canada** - 1927

**Australian Books in Print** - 1998

Sports Law - Patrick K. Thornton 2010-02-04

Sports Law looks at major court cases, statutes, and regulations that explore a variety of legal issues in the sports industry. The early chapters provide an overview of sports law in general terms and explore its impact on race, politics, religion, and everyday affairs. Later chapters address hot button issues such as gender equity, drug testing, and discrimination. Written from a sport management perspective, rather than from a lawyer's, this text covers all the major areas presented in sports law today including: cases relating to torts, contracts, intellectual property, and agents. Factual scenarios throughout the text allow students to critically examine and apply sport management principles to legal issues facing the sports executive. Important Notice: The digital edition of this book is missing some of the images or content found in the physical edition.

**Handbook of Comparative Higher Education Law** - Charles J. Russo, Ed.D., J.D., Panzer Chair in Education, University of Dayton 2013-07-11

This book can serve as valuable resource for educational practitioners in higher education insofar as it provides them with an enhanced awareness of strategies that are being used to manage problems commonly faced in multiple educational settings.

The Journalist's Guide to Media Law - Mark Polden 2020-07-27

We are all journalists and publishers now: at the touch of a button we can send our words, sounds and images out to the world. No matter whether you're a traditional journalist, a blogger, a public relations practitioner or a social media editor, everything you publish or broadcast is subject to the law. But which law? This widely used practical guide to communication law is essential reading for anyone who writes or broadcasts professionally, whether in journalism or strategic communication. It offers a mindful approach to assessing media law risks so practitioners can navigate legal and ethical barriers to publishing in mainstream and social media. This sixth edition has been substantially revised to reflect recent developments in litigation, and the impact of national security laws and the rising gig economy where graduates might work in the news media, PR, new media start-ups, or as freelancers. It covers defamation, contempt, confidentiality, privacy, trespass, intellectual property, and ethical regulation, as well as the special challenges of commenting on criminal allegations and trials. Recent cases and examples from social media, journalism and public relations are used to illustrate key points and new developments. Whether you work in a news room, in public relations or marketing, or blog from home, make sure you have The Journalist's Guide to Media Law at your side. 'Whether you're an MSM editor or reporter, a blogger, a tweeter or a personal brand, this book might save your bacon.' - Jonathan Holmes, former ABC Media Watch host 'The leading text book from which most journos learned their law' - Margaret Simons, associate professor in journalism, Monash University

*The Solicitors' Journal* - 1903

Key Concepts in Geography - Nicholas Clifford 2008-12-12

"This book clearly outlines key concepts that all geographers should readily be able to explain. It does so in a highly accessible way. It is likely to be a text that my students will return to throughout their degree." - Dr Karen Parkhill, Bangor University "The editors have done a fantastic job. This second edition is really accessible to the student and provides the key literature in the key geographical terms of scale, space, time, place and landscape." - Dr Elias Symeonakis, Manchester Metropolitan University "An excellent introductory text for accessible overviews of key concepts across human and physical geography." - Professor Patrick Devine-Wright, Exeter University Including ten new chapters on nature, globalization, development and risk, and a new section on practicing geography, this is a completely revised and updated edition of the best-selling, standard student resource. Key Concepts in Geography explains the key terms - space, time, place, scale, landscape - that define the language of geography. It is unique in the reference literature as it provides in one volume concepts from both human geography and physical geography. Four introductory chapters on different intellectual traditions in geography situate and introduce the entries on the key concepts. Each entry then comprises a short definition, a summary of the principal arguments, a substantive 5,000-word discussion, the use of real-life examples, and annotated notes for further reading. Written in an accessible way by established figures in the discipline, the definitions provide thorough explanations of all the core concepts that undergraduates of geography must understand to complete their degree.

**The Solicitors' Journal and Reporter** - 1903

*The Martindale-Hubbell Law Directory* - 2001

Public Relations - Jane Johnston 2020-07-16

'This has always been the definitive text for PR in Australia. Public Relations: Theory and Practice is the complete companion for new and not-so-new practitioners. I'll be keeping a copy on my bookshelf.' - Tracy Jones, FPRIA former president, Public Relations Institute of Australia Public relations is a dynamic and rapidly growing field which offers a variety of career paths. Whether you're building the public image of an organisation, developing news and social media strategies, or managing issues for a company or political party, you need strong communication skills and a sound understanding of public relations processes. In this widely used introduction to professional practice, leading academics and practitioners outline the core principles of public relations in business, government and the third sectors. They show how to develop

effective public relations strategies and explain how to research, run and evaluate a successful public relations campaign. Drawing on a range of communication and public relations theories, they discuss how to work with key publics, using all forms of media for maximum impact. It is richly illustrated with examples and case studies from Australia, New Zealand, Asia and other countries. Public Relations has been substantially revised and includes newly written chapters on social media, tactics, integrated marketing communication, risk and crisis communication, public relations history, corporate and investor public relations, and law, as well as a new glossary of theoretical terms.

**Global Interest in Student Behavior** - Charles J. Russo, Ed.D., J.D., Panzer Chair in Education, University of Dayton 2014-12-19

The first book of its kind, this volume consists of a collection of essays designed to enhance a common understanding of the rights of students when they are subjected to discipline.

**Fitness Trainer Essentials: for the Personal Trainer with Online Study Tools 12 Months** - Tony Attridge 2015-10-12

Beat your personal best by working the core to becoming a Fitness Trainer This Australian internationally recognised text has been designed to assist students undertaking the SIS40215 Certificate IV in Fitness qualification, studying to become personal or fitness trainers. The text contains core and elective units to support a range of fitness specialisations. Fitness Trainer Essentials 3e teaches the basics of fitness and nutrition principles, covers more on functional testing and nutritional assessment and guidelines. With a shift to full colour throughout and an abundance of new and improved images, charts and diagrams, this new edition is the most comprehensive text reflecting current industry standards and practices. Fitness Trainer Essentials 3e assumes that the reader has acquired the Certificate III in Fitness qualification. Therefore the topics covered in the text by Marchese have not been repeated in this text. Additional review questions are also available to retouch on key points from a Certificate III perspective.

**Business Law 2014** - Andy Gibson 2013-10-11

Business Law 2014 - Your essential up-to-date business law resource The pace and scope of legislative reform of the law affecting business is increasing. There is a major shift to uniformity across the nation with a corresponding increase in new legislation and significant amendments to existing legislation. Business Law 2014 is a sophisticated and comprehensive text which provides a clear and current appreciation of the main rules and legal principles encountered in a course for non-lawyers. It considers the legal environment in which businesses must operate in all states and territories. With a student-friendly, 4-colour format and a teaching and learning resource package second to none, Business Law 2014 also offers instructors a great opportunity to tailor textbook content to suit the breadth and depth of the areas you wish to teach.

*The Law Students' Journal* - John Indermaur 1899

**Commonwealth Caribbean Business Law** - Rajendra Ramlogan 2012-05-23

Caribbean Business Law breaks away from the traditional English approach of treating business law primarily as the law of contract and agency. It provides a broad overview of the foundation of various legal systems and goes on to examine the various areas of legal liability that may impact on business activities. These areas include tort law, criminal law, internet law and payment in business transactions. Specifically, the book targets the development of business law in several Commonwealth jurisdictions, including Canada and Australia, but with special focus on legal developments in Commonwealth Caribbean countries. The approach of the book is to present excerpts from judgments, so as to enable students to understand legal principles as espoused by the judiciary without the filtering bias of authors. This new title is essential reading for students taking LLB and Business Degree courses in the Caribbean and other Commonwealth jurisdictions.

**Business Law** - James Marson 2013-05-23

This comprehensive textbook provides a thorough and accessible introduction to business law for the non-law student. Packed with up-to-date and relevant examples, it demonstrates the real applicability of the law to the business world, making it an invaluable companion for all those tackling business law for the first time. Whether you're a would-be entrepreneur or looking to a career in management, this book gives you the solid base you need to make confident business decisions in the future. Designed for non-lawyers,

Business Law is written in a clear and easy-to-follow style which avoids excessive legal terminology and presents the need-to-know facts and cases. Fully referenced throughout and with an accompanying Online Resource Centre, Business Law combines accurate legal detail with strong learning tools such as self-test questions, chapter summaries and key definitions, helping you successfully navigate your way through this often complex subject. ONLINE RESOURCES The book is accompanied by a comprehensive Online Resource Centre offering several resources to support teaching and learning. Student Resources: · Multiple choice questions · Indicative answers to the end of chapter questions · Additional material on the Consumer Protection from Unfair Trading Regulations 2008, business and ethics, corporate manslaughter, and the Legal Services Act 2007 · Flashcard cases · Flashcard glossaries · Legal Updates Lecturer Resources: · Customizable PowerPoint slides for use in your teaching · Test bank of multiple choice questions  
**Canadian Books in Print. Author and Title Index** - 1975

**Integrating Human Service Law and Practice** - Rosemary Kennedy 2004

This study addresses the legal rights, obligations, and responsibilities of human service workers and to a lesser extent, some areas of substantive human service client-related law.

Legal Bibliography ... - 1903

*Business Law* - David Kelly 2017-07-14

Business Law offers comprehensive coverage of the key aspects of business law that is easy to understand for both law and non-law students. Established legal topics such as the English Legal System, Contract, Consumer, Company and Employment Law, as well as emerging areas such as Health and Safety and Environmental Law, are considered as they apply to business. This edition also includes coverage of the now essential field of Intellectual Property, written by Janice Denoncourt. The work has been thoroughly updated to include all the recent major developments in the law, such as the Consumer Rights Act 2015 and the Small Business, Enterprise and Employment Act 2015 together with important cases that have been decided in the period since the last edition. Mention, of course is made of Brexit, although as yet its outcome and consequences remain uncertain. Key learning features include: Law in context boxes that contextualise each chapter's topic within the Business environment; diagrams and tables to illustrate key principles; updated key case boxes that highlight landmark cases for easy reference; revision summaries at the end of each chapter to help clarify the key points for each topic; an attractive two-colour text design that aids easy understanding and quick referencing; an up-to-date and easy-to-use companion website with additional features to further your learning and track your progress. Business Law offers a topical overview of this subject in an accessible style suited to both law and business studies undergraduates.

Social Media Risk and the Law - Susan Grantham 2021-09-15

Social media has many advantages for professional communication – but it also carries considerable risks, including legal pitfalls. This book equips students and communication professionals with the knowledge and skills to help minimise the risks that can arise when they post or host on social media. It offers them strategies for taking advantage of the opportunities of social media while also navigating the ethical, legal, and organisational risks that can lead to audience outrage, brand damage, expensive litigation and communication crises. The book uses stakeholder theory and risk analysis tools to anticipate, identify, address and balance these opportunities and risks. It takes a global approach to risk and social media law, drawing on fascinating case studies from key international jurisdictions to explain and illustrate the basic principles. Whether you are a corporate communicator, social media manager, journalist, marketer, blogger or student you will find this book an essential addition to your professional library as the first reference point when social media and legal risks arise.

**Introduction to Business Law (Custom Edition)** - Gibson 2015-12-16

This custom edition is published for Griffith University.

Manual of the Law of Scotland ... The law of private rights and obligations. Second edition, enlarged - John Hill BURTON 1847

*Business Law Concentrate* - James Marson 2019-08-07

The Business Law Concentrate is written and designed to help you succeed. Written by experts and covering all key topics, Concentrate guides help focus your revision and maximise your exam performance. Each guide includes revision tips, advice on how to achieve extra marks, and a thorough and focused breakdown of the key topics and cases. Revision guides you can rely on: trusted by lecturers, loved by students... I have always used OUP revision and Q&A books and genuinely believe they have helped me get better grades" - Anthony Poole, law student, Swansea University "The detail in this revision textbook is phenomenal and is just what is needed to push your exam preparation to the next level." - Stephanie Lomas, law student, University of Central Lancashire "It is a little more in-depth than other revision guides, and also has clear diagrams and teaches ways to obtain extra marks. These features make it unique" - Godwin Tan, law student, University College London "The concentrate revision guides stand out against other revision guides" - Renae Haynes Williams, law student, Bangor University "The exam style questions are brilliant and the series is very detailed, prepares you well" - Frances Easton, law student, University of Birmingham "The accompanying website for Concentrate is the most impressive I've come across" - Alice Munnely, law student, Kings College London "-it is a fantastic book. It covers absolutely all topics you need for the course." - Emma McGeorge, law student, Strathclyde University
